

City of Norfolk

Notice for Certificate of Appropriateness

In accordance with 9-3.4 (C) *Notice must be posted*; this applicant has requested a Certificate of Appropriateness from the Architectural Review Board (ARB). Details on the applicant's request, and the ARB hearing date, are listed below. This notice shall be posted in a location visible from the public right-of-way, not less than seven (7) days prior to initial consideration of the application by the ARB; and will remain posted until a final determination is made by the ARB, or if appealed, by the City Council. Failure to post the notice as required shall suspend consideration of the application until such time as this ordinance is complied with.

Address: _____

Request: _____

ARB Meeting Date: _____
