

Downtown Construction Update
February 2-9, 2009

Freemason Area

Completed

Duke Street

- Water and Sewer installed from Bute Street to Brambleton Avenue
- Open to two way traffic

Yarmouth Street

- Water and Sewer installed in the Easement between the YMCA and the New Belmont

Bute Street

- Water and Sewer installed from Dunmore Street to Duke Street
- Open to two way traffic

York Street

- Botetourt Intersection open to thru traffic
- Water and Sewer installed from Dunmore Street to the NOAA property

Ongoing

Dunmore Street

- Water and Sewer construction is ongoing
- Expect 2-3 months for completion
- Complete road closure between York Street and Bute Street
- Validated parking at the York Street Garage is available to those affected by Norfolk Utilities construction

30 Day Look Ahead

Yarmouth Street

- Water and Sewer construction is expected to begin this week between Bute Street and Freemason Street
- Construction will proceed down Yarmouth Street to College Place

What's Next

Freemason Street

- Upon the completion of Dunmore Street, crews will then move to Freemason Street to begin water and sewer installation
- Freemason Street cobblestones shall be temporarily removed while water and sewer construction is in progress. The cobblestones will be re-installed when the water and sewer work is complete.
