

Providing residents with convenient access to services in a "customer-friendly" environment

The Bureau of Community Outreach serves over 200,000 people a year through an array of people-oriented services. The bureau promotes individual resident involvement; supports community leaders in their efforts to formally organize their neighborhoods; assist community organizations to find creative, constructive, positive solutions to community problems and more.

Services and Programs

Campostella Heights Resource Center

The Campostella Heights Resource Center, located off Campostella Road on the corner of Mount Vernon Avenue and Campos Place, is the newest of five centers. The 2,200 square foot building is a multi-purpose center offering neighborhood residents services and program elements including:

- A multi-purpose room for community meetings and events with 4 computers for public access
- A canteen with separate entrance
- A computer resource center with 16 computers for Norfolk Public School students to:
 - ✓Receive assistance with homework & complete school assignments
 - ✓Prepare for SOLs during the school year
 - ✓Complete practice PSAT/SAT tests
 - ✓Learn basic computer skills
 - ✓Learn basic keyboarding techniques
 - ✓Utilize Microsoft Office programs
 - ✓Create slideshows using PowerPoint

Agencies, organizations and programs utilizing centers:

- Civic leagues
- Task force groups
- Youth groups
- Senior groups

Bureau Portfolio:

- Berkley Neighborhood Service Center
