Upper Brandon Place Sewer Main Replacement

June 5, 2020

The City of Norfolk's Department of Utilities has hired Tidewater Utilities to replace a sewer main in Upper Brandon Place between Rockbridge Avenue and Magnolia Avenue. The project area is shown on the map on the back.

Start of Construction: June 2020

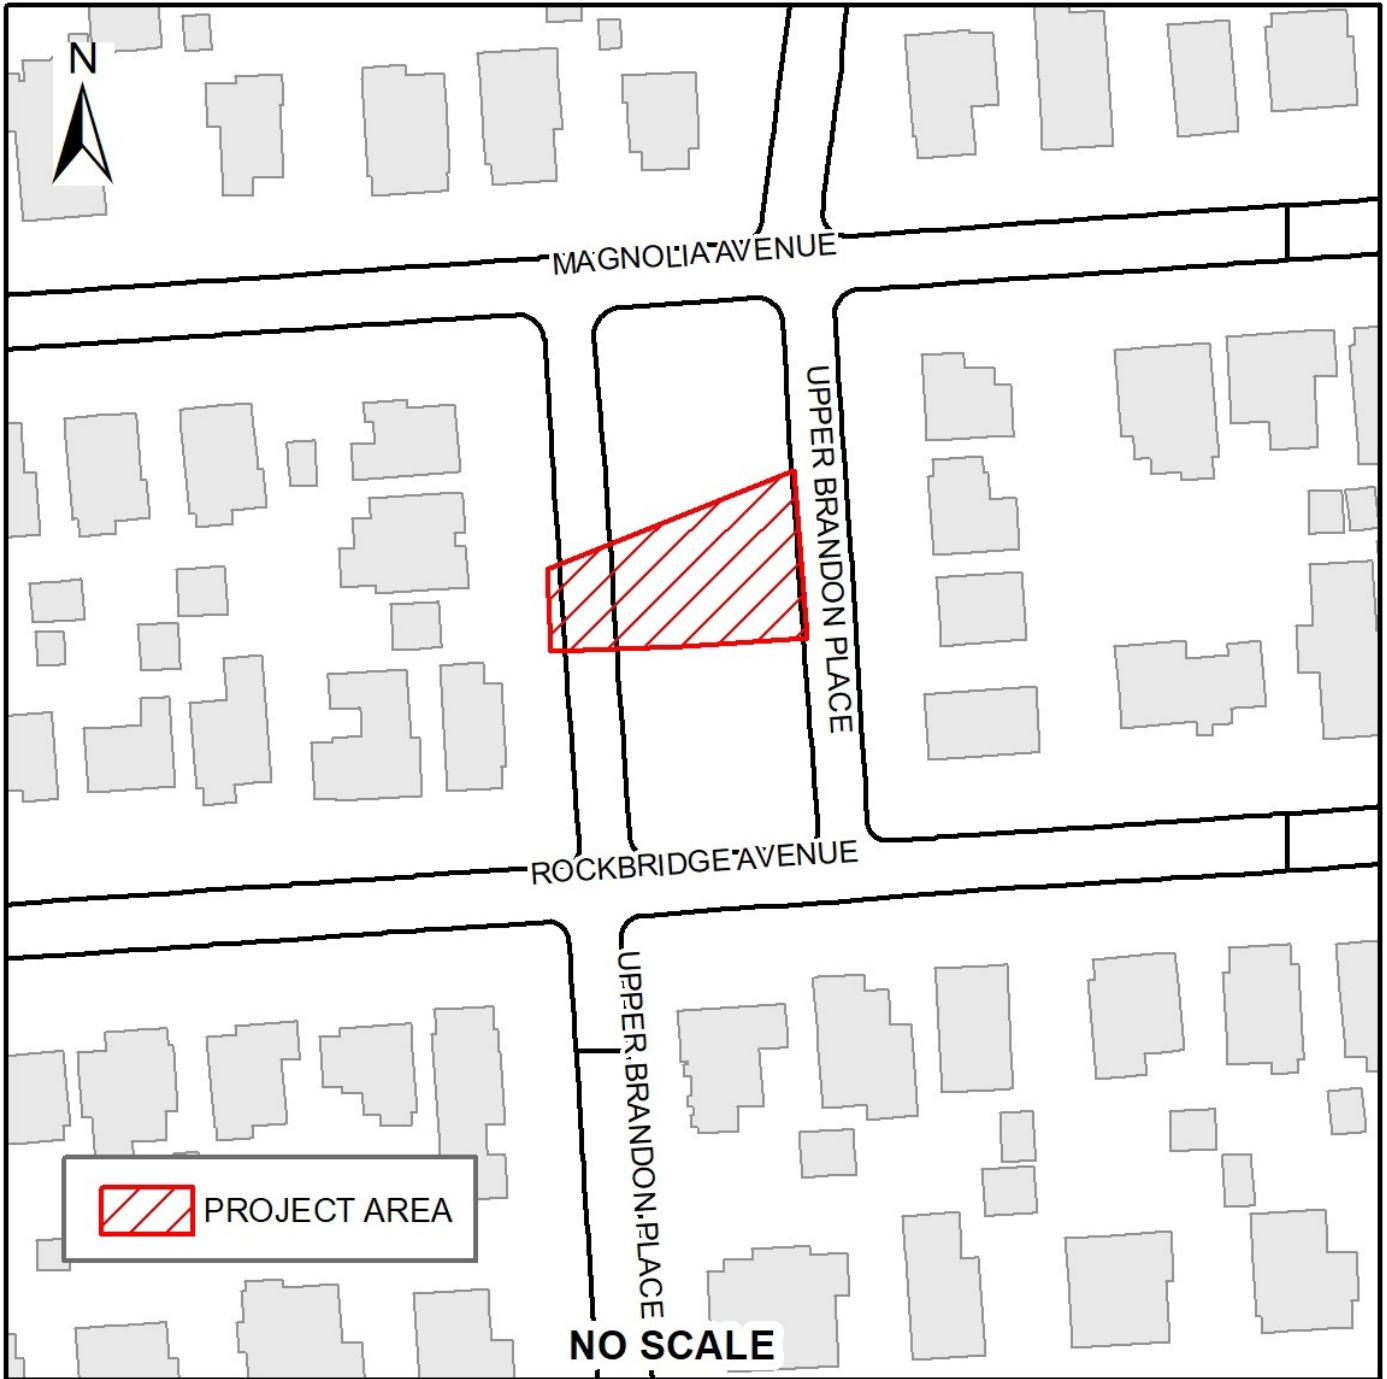

Anticipated End of Construction: July 2020

Access: Access to residences will be maintained throughout construction.

The City and our contractor will do our best to minimize disruptions associated with construction. The two large trees in this area will not be impacted. We have consulted with the City Forester to ensure both trees are protected during construction. If you have any questions or concerns, please do not hesitate to contact the City's on-site construction inspector, Rhonda Wyda. She can be reached by cell phone at 651-8433 to respond quickly. You may also contact the project manager, Dan Riley, at 664-6740 or at daniel.riley@norfolk.gov.

The Department of Utilities looks forward to completing this project that will enhance your sanitary sewer services for years to come.

Visit www.norfolk.gov/utilitiesimprovements for more information.
