

Virginia Beach Boulevard Improvements at Newtown Road (UPC 109312)

Location

Virginia Beach Boulevard (between Clarence Street and Newtown Road)

Project Benefits

This project will provide more capacity for the eastbound left turn movements from Virginia Beach Boulevard to Newtown Road. The feeder lane from Clarence Street to Newtown Road will also be removed reducing confusion for drivers along the corridor. The existing traffic signal at Newtown Road will also be upgraded. There will also be sidewalk, pedestrian accommodations, sanitary sewer, stormwater management, pavement markings, and signage improvements.

Scope of Work

- Extend eastbound dual left turn lanes, remove feeder lanes
- New traffic signal at Newtown Road
- Sanitary sewer relocation
- Stormwater improvements and water quality management
- 6' concrete sidewalk and ADA ramps

Project Status

Construction Start—June 1, 2020

Project Schedule

- Bids received: 10/22/19
- Construction start: 6/1/2020
- Construction completion: 7/1/2021

Project Funding

SMART Scale (100% Federal/State, 0% Local)
\$4,495,300 (\$4,488,226 Federal/State, \$7,074 Local)

Contacts
