Water Main Repairs — Civic Plaza

March 9, 2020

The Department of Utilities has hired Tidewater Utilities to repair two water mains in the Civic Plaza area; one near the Civic Plaza light rail station and City Hall, and a second near the Courthouse. The project areas are shown on the map on the back.

Start of Construction: March 2020

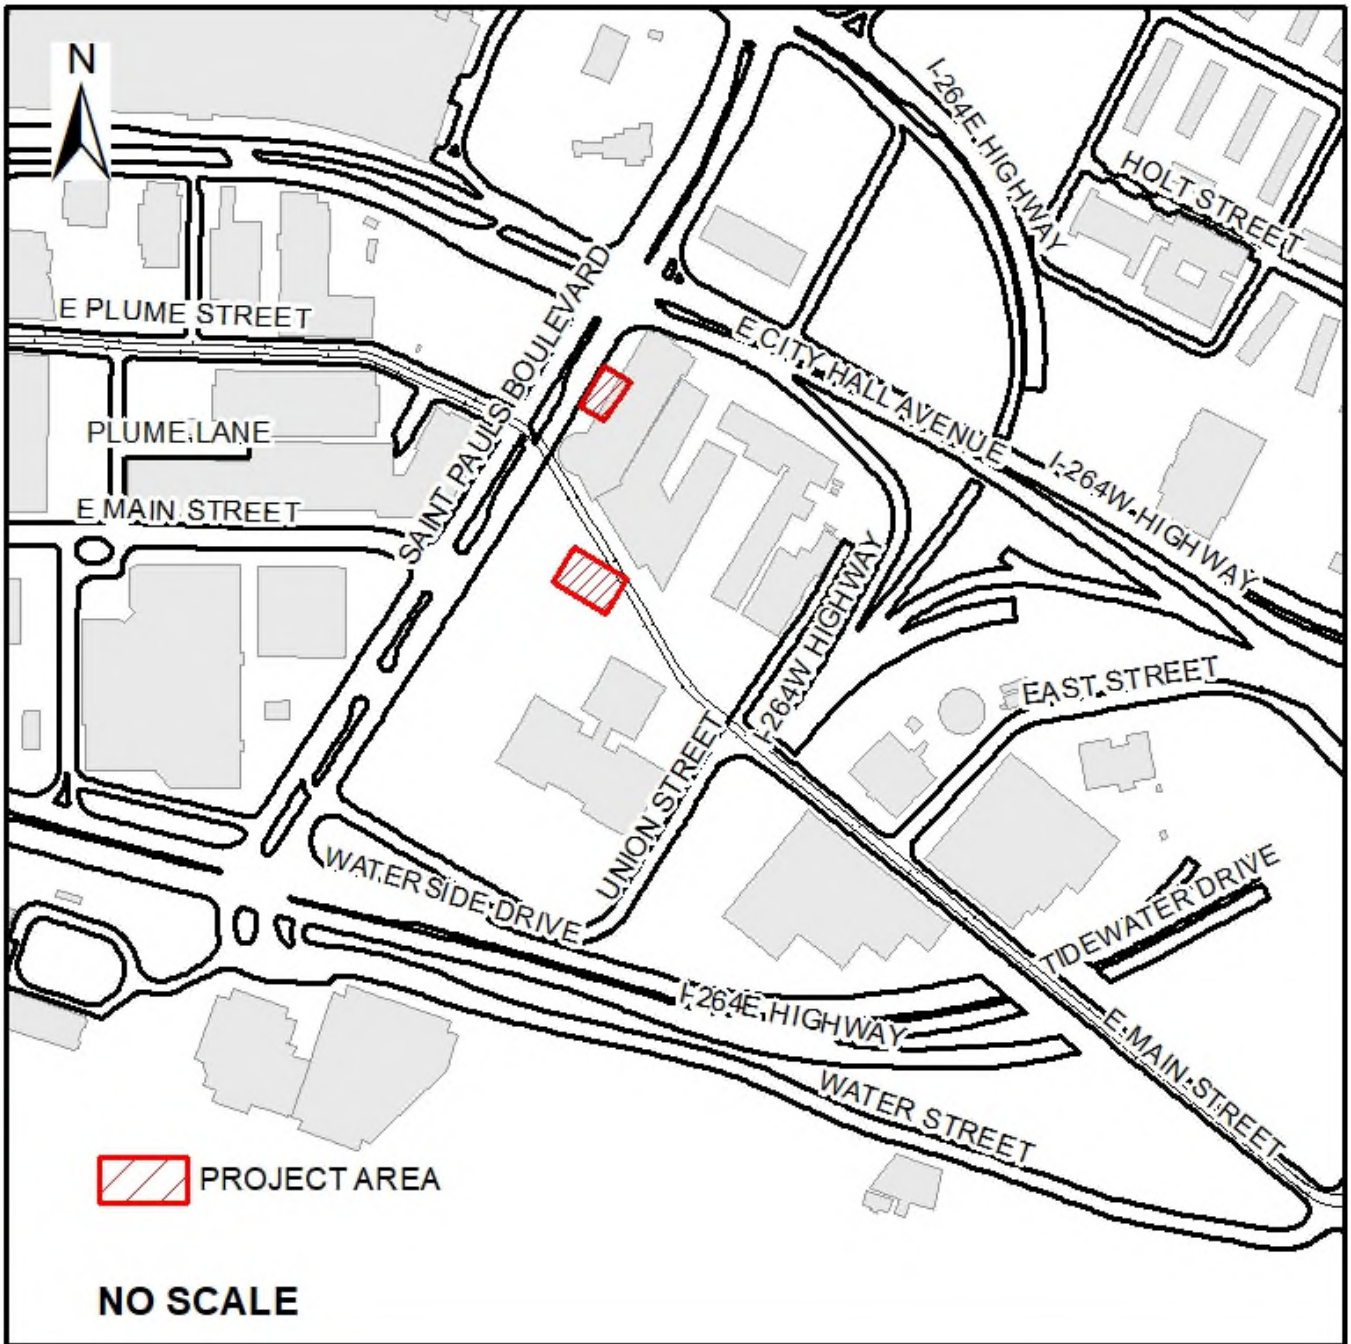

Anticipated End of Construction: May 2020

Access: Access to City Hall, the Civic Plaza light rail station, and the Courthouse will be maintained throughout construction. The sidewalk along the west side of the Courthouse on St. Paul's Blvd, will be closed for a short period of time to repair one of the water mains.

We will do our best to minimize the unavoidable disruptions associated with construction. If you have any questions or concerns, please contact the City's on-site construction inspector, Jose Arocho. He can be reached by cell phone at 618-5575 to respond quickly. You may also contact the project manager, Rick Dempsey, at 664-6719 or at richard.dempsey@norfolk.gov.

Thank you for your patience as we work to improve the resilience of your water system.

Visit www.norfolk.gov/utilities for more information.
