PROJECT: INFRASTRUCTURE IMPROVEMENTS

LOCATION
Lafayette River between E. 42nd Street and Willow Wood Drive
(over Lafayette River)

PROJECT INFORMATION
This project will improve the condition of the Granby Street Bridge by repairing key structural components and protecting bridge elements from deterioration.

SCOPE OF WORK
- New latex modified concrete deck overlay
- Repair structural components
- Seal and waterproof bridge components
- Replace new elastomeric bearings and expansion joints
- Reconstruct portions of roadway and sidewalk at bridge approaches

PROJECT STATUS
Bidding/Contracting

PROJECT SCHEDULE
Estimated construction start date: Late 2020
Estimated construction completion date: Late 2022

PROJECT COST
$7,000,000

CONSTRUCTION/TRAFFIC IMPACTS
- Lane closures will be required; at least one lane in each direction will be open at all times.
- One of the two existing sidewalks will be open at all times.
- The bike lane over Granby Street Bridge will be temporarily closed during construction.
