SECTION 2: ENCOURAGEMENT OF CITIZEN PARTICIPATION

The City of Norfolk's Office of Budget and Strategic Planning (OBSP) is responsible for assuring that all citizen participation requirements under the federal guidelines are met in the development of the Citizen Participation Plan, the Consolidated Plan or Annual Plan, Substantial Amendments thereunto, and Performance Reports. The requirements are set forth in Title 24, Part 91.105, Citizen Participation Plan – Local Governments.

The City of Norfolk will:

- Provide for and encourage citizens to participate in the development of the Assessment of Fair Housing (AFH), any consolidated or annual plan, any substantial amendment to the consolidated or annual plan, and the performance report.
- The city will especially encourage participation by low-to-moderate income persons, particularly those living in areas where CDBG funds are proposed to be used and residents of predominately low-to-moderate income neighborhoods.
- Take appropriate action to encourage participation of minorities, non-English speaking persons, and persons with disabilities.
- Encourage the participation of local and regional institutions including Norfolk Redevelopment and Housing Authority (NRHA), the local Continuum of Care, businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations.
- Encourage the participation of public and private organizations, including broadband internet service providers, organizations engaged in narrowing the digital divide, agencies whose primary responsibilities include the management of flood prone areas, public land or water resources, and emergency management agencies.
- Ensure that communication of citizen participation events and posting of information will be made available on all available media platforms such as the City's mobile web application, so that low-to-moderate income persons are not excluded based on access to digital communication.
- Encourage, in conjunction with NRHA, the participation of residents of public and assisted housing developments along with other low-income residents of targeted revitalization areas in which the developments are located
- Explore alternative public involvement techniques and quantitative ways to measure efforts that encourage citizen participation.

SECTION 3: ASSESSMENT OF FAIR HOUSING, CONSOLIDATED PLAN, AND ANNUAL PLAN DEVELOPMENT

As soon as feasible, the City will make the HUD provided data and other supplemental information related to the Assessment of Fair Housing (AFH) available to residents, public agencies and interested parties.

At least 30 days prior to adoption of the Consolidated Plan or Annual Plan the city will make available to citizens, public agencies, and other interested parties a draft of these documents. The draft plan(s) will include:

- The anticipated amount of assistance the city expects to receive from the Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME) and Emergency Solutions Grants (ESG) including program income.
- The range of activities that may be undertaken, including the estimated amount that will benefit persons of low- to-moderate income.

The city will provide reasonable opportunity for citizens, public agencies, and other interested parties to review and comment on the Draft Consolidated or Annual Plan by taking the following steps:

1. The city will publish a summary of the draft AFH, consolidated plan or annual plan in one or more newspapers of general circulation. This summary will describe the contents and purpose of the draft consolidated or annual plan and will include a list of the locations where copies of the entire draft plan(s) may be examined.
2. The city will make copies of the draft consolidated or annual plan available for examination at all Norfolk Library branches, at the Office of Budget and Strategic Planning (OBSP), and on the City of Norfolk's HUD Entitlement webpage. However, if under extraordinary circumstances, such as a national emergency declaration, public libraries are closed, the City may consider alternative locations or electronic means of dissemination.
3. The city will consider all comments or views of citizens received in writing, or orally at the public hearings, in preparing the final Consolidated or Annual plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reason, therefore, shall be attached to the final Consolidated or Annual Plan.
4. After HUD approves the Consolidated or Annual Plan the city will make the document available to the public by posting the final plan on the city's HUD Entitlement webpage.

SECTION 4: ANTI – DISPLACEMENT AND RELOCATION PLAN

The city will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended and implement regulations at 49 CFR 24. All of the City of Norfolk's Consolidated Plan activities are designed to eliminate (or minimize) the occurrence of displacement. Program guidelines and limitations are structured so that temporary displacement is unlikely.

If an involuntary displacement should occur, it is the City of Norfolk's policy to provide housing referral assistance and, if required, make relocation payments in accordance with local, state and federal law.

SECTION 5: PUBLIC HEARINGS AND NOTICES

The City will conduct at least two public hearings per year to obtain citizen's views and to respond to proposals and questions.

The first scheduled hearing shall occur at least 30 days prior to the issuance of the draft Consolidated or Annual Plan. The purpose of this hearing is to obtain the views of citizens on housing and community development needs (including priority non-housing community development needs) as well as the development of proposed activities and to discuss program performance.

The second public hearing will occur at least 30 days prior to adoption of the Consolidated or Annual Plan. This meeting will allow citizens, public agencies, and other interested parties to comment on the draft consolidated or annual plan.

Notice of the public hearings will be published in one or more newspapers of general circulation and on the city's website. The city will seek to accommodate non-English speaking or hearing-impaired citizens to the best of its ability upon advanced request of at least 10 days.

Public Hearings shall be held in the City Hall Building, City Council Chambers, and/or other facilities that are handicapped accessible and are centrally located. Under extraordinary circumstances, including but not limited to a national, state, or local emergency declaration, a virtual public hearing may take place. Required notification and comment period for such hearings will adhere to requirements for a regular hearing to the maximum extent possible.

SECTION 6: ASSESSMENT OF PERFORMANCE

At least 15-days prior to submitting the Consolidated Annual Performance Evaluation Report (CAPER) to HUD, the City of Norfolk will publish a notice of availability and opportunity to comment in a newspaper of general circulation.

The draft CAPER will be made available to citizens, public agencies, and other interested parties on the city's website.

The city will consider all comments or views of citizens received in writing by the specified deadline in preparing the CAPER. A summary of these comments or views shall be attached to the final CAPER submitted to HUD. It is anticipated that the notice of availability and opportunity to comment will be published in the first or second week of September and the CAPER will be submitted to HUD not later than September 28th each year.
