

**Tidewater Drive**— Beginning as early as Tuesday, September 15, Tidewater Drive will be closed to northbound traffic from the underpass to Lindenwood Avenue. The closure is necessary to allow for the second phase of work on the Tidewater Drive underpass and is expected to be in effect for approximately 60 days, weather conditions permitting.

Northbound traffic will be detoured from Tidewater Drive as follows:

- Left onto E. Princess Anne Road

- Right onto Church Street

- Right onto E. 26<sup>th</sup> Street, which becomes Lafayette Boulevard

- Follow Lafayette Boulevard to Tidewater Drive
