Real Estate Tax Exemption Surviving Spouse of Veteran Killed in Action

Dear Surviving Spouse,

For the tax years beginning on or after January 1, 2015, the General Assembly hereby exempts from taxation the real property of the surviving spouse of any member of the armed forces of the United States who was killed in action as determined by the United States Department of Defense, who occupies the real property as his principal place of residence. State code limits the real property tax exemption as average assessed value. You are not eligible for this tax exemption if you have remarried. The City of Norfolk set forth in the city ordinance that this shall be in effect from and after July 1, 2015.

In order to apply, **the surviving spouse must provide the following:**

1. Completed and signed Surviving Spouse of Veteran Killed in Action application

3. Attach a copy of the veteran's death certificate.
4. Attach a copy of marriage license.
