Update - Sanitary Sewer & Water Infrastructure Improvements for Chesterfield Heights Neighborhood

September 27, 2019

Thank you for your patience as we continue with the \$7 million water and sanitary sewer improvement project in Chesterfield Heights. A second phase of work is set to begin.

Current work in progress: Completion of water and sewer installation along Kimball Terrace and Westminster Avenue., followed by concrete restoration, roadway grading, and pavement restoration.

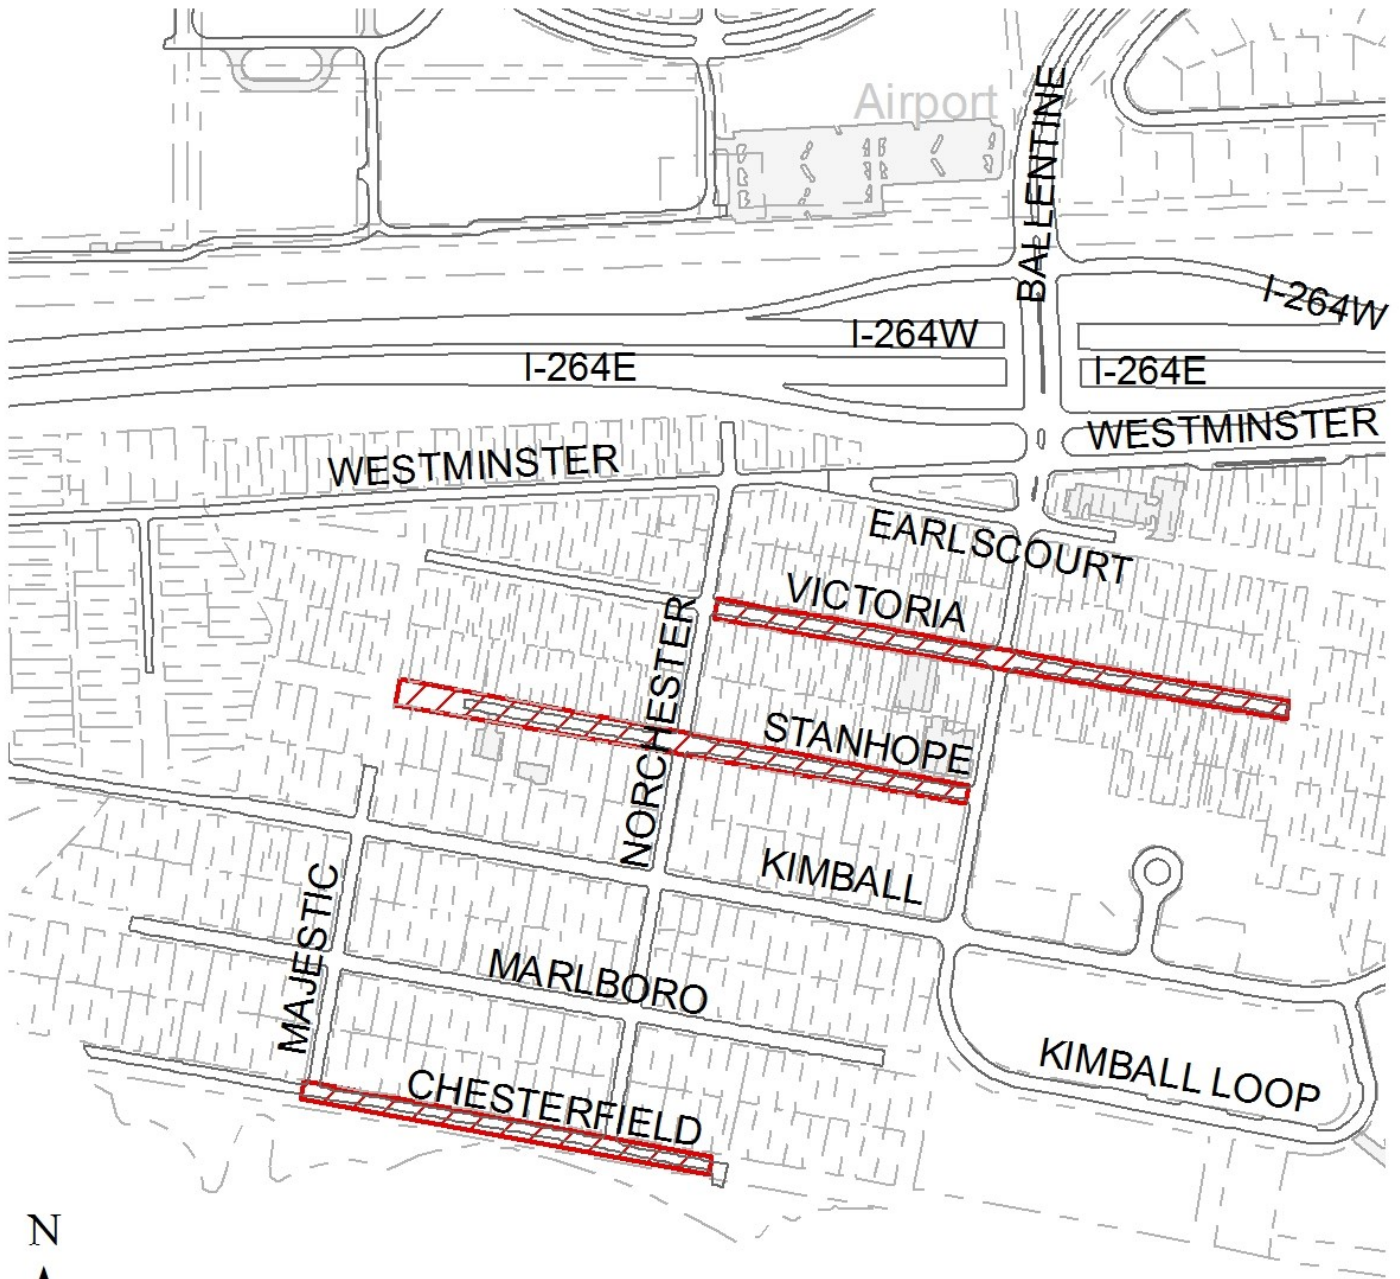

Future work planned: Water and sewer replacement along Victoria Avenue, Stanhope Avenue, and Chesterfield Blvd (to begin in Fall 2019). Westminster Avenue & Kimball Terrace will be reopened to traffic before work begins on Victoria Avenue and Stanhope Avenue.

Anticipated completion: Summer 2020

We continue to work closely with our contractors to complete the work quickly while minimizing adverse impacts to the community.

If you have any questions regarding this project, please do not hesitate to contact the City's on-site construction inspectors, Jamal Dean & Alex Swafford. Jamal Dean can be reached by cell phone at 621-5216 and Alex Swafford at 621-4086. You may also contact the project manager, Rick Dempsey, at 664-6719 or richard.dempsey@norfolk.gov.
