Students with Section 504 Accommodation Plans are supported within general education classrooms and will have access to the same continuity of learning experiences as their peers. In most cases, Section 504 accommodations necessary in the classroom and school setting will not apply at home. However, parents are encouraged to communicate with their students’ teachers via email with questions regarding the application of specific accommodations to lessons and activities within the learning packets made available.
Parents unable to reach a student’s teacher or access materials and resources should contact the building Section 504 coordinator, typically the assistant principal, or they may also contact the building principal. Supports and services for students with disabilities will continue to be reviewed on an ongoing basis.

Teachers and Counselors are expected to maintain virtual office hours from 10 a.m. – 2 p.m. during the closure period. This means they will be checking their email for questions/comments during the closure. Phone conferences can be scheduled as well.

SNAP Emergency Benefits

The Families First Coronavirus Response Act of 2020 provides for the issuance of emergency benefits to current SNAP households based on a public health emergency declaration by the Secretary of Health and Human Services.

This provision applies ONLY to households CURRENTLY ENROLLED IN SNAP. The usual standards to evaluate eligibility remain in effect for those seeking to apply.

Under the Families First Act, the Virginia Department of Social Services will issue emergency benefits to most households currently receiving SNAP benefits. The emergency benefits will be provided for March and April 2020 and will increase the household’s current monthly allotment to the maximum monthly allotment for a household of that size. Current SNAP households that already receive the maximum monthly allotment for their household size are not eligible for emergency benefits.

Eligible recipients will receive a notice from the Virginia Department of Social Services.
