

## PROJECT: WATERWAY & BEACH IMPROVEMENTS

### LOCATION

Fort Norfolk—on the Elizabeth River and the east end of Plum Point Park. Plum Point Park is on the south side of Brambleton Avenue and behind the Fort Norfolk Medical Plaza

### PROJECT INFORMATION

This waterfront project provides an ADA accessible pier and kayak launch off the Elizabeth River Trail. The new pier and kayak launch will connect to the existing Elizabeth River Trail and adjacent parking lot, near the Fort Norfolk Medical Plaza. The Elizabeth River Trail will remain accessible

### SCOPE OF WORK

The project involves three major components:

- A prefabricated floating dock system, with mechanical ADA equipment, and features to allow for easier entrance and exit of kayaks.
- A 40 foot aluminum walkway leading to the dock,
- A 66 foot timber pier, connecting up to the existing Elizabeth River Trail.
