

EAST GHENT ROAD IMPROVEMENTS

Pavement upgrades are coming to the East Ghent neighborhood! City contractors will add a thin, tough layer of asphalt sealant to area streets. This layer renews the road surface, seals minor cracks, and prevents moisture from seeping through the pavement. The waste and recycling collection schedules will not change. Door hangers will be distributed to affected residents and businesses within one week of the start date.

Starts: March 28, 2019 (weather permitting)
Ends: Late April (weather permitting)
Work Hours: 7:00 A.M. to 5:00 P.M., Monday to Friday

Work Plan: One lane of the street will be treated at a time.
Parking: Watch for “No Stopping/No Parking” signs. Flyers will be placed on vehicles parked on the street 24 hours in advance. Vehicles will be towed, at owner’s expense, if not moved before 7:00 A.M. on the day work begins.
