

# Norfolk Prevention Coalition

## Mission

Working together to reduce use of drugs, alcohol and tobacco

## Community Initiatives

### Youth and Young Adult Surveying

Youth Risky Behavior Survey (YRSB) is administered with incentives to all students and young adults in the community who complete YRSB.

### REVIVE! Opioid Overdose and Naloxone Education (ONE) for Virginia

Lay Rescuer Training to understanding and responding to an opioid overdose emergency using naloxone (open to the public)

## Community Education Programs

### Annual Town Hall Meetings

NPC hosts an annual town hall meeting to educate community leaders about the current substance issues in our community and the outcomes of Coalition initiatives.

## Community Awareness

Norfolk Prevention Coalition collaborates with local and regional agencies to provide prevention education on substance use and abuse to parents and other community members.

Norfolk Prevention Coalition offers free membership to all sectors of its community (i.e. faith, business, law enforcement, government, schools, civic, youth, parents, substance abuse organization, health care professionals, media, youth serving organizations).
