

PROJECT: INFRASTRUCTURE IMPROVEMENTS

LOCATION

Portions of W. 23rd Street & Gosnold Avenue

PROJECT INFORMATION

This infrastructure improvement project will upgrade the storm drainage infrastructure in a small business and industrial park area. The upgrades will improve the collection, movement, and discharge of stormwater runoff to reduce flooding.

SCOPE OF WORK

- Install new storm drainage conveyance system consisting of pipes and structures
- Remove/replace curb and gutter
- Asphalt mill and overlay, and pavement patch
