

PROJECT: WATERWAY & BEACH IMPROVEMENTS

LOCATION

11th View Street and West Ocean View Avenue

PROJECT INFORMATION

This project will modify the existing offshore breakwater field at 11th View Street in order to better protect the shoreline along Toler Place.

SCOPE OF WORK

- Installation of a new offshore breakwater and modification of an existing offshore breakwater to protect the shoreline at 11th View Street and along Toler Place from erosion due to storms.
- Extension of the existing storm water outfall at 11th View Street.
