

**Council Update
November 16, 2006**

Public Works Streets and Bridges crew did major repair work to the sidewalk in front of the Berkley Neighborhood Service Center along South Main Street. This work was done in conjunction with developing ways to improve the Neighborhood Service Centers on the Southside. Crews replaced 100 linear feet of 4 foot wide concrete sidewalk and 50 linear feet of concrete curb. All the work is scheduled to be complete in the next 30 days.
