WATER

MISSION STATEMENT

The Norfolk Department of Utilities enhances the quality of life by providing excellent water and wastewater services at the best possible value for our customers.

DEPARTMENT OVERVIEW

The Department of Utilities is responsible for the operation of two enterprise funds, the Water Fund and the Wastewater Fund. The department, which is comprised of eight divisions and over 391 employees, is organized as follows:

Water Production: Responsible for providing safe, clean drinking water to City of Norfolk customers by operating and maintaining the Moores Bridges and 37th Street Water Treatment Plants, as well as raw water pumping and transmission systems.

Water Quality: Ensures the provision of high quality, safe, clean drinking water through compliance monitoring, testing, analysis, reporting and management of city-owned reservoirs and adjacent watershed properties.

Wastewater: Responsible for the maintenance and repair of wastewater mains and wastewater pumping stations that convey sewage from Norfolk's homes and businesses to the Hampton Roads Sanitation District for sewage treatment.

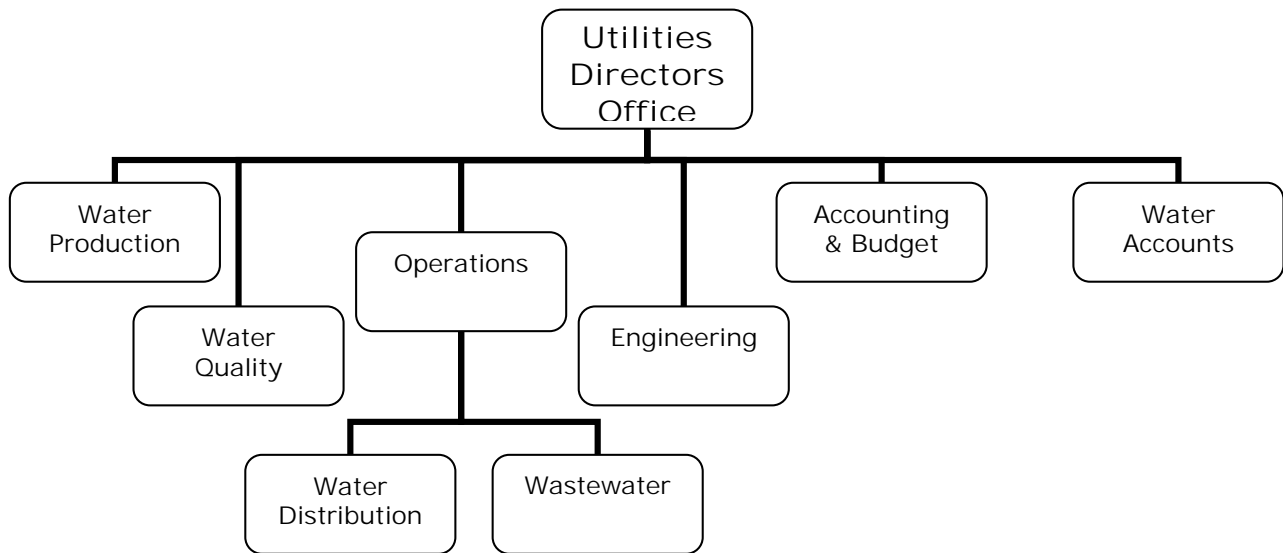

Water Distribution: Responsible for the maintenance and repair of the water distribution system, fire protection facilities, meter reading, and meter maintenance.

Water Accounts: Provides customer services to all users of Norfolk's utility system including billing, collections and response to customer service inquiries.

Engineering: Responsible for the management of the department's capital improvement program.

Accounting & Budget: Provides technical support, accounting and financial services to the department.

Director's Office: Provides administrative, leadership and management services to the department. The Director's Office also provides support services such as: Human Resources, Public Relations, Communications, and Grants Administration.

BUDGET HIGHLIGHTS

The total FY 2010 budget for the Water Fund is \$78,477,200. This is a \$560,200 increase over the approved FY 2009 budget. This is just a 0.7 percent increase over the prior year's approved budget. The Water Fund approved budget for FY 2010 incorporates the gradual and predictable multi-year rate structure adopted by City Council in 2003 aimed at maintaining the physical infrastructure and financial viability of the system.

The total FY 2010 budget for the Wastewater Fund is \$26,561,600. This is a \$1,017,300 increase over the approved FY 2009 budget. This 4 percent increase incorporates the gradual and predictable multi-year rate structure adopted by City Council in 2003 to support a multi-year wastewater system improvement plan intended to reduce failing pipes over a 10-year period.

KEY GOALS AND OBJECTIVES

- To provide clean, safe, reliable drinking water to the customers of the Norfolk water system: Perform monitoring, analyses, and reporting as required by the Safe Drinking Water Act.
- To provide reliable and efficient collection of wastewater from Norfolk homes and businesses: To comply with all Federal and State environmental regulations.
- To continue implementation of long-term infrastructure improvement plan.
- To maintain the credit quality and financial stability of the funds: Maintain financial indicators and benchmarks.
- To secure grant funding and low interest loans: Monitor sources for availability; apply as applicable.
- To provide expanded opportunities for customer service such as web based payments.

PRIOR YEAR ACCOMPLISHMENTS

- Produced 24.3 billion gallons of water, 100% of which met Safe Drinking Water Act requirements.
- Met all requirements of DEQ Consent Order.
- Minimized sanitary sewer overflows.
- Obtained \$17.0 million of zero percent interest rate loan financing from the Virginia Department of Environmental Quality's Wastewater Revolving Loan Fund for wastewater infrastructure improvements.
- Repaired and repainted Chesterfield Heights and Little Creek Ground Water Storage Tanks.
- Replaced or rehabilitated approximately 11 miles of sanitary sewer mains.
- Replaced five miles of treated water mains.
- Installed 1,241 manhole inserts to reduce infiltration and inflow.
- Provided water to the City of Portsmouth to assist them during the drought.
- Met the region's demands for Norfolk's water during the drought conditions without implementing mandatory water restrictions.
- Earned wastewater pre-treatment award from HRSD.
- Completed neighborhood water and sewer pipe replacements in the following areas: Bicounty Road area including Elk and Moose streets, Fairmount Park, Glencove and Lockhaven, Kensington, Willoughby, Park Place, Pinewell, Pamlico, Talbot Park, Granby Shores, Colonial Place, Huntersville and Glengariff.
- Installed effluent flow meters on several pump stations around the City of Norfolk.
- Completed Phases 1 and 2 of fire hydrant replacement projects to provide improved fire protection for several areas of the City of Norfolk.
- Installed fixed bypass pumps at several sewer pump stations around the city.
- Initiated design phase for 37th Street Treatment Plant rehabilitation phase 3.
- Replaced portions of the 36" and 48" raw water mains, which supply water to our two treatment plants.
- Completed pilot area of GIS data conversion project and continue with the conversion of data to GIS/Hansen format.
- Completed dam safety improvements at Lake Burnt Mills Reservoir.

FINANCE AND BUSINESS SERVICES - PARKING FACILITIES FUND

MISSION STATEMENT

The Division of Parking, through the efforts of all employees dedicated to excellence, shall provide safe, convenient and affordable parking services to the residents, visitors and businesses in Norfolk.

DEPARTMENT OVERVIEW

To meet the needs of downtown workers, residents, students, shoppers, and tourists, the City of Norfolk's Parking Division operates and maintains the City's parking system. This includes approximately 17,589 public parking spaces located in 13 garages, 12 lots and over 669 on-street spaces. Safe, convenient and affordable parking is provided to all patrons through the efficient management of the City's parking resources. The Parking Facilities Fund is part of the Department of Finance and Business Services.

BUDGET HIGHLIGHTS

The total FY 2010 expenditure budget for the Parking Facilities Fund is \$21,757,100. This is a \$743,500 increase over the FY 2009 budget. This 3.5 percent increase in anticipated revenue is due to a planned adjustment in some parking rates. The budget includes a 13 percent decrease in expenditures but also reflects additional debt service and operational costs as new facilities come into existence. In FY 2010, the Wells Fargo Center central garage and the Spotswood parking lot that services the Colley Avenue business corridor will open. In addition, the construction of the Wells Fargo Center integrated garage is proceeding and soon construction will begin on the Westin Hotel and Conference Center garage. No changes in monthly parking fees or on-street parking fees are proposed but it will be necessary to make some adjustments to short term and recreational rate structures in the near future.

KEY GOALS AND OBJECTIVES

- Implement adjusted short-term and long-term parking rates at parking facilities.
- Plan bond issuances for future garage construction and improvement projects including feasibility study and update of our demand and utilization models.
- Manage structural rehabilitation projects and the replacement of the elevators at Boush Street Garage.
- Develop operating plan and specifications for the future Parking Access and Revenue Control (PARC) System.
- Conduct an international search using the RFP process and implement the new PARC System in 2009.
- Continue installation and expansion of the Wayfinding and Parking Identification Program.

- Extend marketing efforts to include cooperative advertising campaigns intended to educate the public on parking opportunities in downtown.
- Improve Downtown Transportation System by replacing and expanding the NET services.
- Design parking management strategies that encourage appropriate parking usage in appropriate locations.
- Establish parking debt policy to be utilized in the issuance of additional debt.

PRIOR YEAR ACCOMPLISHMENTS

- Improved facility interiors at various garages including lighting upgrades, improved signage for motorists and pedestrians and the painting of interior surfaces.
- Expanded the capability to accept credit cards at all facilities for short term and special event revenue.
- Renovated elevators at Boush Street Garage.
- Implemented Smart Card usage for public access at all on-street parking meters.
- Implemented PARIS software for Parking Accounts Receivable system.
- Rolled out City of Norfolk's new Advantage III accounting software.
