*Trees must be free of all ornaments, lights and tinsel.

Resolution Hack

Is your resolution this year to reduce waste?
We've got a great DIY hack to help!

DIY Reusable Produce Bags

Use either cotton or mesh fabric (or even an old t-shirt!). Cut to desired size once folded in half, and sew along seams. You can keep them open or add a drawstring! This is an easy way to cut down on your plastic use at the grocery store.

Adopt - A - Spot Groups

Happy New Year Adopt-A-Spotters! Quarter three reports will be due by the end of March. If you have reports from previous quarters that haven't been turned in, email the report and sign in sheet to KNB@Norfolk.gov ASAP.

We look forward to a new year of opportunities to work with all of you to help keep Norfolk beautiful.
