EXPRESSIVE ACTIVITY PERMIT GUIDELINES

SevenVenues oversees the permitting process for first amendment expressive activities including, but not limited to assemblies, marches, parades, demonstrations and rallies in the City of Norfolk. Applicants interested in obtaining a permit for the use of City property designated for expressive activities are required to complete a permit application and follow the steps in the permit application approval process.

PERMIT APPLICATION TO HOLD PARADE/PUBLIC ASSEMBLY NORFOLK CITY CODE SECTIONS 29-67, 25.2-50 AND/OR SPECIAL PERMITS UNDER 29-67(m)

It is the right of the City of Norfolk to ensure the free and safe passage of pedestrians and vehicles on the public rights-of-way, to ensure free and safe access to public areas, and otherwise regulate and control the time, place and manner of activities that would otherwise threaten the public health, safety, and welfare, while also encouraging the exercise of rights under the First Amendment of the United States Constitution. Content of the expressive activity will never be regulated and all requests for expressive activities are treated equally, as long as the permit criteria and requirements are met. No group assembling lawfully will be discriminated against or denied the right of assembly.

WHERE CAN I HOST AN EXPRESSIVE ACTIVITY?

If the event qualifies as a first amendment activity, the City will accommodate the activity in a traditional public forum. Traditional Public Forums: A "Traditional Public Forum" is protected by the 1st amendment and is a place with a long tradition of expressive activities. The City can impose only content-neutral time, place, and manner restrictions on speech.

The following are categories of traditional public forums: Sidewalks, Public Parks, and Public Streets. Other requested locations are to be reviewed on a case by case basis by the City.

The following are NOT considered Traditional Public Forums: City Buildings, City Parking Lots, or Sand Beach Property. Designated Public Forums: A "Designated Public Forum" is an area in which the City has chosen to open for events or private events although it did not have to. Designated public forums are not open for expressive activities. All groups must be granted equal access to the area, therefore all policies and/or fees set for the area apply the same to each organization.
