FOR IMMEDIATE RELEASE

CITY TO CLOSE DOWNTOWN FLOOD GATES

Norfolk, VA- The Department of Public Works' Division of Storm Water Management will close the five downtown flood gates beginning at 3:00 pm this afternoon. The gates will remain closed overnight. Staff will evaluate the conditions at 7:00 am tomorrow morning to determine if it is safe to reopen the gates.

Closing the flood gates will prevent flooding in the downtown areas. Vehicular traffic will not be impacted as a result of the closures.
