

**PROJECT: INFRASTRUCTURE IMPROVEMENTS**

**LOCATION**

Waterside Drive and Martins Lane

**PROJECT INFORMATION**

Town Point Park is located along the City of Norfolk's waterfront and the park attracts patrons and event planners alike to the downtown area. This project will address the drainage issues in the park and install drainage basins and piping infrastructure to Town Point Park.

**SCOPE OF WORK**

- Four (4) of six (6) "Drill & Fill" treatments, consisting of gradual shallow soil replacement, completed in March 2020 in front of the stage and the entire West Lawn.
- Drainage improvement projects, starting in March 2020 and concluding in April 2020, will include a drain pipe system in front of the stage, replacement of a poor draining permeable paver access road, and installing additional drainage pipe/inlets in the West Lawn.
