## Bayview Neighborhood Water and Sewer Improvements Design

8/21/2019

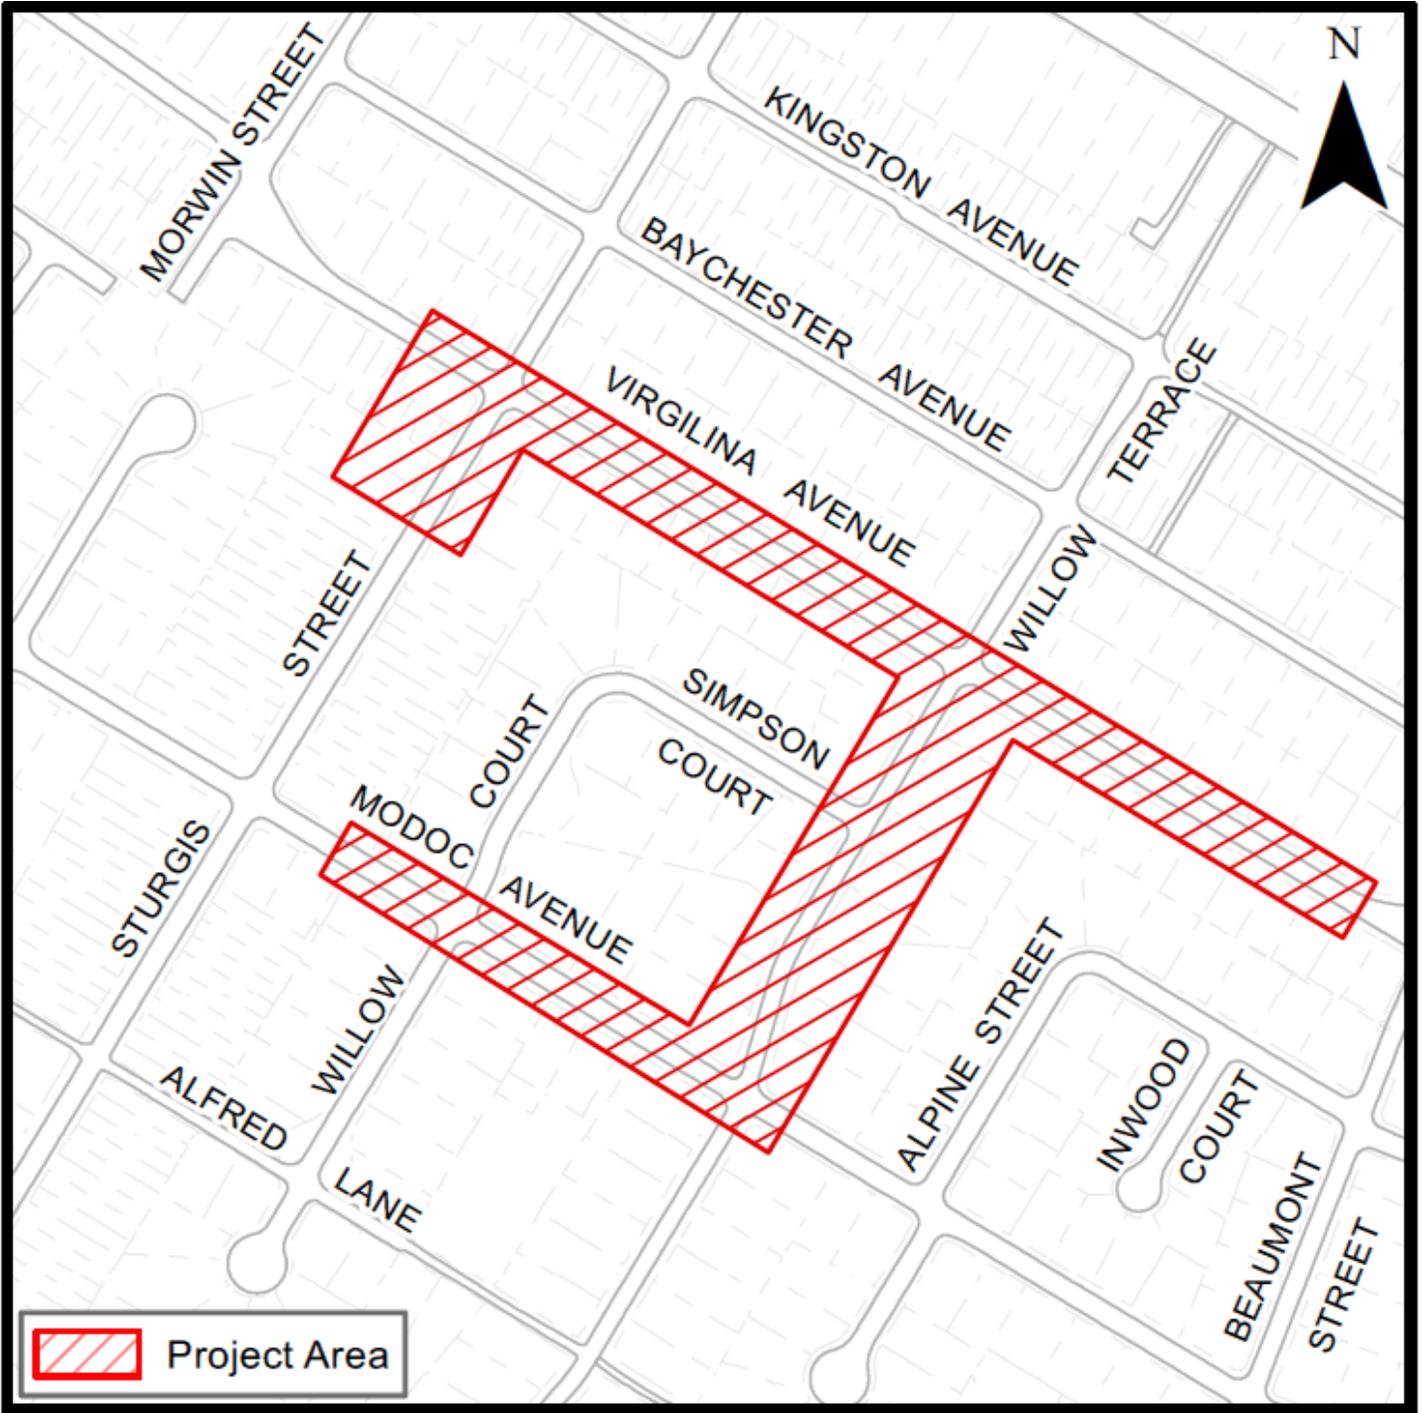

The City of Norfolk's Department of Utilities is in the early phases of planning a project to replace aging water and sanitary sewer infrastructure in your neighborhood. The project (area shown on the map on the back) will include replacement of approximately 3,500 LF of water and sewer pipe as well as resurfaced streets.

### Project Details:

- Engineering Consultant: Hazen & Sawyer
- In design phase; construction is anticipated to begin summer 2020
- Survey crews will work in the project area over the next few months.
- Crews may need access to the exterior of your property to identify property boundaries, easements and surface features.
- **At no time will surveyors request to enter your home.**
- We will provide an update when construction has been scheduled.

If at any time you have questions or concerns, please do not hesitate to contact the project manager, Francis Moll, at 664-6766.

**Visit [www.norfolk.gov/utilities](http://www.norfolk.gov/utilities) for more information.**
