Elevator, Escalator Moving Walkways, Lifts, Certification Application

1. Annual and 5year inspections will be completed by a THIRD-PARTY INSPECTOR
2. As of February 1, 2018, all elevators, escalators, moving walks and lifts will require a THIRD-PARTY Annual and 5 Year Inspection test.
3. Schedule your Annual or 5-year inspection with your maintenance company and your THIRD-PARTY Inspector.
4. COMPLETE AND PASS YOUR THIRD-PARTY INSPECTION BEFORE SUBMITTING PAYMENT TO THE CITY OF NORFOLK
5. Once inspection is completed email your completed passed results to: NorfolkElevator@norfolk.gov
6. Certificate of Issuance will not be issued with a failed third-party inspection report. If there is more than one piece of equipment at the property, all equipment must have a passed third-party inspection for Certificate Issuance to be issued. All payment received will be returned or held until a passed third-party inspection has been received in our office.
7. A review of the results will be conducted by City staff and will be ready for Certificate issuance within 72 hours unless corrections are noted.

Fill out an Elevator Certificate application (not elevator permit) that can be found at www.norfolk.gov under City Planning and mail with check to:
