

12th View Street Storm Water Outfall Extension

PROJECT: WATERWAY & BEACH IMPROVEMENTS

LOCATION

- 12th View Street (Little Bay)

PROJECT INFORMATION

Following the successful completion of the U.S. Army Corps of Engineers beach widening project, the extension of the 12th View Street (Little Bay) outfall will improve the flow of storm drainage runoff and help to reduce flooding.

SCOPE OF WORK

- Install new 24" pipe extending from the intersection of Little Bay Avenue into Little Bay.
- Install new navigation light.
- Install new navigation warning sign.

PROJECT STATUS

- COMPLETE

PROJECT SCHEDULE

Start date: Spring 2019
Completion date: August 2019

PROJECT COST

\$430,000

CONSTRUCTION IMPACTS TO TRAFFIC/PARKING

Minimal traffic impacts anticipated with installation of improvements within roadway. Traffic control signage will be installed during the project.

CIVIC LEAGUE/TASK FORCE

- Willoughby Civic League
- Ward 1
- Superward 6

Project No. 17129 | Updated August 20, 2019
