

Hampton Blvd & Magnolia Ave. Intersection Improvements UPC 120917

Location

Hampton Blvd & Magnolia Ave.

Project Benefits

This project will make improvements to signalized intersection and pedestrian crossings at Hampton Blvd & Magnolia Ave

Scope of Work

This project will replace the existing span wire signals with new traffic signal poles and mast arms at the intersection of Hampton Boulevard and Magnolia Avenue. Additional improvements include the addition of pedestrian signals and modifications of existing pedestrian ramps to meet current ADA compliance standards

Project Status

Design

Project Schedule

- Anticipated advertisement: Fall 2028
- Anticipated start: Fall/Winter 2028
- Anticipated completion: TBD

Project Funding

Revenue Sharing (State)
\$2,969,314.00

Construction Impacts

Temporary lane closures will be required. Pedestrian detours will provide safe passage for pedestrians through the intersection.

Civic Engagement

- Ward 2 (Councilwoman Doyle)
