

THE CITY OF
NORFOLK

Department of Transit
Safe & Healthy Streets

Safe & Healthy Streets

- Moving Norfolk toward a vision of streets that are **safe and healthy**
- Moving transportation in a more **walkable** and more **multimodal** direction
- Making streets into multimodal **“Placemaking Corridors”**
- First step is to complete the **Multimodal Transportation Master Plan** and **Transit System Redesign**

SAFE & HEALTHY STREETS

Moving PEOPLE

The Multimodal Transportation Master Plan

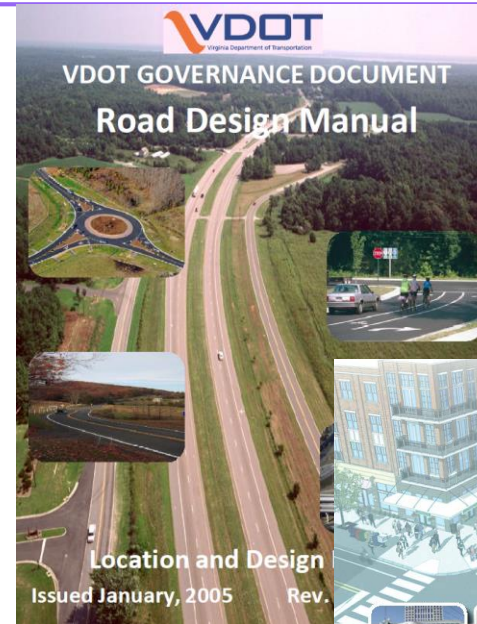

Program of Projects & Transit Redesign

Resource Allocation Plan & Transit Service Plan
