Norfolk Tree Commission Monthly Meeting – Lambert’s Point Recreation Center

August 1, 2019 at 4:00 pm

**The Mission and Tasks:**

a. The Norfolk Tree Commission (NTC) champions the City’s urban forest through:

   (1) Encouraging (tree) health.
   (2) Diversification.
   (3) Increased size of the current tree canopy.
   (4) Engaging public awareness and project participation in the urban forest.
   (5) Acting as an advisory body to City agencies and for Norfolk residents on relevant (tree) matters.

b. Celebrate Trees (celebratetrees.norfolk.gov)
   (1) An environmental initiative for residents and businesses the objective is to increase the tree canopy **three** ways:
      a. Donate to the “Living Legacy Grove Fund”
      b. Plant a tree on your own property
      c. Request a tree for city owned medium or curb

c. Living Legacy Groves (established 2010)
