

*Providing residents with convenient access to services in a "customer-friendly" environment*

Neighborhood Service Centers are part of the Department of Neighborhood Preservation, Bureau of Community Outreach. Each year the four centers serve over 200,000 people. Centers offer an array of people-oriented services including community outreach, health, educational, recreational and social programs at the local level.

# Services and Programs

## Park Place Neighborhood Service Center Programs & Amenities

Norfolk Public Library [664-7330] This branch has an excellent selection of books: fiction and non-fiction, children books, videos, story hour, special programs, computer lab, books on tape, reference materials, DVD's, large print books and a Family Resource Center.

Immunization Clinic [683-9230] The clinic offers childhood protection from disease. This service is offered to babies, children and adults. Shots offered are: flu shots, booster shots, polio shots, TB skin test, diphtheria, hepatitis shots, pneumonia, chickenpox and others.

Children Dental Clinic [683-9240] The dental program provides services for pre-school and school age children who reside in the City of Norfolk. Services include: oral examinations, cleaning, filling and space maintaining.

Comprehensive Health Investment Project (CHIP) [683-9255] A private/public partnership with the Norfolk Health Department and the Planning Council which is designed to serve families that live in Norfolk with children ages birth to 7 years of age to help them become self-sufficient and ensure that they have a medical and dental home.

Family Planning [683-9230] The Family Planning Clinic offers a complete family planning service: examinations, counseling, educational programs, pharmaceutical and laboratory services.

Baby Care Center [683-9230] A Virginia Medicaid Program that provides case management services including in-home visitation for high risk pregnant mothers and infants up to two years of age. Case Management includes needs assessment of the family, development screening, health teaching and referrals.

American Red Cross Adult Dental Clinic The American Red Cross Adult Dental Clinic provides services to adults who are Norfolk residents with no dental insurance and no relationship with a dentist. All patients must be at or below 125% of the federal poverty level.

### Other agencies, organizations and programs utilizing PPNSC:

- Alcohol Anonymous (AA)
