

May 15, 2020

Special Agent In Charge Davis
Agents James and Coston
Virginia ABC Bureau of Law Enforcement
1103 South Military Highway
Chesapeake, VA 23320

Agents Davis, James and Coston:

Pursuant to "Executive Order Number Sixty-One (2020) and Order of Public Health Emergency Three: Phase One Easing of Certain Temporary Restrictions," the Virginia Alcoholic Beverage Control Authority (ABC) is authorized to issue temporary approval of outside dining areas for licensed restaurants in accordance with Topic 16 of the May 13, 2020 response of the Authority's Bureau of Law Enforcement, titled "ABC Response to Temporary Approval of Outside Dining Areas." In accordance with the requirement in Topic 16 that a licensee must have written approval from the local government for the use of a temporary outside dining area:

- All temporary outdoor dining located in the City's right-of-way and established in the manner and location consistent with the diagrams in the "Open Norfolk" Restaurant Guidelines (<https://www.norfolk.gov/DocumentCenter/View/60785/Open-Norfolk---Restaurant-Guidelines?bidId=>) and the requirements of the Virginia ABC and Department of Health in the following zoning districts are approved:
 - D-W (Downtown Waterfront)
 - D-BC (Downtown Business Center)
 - D-MU (Downtown Mixed Use)
 - D-AD ((Downtown Arts and Design
 - D-F (Downtown Fort Norfolk)
 - HC-WF (West Freemason Historic and Cultural Conservation)
 - PCO-Colley (Colley Pedestrian Commercial Overlay)
 - PCO-21st Street (21st Street Pedestrian Commercial Overlay)
 - PCO-Riverview (Riverview Pedestrian Commercial Overlay)
 - PCO-35th Street (35th Street Pedestrian Commercial Overlay)
 - PCO-Lafayette (Lafayette Pedestrian Commercial Overlay)
 - 1st View Street (in Ocean View)
 - North Colley
 - Chelsea Business District
- All temporary outdoor dining located outside of the City's right-of-way and established in the manner and location consistent with requirements of the Virginia ABC and Department of Health on private property are approved.

Sincerely,

George M. Homewood, FAICP, CFM
Director of City Planning
