St. Paul's Critical Community Improvements Plan

- *St. Paul's Artist Selection – Resident Participation in Kindred Public Art*

St. Paul's Artist Selection – Resident Participation in Kindred Public Art

- Residents are helping select artists for public art projects in the Kindred neighborhood
- Tidewater Gardens residents serve on the St. Paul's Public Art Planning Committee, participating in interviews and final artist selections
- Community surveys are gathering input to ensure strong resident engagement in the process
- The effort is led by Norfolk Arts and the City's Department of Housing & Community Development as part of the CNI Critical Community Improvements for placemaking
- Second Community Survey is open until July 28, 2025

The screenshot shows a web page for a public art survey. At the top left is the Norfolk logo, and at the top right is the OpenGov logo. Below the logos is a navigation bar with links for Home, Info, Help, and Sign in. The main heading reads "Pick Your Top Four Favorite Artists" followed by "Public Art is Coming to the Kindred Neighborhood—Choose the Artists Whose Work Speaks to You!". A subheading indicates "20 days left before deadline". Below this is a progress bar with four tabs: Introduction, Feedback, Your Response (which is active), and Outcome. The text explains that the City of Norfolk is partnering with the community to bring public art to the Kindred neighborhood and asks residents to vote for their four favorite artists. A note clarifies that the images shown are examples of previous work and not final designs. A link is provided to take the survey, and a deadline of 11:59 PM on July 28, 2025, is displayed at the bottom.

Pick Your Top Four Favorite Artists

Public Art is Coming to the Kindred Neighborhood—Choose the Artists Whose Work Speaks to You!

20 days left before deadline

Introduction Feedback Your Response Outcome

The City of Norfolk is partnering with the community to bring meaningful public art to the Kindred neighborhood.

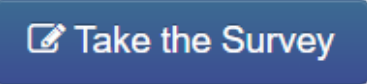

Please vote for your four favorite artists whom you'd like to see create art installations at key public and community spaces in the Kindred neighborhood. The survey will include three examples of each artist's work and a 3-minute video to help you discover the four you like the most!

Note: The images shown reflect examples of each artist's previous work and are NOT the final designs. Final designs will be developed in close collaboration with the Kindred community.

Results will be shared with the community via [Public Art at Kindred website](#) and the City of Norfolk's social media channels.
