Asbestos Inspection Exemption

I certify that the above building is exempt from the Asbestos Inspection, as required by the Commonwealth of Virginia for the following reason (check one):

- 1. Single family dwelling or residential housing with four (4) or fewer units not being renovated / demolished for commercial or public development.
- 2. The combined amount of regulated asbestos containing material involved is:
 - a) less than 260 linear feet of material on pipes, or
 - b) less than 160 square feet on other facility components, or
 - c) less than 35 cubic feet of facility components where the length or area cannot be measured.
- 3. Buildings for which an initial building permit was issued after January 1, 1985.

Signature of Owner or Authorized Agent
