Central Brambleton Retention Ponds

PROJECT: WATER QUALITY RETROFIT PROJECTS

LOCATION
- Cecelia Street (between East Virginia Beach Blvd. & Corprew St.)

PROJECT INFORMATION
This project will upgrade and expand the existing pond along with the construction of a second pond. Pumps will also be added to allow removal of pond water before a large rain event. The project will improve water quality, increase storage capacity, establish a habitat for native wildlife and enhance the overall visual aesthetic of the community.

SCOPE OF WORK
- Removal of small peninsulas to increase capacity of current pond.
- Addition of second pond.

PROJECT STATUS
- **Under Design**
