CITY OF NORFOLK, VIRGINIA

**\$133,695,000
General Obligation
Capital Improvement Bonds,
Series 2019**

Dated: Date of Delivery

Due: As shown on the inside front cover

The City of Norfolk, Virginia (the "City"), prepared this Official Statement to provide information on the above-referenced Bonds (the "Bonds"). This cover page presents a summary of selected information for your convenience and does not provide a complete description of the Bonds. To make an informed decision regarding the Bonds, this Official Statement should be read in its entirety.

Tax Matters

In the opinion of Bond Counsel, under current law and assuming the compliance with certain covenants by and the accuracy of certain representations and certifications of the City and other persons and entities described in the section herein "TAX MATTERS" interest on the Bonds (i) is excludable from the gross income of the owners thereof for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and (ii) is not a specific item of tax preference for purposes of the federal alternative minimum tax.

Bond Counsel is further of the opinion that interest on the Bonds is excludable from gross income for purposes of income taxation by the Commonwealth of Virginia. Bond Counsel expresses no opinion regarding any other tax consequence related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. See the section herein "TAX MATTERS" regarding other tax considerations.

Security

The Bonds are general obligations of the City. See the section herein "SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS."

Redemption

See inside front cover and see the section "DESCRIPTION OF THE BONDS-Redemption Provisions," for a description of the redemption provisions for the Bonds.

Authorization

Ordinance No. 47,401, adopted by the City Council of the City on October 9, 2018.

Purpose

The proceeds of the Bonds, together with other available funds, will be used to (i) finance capital projects and provide long-term financing of certain costs that have been financed on an interim basis and (ii) pay the costs of issuance of the Bonds. See the section herein "PART I - APPLICATION OF PROCEEDS OF THE BONDS."

Interest Payment Dates Interest on the Bonds will be payable semi-annually on February 1 and August 1, commencing August 1, 2019.

Record Date

January 15 for the February 1 payment date and July 15 for the August 1 payment date.

Registration

Book-Entry Only; The Depository Trust Company.

Denomination

\$5,000 or multiples thereof.

Closing/Delivery Date

On or about February 7, 2019.

The Bonds are exempt from registration under the Securities Act of 1933, as amended. The Bonds are also exempt from registration under the securities laws of the Commonwealth of Virginia.

No dealer, broker, salesman or other person has been authorized by the City to give any information or to make any representations other than those contained in this Official Statement, and if given or made, such other information or representations must not be relied upon as having been authorized by the City. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Bonds by any person in any jurisdiction in which it is unlawful for such person to make an offer, solicitation or sale. This Official Statement is not to be construed as a contract or agreement between the City and the purchasers or owners of any of the Bonds. The information and expressions of opinion in this Official Statement are subject change without notice, and neither the delivery of this Official Statement nor any sale made under it will, under any circumstances, create any implication that there has been no change in the affairs of the City since the respective dates as of which information is given herein.

All quotations from, and summaries and explanations of, provisions of law and documents herein do not purport to be complete and reference is made to such laws and documents for full and complete statements of their provisions. Any statements made in this Official Statement involving estimates or matters of opinion, whether or not expressly so stated, are intended merely as estimates or opinions and not as representations of fact.

This Official Statement contains statements which, to the extent they are not recitations of historical fact, constitute "forward-looking statements." In this respect, the words, "estimate," "project," "anticipate," "expect," "intend," "believe" and similar expressions are intended to identify forward-looking statements. A number of important factors affecting the City's financial results could cause actual results to differ materially from those stated in the forward-looking statements.

The Bonds have not been registered under the Securities Act of 1933, as amended, and the City's bond ordinance has not been qualified under the Trust Indenture Act of 1939, as amended, in reliance upon exemptions contained in the acts. The registration or qualification of the Bonds in accordance with applicable provisions of laws of the states in which the Bonds have been registered or qualified and the exemption from registration or qualification in other states cannot be regarded as a recommendation thereof. Neither these states nor any of their agencies have passed upon the merits of the Bonds or the accuracy or completeness of this Official Statement. Any representation to the contrary may be a criminal offense.

A registered trademark of the American Bankers Association ("ABA"), used by Standard & Poor's ("S&P") in its operation of the CUSIP Service Bureau for the ABA. The above CUSIP (Committee on Uniform Securities Identification Procedures) numbers have been assigned by an organization not affiliated with the City, and the City is not responsible for the selection or use of the CUSIP numbers. The CUSIP numbers are included solely for the convenience of bondholders and no representation is made as to the correctness of such CUSIP numbers. CUSIP numbers assigned to securities may be changed during the term of such securities based on a number of factors including, but not limited to, the refunding or defeasance of such securities or the use of secondary market financial products. The City has not agreed to, and there is no duty or obligation to, update this Official Statement to reflect any change or correction in the CUSIP numbers set forth above.

OFFICIAL STATEMENT

Relating to the Issuance of

CITY OF NORFOLK, VIRGINIA

**\$133,695,000
General Obligation
Capital Improvement Bonds,
Series 2019**

PART I THE BONDS

The purpose of this Official Statement, including the financial information contained in Appendix A attached hereto, is to furnish information for the sale by the City of Norfolk, Virginia (the "City"), of its \$133,695,000 General Obligation Capital Improvement Bonds, Series 2019 (the "Bonds").

The Bonds will be general obligations of the City. The City's full faith and credit of the City are pledged to the payment of the Bonds. The City has authorized the use of this Official Statement in connection with the sale of the Bonds.

The City has undertaken in the Ordinance, as hereinafter defined, to provide continuing disclosure as described in Rule 15c2-12, as amended ("Rule 15c2-12"), promulgated by the Securities and Exchange Commission (the "SEC") and as in effect on the date hereof, by providing annual financial information and notice of the events required by Rule 15c2-12. See Appendix C "FORM OF CONTINUING DISCLOSURE AGREEMENT."

All financial and other information presented in this Official Statement has been provided by the City from its records except for information expressly attributed to other sources. The presentation of information is intended to show recent historic information and is not intended, unless specifically stated, to indicate future or continuing trends in the financial position or other affairs of the City. No representation is made that past experience, as is shown by such financial and other information, will necessarily continue or be repeated in the future.

This Official Statement should be considered in its entirety, and no one subject discussed should be considered less important than any other by reason of its location in the text. Reference should be made to laws, reports or other documents referred to in this Official Statement for more complete information regarding their contents.

DESCRIPTION OF THE BONDS

General

The Bonds shall be dated the date of delivery and shall be payable in annual installments, subject to prior redemption, in the principal amounts and at the rates set forth on the inside front cover of this Official Statement. Interest on the Bonds will be payable semi-annually on February 1 and August 1, commencing August 1, 2019. The record date for the Bonds is January 15 for the February 1 payment date and July 15 for the August 1 payment date.

Redemption Provisions

Optional Redemption of the Bonds. The Bonds maturing on or before August 1, 2028, are not subject to optional redemption prior to maturity. The Bonds maturing on or after August 1, 2029, are subject to redemption prior to their respective maturities on or after August 1, 2028, at the option of the City, in whole or in part (in increments of \$5,000) at any time, at a redemption price equal to 100% of the principal amount of such Bonds to be redeemed, plus the unpaid interest accrued thereon to the date fixed for redemption.

Manner of Redemption for the Bonds. If less than all of the Bonds are called for redemption, the maturities of such Bonds to be redeemed shall be selected by the Director of Finance of the City in such manner as he or she in his or her discretion may determine. So long as a book-entry system is used for determining beneficial ownership of the Bonds, if less than all of the Bonds within a maturity are to be redeemed, The Depository Trust Company ("DTC") and its participants shall determine which of such Bonds within a maturity are to be redeemed.

AUTHORIZATION AND PURPOSES OF THE BONDS

The City is issuing the Bonds pursuant to the Public Finance Act of 1991, Chapter 26, Title 15.2 of the Code of Virginia of 1950, as amended (the "Virginia Code"), and Ordinance No. 47,401, adopted by the City Council of the City (the "City Council") on October 9, 2018 (the "Ordinance").

The City will use the proceeds of the Bonds, together with other available funds, to (i) finance capital projects and provide long-term financing of certain costs that have been financed on an interim basis and (ii) pay the costs of issuance of the Bonds as set forth in the sections "PLAN OF FINANCE" and "APPLICATION OF PROCEEDS OF THE BONDS."

PLAN OF FINANCE

The City expects to use a portion of the proceeds of the Bonds to pay the costs of projects identified in the City's Capital Improvement Program, as the City Council may amend it from time to time. The financing includes providing long-term financing of certain costs that have been financed on an interim basis.

APPLICATION OF PROCEEDS OF THE BONDS

The following tables set forth the anticipated application of the proceeds of the Bonds for the purposes described above:

	<u>Total</u>
Sources of Proceeds:	
Par Amount of Bonds	\$133,695,000.00
Original Issue Premium	<u>23,513,371.50</u>
 Total:	 <u>\$157,208,371.50</u>
Uses of Proceeds:	
Deposit to Project Fund	\$155,902,000.00
Costs of Issuance*	<u>1,306,371.50</u>
 Total:	 <u>\$157,208,371.50</u>

* Includes underwriters' discount and other costs of issuing the Bonds, including legal, financial advisory, rating and printing.

SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS

General

The Bonds are general obligations of the City. The City's full faith and credit are irrevocably pledged to the payment of principal of, premium, if any, and interest on the Bonds. While the Bonds remain outstanding and unpaid, the City Council is authorized and required to levy and collect annually, at the same time and in the same manner as other taxes of the City are assessed, levied and collected, a tax upon all taxable property within the City, over and above all other taxes authorized or limited by law, and without limitation as to rate or amount, sufficient to pay when due the principal of and interest on the Bonds to the extent other funds of the City are not lawfully available and appropriated for such purpose.

The City has never defaulted in the payment of either principal of, or interest on, any general obligation bond.

Bondholders' Remedies in Event of Default

Section 15.2-2659 of the Virginia Code provides that upon affidavit of any owner, or any paying agent therefor, of a general obligation bond or note in default as to payment of principal or interest, the Governor of the Commonwealth of Virginia (the "Governor") shall conduct a summary investigation. If such default is established to the Governor's satisfaction, the Governor shall order the State Comptroller to withhold all funds appropriated and payable by the Commonwealth of Virginia (the "Commonwealth") to the political subdivision so in default and apply a sufficient portion of the amount so withheld to payment of the defaulted principal and interest. The State Comptroller advises that to date no order to withhold funds pursuant to Section 15.2-2659, or its predecessors, Sections 15.1-225 and 15.1-227.61, has ever been issued. Although Section 15.2-2659 has not been considered by a Virginia court, the Attorney General of Virginia has opined that appropriated funds may be withheld by the Commonwealth pursuant to one of its predecessor provisions, Section 15.1-225. Each fiscal year of the City (each a "Fiscal Year") ends on June 30, and for Fiscal Year 2019, the Commonwealth provided approximately \$324,661,480 to the City that was deposited in the City's General Fund.

Although Virginia law currently does not authorize such action, future legislation may enable the City to file a petition for relief under the U.S. Bankruptcy Code (the "Bankruptcy Code") if it is insolvent or unable to pay its debts. Bankruptcy proceedings by the City could have adverse effects on the Bondholders, including (i) delay in the enforcement of their remedies, (ii) subordination of their claims to claims of those supplying goods and services to the City after the initiation of bankruptcy proceedings and to the administrative expenses of bankruptcy proceedings or (iii) imposition without their consent of a reorganization plan reducing or delaying payment of the Bonds. The Bankruptcy Code contains provisions intended to ensure that, in any reorganization plan not accepted by at least a majority of a class of creditors such as the owners of general obligation bonds, such creditors will have the benefit of their original claim or the "indubitable equivalent." The effect of these and other provisions of the Bankruptcy Code cannot be reliably predicted and may be significantly affected by judicial interpretation.

TAX MATTERS

Opinion of Bond Counsel – Federal Income Tax Consequences

Bond Counsel's opinion regarding the Bonds will state that, under current law and assuming the compliance with the Covenants, as hereinafter defined, by the City and certain other persons and entities, interest on the Bonds (including any accrued "original issue discount" properly allocable to the owners of the Bonds) (i) is excludable from the gross income of the owners of the Bonds for purposes of federal income taxation under Section 103 of the Code, and (ii) is not a specific item of tax preference for purposes of the federal alternative minimum tax. See Appendix B for the "FORM OF THE OPINION OF BOND COUNSEL" for the Bonds.

Bond Counsel will express no opinion regarding other federal tax consequences arising with respect to the Bonds.

Bond Counsel's opinion speaks as of its date, is based on current legal authority and precedent, covers certain matters not directly addressed by such authority and precedent, and represents Bond Counsel's judgment as to the proper treatment of interest on the Bonds for federal income tax purposes. Bond Counsel's opinion does not contain or provide any opinion or assurance regarding the future activities of the City or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the Internal Revenue Service ("IRS"). The City has covenanted, however, to comply with the requirements of the Code.

Reliance and Assumptions; Effect of Certain Changes

As to questions of fact material to its opinion regarding the Bonds, Bond Counsel is relying upon and assuming the accuracy of certifications and representations of representatives of the City and other third parties, and public officials, which Bond Counsel has not independently verified.

In addition, Bond Counsel is assuming continuing compliance with the Covenants by the City and certain other persons and entities. The Code and the regulations promulgated thereunder contain a number of requirements that must be satisfied after the issuance of the Bonds in order for interest on the Bonds to be and remain excludable from gross income for purposes of federal income taxation. These requirements include, by way of example and not limitation, restrictions on the use, expenditure and investment of the proceeds of the Bonds and the use of the property financed or refinanced by the Bonds, limitations on the source of the payment of and the security for the Bonds, and the obligation to rebate certain excess earnings on the gross proceeds of the Bonds to the Treasury. Prior to the issuance of the Bonds, the City will enter into a tax certificate for the Bonds, (the "Tax Certificate") that contains covenants (the "Covenants") under which the City has agreed to comply with such requirements. A failure to comply with the Covenants could

cause interest on the Bonds, to become includable in gross income for federal income tax purposes retroactively to their date of issue. In the event of noncompliance with the Covenants, the available enforcement remedies may be limited by applicable provisions of law and, therefore, may not be adequate to prevent interest on the Bonds from becoming includable in gross income for federal income tax purposes.

Bond Counsel has no responsibility to monitor compliance with the Covenants after the date of issue of the Bonds.

Certain requirements and procedures contained, incorporated or referred to in the Tax Certificate, including the Covenants, may be changed and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such document. Bond Counsel expresses no opinion concerning any effect on the excludability of interest on the Bonds from gross income for federal income tax purposes of any such subsequent change or action that may be made, taken or omitted upon the advice or approval of counsel other than Bond Counsel.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral federal income tax matters with respect to the Bonds. It does not purport to address all aspects of federal taxation that may be relevant to a particular owner thereof. Prospective purchasers of such Bonds, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal tax consequences of owning or disposing of the Bonds.

Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to certain taxpayers including, without limitation, financial institutions, certain insurance companies, certain corporations (including S corporations and foreign corporations), certain foreign corporations subject to the "branch profits tax," individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations and taxpayers attempting to qualify for the earned income tax credit.

In addition, prospective purchasers should be aware that the interest paid on, and the proceeds of the sale of, tax-exempt obligations, including the Bonds, are in many cases required to be reported to the IRS in a manner similar to interest paid on taxable obligations. Additionally, backup withholding may apply to any such payments made to any Bond owner who fails to provide an accurate Form W-9 Request for Taxpayer Identification Number and Certification, or a substantially identical form, or to any Bond owner who is notified by the IRS of a failure to report all interest and dividends required to be shown on federal income tax returns. The reporting and withholding requirements do not in and of themselves affect the excludability of such interest from gross income for federal income tax purposes or any other federal tax consequence of purchasing, holding or selling tax-exempt obligations.

Original Issue Discount

The "original issue discount" ("OID") on any Bond is the excess of such bond's stated redemption price at maturity (excluding certain "qualified stated interest" that is unconditionally payable at least annually at prescribed rates) over the issue price of such bond. The "issue price" of a bond is the initial offering price to the public at which price a substantial amount of such bonds of the same maturity was sold. The issue price for each maturity of the Bonds is expected to be the initial public offering price set forth on the inside front cover page of this Official Statement, but is subject to change based on actual sales. Accrued OID on the Bonds with OID (the "OID Bonds") is excludable from gross income for purposes of federal and Virginia income taxation. However, the portion of the OID that is deemed to have accrued to the owner of an OID Bond in each year may be included in determining the alternative minimum tax with respect to the Bonds and the distribution requirements of certain investment companies and may result in some of the collateral federal income tax consequences mentioned in the preceding subsection. Therefore, owners of OID Bonds should be aware that the accrual of OID in each year may result in alternative minimum tax liability, additional distribution requirements or other collateral federal and Virginia income tax consequences although the owner may not have received cash in such year.

OID is treated under Section 1288 of the Code as accruing under a constant yield method that takes into account compounding on a semiannual or more frequent basis. If an OID Bond is sold or otherwise disposed of between semiannual compounding dates, then the OID which would have accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

In the case of an original owner of an OID Bond, the amount of OID that is treated as having accrued on such OID Bond is added to the owner's cost basis in determining, for federal income tax purposes, gain or loss upon its disposition (including its sale, redemption or payment at maturity). The amounts received upon such disposition that are attributable to accrued OID will be excluded from the gross income of the recipients for federal income tax purposes. The accrual of OID and its effect on the redemption, sale or other disposition of OID Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above.

Prospective purchasers of OID Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of the OID accrued upon sale or redemption of such OID Bonds and with respect to state and local tax consequences of owning OID Bonds.

Bond Premium

In general, if an owner acquires a bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the bond after the acquisition date (excluding certain "qualified stated interest" that is unconditionally payable at least annually at prescribed rates), that premium constitutes "bond premium" on that bond (a "Premium Bond"). In general, under Section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner's yield over the remaining term of the Premium Bond, determined based on constant yield principles. An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner's regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium Bond even though it is sold or redeemed for an amount less than or equal to the owner's original acquisition cost. Prospective purchasers of any Premium Bond should consult their own tax advisors regarding the

treatment of bond premium for federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, amortization of bond premium on, sale, exchange, or other disposition of such Premium Bond.

Effects of Future Enforcement, Regulatory and Legislative Actions

The IRS has established a program to audit tax-exempt obligations to determine whether the interest thereon is includable in gross income for federal income tax purposes. If the IRS does audit the Bonds, the IRS will, under its current procedures, treat the City as the taxpayer. As such, the beneficial owners of the Bonds, as applicable, will have only limited rights, if any, to participate in the audit or any administrative or judicial review or appeal thereof. Any action of the IRS, including but not limited to the selection of the Bonds for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the marketability or market value of the Bonds, as applicable.

Legislation affecting tax-exempt obligations is regularly considered by the U.S. Congress and various state legislatures. Such legislation may effect changes in federal or state income tax rates and the application of federal or state income tax laws (including the substitution of another type of tax), or may repeal or reduce the benefit of the excludability of interest on the tax-exempt obligations from gross income for federal or state income tax purposes. The Treasury and the IRS are continuously drafting regulations to interpret and apply the provisions of the Code and court proceedings may be filed the outcome of which could modify the federal or state tax treatment of tax-exempt obligations. There can be no assurance that legislation proposed or enacted after the date of issue of the Bonds, regulatory interpretation of the Code or actions by a court involving either the Bonds or other tax-exempt obligations will not have an adverse effect on the Bonds' federal or state tax status, marketability or market price or on the economic value of the tax-exempt status of the interest on the Bonds.

Prospective purchasers of the Bonds should consult their own tax advisors regarding the potential consequences of any such pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Opinion of Bond Counsel – Virginia Income Tax Consequences

Bond Counsel's opinion also will state that, under current law, interest on the Bonds is excludable from the gross income of the owners thereof for purposes of income taxation by the Commonwealth. Bond Counsel will express no opinion regarding (i) other tax consequences arising with respect to the Bonds under the laws of the Commonwealth or (ii) any consequences arising with respect to the Bonds under the tax laws of any state or local jurisdiction other than the Commonwealth. Prospective purchasers of the Bonds should consult their own tax advisors regarding the tax status of interest on the Bonds in a particular state or local jurisdiction other than the Commonwealth.

PENDING LITIGATION

The City, in the course of its activities, has been named as defendant in certain personal injury cases and suits for property damage.

These suits are being defended by the City Attorney and associated independent counsel retained by the City Attorney, and it is the opinion of the City Attorney that any possible losses in connection with the above pending litigation will not materially and adversely affect the City's financial condition. The City Attorney is also of the opinion that the above pending litigation will not affect the validity of the Bonds or the ability of the City to levy and collect ad valorem taxes for the payment of the Bonds or the interest

thereon. There is no pending litigation with respect to the Bonds or the ability of the City to levy and collect ad valorem taxes for the payment of such Bonds or interest thereon.

RATINGS

The City has requested that the Bonds be rated and has furnished certain information to the rating agencies listed herein, including information that may not be included in this Official Statement. The Bonds have been rated 'Aa2' by Moody's Investors Service ("Moody's"), 'AA+' (with a positive outlook) by S&P Global Ratings ("S&P") and 'AA+' by Fitch Ratings ("Fitch").

The ratings reflect only the views of the respective rating agency. Any explanation of the significance of the ratings may be obtained only from the respective rating agency. Generally, rating agencies base their ratings upon information and materials provided to them and upon investigations, studies and assumptions by the rating agencies. There is no assurance that such ratings will not be withdrawn or revised downward by Moody's, S&P or Fitch. Such action may have an adverse effect on the market price of the Bonds. The City has not undertaken any responsibility after the issuance of the Bonds to assure maintenance of the ratings or to oppose any such revision or withdrawal.

FINANCIAL STATEMENTS

The City's audited general purpose financial statements for the Fiscal Year 2018 are published in Appendix A with accompanying notes. In addition, Appendix A also includes a report of the City's independent accountants. Actual audited results may be different, and the differences may be material.

FINANCIAL ADVISOR

The City has retained PFM Financial Advisors, LLC of Arlington, Virginia ("PFM"), as Financial Advisor in connection with the issuance and sale of the Bonds. Although PFM has assisted in the preparation of this Official Statement, PFM is not obligated to undertake, and has not undertaken to make, an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement. PFM is an independent advisory firm and is not engaged in the business of underwriting, trading or distributing municipal securities or other public securities.

RELATIONSHIP OF PARTIES

McGuireWoods LLP, Richmond, Virginia, Bond Counsel, represents the Winning Bidder from time to time in unrelated matters.

SALE AT COMPETITIVE BIDDING

The Bonds were offered for sale at competitive bidding on January 23, 2019, and were awarded to Merrill Lynch, Pierce, Fenner & Smith Incorporated (the "Winning Bidder"). The Winning Bidder supplied the information as to the initial offering prices of the Bonds as set forth on page (i) of this Official Statement. The Winning Bidder will be purchasing the Bonds at a purchase price equal to the aggregate original principal amount of the Bonds of \$133,695,000, less a winning bidder's discount of \$875,934.88 (0.655% of the principal amount thereof), plus original issue premium of \$23,513,371.50, resulting in a purchase price of \$156,332,436.62.

CONTINUING DISCLOSURE

The City will execute and deliver for the benefit of the Beneficial Owners a Continuing Disclosure Agreement, the form of which is set forth as Appendix C to this Official Statement, under which the City will covenant and agree to provide certain annual financial information and notice of the events listed in Rule 15c2-12. As described in Appendix C, such undertakings require the City to provide only limited information at specified times.

The continuing obligation of the City to provide annual financial information and notices referred to above will terminate for the Bonds when the Bonds are no longer outstanding. Any failure by the City to comply with the foregoing will not constitute a default with respect to the applicable Bonds.

MISCELLANEOUS

This Official Statement is not to be construed as a contract with the purchasers of the Bonds. Any statement made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly identified, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. The distribution of this Official Statement has been duly authorized by the City.

The references herein to and summaries of federal, Commonwealth and City laws, including but not limited to the Constitution of the Commonwealth, the Virginia Code, the Charter of the City (the "City Charter") and documents, agreements and court decisions are summaries of certain provisions thereof. Such summaries do not purport to be complete and are qualified in their entirety by reference to the full text of such acts, laws, documents, agreements or decisions, copies of which are available for inspection during normal business hours at the office of the City Attorney.

Any questions concerning the content of this Official Statement should be directed to the City's Director of Finance, 810 Union Street, Suite 600 City Hall Building, Norfolk, Virginia 23510, (757) 664-4346.

PART II CITY INDEBTEDNESS

Limitation on Incurrence of Debt

Pursuant to the Constitution of Virginia (the "Constitution"), the City is authorized to issue bonds and notes secured by a pledge of its full faith and credit and unlimited taxing power. There is no requirement in the Constitution, the Virginia Code or the City Charter that the issuance of general obligation bonds of the City be subject to approval of the electorate of the City at referendum. Under applicable law, the City's issuance of general obligation bonds is subject to a limitation of 10% of the assessed value of taxable real property.

At December 31, 2018, the total assessed value of taxable real property in the City was \$20,253,686,904. Based on Virginia's constitutional debt limitation, this resulted in a debt limit of \$2,025,368,690. As presented in Table II-1 below and based on the City's unaudited records, the City's outstanding general obligation bonds and other tax-secured indebtedness as of December 31, 2018, was \$1,024,508,316 representing 50.58% of the constitutional debt limit.

Notes:

- (1) Figures are unaudited.
- (2) Defeased bonds are not included in gross debt. Funds to redeem these bonds have been irrevocably deposited with an escrow agent.
- (3) Water and Wastewater revenue bonds are excluded from gross debt. The revenue bonds are secured solely from revenue of the Water Utility Fund and the Wastewater Utility Fund.
- (4) Includes the outstanding balance of \$157,349,068 on the City's up to \$200,000,000 revolving line of credit issued in December 2014. The City intends to repay all but approximately \$9,725,000 of the balance with proceeds from the Bonds. The revolving line of credit matures on December 17, 2019, and is secured by a general obligation pledge of the City.
- (5) Includes the outstanding balance of \$13,920,000 on a general obligation guaranty of a note issued by Economic Development Authority in April 2016. The note matures on February 1, 2021.
- (6) Outstanding capital lease obligations for the purchase of equipment are not included for the purpose of the legal debt margin calculations.
- (7) The amount of general obligation bonds authorized by ordinance, but not issued for Capital Improvement Projects is \$330,477,244.

Debt Outstanding

The tables that follow detail the City's current general obligation debt outstanding. Table II-2 presents the City's gross and net outstanding tax-supported and self-supporting general obligation bonded indebtedness as of December 31, 2018. Table II-3 provides a comparative statement of key debt ratios for the past ten Fiscal Years and Table II-4 presents the rate of retirement for all general obligation bonds as of December 31, 2018. Table II-5 presents the recent historical relationship between debt service on bonds paid from actual general governmental expenditures for the past ten Fiscal Years. Table II-6 presents the historical relationship of the City's net bonded debt to assessed value of taxable real property and net bonded debt per capita. Table II-7 provides a statement of future annual debt service requirements on the City's existing general obligation bonds.

Source: Department of Finance, City of Norfolk, Virginia.

Notes: (1) Figures are unaudited.

(2) The amount of general obligation bonds authorized by ordinance for Capital Improvement Projects, but not yet issued, is \$330,477,244.

(3) Water Revenue Bonds and Wastewater Revenue Bonds are excluded from enterprise fund debt, because these bonds are secured by and payable solely from the pledged revenues of their respective enterprise activities. Includes the bonded debt of the Environmental Storm Water Fund, Maritime Facility Fund, Waste Management Fund and the Towing and Recovery Fund, which are special revenue funds.

(4) Reflects only bonded debt and does not include the City's capital lease obligations. See "DEBT INCURRED BY OTHER GOVERNMENTAL ENTITIES – Capital Lease Obligations" for information about the City's capital lease obligations. This City does not currently have any capital lease obligations outstanding.

(5) Defeased bonds are not included in gross debt. Funds to redeem these bonds have been irrevocably deposited with an escrow agent.

(6) There are no overlapping or underlying taxing jurisdictions in the City.

(7) Includes self-supporting Public Amenities and Tax Increment Financing debt.

Notes:

- (1) Figures may not sum due to rounding.
- (2) Includes principal payable from the City's enterprise funds.
- (3) Existing General Obligation Debt Service includes self-supporting principal payable from the City's Environmental Storm Water Fund, Maritime Facility Fund, Waste Management Fund and the Towing and Recovery Fund, which are all special revenue funds.
- (4) Includes estimated net debt service on the City's General Obligation Variable Rate Demand Bonds, Series 2007, assuming an average interest rate of 5.00%.
- (5) Includes all interest on the Build America Bonds, Recovery Zone Economic Development Bonds, Qualified School Construction Bonds and Qualified Energy Conservation Bonds and has not been adjusted for the subsidy payments expected to be received by the City.

In addition to general obligation debt issued on the public markets, the City from time to time enters into direct placement arrangements for its general obligation debt with private parties.

In October 2013, the City entered into a Bond Purchase and Loan Agreement (the "Forward Refunding Agreement") with Banc of America Preferred Funding Corporation (the "Forward Refunding Lender"), under which the City issued three separate bonds in the aggregate principal amount of \$37,960,000 (collectively, the "Forward Refunding Bonds"). The City used the proceeds of the Forward Refunding Bonds to current refund certain general obligation bonds. Each Forward Refunding Bond bears interest at a separate fixed rate and requires annual principal payments that fully-amortize over the term. In the event of an uncured and unwaived default, the holder of any Forward Refunding Bond is entitled to declare the entire principal amount due and payable.

In November 2013, the City entered into a private placement variable rate loan in the original principal amount of \$13,600,000 (the "2013 Variable Rate Loan") with Bank of America, N.A., and used the proceeds of such loan, along with other available funds, to refund the City's General Obligation Bond Anticipation Note, Series 2011B (Taxable). On December 21, 2018, the City entered into a fixed rate loan in the original principal amount of \$11,710,000 ("2018 Fixed Rate Loan") with Bank of America, N.A., and used the proceeds of the loan to refinance the outstanding portion of the 2013 Variable Rate Loan on a fixed rate basis. The 2018 Fixed Rate Loan bears interest at a rate of 3.54%. The principal of the 2018 Fixed Rate Loan is payable at maturity (August 1, 2025), subject to certain mandatory prepayments on each August 1 commencing on August 1, 2019. The scheduled principal payment at maturity is equal to \$8,560,000. In the event of an uncured and unwaived default, the holder of the 2018 Fixed Rate Loan is entitled to declare the entire principal amount due and payable.

On December 17, 2014, the City established a revolving line of credit agreement with Bank of America, N.A. ("BANA") for up to \$200,000,000. This line of credit has been used to provide flexible interim financing for capital improvements projects, including school construction. Borrowings under the line of credit bear interest payable semi-annually in February and August. Tax-exempt borrowings are at a rate of 70 percent of LIBOR, plus 40 basis points. Taxable borrowings are 100 percent of LIBOR, plus 50 basis points. LIBOR can be the 1, 3, 6 or 12-month LIBOR rate, chosen by the City on the date of each advance, and will be applicable through the end of the chosen LIBOR period. The full faith and credit pledge of the City secures the line of credit which will be repaid through the issuance of general obligation bonds or other City sources. There is no minimum advance amount and each advance shall be made on three days' notice given by the City to BANA. The commitment fee on the unutilized portion of the line is paid annually in arrears and will be waived in full for any year that has average utilization of at least 40 percent for that 12-month period. The line of credit will mature on December 17, 2019.

In April 2016, the City and the Economic Development Authority ("EDA") entered into a financing agreement with BANA to provide funds in the maximum principal amount of \$14,500,000 to the EDA in connection with the re-use of the former J.C. Penney department store at Military Circle Mall, which was acquired by the EDA. The City and the EDA also entered into a cooperation agreement related to the financing, whereby the City provides a General Obligation guarantee of the payments required under the financing agreement. Principal advances under the agreement bear interest at 1-month LIBOR rate, plus 85 basis points, which is set at the date of the first advance, and resets on the first day of the calendar month thereafter. Principal payments of \$100,000 are due February 1 in each of the first four years of the agreement, with the balance of the outstanding principal due at maturity in 2021. The current outstanding balance is \$13,920,000. In addition to funds made available under the cooperation agreement, the EDA expects to pay for debt service on the financing agreement from other sources such as a portion of the City's cigarette tax revenues dedicated for economic development and lease revenue from the leasing of the facility. See "PART V – THE CITY OF NORFOLK – Economic and Demographic Factors – Commercial Development."

DEBT INCURRED BY OTHER GOVERNMENTAL ENTITIES

Overlapping Debt

The City is autonomous from any county, town or other political subdivision. There are no overlapping or underlying taxing jurisdictions with debt outstanding for which City residents are liable.

Short-Term Borrowing for Working Capital

The City has not borrowed on a short-term basis for working capital purposes in the past five Fiscal Years.

Capital Lease Obligations

The City does not have any capital lease obligations outstanding.

Water Revenue Bonds

Since 1993, and for all future financings, capital improvements of the Water Utility System have been and are anticipated to be financed with revenue bonds. The revenue covenant for these revenue bonds requires the City to establish, fix, charge and collect rates, fees and other charges for the use of and for the services furnished by the water system, and will, from time to time and as often as appears necessary, revise such rates, fees and other charges, so that in each Fiscal Year net revenues are not less than the greater of (i) the sum of 1.1 times senior debt service and 1.0 times subordinated debt service for the Fiscal Year and (ii) 1.0 times the funding requirements for transfers from the revenue fund to the operating fund, the bond fund, the parity debt service fund, the debt service reserve fund, the subordinate debt service fund and the repair and replacement reserve fund. The Fiscal Year 2018 results reflect compliance with this requirement.

Debt History

The City has never defaulted in the payment of either principal of, or interest on, any general obligation bond.

Capital Improvement Program Budget

The City has a Capital Improvement Program ("CIP") budget which plans for capital type improvements for a five-year period. This CIP budget is reviewed and revised annually.

The City approved its CIP budget for Fiscal Year 2019 on May 22, 2018, and it was amended on December 18, 2018. The total of the CIP budget for Fiscal Year 2019 is \$112,539,271, which includes \$27,029,134 in cash contributions. Each capital project included in the CIP budget for Fiscal Year 2019 is either approved for funding in the CIP budget for Fiscal Year 2019 or included as a planned project in Fiscal Years 2020 through 2023. Future year projects in the CIP Budget are considered for planning purposes only and may be modified, at any time, by the City Council. In addition, the CIP budget is used by the City as a means of identifying short-and long-term needs and as a guide for identifying various funding sources for future CIP budgets.

The CIP budget is developed in coordination with and at the same time as other City budgets. It is prepared for submission by the City Manager to the City Council concurrently with the Proposed Operating Budget. Hearings are held as appropriate, and the final CIP budget is adjusted with a determination being

made of the source and amount of funding to be recommended for each item. See "PART V – THE CITY OF NORFOLK – Economic and Demographic Factors – Public Schools" for a description of certain school construction projects that may impact future funding needs.

The CIP budget for Fiscal Year 2019 is summarized in Table II-8.

PART III **FINANCIAL INFORMATION**

Fiscal Year

The City's Fiscal Year commences July 1 and closes on June 30.

Reporting Entity

For financial reporting purposes, in accordance with generally accepted accounting principles ("GAAP"), the City's financial statements include the City of Norfolk (primary government) and the following component units:

- The School Board of the City of Norfolk (the "School Board");
- The Employees' Retirement System of the City of Norfolk; and
- The EDA (Economic Development Authority).

Complete financial statements of the individual component units can be obtained from their respective administrative offices. Contact information for such administrative offices can be obtained through contacting the office of the Director of Finance of the City.

BASIS OF ACCOUNTING AND ACCOUNTING STRUCTURE

The City's financial statements include the following sections:

Management's Discussion and Analysis ("MD&A").

- The MD&A introduces the basic financial statements and provides an analytical overview of the government's financial activities.

Basic Financial Statements. The Basic Financial Statements include:

- Government-wide financial statements, consisting of a statement of net assets and a statement of activities;
- Fund financial statements, consisting of a series of statements that focus on information of the government's major governmental, proprietary and fiduciary funds and component units; and
- Notes to the financial statements provide information essential to a user's understanding of the basic financial statements.

Required Supplementary Information ("RSI"). In addition to MD&A, budgetary comparison schedules are presented as RSI along with other types of data as required by the Government Accounting Standards Board ("GASB").

The government-wide financial statements are reported using the economic resources, measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are

levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Fiduciary fund financial statements do not have a measurement focus. The City's discretely presented component units are also included in the government-wide financial statements utilizing the same basis of accounting.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenue and related assets are recorded when they become susceptible to accrual, that is, when they become both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City generally considers revenues, except for grant revenues, to be available if they are collected within 45 days of the end of the Fiscal Year. Real and personal property taxes are recorded as receivables when levied and billed, which corresponds with the Fiscal Year for which the taxes have been levied, net of allowances for uncollectible accounts. Expenditures, other than interest on general long-term obligations, are recorded as related fund liabilities when incurred. Interest on general long-term obligations is recognized when due.

INDEPENDENT ACCOUNTANTS

Section 99 of the City Charter requires that "*...as soon as practicable after the close of each fiscal year an annual audit shall be made of all the accounts of the city offices...by certified public accountants selected by the council...*". The firm of Clifton Larson Allen LLP serves as the City's independent auditors. The audited general purpose financial statements for Fiscal Year 2018 with accompanying notes are published in Appendix A.

BUDGETARY PROCESS

The City Charter requires that no less than 60 days before the end of the Fiscal Year, the City Manager must submit to the City Council a proposed balanced operating budget for the ensuing Fiscal Year that commences July 1. The Norfolk Public Schools' proposed budget is approved by the School Board, transmitted to the City Manager for review and then submitted to the City Council for consideration as part of the City's general operating budget. The City Council is required to hold a public hearing on the budget at which time all interested persons have the opportunity to comment. See the subsection "GENERAL FUND OPERATING BUDGET RESULTS FOR FISCAL YEAR 2018 – General Fund Operating Budget and Results" for a discussion of the General Fund Operating Budget for Fiscal Years 2018 and 2019.

The financial forecast, the first step in the budget process, is an essential component of the annual process of assessing the City's overall financial condition and looking at its finances in a multi-year context. The primary objective of the financial forecast is to project where current budget decisions lead in terms of future revenue and expenditures and their impact on the City's financial stability. It is believed that the financial forecast provides the opportunity to proactively evaluate policies with the goal of maximizing opportunities or, in the worst case, minimizing the negative impact of economic downturns.

FINANCIAL POLICIES

The City has adopted formal financial policies (the "Financial Policies") in an effort to strengthen the City's long-term fiscal responsibility by emphasizing budget and debt policies and provide a framework within which future financial decisions will be considered and made. The Financial Policies were most recently updated and approved by City Council in July 2013. The Financial Policies provide that the City should maintain a structurally balanced budget, and maintain a General Fund Unassigned Reserve

(minimum 5% of the General Fund budget), a Risk Management Reserve (maximum of \$5 million) and an Economic Downturn Reserve (maximum of \$5 million). In Fiscal Year 2018, the City exceeded its minimum General Fund Unassigned Reserve balance (\$66.2 million vs. minimum of \$43.1 million) and held the maximum funding amounts in the other two reserves. The Financial Policies provide that net tax-supported debt service should not exceed 10% of the General Fund budget and that net tax-supported debt should not exceed 3.5% of total taxable property value. The City remains in compliance with these ratios. The Financial Policies also provide certain policies for the Parking Facilities Fund. See "PART IV – ENTERPRISE FUNDS – Parking Facilities Fund."

On February 26, 2019, the City anticipates that City Council will consider adoption of updated Financial Policies. The updated Financial Policies are comprehensive and are intended to further strengthen the City's financial position. Among other changes, the proposed Financial Policies include an increase to the General Fund Unassigned Reserve with a new minimum of 10% of General Fund Expenditures plus General Fund Transfers Out, an increase maximum funding in the Risk Management Reserve of \$8 million, no change in the existing Economic Downturn Reserve, and creation of a new Inclusive Development Opportunity Fund to be funded at \$2 million. As of Fiscal Year 2018, the City was at the new minimum level in the General Fund Unassigned Reserve and at the maximum funding of the Economic Downturn Reserve. The City anticipates adding to the Risk Management Reserve and the Inclusive Development Opportunity Fund, over time. The proposed Financial Policies include a new pension funding policy, which establishes the City's contribution at the greater of the prior year's contribution or the current year's actuarially defined contribution. The proposed Financial Policies include a net tax-supported debt service maximum of 11% of the General Fund budget with a target at 10% or less and a net tax-supported debt maximum of 4.0% of total taxable property value with a target of 3.5% or less. Proposed new affordability measures include a ten-year minimum debt pay-out ratio of 55%, an overlapping debt maximum of 0.5% of taxable property, and a variable rate debt limitation at 20% by fund. The proposed Financial Policies also establish minimum days cash on hand, minimum debt service coverage, and minimum reserves for each of the City's enterprise funds.

GENERAL GOVERNMENTAL REVENUE

Overview

General governmental revenue is derived from general property taxes, other local taxes, permits, privilege fees and regulatory licenses, fines and forfeitures, use of money and property, charges for services, recovered costs and non-categorical aid, shared expenses and categorical aid from the Commonwealth. General Fund disbursements include the normal recurring activities of the City, such as police, public works, general government, transfers to the School Operating Fund for local share of costs and to the Debt Service Fund to pay principal and interest on the City's general obligation bonds for other than enterprise fund purposes.

Property Tax Rates, Levies and Collections

An annual ad valorem tax is levied by the City on the assessed value of real property located within the City as of July 1, and on tangible personal property located within the City as of October 1. Real property taxes are the largest single source of tax revenue. Tax rates are applied to the assessed valuation of property.

The ratio of the assessed value of real property to its estimated fair market value is 100% (other than public service properties). The City taxes several categories of personal property, each of which is assessed on a different basis. Machinery and tools are assessed at 100% of original cost; vehicles and boats

are assessed at 100% of certain published loan values; and mobile homes are assessed on the same basis as real property.

The City has the power to levy taxes on property located within its boundaries without limitation as to rate or amount for the payment of its obligations. Rates are established by the City Council. The tax rates approved in the Operating Budget for Fiscal Year 2019 on each \$100 of assessed value are as follows: \$1.50 for recreational vehicles; \$2.40 for airplanes; \$1.25 for real property; \$4.33 for personal property and \$4.25 for machinery and tools. The rate on personal recreational boats consists of a decal fee of \$10 or \$25, depending on the length of the boat, plus a tax of \$0.50 per \$100 on the assessed value of the boat. The tax rate for commercial boats is \$1.50 per \$100 of the assessed value of the boat and a boat decal is not required. The tax rate for real property located in the City's Downtown Improvement District is an additional \$0.16 on the real property rate of \$1.25 per \$100 of assessed value (for a total rate of \$1.41 per \$100 of assessed value).

Real property levies are payable during the year of assessment in four equal installments, on or before September 30, December 5, March 31 and June 5. Personal property, recreational vehicles, machinery and tools, mobile homes, airplanes and boat levies are payable on or before June 5 of the year assessed or 30 days after acquisition. Certain types of personal property such as automobiles, trucks, motorcycles, trailers and recreational vehicles are prorated throughout the year and payable 30 days after acquisition.

In the event any installment of taxes on any of the properties listed above is not paid on or before the due date, penalties and interest are assessed in accordance with the City Code.

The City Council may require the sale of real property in satisfaction of delinquent taxes, pursuant to the provisions of Section 89 of the City Charter.

Other Revenue Sources

The City levies various other local taxes: (1) a 1% local sales tax (collected by the Commonwealth and remitted to the City); (2) a tax on water, electric and gas utility bills; (3) a cigarette tax of 95 cents per packet of 20 cigarettes; (4) property transfer recordation taxes; (5) an automobile license tax; (6) various business license/franchise taxes; (7) a hotel and motel tax of 8% and a \$3 per room, per night surcharge of which 1% is dedicated to tourism and economic development; (8) an amusement and admissions tax of 10%; and (9) a food and beverage tax of 6.5%, which includes alcoholic beverages, of which 1% is dedicated to tourism and economic development.

Fees, Licenses and Permits – The City requires that licenses or permits be obtained for the performance of certain activities and that fees be paid for services provided by certain City departments.

Revenue from the Commonwealth – The City receives payments for highway maintenance, a share of state sales taxes allocated for education and, in addition, reimbursement for a portion of expenditures for such functions as Sheriff's office, Commissioner of the Revenue, City Treasurer, Clerk of the Circuit Court and Commonwealth's Attorney office. The City also receives categorical aid revenue for such purposes as public assistance, education and local law enforcement.

Other Revenue – The primary sources of other revenue to the General Fund include transfers from the Water Utility and Wastewater Utility Funds, interest on investments and impact aid from the federal government. Tables III-1A and III-1B show the City's General Fund revenue by source for each of the last ten Fiscal Years.

Notes:

- (1) Based on total assessed value of taxable real property, including public service corporations, as of June 30, 2018.
- (2) In January 2019, Nordstrom, one of the anchor tenants at MacArthur Shopping Center, announced its closure in April 2019.
- (3) In December 2018, Norfolk Southern announced its plans to relocate its headquarters to Atlanta, Georgia. The relocation will occur gradually through 2021.

GENERAL FUND EXPENDITURES

Costs of General City Government

The costs of most general government functions are paid from governmental funds. These costs include expenditures for police protection, fire and paramedical services, public health and social services, planning and zoning management, code enforcement, street maintenance, traffic control, parks and cemeteries operation and maintenance, recreation and library services, economic development, refuse disposal and general administrative services. Table III-7 presents the number of positions budgeted for employees (including salaries and related employee benefits such as health insurance and pension contributions).

Table III-7
City of Norfolk, Virginia
Budgeted Positions
Fiscal Years 2015 – 2019

Fiscal Year	Number of Budgeted Positions⁽¹⁾
2015	4,133
2016	4,139
2017	4,165 ⁽²⁾
2018	4,164
2019	4,000

Sources: Approved Operating Budgets, Fiscal Years 2015 through 2019.

Notes: (1) Figures shown represent the number of permanent and permanent part-time General Fund positions, exclusive of School Board positions.
(2) The Office of Resilience was created in Fiscal Year 2017.

Protected Self-Insurance Program

The City is exposed to various risks of losses related to torts, theft and destruction of assets, errors and omissions, injuries to employees and natural disasters. On July 11, 1978, the City established a protected self-insurance program, pursuant to an ordinance adopted by the City Council, to cover these risks. The program provides for the payment of claims liabilities, property losses and related expenses covered by a combination of purchased insurance policies and self-insurance plans. The total of insurance premiums, self-insurance claims and related expense payments made during Fiscal Year 2018 was \$9,425,772.

The City currently reports all these activities as part of the risk management function in the general government section of the General Fund. Claims expenditures and liabilities are reported when it is probable that a loss has occurred, and the amount of that loss can be reasonably estimated. As of June 30, 2018, these liabilities were estimated at \$31,616,500 with \$4,524,774 projected as the current portion anticipated to be paid within a year. Estimated liabilities for Fiscal Year 2018 were determined by an independent actuary.

Changes in the City's claims liability amount in Fiscal Years 2014 through 2018 are as follows:

Fiscal Year	Unpaid Claims Beginning Balance	Claims Incurred Estimated	Claims Paid	Unpaid Claims Ending Balance
2014	\$30,837,239	\$5,527,877	\$7,309,828	\$29,055,288
2015	29,055,228	5,887,750	5,466,609	29,476,369
2016	29,476,369	6,855,246	7,035,040	29,296,575
2017	29,296,575	8,420,622	5,798,964	31,918,233
2018	31,918,233	7,063,273	7,365,006	31,616,500

Sources: Comprehensive Annual Financial Reports for the Fiscal Years Ended June 30, 2014 through 2018.

Retirement Plan

The City has a single-employer noncontributory, defined benefit retirement plan that covers substantially all employees of the City, excluding School Board and Constitutional Officers employees who are covered by the Virginia Retirement System. The City's contribution requirements are designed to fund the plan's current service cost. Actuarially required contributions are appropriated each year by City Council. See Section X of the Notes to the Basic Financial Statements in the City's Comprehensive Annual Financial Report for the Fiscal Year Ended June 30, 2018, attached hereto as Appendix A, for a discussion of the City's pension plans.

On July 12, 2017, as a result of an independent actuarial experience study undertaken for the City, Norfolk's Retirement Board adopted certain changes to its actuarial assumptions, including changes to the assumed rates of termination, retirement, disability, mortality and salary raises. As a result of the changes, beginning in Fiscal Year 2018, the City's Unfunded Actuarially Accrued Liability (UAAL) is expected to increase by \$78.4 million, which decreases the System's funded status from approximately 84% to approximately 78%. This results in an increase in the City's annual funding of approximately \$700,000. The City is currently undertaking a comprehensive review of its pension system to ensure its long-term financial health and sustainability.

Total annual pension contributions for all City employees over the last five Fiscal Years to the City's noncontributory retirement are presented in Table III-8. The City funded 100% of its actuarially required contributions in Fiscal Years 2015 – 2019.

Table III-8
City of Norfolk, Virginia
Schedule of Annual Pension Contributions
Fiscal Years 2015 - 2019⁽¹⁾

Fiscal Year	Annual Pension Contribution (In Thousands)
2015	\$34,932
2016	30,761
2017	33,457
2018	35,444
2019	36,741

Sources: Comprehensive Annual Financial Report for the Fiscal Year Ended June 30, 2018, Department of Finance, City of Norfolk, Virginia, and Approved Operating Budgets, Fiscal Years 2018 and 2019.

Note: (1) Actuarially required Pension Contributions are funded and paid in the Fiscal Year following the contribution determination.

Other Post-Employment Benefits

In accordance with GASB Statement No. 75 ("GASB 75"), Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions, the City and Schools recognize the costs of their Other Post-Employment Benefits ("OPEB") – health insurance, life insurance, and other non-pension benefits provided to its retirees during the period of their employee's active employment, while the benefits are being earned, and report their unfunded actuarial accrued liability in order to accurately report the total future cost of post-employment benefits and the financial impact on the City. These GASB 75 requirements are very similar to requirements for pension benefits.

As of July 1, 2017, the following was projected:

	City⁽¹⁾	Line of Duty⁽¹⁾	School Board⁽¹⁾	Total OPEB Liability
Balance at June 30, 2017	\$29,647,567	\$22,284,435	\$60,290,035	\$112,222,037
Service cost	2,638,578	991,486	1,468,830	5,098,894
Interest	864,633	637,503	1,702,533	3,204,669
Change in benefits	-	19,652,972	-	19,652,972
Difference between expected and actual	(1,413,447)	(2,397)	(3,274,812)	(4,690,656)
Assumption changes	1,815,771	(5,648,603)	(10,475,847)	(14,308,679)
Benefits payments	(1,247,913)	(822,158)	(2,580,746)	(4,650,817)
Balance at June 30, 2018	<u>\$32,305,189</u>	<u>\$37,093,238</u>	<u>\$47,129,993</u>	<u>\$116,528,420</u>

Note: (1) Information provided by Actuarial Valuation Report by Cheiron, Inc. measures as of July 1, 2017, for Fiscal Year 2018.

Employee Relations and Collective Bargaining

The Supreme Court of Virginia has ruled that in the absence of legislation, municipalities and school boards in the Commonwealth do not have the authority to enter into collective bargaining agreements.

PUBLISHED FINANCIAL INFORMATION

The City issues and distributes a Comprehensive Annual Financial Report on its financial operations for each Fiscal Year. The City also publishes annually an Operating Budget and a five-year Capital Improvement Program Budget. These documents are available via the internet at www.norfolk.gov. In addition, the City will undertake to provide or cause to be provided certain Annual Financial Information described in the section "CONTINUING DISCLOSURE" to fulfill the requirements of the Rule promulgated by the SEC. See Appendix C "FORM OF CONTINUING DISCLOSURE AGREEMENT."

GENERAL FUND OPERATING BUDGET RESULTS FOR FISCAL YEAR 2018

On the budgetary basis of accounting, General Fund revenues were \$868,274,761 representing 100.68% of budgeted revenue. General Fund expenditures were \$844,271,870 representing 97.90% of budgeted expenditures. Table III-9 summarizes key financial results.

General Fund Operating Budget and Results

The City Council adopted the CIP budget for Fiscal Year 2019, which totals \$112,039,271 on May 22, 2018. See Table II-8 in the section entitled "DEBT INCURRED BY OTHER GOVERNMENTAL ENTITIES – Capital Improvement Program Budget."

The Fiscal Year 2019, General Fund Operating Budget (the "Fiscal Year 2019 Budget") was adopted on May 22, 2018, and totals \$880,788,426 reflecting a 2.1% increase from the final Fiscal Year 2018 Budget.

The Fiscal Year 2019 Budget focuses on the City Council's priorities of investing in neighborhoods, public safety, education and resilience, and builds on the momentum created by prudent financial choices, creativity and a commitment to meeting the needs of residents. The budget was balanced through a multi-faceted approach that analyzes ways to reduce expenditures, increase revenues, and grow the economy within an overarching principle of inclusiveness.

Major revenue and expenditure categories for the Fiscal Year 2018 and Fiscal Year 2019 Budgets are summarized in the following tables.

PART IV **ENTERPRISE FUNDS**

Overview

The City-owned water system (the "Water System"), operated by its Department of Utilities, is one of the largest municipal water systems in the Commonwealth. Approximately 1.1 million people are served by the Water System. The Water System distributes treated water throughout the City, to the City limits of the Cities of Virginia Beach ("Virginia Beach") and Chesapeake ("Chesapeake") and to the gates of naval bases located in the City, Virginia Beach and Chesapeake. A naval base in the City of Portsmouth ("Portsmouth") is provided raw water service. The distribution of average metered consumption in Fiscal Year 2018 is shown in Table IV-1.

Table IV-1
City of Norfolk, Virginia
Water System
Average Metered Water Delivered by Customer
Fiscal Year 2018

Customer	Metered Consumption (mgd)	Percent of Total
Norfolk	15.6	29.16%
Virginia Beach	30.7	57.30
U.S. Navy	5.1	9.43
Chesapeake	<u>2.2</u>	<u>4.11</u>
	<u>53.6</u>	<u>100.00%</u>

Source: Department of Utilities, City of Norfolk, Virginia.

As of June 30, 2018, the Water System provided potable water to over 65,984 active Norfolk retail service customers (i.e. accounts) and wholesale service to the United States Navy, Virginia Beach, Chesapeake, Portsmouth and the Western Tidewater Water Authority ("WTWA"), which includes the City of Suffolk and Isle of Wight County.

Wholesale Contracts

A significant portion of the Water System's revenue is derived from wholesaling water to the U.S. Navy, Chesapeake, Portsmouth, Virginia Beach and the WTWA. The City's agreement with the U.S. Navy provides that the U.S. Navy pays rates equal to 110% of the current retail rate. Norfolk sells 2 mgd "take or pay" of treated water to Chesapeake under the raw water sales contract executed in December 2002. In the absence of a wholesale contract, the City of Chesapeake purchases treated water from the City at a current rate of \$5.05 per 100 cubic feet. If a wholesale contract between Chesapeake and the City is executed, the City anticipates that Chesapeake will continue to purchase treated water from the City pursuant to the wholesale customer treated water rate ordinance. The raw water sales contract was executed in December 2002 and will remain in force through December 31, 2042. The City also has executed a raw water contract with Chesapeake and began delivering 7 mgd of raw water in 2006. The City has a water services contract with Virginia Beach where the City shall receive, convey, treat and deliver to Virginia Beach up to an average of 45 mgd, or 46.8 mgd upon Virginia Beach's request and the City's approval, of finished water to be provided from Virginia Beach's two raw water sources. The City and Virginia Beach recently amended the water services contract to extend the term through 2060, and as consideration for the extension, Virginia Beach made a \$20 million payment to the City's Water Utility Fund. In addition, the City has a contract with Portsmouth for the sale of emergency raw water. On September 29, 2009, the City

entered into a 40-year raw water sales agreement with WTWa, currently comprised of the City of Suffolk and Isle of Wight County, to furnish a minimum of 3 mgd and gradually increasing to 15 mgd by 2038.

Financial Management

On July 1, 1979, the City Council established the Water Utility Fund as a distinct enterprise fund to account for all of the financial activity related to providing water services to its customers. Since its inception, the Fund has operated on a self-supporting basis.

Historically, regular annual transfers have been made from the Water Utility Fund to the City's General Fund for payments-in-lieu of taxes and as a return on the City's investment in the Water System. The City intends to pay for all future Water System capital costs from revenue of the Water System and proceeds of water revenue bonds. The Water Utility Fund is reported on an accrual basis of accounting.

Water Rates

Retail rates are set by City Council. Since Fiscal Year 2007 water rates increase 3.5% annually and produce the following rates:

Fiscal Year	Retail Rate
2019	\$5.11 per 100 cubic feet
Thereafter	3.5% annual increases each July 1

Chesapeake treated water rate revisions for inclusion in City ordinances are approved by City Council. The Chesapeake raw water rate is established by the raw water sales contract. The WTWa raw water rate is established by the raw water sales contract. Virginia Beach formula driven biennial wholesale rate revisions are governed by contract. The U.S. Navy rate is established by City ordinance and approved by City Council. In order to encourage conservation, the current rate structure is a uniform rate per thousand gallons, with no quantity discount. Retail customers are charged a monthly service charge.

WASTEWATER UTILITY FUND

As of June 30, 2018:

Approximate population served	246,256 accounts
Total wastewater pumping stations	133 pump stations
Miles of gravity wastewater mains	685 miles
Miles of wastewater force mains	68 miles

The City owns and operates a sanitary sewer system (the "Wastewater System") which collects and conveys wastewater to the regional treatment agency, the Hampton Roads Sanitation District. Approximately 66,000 accounts located within the City are served by the Wastewater System. Since July 1, 1984, the Wastewater Utility Fund has been operated as an enterprise fund.

City general obligation debt issued to finance Wastewater Utility projects, as well as wastewater revenue bond debt is carried as a liability on the Wastewater Utility Fund balance sheet. The Wastewater Utility Fund pays for debt service on such bonds from the revenues of the Wastewater System. The City expects to convert all general obligation Virginia Resources Authority debt that financed Wastewater Utility projects (approximately \$40 million) to wastewater revenue bonds by June 30, 2019.

Each retail customer using the City Wastewater System is charged at a rate based on the water meter flow unless an effluent meter is used. In the absence of an effluent meter, the water meter flow is used. Rates are set by City Council. Beginning July 1, 2007, wastewater rates increase annually by 4.0% and produces the following rates:

Fiscal Year	Retail Rate
2019	\$4.30 per 100 cubic feet
Thereafter	4.0% annual increases each July 1

PARKING FACILITIES FUND

The City presently owns and operates 16 multi-level parking garages, 10 surface lots and more than 643 on-street spaces. These facilities provide a total inventory of over 20,671 downtown parking spaces. The Parking Facilities Fund was established during Fiscal Year 1990. City general obligation debt issued to finance Parking Facilities Fund projects is carried as a liability on the Parking Facilities Fund's balance sheet. The Parking Facilities Fund's unaudited balance sheet on June 30, 2018, presents total assets of \$221.3 million, which includes restricted investments of over \$13.9 million, to be utilized for garage construction and operating reserves. In addition, unaudited fixed assets, including parking structures, consist of over \$175 million of the total \$221.3 million in assets. The Parking Facilities Fund also manages parking enforcement operations and collects fines and delinquent fees. In Fiscal Year 2018, 36,990 tickets were issued resulting in an 87% collection rate and revenue of \$2.1 million.

Transfers have been made from the Parking Facilities Fund to the Debt Service Fund to pay all debt service on general obligation bonds issued by the City to pay for Parking System improvements. Revenue of the Parking System has fully covered debt service on general obligation bonds issued for the Parking System.

The City's Financial Policies provide that the Parking Facilities Fund will be self-supporting, maintain annual net revenue in an amount sufficient to provide debt service coverage of at least 1.1 times its total annual debt service, limit variable-rate debt to approximately 20% of its total outstanding debt, and maintain a working cash balance, excluding any future balance in the debt service reserve fund, of a minimum of 240 days of operating and maintenance expenses. See "Part III – FINANCIAL INFORMATION – Financial Policies."

[Remainder of Page Intentionally Left Blank]

PART V **THE CITY OF NORFOLK**

INTRODUCTION

The City of Norfolk was established as a town in 1682, as a borough in 1736 and incorporated as a city in 1845. The City lies at the mouth of the James and Elizabeth Rivers and the Chesapeake Bay, and is adjacent to the Atlantic Ocean and the cities of Virginia Beach, Portsmouth and Chesapeake. The City is 65.98 square miles.

CITY GOVERNMENT

Norfolk is an independent, full-service City with sole local government taxing power within its boundaries. It derives its governing authority from the City Charter, originally adopted by the General Assembly of Virginia (the "General Assembly") in 1918, which authorizes a council-manager form of government. The City Council exercises all of the governmental powers conferred upon the City. The City Council is comprised of eight members, a Mayor (elected at large) and seven members from the "ward system". Two members of the seven members are elected from super wards. The City Council elects a Vice Mayor from among its members. Among the City officials appointed by the City Council is the City Manager, the administrative head of the municipal government. The City Manager carries out its policies, directs business procedures and appoints, with the power to remove, the heads of departments and other employees of the City except those otherwise specifically covered by statutory provisions. The City Council also appoints certain boards, commissions and authorities of the City.

Certain Elected Officials

The City's current elected officials include:

Kenneth Cooper Alexander, Mayor

In May 2016, Mr. Alexander was elected Mayor of the City of Norfolk. He is the President of Metropolitan Funeral Service. As a Norfolk native, he began his public service career more than two decades ago. Mr. Alexander received a Bachelor's degree in Political Science from Old Dominion University, Norfolk, Virginia, and a Master's degree in Diplomacy from Norwich University in Northfield, Vermont, the oldest private military college in the country. Mr. Alexander previously served in the Senate of Virginia, where he was a member of the Commerce and Labor, Finance, Transportation and Privileges and Election committees. Prior to his election to the Senate, Mr. Alexander represented the 89th District in the House of Delegates from 2002 until 2012, serving on the Commerce, Labor, Education, Privileges and Elections and Rules committees.

Martin A. Thomas, Jr., Vice Mayor

Mr. Thomas, representing Ward 1, was first elected to City Council in August 2016. He received a Bachelor of Science degree in Public and Urban Affairs from Virginia Polytechnic Institute and State University, Blacksburg, Virginia and graduated from the University of Richmond School of Law (T.C. Williams School of Law), Richmond, Virginia. He is currently a partner at the Decker Law Firm in downtown Norfolk where he has litigated personal injury cases since 2006. He served on the Norfolk Planning Commission from April 2011 until his election to City Council and on the Norfolk Architectural Review Board from April 2014 until his election to City Council. He is involved in many local professional and civic organizations, where he has held a number of leadership positions.

Courtney R. Doyle, Council Member

Mrs. Doyle, representing Ward 2, was first elected to City Council in May 2018. She received a Bachelor's degree in Government and Politics from the University of Maryland, College Park, Maryland, and holds a Master of Business Administration from Old Dominion University, Norfolk, Virginia. She is currently the Director of Customer Development and Marketing for Sentara Healthcare where she has worked for over 20 years. She served on the Norfolk School Board from 2013 until her election to City Council. She is active in many local professional and civic organizations, where she has held a number of leadership positions.

Mamie B. Johnson, Council Member

Mrs. Johnson, representing Ward 3, was elected to City Council in May 2014. Mrs. Johnson was employed with Norfolk Public Schools as a teacher for 14 years and an Instructional Specialist for six years. She is currently the Director of the Before and After School Program at Richard Bowling Elementary School and the Life Enrichment Center Urban Youth Summer Camp. She received a Bachelor's degree in Education from Norfolk State University, Norfolk, Virginia. She is active in many local professional and civic organizations, where she has held a number of leadership positions.

Andria P. McClellan, Council Member

Mrs. McClellan, representing Super Ward 6, was elected to City Council in May 2016. She received a Bachelor's degree from the University of Virginia, Charlottesville, Virginia, and graduated from the Wharton Management Program at the University of Pennsylvania. She is active in many local professional and civic organizations, and she presently serves on several boards, including WHRO, CIVIC Leadership Institute and the advisory board of OneVirginia2021.

Paul R. Riddick, Council Member

Mr. Riddick, representing Ward 4, was first elected to City Council in July 1992. He is the owner and operator of Riddick Funeral Service in Norfolk. He attended Norfolk State University, Norfolk, Virginia, and has an Associates in Art and Sciences degree in Funeral Service from John Tyler Community College, Chester, Virginia. Mr. Riddick is active in many local professional organizations.

Thomas R. Smigiel, Council Member

Mr. Smigiel, representing Ward 5, was first elected to City Council in May 2010. He received a Bachelor of Science degree in Education from Old Dominion University, Norfolk, Virginia, and a Master's degree in School Administration and Supervision from Cambridge College, Chesapeake, Virginia. He is Principal at the Academy for Discovery at Lakewood in Norfolk. He is involved in many local professional and civic organizations, where he has held a number of leadership positions.

Angelia M. Williams Graves, Council Member

Mrs. Williams Graves, representing Super Ward 7, was first elected to City Council in November 2010. She holds a current real estate license and is a realtor with Rose & Womble Realty Company. Mrs. Williams Graves received an Associate of Science degree in Business Administration from Tidewater Community College in 2004. She graduated from the University of Virginia's Sorensen Institute for Political Leadership in 2005 and from the Alpha School of Real Estate in 2008. She received a Bachelor's degree in Marketing from Old Dominion University, Norfolk, Virginia. She is involved in many local professional and civic organizations, where she has held a number of leadership positions.

Certain Appointed Officials

Douglas L. Smith, City Manager

Douglas L. Smith assumed his position as City Manager in June 2017, after having served as the Interim City Manager since December 2016. He serves at the pleasure of the City Council and is responsible for the day-to-day management and oversight of the City. Prior to his appointment as Interim City Manager, Mr. Smith was President of The Doug Smith Group where he was an economic development consultant focused on transformational public private partnerships and regional innovation services. Mr. Smith also previously served as Deputy City Manager in Virginia Beach and Portsmouth. Mr. Smith also served as Portsmouth's Chief Plans and Policy Officer and Economic Development Director. Mr. Smith previously served on Portsmouth's City Council as well and was Portsmouth's representative to the Hampton Roads Transportation Planning Organization and the Hampton Roads Planning District. He earned a Bachelor of Art in History from the University of Virginia, Charlottesville, Virginia.

Christine Garczynski, Director of Finance

Christine Garczynski assumed her position as Director of Finance in January 2016. At the direction of the City Manager, she is responsible for the comprehensive oversight of financial operations for the City. In addition, she is responsible for the administration of the financial affairs of the City which includes financial accounting and reporting; accounts payable; accounts receivable; payroll; cash management; risk management; debt management; purchasing; fiscal systems and the Norfolk Employees' Retirement System. Ms. Garczynski has worked for the City since 1992. She previously served as Acting Director of Finance from June 2015 to January 2016, and prior to her appointment as Acting Director of Finance, her most recent position was Debt Manager responsible for successfully coordinating and administering the City's debt obligations and the day-to-day management of the City's cash and investment portfolio. Ms. Garczynski earned a Bachelor of Science in Business Administration from Longwood University, Farmville, Virginia.

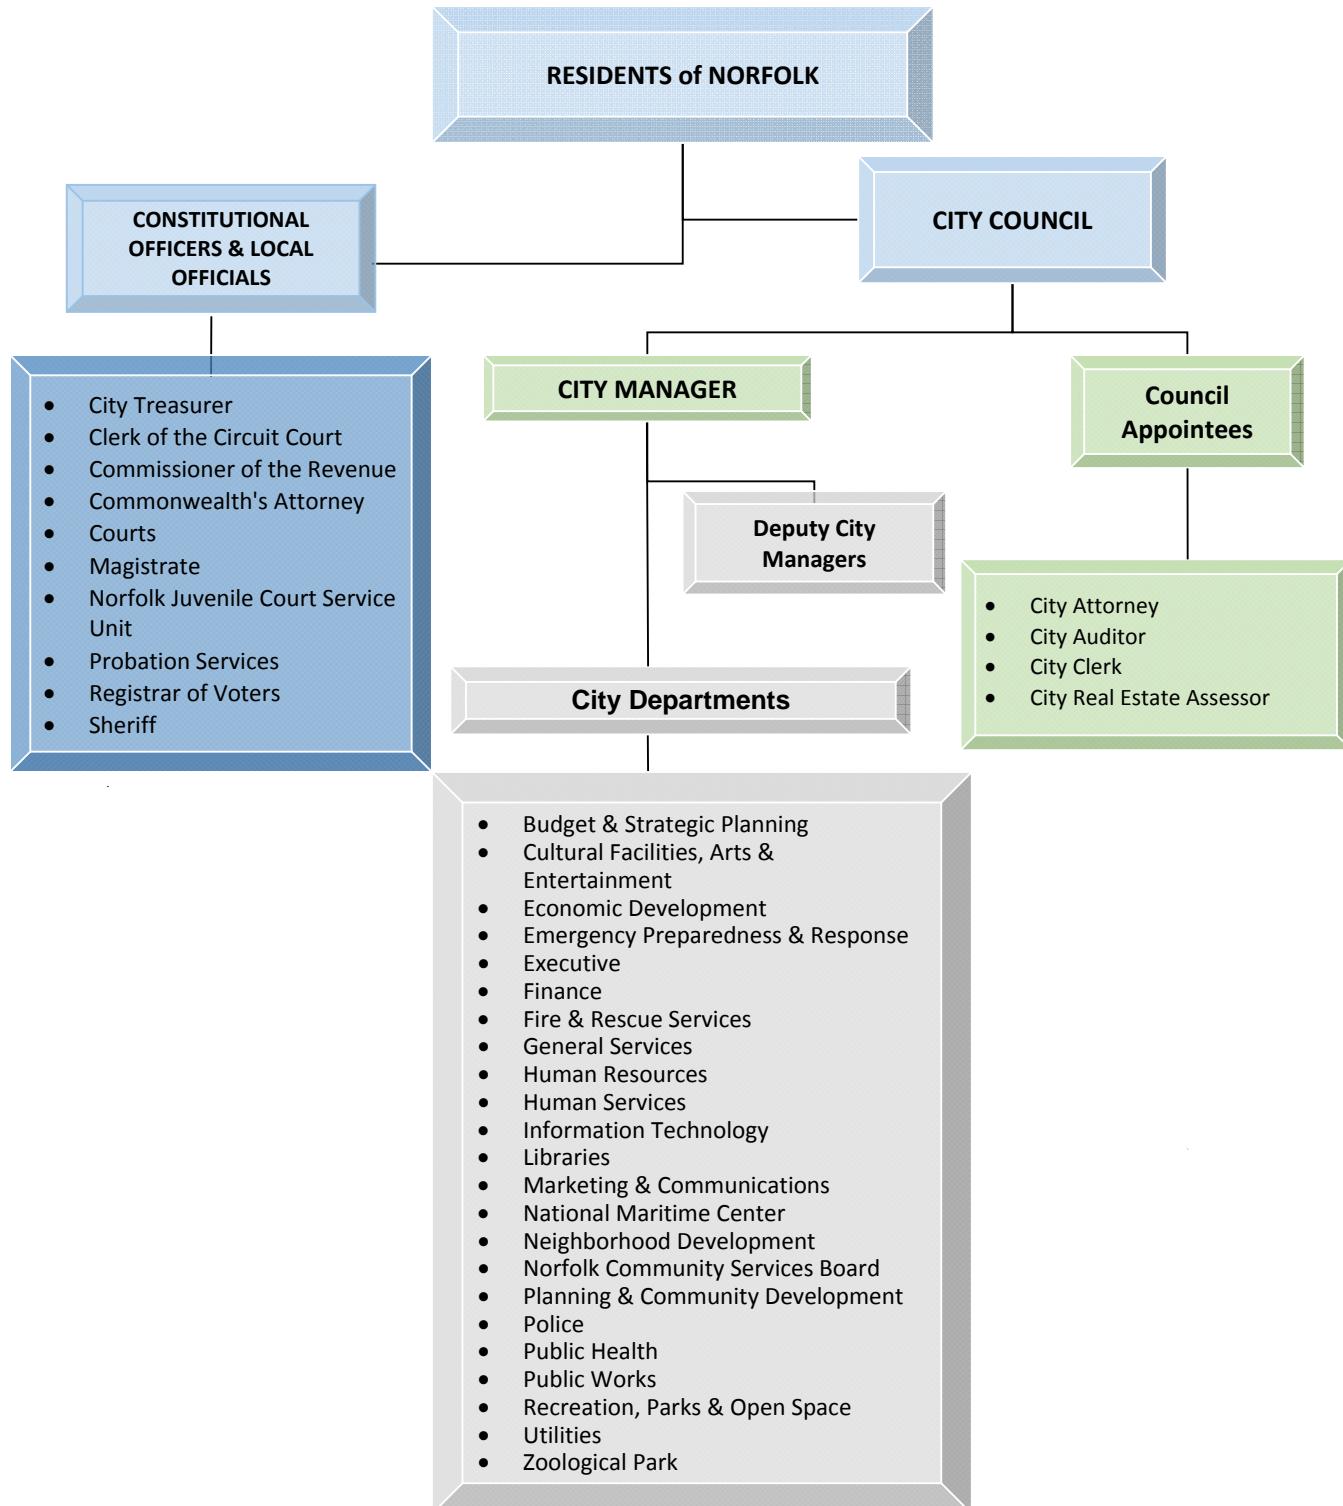

Bernard A. Pishko, City Attorney

Bernard A. Pishko was first appointed by City Council as City Attorney in November 1997. He previously served as Deputy City Attorney from 1989 to 1997 and as an Assistant City Attorney from 1984 to 1989. He has practiced law since 1982. The City Attorney is also general counsel for the Norfolk School Board, Norfolk Recreational Facilities Authority, Norfolk Community Services Board, Hospital Authority of Norfolk, Norfolk Municipal Employees' Retirement System, Norfolk Electoral Board, Civil Service Commission and The Chrysler Museum of Art. Mr. Pishko is a member of many professional associations and community organizations. He received his undergraduate degree from Brown University, Providence, Rhode Island, a Master's degree in Business Administration from the College of William and Mary, Williamsburg, Virginia, and a law degree from the Marshall-Wythe School of Law, Williamsburg, Virginia.

Governmental Services and Facilities

In Virginia, cities and counties are not overlapping units of government. Each city or county is a distinct political entity providing services for the population within its respective jurisdiction. The City provides a comprehensive range of public services characteristic of its form of government under Virginia law. These services are designed to provide an environment within which the educational, physical, social and cultural needs of its citizens are met. These general governmental services include police protection, fire and paramedical services, public health and social services, planning and zoning management, code enforcement, storm water management, street maintenance, traffic control, parks and cemeteries operation and maintenance, recreation and library services, economic development, solid waste disposal and general administrative services. In addition, water and wastewater utilities and parking facilities services are provided under an enterprise fund concept with user-charges set by City Council.

City Organization

OTHER GOVERNMENTAL ENTITIES

School Board of the City of Norfolk

The School Board is a corporate body and in its corporate capacity is vested with all of the duties, obligations and responsibilities imposed upon school boards by law. The City Council is required to appropriate annually to the School Board the amount needed for the support of the public schools in maintaining educational programs which meet the standards of quality prescribed by law. Categorical aid from the Commonwealth and the federal government designated for educational purposes is included in the City's General Fund budgetary revenue. This categorical aid, plus moneys derived from local sources, provides the funds for the major share of the School Board's operations. On an ongoing basis, the City also issues debt to finance needed capital projects of the school system.

The School Board presently operates 33 elementary schools, eight middle schools, five high schools and several auxiliary schools, including alternative, magnet and specialty programs. For the Fiscal Year 2018 the School Board's expenditures for education totaled \$343,637,951.

Norfolk Airport Authority

The Norfolk Airport Authority, a political subdivision of the Commonwealth, was created to operate an airport and to promote industrial growth and consists of both an Airport fund and an Investment fund. The Airport fund was established by the Authority to account for the operations of the Norfolk International Airport (the "Airport"). Revenue generated by airport operations is used to meet all operating expenses and to provide for payment of all principal and interest on debt of the Authority related to the Airport. The Investment fund was established by the Authority to provide for certain airport capital improvements.

The Authority finances individual capital projects by issuing bonds or obtaining loans and intergovernmental grants in its own name and concurrently entering into leases which provide for payment of all principal and interest on the related obligations as they become due. Revenue includes rental income on non-airport property owned by the Authority and interest on investments.

The Authority's Commissioners are appointed by City Council, but the Authority designates its own management and has oversight responsibility for its own fiscal matters. The City does not provide funds for the operations of the Authority and, pursuant to Section 144(q) of the City Charter, the Authority is required to submit its annual budget to the City Council for the purposes of information only. The City has the option to reacquire, without consideration, title to all property and equipment after payment by the Authority of all obligations relating to the improvements at the Airport.

Hampton Roads Regional Jail Authority

The Hampton Roads Regional Jail Authority (the "HRRJA") is a regional organization which includes the cities of Chesapeake, Hampton, Newport News, Norfolk and Portsmouth, created for the purpose of providing, operating and maintaining a regional jail facility for the correctional overflow from each community. HRRJA is a primary government, with no component units, that is a body politic and corporate created pursuant to Article 3.1, Chapter 3, Title 53.1 of the Code of Virginia, as amended, and is governed by a twelve-member Board of Directors, consisting of three representatives appointed by each of the member cities. The budgeting and financing of HRRJA are subject to the approval of the Board of Directors, with each individual having a single vote. HRRJA is responsible for its own financial matters, maintains its own books of account and is audited annually by independent accountants that it engages.

The participating governments do not have an equity interest in the HRRJA, and accordingly, no equity interest is reflected in the City's financial statements. Complete financial statements of HRRJA can be obtained from HRRJA.

The regional jail facility (the "Jail"), which opened in April 1998, consists of approximately 385,518 square feet of building area, including three housing building units, a support building and a central plant. The Jail holds 1,090 inmates, 250 of which are designated to the City. The City is responsible for a maximum of 22.22% of the total operating cost less the revenue derived from the Virginia Compensation Board and the per diem reimbursement from the Commonwealth for the housing of state inmates.

The Southeastern Public Service Authority of Virginia

The Southeastern Public Service Authority ("SPSA") is a joint venture of the cities of Chesapeake, Franklin, Norfolk, Portsmouth, Suffolk and Virginia Beach and the counties of Isle of Wight and Southampton, created for the purpose of providing, operating and maintaining a regional system for the collection, transfer, processing and disposal of solid waste refuse.

SPSA is a primary government, with no component units, that is a public body politic and corporate created pursuant to the Virginia Water and Sewer Authorities Act and is governed by a Board of Directors consisting of eight-member representatives appointed by each of the member cities and counties. Budgeting and financing of SPSA is subject to the approval of the Board of Directors, with each individual having a single vote. The Authority is responsible for its own financial matters, maintains its own books of account and is audited annually by independent accountants that it engages.

The regional system includes solid waste transfer stations in each of the member jurisdictions, a landfill, rolling stock and ancillary facilities.

Hampton Roads Planning District Commission

Hampton Roads Planning District Commission ("HRPDC"), a regional planning agency authorized by the Virginia Area Development Act of 1968, was created by the merger of the Southeastern Virginia Planning District Commission and the Peninsula Planning District Commission on July 1, 1990. HRPDC performs various planning services for the cities of Chesapeake, Franklin, Hampton, Newport News, Norfolk, Portsmouth, Poquoson, Suffolk, Williamsburg and Virginia Beach, and the counties of Gloucester, Isle of Wight, James City, Southampton and York. Revenue of HRPDC is received primarily from member contributions and various state and federal grant programs.

The participating governments do not have an equity interest in HRPDC, and accordingly, no equity interest is reflected in the City's financial statements. Complete financial statements of HRPDC can be obtained from the HRPDC.

Transportation District Commission of Hampton Roads

The Transportation District Commission of Hampton Roads, known as Hampton Roads Transit ("HRT"), a political subdivision of the Commonwealth, was formed on May 9, 1973, as a joint exercise of governmental power in accordance with provisions of Virginia law.

HRT provides public transportation facilities and services within the cities of Norfolk, Chesapeake, Hampton, Newport News and Virginia Beach, Virginia. Oversight responsibility is exercised by all of the participating localities through their designated representatives. Responsibility for the day-to-day operation HRT rests with professional management. HRT was constructed the City's light rail system. Oversight responsibility is exercised by all of the participating localities through their designated representatives. Responsibility for the day-to-day operations of HRT rests with professional management. HRT constructed and operates the City's light rail system.

The participating governments do not have an equity interest in HRT, and accordingly, no equity interest is reflected in the City's financial statements. Complete financial statements of HRT can be obtained from HRT.

Hampton Roads Transportation Accountability Commission

The Hampton Roads Transportation Accountability Commission ("HRTAC") was created effective July 1, 2014, as a political subdivision of the Commonwealth in accordance with the provisions of Chapter 26, Title 33.2 of the Virginia Code (the "HRTAC Act"). HRTAC's purposes include assessment and prioritization of regional highway, bridge and tunnel projects to be funded with, among other potential sources of funds, the Hampton Roads Transportation Fund ("HRTF"). HRTF is a fund generated by the assessment and collection of sales and use tax and a wholesale fuel tax in the Hampton Roads region by the Commonwealth. HRTAC is comprised of 23 members, which include locally elected officials and ex-officio members from several state agencies. The Mayor of the City, as the City's chief elected officer, is a member of HRTAC. Repayment of bonds issued by HRTAC is made from sources described in the HRTAC Act, including, without limitation, the HRTF. Bonds of HRTAC are not obligations of any jurisdiction in the Hampton Roads region, including the City.

Hospital Authority of Norfolk

The Hospital Authority of Norfolk (the "HAN"), which has a nine-member Board of Commissioners appointed by City Council, is a tax-exempt, not-for-profit political subdivision of the Commonwealth created pursuant to an Agreement of Transfer dated July 1, 1998. HAN operates Lake Taylor Hospital as a long-term care facility licensed by the Virginia State Health Department to provide a continuum of patient care ranging from sub-acute hospital services to skilled nursing care.

Norfolk Redevelopment and Housing Authority

The Norfolk Redevelopment and Housing Authority ("NRHA"), a political subdivision of the Commonwealth, was created by the City on July 30, 1940, under the provisions of the United States Housing Act of 1937. NRHA provides subsidized public housing and administers redevelopment and conservation efforts within the City in accordance with State and federal legislation. The seven members of the Board of Commissioners are appointed by City Council. NRHA is responsible, through a contract with the City, for the administration of such activities as community development and urban renewal. The City does not exercise a significant degree of oversight responsibility for the NRHA develops its own operating budget without approval from City Council and executes contracts on its own behalf. NRHA is responsible for its own financial matters as it maintains its own book of accounts, is audited annually by independent accountants it engages, and has authority over earnings, deficits and moneys other than City contract funds. The City contracts with NRHA to complete specific projects, generally capital improvement

The Economic Development Authority of the City of Norfolk

The Economic Development Authority ("EDA"), a political subdivision of the Commonwealth, was created by ordinance of the City of Norfolk in 1972, pursuant to the provisions of the Industrial Development and Revenue Bond Act. The EDA is authorized to acquire, own, lease and dispose of properties to the end that such activities may promote industry and develop trade by inducing manufacturing, industrial and commercial enterprises to locate or remain in the City and further the use of the Commonwealth's agricultural and natural resources. The EDA is empowered by the Commonwealth to authorize and issue industrial development bonds. The EDA acts as an intermediary between financial institutions and borrowers; it has no responsibility for borrowers' debt. Although Commissioners are appointed by City Council, the EDA designates its own management, maintains its own books of account and receives revenue from administrative fees charged to borrowers.

The Slover Library Foundation

The Slover Library Foundation (the "Foundation"), a 501(c)(3) non-profit organization, was formed on October 31, 2008, to participate in the funding of a central library for the City. The new central library

was named the Slover Library. Two historic downtown structures, the Seaboard Building and the Selden Arcade, were joined by an architecturally significant structure to create a new technologically advanced library. Funding provided by the Foundation in the future will be used for purchase and maintenance of technology used in the Slover Library. The Foundation designates its own management, maintains its own books of account, engages its own independent accountant and receives its revenue from third parties.

Norfolk Botanical Garden

Norfolk Botanical Garden is a non-profit museum for plants and is managed by the Norfolk Botanical Garden Society (the "Society"), a 501(c)(3) non-profit organization supported by donations, membership dues, admissions and program fees. Norfolk Botanical Garden is a Virginia Historic Landmark and is listed on the National Register of Historic Places. The City, which owns the botanical gardens, has an agreement with the Society to operate the botanical garden. This agreement expires on June 30, 2022. The Society receives annual funding from the City for improvements and operating costs.

The Chrysler Museum, Inc.

The Chrysler Museum, Inc. (the "Museum"), a 501(c)(3) non-profit organization and was formed on January 1, 1980, by incorporating the Chrysler Museum in Norfolk. The main purpose of the Museum is the advancement, encouragement and promotion of the study and appreciation of art. The Museum designates its own management, which is self-sustaining, maintains its own books of account, engages its own independent accountant, and receives its revenue from facility rental fees, patron membership, planned giving and from other independent grants. The City owns the museum building and provides support for its maintenance.

Housing and Construction Availability

Total sales for calendar year 2018 through November were 3,008, as compared to 2,813 for calendar year 2017 through November. The average price of homes sold in calendar year 2018 through November increased by approximately 3.5%, from \$217,400 to \$225,100, when compared to the average home price in calendar year 2017. The City saw total home sales rise by approximately 6.9% (or 195 homes) during calendar year 2018 through November, as compared to calendar year 2017.

Table V-5 provides an annual breakdown of residential building permits over the past 10 Fiscal Years.

Economic Development

Economic development initiatives are focused on the attraction, expansion and retention of businesses, neighborhood and community revitalization and commercial corridor development. Some of the City-led initiatives to stimulate commercial revitalization include: Tax Abatement for Property Rehabilitation, State Enterprise Zone, Historically Underutilized Business Zones, Pedestrian Commercial Overlay Zones, Tax and Grant Benefits, public infrastructures and amenities. A Technology Zone was created in 2016. As a Smart City, technology and data analytics are embedded in the infrastructure to improve real time responses. In support of the Smart City initiative, in Fiscal Year 2018 Norfolk joined the Regional Connectivity Ring to bring faster broadband internet services to the region. Since 2014, the City has announced approximately \$3.1 billion in new development, business and pending public/private projects. The City recognizes that expanding its business and industrial tax base will ease the burden on homeowners and it is committed to promoting economic development throughout the City.

Resilience Strategy

Norfolk is one of several localities in the United States vulnerable to flooding from sea level rise and storm-surge. In January 2019, the U.S. Army Corps of Engineers ("USACE") is anticipated to issue the Final Norfolk Coastal Storm Risk Management Study ("Norfolk CSRMS") to Congress. The report recommends infrastructure upgrades that will reduce the risk of flood damage in the City of Norfolk to a design standard equaling the North Atlantic Coast Comprehensive Study 2% (50-year) annual chance flood elevation plus sea level rise to the year 2076, ranging from 9.5 feet to 10.5 feet, based on the North American Vertical Datum 1988. The design flood level is generally equal to the Federal Emergency Management Agency ("FEMA") 1% annual chance flood Base Flood Elevation, plus three feet of sea level rise. The cost of implementing all study recommendations is approximately \$1.36 billion.

The Norfolk CSRMS does not identify a dedicated funding source for any of the recommended upgrades, other than to provide a suggested share of the costs to be paid by the federal government (subject to future appropriation by the federal government). There can be no assurance that funding for any of the recommended upgrades will be made available. Additionally, the draft feasibility report does not provide a timeframe over which the projects would need to be implemented or funded. However, in the Fiscal Year

2019 Budget, the USACE allotted \$400,000 in the Fiscal Year 2019 workplan funding for pre-engineering design for the Norfolk CSRMS recommendations.

Norfolk has taken a proactive approach to addressing the impact of sea level rise with a resilience strategy described below, which embraces the City's relationship with its adjacent bay, rivers, streams, ponds and marshes.

In 2015, Norfolk adopted a comprehensive resilience strategy to address the challenges facing the City. This strategy is driven by three goals: (1) design the coastal community of the future, (2) create economic opportunity by advancing efforts to grow existing and new industry sectors and (3) advance initiatives to connect communities, deconcentrate poverty and strengthen neighborhoods.

Norfolk is undertaking many initiatives to address its resilience goals, including the following:

(1) Partnering with the U.S. Navy and Virginia Beach on a Joint Use Land Study to mitigate the impacts of sea level rise on Navy operations: the study is anticipated to be completed in February 2019 and identifies priority flood mitigation projects for the U.S. Naval Station Norfolk, Virginia Beach, and Norfolk.

(2) Encouraging and requiring resiliency as part of development activities: the City adopted a new zoning code that includes resilient development activities as part of its comprehensive long-term plan (plaNorfolk 2030). These efforts go far beyond the FEMA floodplain requirements and include provisions that target Norfolk's unique situation and circumstances.

(3) Seeking grants and other outside funding to help defray the cost of resiliency projects: in 2016, Norfolk and several partners in the Commonwealth received a \$120.5 million grant from the U.S. Department of Housing and Urban Development's ("HUD") National Disaster Resilience Competition. Grant funds are being used to address coastal resilience in the City's Ohio Creek watershed area. In summer 2018 Norfolk submitted a Choice Neighborhoods Grant requesting \$30 million to redevelop the St. Paul's area of the City including the construction of a large Storm Water park to resiliently manage flooding. HUD is expected to make a decision on that grant in the first quarter of 2019.

To effectively align opportunities, connect internal and external stakeholders and resources, in Fiscal Year 2018 the City created a multi-disciplinary Resilience Office to expand and institutionalize this integrated approach to building the City's resilience to the environmental, economic, and social stresses and potential shocks that challenge the City. The Resilience Office will continue to actively leverage opportunities and resources across City departments, local community, as well as national and international partners.

Dominion Enterprises Building	563,325	83,675	14.9
Total	2,942,728	267,498	9.1%

Source: CoStar, December 2018.

Note: (1) In December 2018, Norfolk Southern announced its plans to relocate its headquarters to Atlanta, Georgia. The relocation will occur gradually through 2021.

Bank presence in Downtown includes Bank of America, BB&T, Monarch, Old Point National, PNC, SunTrust, TowneBank and Wells Fargo. Southern Bank and several credit unions are also located Downtown.

The first phase of the new \$126 million Consolidated Courts Complex opened in January 2015 near City Hall and adjacent to the Civic Plaza light rail station. Phase two of the complex was completed in February 2018 and houses the General District Court, Circuit Court, the Juvenile and Domestic Relations Court and the law library.

Residential Development

One of Norfolk's greatest strengths is its neighborhoods. With over 120 civic leagues and over 95,000 housing units, Norfolk offers a diversity of housing choices that range from charming starter houses to grand residences and from downtown lofts and town homes to brand new developments along the Chesapeake Bay. By increasing the diversity of housing opportunities, the City expects to increase the diversity of its citizenry and expand the tax base. The City's goal for neighborhood and commercial development is to provide an environment that increases private sector investment, retail sales generation and corresponding municipal revenue generation, create a framework for targeted and coordinated public and private investment and build upon and coordinate with other ongoing community development initiatives.

Residential investment continues to grow throughout the City, particularly in Downtown. Several new projects have recently opened in Downtown. These include 450 Boush (a mixed-use project with 150 units and 10,000 square feet of retail), the second phase of Rockefeller Apartments (a new building that will include 40 apartments), and a commercial building conversion into a 300-unit luxury apartment

development called the Icon at City Walk located on Main Street in Downtown. Two other conversion projects are underway on Granby Street: The Savoy with 36 new units and 151 Granby, with 8 new units. Downtown projects completed within the past few years include the Metro on Granby, the Wainwright Downtown (126 units), The James (79 units), The Seaboard (135 units), The Law Building (135 units), and the Virginia Building (32 units and two retail spaces). St. Paul's Apartments, with 120 new units, will be the first residential project in the St. Paul's area. Together, approximately 1,500 new apartments have been or are going to be added to Downtown since 2010, bringing the estimated Downtown population to well over 6,000 residents. Front Street Apartments in the Fort Norfolk area, Banks at Berkley (50 units) and Claremont Apartments (156 apartments and 25 single-family homes) in Berkley/Campostella, the Element at Ghent (164 units), Fort Tar Lofts (13 units), The Promenade Pointe (187 units), The Pointe at Pickett Farm (300 units), 1500 Monticello (a mixed-use project with 207 units and 10,131 square feet of retail space) and The Watermark (372 units). Another major project in the Fort Norfolk area is the River Tower at Harbor's Edge, an expansion of Harbor's Edge, a full-service, premier Life Plan Retirement Community on the Elizabeth River. When completed in 2020, the \$167 million project will deliver a 24-story River Tower and add 142 luxury residences and more than 95,000 square foot of common space. In September of 2018, the Ghent area was named a Great Place in America by the American Planning Association.

The seven-mile stretch of beaches on the Chesapeake Bay known as Ocean View experienced redevelopment over the past decade. The East Beach section of Ocean View has 700 housing units with prices ranging from \$350,000 to over \$1.5 million, with an average home sales price of \$733,507. A portion of the homes are currently occupied with the remainder of the properties planned for development. Lot sales total approximately \$47 million representing nearly \$230 million in home values and approximately \$2.6 million in annual real estate taxes to the City. East Beach Phase 7, the final phase of East Beach consists of 38,000 square feet of retail and commercial space, as well as a mixture of 80 townhomes, single family homes, cottages and carriage houses. Also, along the Chesapeake Bay, Pinewell Station, with 145 apartments, is being planned for the former Ramada Hotel site and Captain's Landing, with 38 townhouses, and Villa Marina Apartments, with 111 apartments and The Tern, with 85 townhouses, are in the planning stage. Broad Creek is a \$200 million community near Norfolk State University with 600 mixed-income homes. In Broad Creek, the region's first mixed-use, mixed-income community, construction is complete on 400 rental units and 70 homes. Construction on Broad Creek Village, a mixed-use residential and retail development, began during 2008, and is being followed by Broad Creek's final phase of 200 mixed-income residential units north of Princess Anne Road.

An exciting new district has sprung up, known as the "Railroad District" and has been awarded a 2018 Real Estate Development & Reuse award by the International Economic Development Council for Catalyzing Development in Historic Districts. To allow Residential and Commercial land uses, not otherwise permitted within the base zoning district in the Norfolk & Western Railroad State and National Historic District, the City created a new historic overlay district, "Norfolk & Western Historic Overlay". Using both programs, seven existing warehouses were brought back into productive use as rental housing and commercial spaces following \$80 million in rehabilitation projects. Since 2016, 271 apartments and 11 commercial uses have opened in existing light industrial warehouses, with more on the drawing table. The 167-acre district is seeing entrepreneurs moving in with trendy concepts, creating a viable live/work community. There are 140 properties containing 207 resources, 160 of which are contributing to the Railroad District. The surge in popularity of industrial breweries and loft apartments in historic buildings created a need for a successful integration of mixed-use projects, while ensuring preservation of industrial uses.

Commercial Development

Norfolk continues to see commercial development within its borders. Simon Property Group Inc. has opened the first phase of Simon Premium Outlet Park. This represents an investment of approximately \$75 million to build an outlet center on an existing City-owned golf course. The redevelopment plan calls for the City to retain approximately 65 acres for green space and walking trails around the lake creating

new public open space. Phase I of the Simon Premium Outlet Park includes approximately 85 stores, 332,000 square feet of leasable space and is anticipated to generate an estimated \$2.5 million annually in tax revenue. Adjacent to the Simon Norfolk Premium Outlets will be a 331,000 square foot IKEA. Construction began in 2017, with a planned opening in spring 2019. IKEA is anticipated to bring more than \$2.5 million annually in direct tax revenue.

With a capital investment of \$32.5 million ADP, a comprehensive Human Capital Management solutions provider, moved to Downtown in November 2016 at the Atlantic at City Walk. The Atlantic features high ceilings, advanced fiber optics and connectivity. ADP is Downtown's largest employer with approximately 2,100 new jobs and an immediate impact of \$1 million annually in tax revenue.

In May 2017, Movement Mortgage, one of the fastest-growing mortgage banks in the country, relocated its largest operations center to the adaptive re-use of the former J.C. Penney department store at Military Circle Mall owned by the Norfolk Economic Development Authority, known as 824 Military. Movement Mortgage transferred 550 jobs to Norfolk, with the planned addition of 200 more jobs to support its rapid national growth. The relocation of Movement Mortgage is anticipated to bring approximately \$230,000 in new direct annual tax revenue. Optima Health is also occupying space at 824 Military and added 200 new jobs. In August 2018, Optima Health leased the 45,000 square feet remaining in the 824 Military building and hired an additional 200 employees at the end of 2018.

Norfolk Gateway Office Tower, a new hub for Norfolk business, collaboration and innovation, will support a variety of modern workplace environments. The recently announced 20-story, 260,000-square-foot LEED Certified Class-A office tower will feature views overlooking the City and the waterfront with the first-floor retail lining St. Paul's Boulevard and structured parking including alternative transportation accommodations. The building sets the new standard for resilient and sustainable design in Norfolk. The tower and its surrounding grounds are planned to reduce water use and runoff through integration of bioswales, rain gardens, green roof technologies and native landscapes. Building glazing, lighting and mechanical systems are anticipated to significantly reduce energy usage while creating a healthier and more productive work environment for the tenants.

Arts and Culture

Norfolk offers a mix of cultural attractions and entertainment for its citizens and tourists. Norfolk's entertainment and theatre venues include the Attucks Theatre, the Harrison Opera House, Chrysler Museum, and the "Theater District" which includes Chrysler Hall, Jeanne and George Roper Theater, Wells Theatre and the NorVa.

Norfolk's first official arts district, the NEON District, is home to a new wave of passion and creativity in downtown. NEON, or New Energy of Norfolk, draws from the neighborhood's history with the automobile industry as it moves into a new and vibrant future. Long time cultural institutions like the Chrysler Museum of Art and Harrison Opera House anchor the District. Whether you are a local or visiting for the first time, the NEON District offers a unique cultural experience. Within a few short blocks you can see a muralist at work, take in an improv comedy performance at Push Comedy Theater, watch a live glass-working demonstration, shop for unique home goods, get a tattoo or dine out at an eclectic restaurant. The neighborhood is fast transforming into the place to be.

In 2018, the City and Carnival cruises announced the return of the cruise line to the City. Carnival's return in 2019 is estimated to provide the City with over \$300,000 in new revenues. Carnival will set sail again in May 2019, with destinations to the Bahamas, Caribbean and, beginning in 2020, Cuba.

The 80,000 square foot Peter G. Decker, Jr. Half Moone Center is located in the harbor between Town Point Park and Nauticus/Battleship Wisconsin. The Peter G. Decker, Jr. Half Moone Center

continues to serve as a multi-purpose facility for the City offering five distinct event spaces that can accommodate from 50 to 1,500 guests.

Through a new partnership with the City, Tidewater Community College will transform Norfolk's NEON District with its newly announced plan to build the Patricia and Doug Perry Visual and Culinary Arts and Hospitality Center at the site of the Greyhound Station. The 47,000-square-foot center will be a jewel to downtown and could open as soon as summer 2019.

Other recent investments to the City's cultural attractions include the Virginia Arts Festival headquarters, a home for the Hurrah Players, and the Perry Glass Studio of the Chrysler Museum of Art Glass Art Studio. The Virginia Arts Festival headquarters houses year-round education outreach activities, a rehearsal and intimate performance space, as well as the Festival's administrative offices. Adjacent to the Virginia Arts Festival headquarters is the new home of the Hurrah Players, which features a 100-seat theater and two rehearsal halls. The Perry Glass Studio Chrysler Museum Glass Studio supports artists working in a variety of glassmaking processes, including blown glass, casting, fusing, flame working and cold working. Located adjacent to the museum, the Glass Studio is the only one of its kind in the Mid-Atlantic region and complements the museum's extensive glass collection. One of Norfolk's most notarized venues, Chrysler Hall is slated to receive a \$40 million upgrade, anticipated to start in 2019.

Transportation Initiatives

The City's light rail system, the Tide, began operation in August 2011. The Tide runs from the Eastern Virginia Medical School complex near Fort Norfolk to the Newtown Road/Virginia Beach city line. Amtrak passenger rail line service connecting Norfolk to Washington, D.C. via Petersburg and Richmond began operation in December 2012. From the 3,500 square foot train station located at Harbor Park, the intercity passenger rail serves a multi-modal center, which includes a light rail station. The facility will link intercity passenger rail to the light rail and regional bus systems, ferry service, cruise ship facilities and provide direct interstate access.

Construction of the Downtown Tunnel/Midtown Tunnel/MLK Extension project was completed a year ahead of schedule in June 2017. This \$2.1 billion project was designed to create new connections between Norfolk and the City of Portsmouth and to improve the existing connections.

In order to provide additional state funds to road construction and maintenance, effective July 1, 2013, the Commonwealth commenced collecting an increased sales and use tax and new state and regional taxes on gasoline, motor vehicle sales and other specific taxes, which includes the collection of sales and use taxes from remote sellers (i.e., retailers that, other than their sales to residents, do not have a physical presence in the Commonwealth). Under existing federal law, the Commonwealth does not have the authority to collect state and local retail sales and use tax from remote sellers, but if federal law changes, then the taxes on remote sellers will be collected. In addition, purchasers in the Hampton Roads region, which includes the City, will pay increased sales and use taxes and other specific regional taxes on transactions that take place in Hampton Roads jurisdictions. Receipts from such additional taxes must be used to pay for transportation projects within the region. Such projects will be prioritized and selected by HRTAC, which will allocate such tax revenues for regional transportation projects. There can be no assurance that these new state and regional taxes will not be changed, but such taxes are expected to generate approximately \$880 million per year for transportation funding across the Commonwealth, with the Hampton Roads regional taxes expected to generate approximately \$200 million per year for major projects in the Hampton Roads region. The City is not directly responsible for related projects or liable for any debt obligations for HRTAC.

Announced in 2017, was the \$3.3 billion expansion of the I-64 Hampton Roads Bridge Tunnel that will include funding from the Hampton Roads Transportation Fund, and likely to include state funding and federal funding. The project is expected to enhance existing connections between Norfolk and the peninsula

and will reduce congestion. Construction is expected to begin in 2019, with an estimated completion in 2024.

Norfolk Airport

Norfolk International Airport ("NIA") is one of the most powerful economic generators in the Hampton Roads region. Currently, NIA is served by Allegiant Air, American Airlines, Delta, Frontier, Southwest, United and their regional partners. Offering over 150 arrivals and departures daily to major cities throughout the U.S., NIA presently ranks in the top 15% of commercial service airport in the United States with nearly 3.4 million scheduled passengers served in 2017.

NIA generates nearly 1,700 jobs and over \$135 million in direct economic impacts annually. More than 775,000 annual visitors use NIA and other facilities in the region and contribute more than \$550 million in estimated indirect economic impacts that create more than 12,500 local jobs with an estimated payroll in excess of \$210 million.

Hotel Development

Norfolk has approximately 5,000 hotel rooms, including nearly 1,650 in the Downtown area. Tourism and conventions employ over 7,000 workers in the City and generate an estimated \$28.8 million in state taxes and \$23.9 million in local tax revenue. It is estimated travelers to the City spend over \$764 million annually. The Hilton Norfolk at The Main and The Exchange conference center opened March 2017. The \$164 million public/private Downtown project includes a 50,000 square foot conference center; a 4-Star Hilton hotel with approximately 300 rooms, three full-service restaurants and a parking garage. The project has created approximately 250 jobs and an estimated \$2 million in annual tax revenue. It was developed by Gold Key PHR Hotels and Resort.

Development is underway for an Autograph Collection Marriott hotel, a boutique hotel to be located at the 200 block of Granby Street in the former Royster building. With the help of the Perry family, who are the developers of the project, the \$27 million investment will have a glass art theme and is expected to open spring 2019.

Norfolk's only waterfront hotel, the Sheraton Norfolk Waterside, recently completed its \$12 million renovation. The upgrades include a renovation of its 468-rooms, a 1,100 square foot presidential suite, newly renovated lobby and a 24-hour fitness center.

The Marriott Waterside is undergoing a \$25 million renovation to modernize the hotel. Included in the agreement is a \$4 million dollar improvement to the City-owned conference center, which is a part of the hotel.

Waterfront Recreation Investment

Norfolk has seven miles of Chesapeake Bay beachfront and a total of 144 miles of shoreline including along Downtown's Elizabeth River, the Lafayette River, lakes, the Hampton Roads Harbor and the Chesapeake Bay. Town Point Park, located in the Downtown area along the Elizabeth River, brings thousands of visitors Downtown annually and generates both tax and parking revenue.

The Waterside District is a regional destination located in the heart of the central business district and adjacent to the City's world-class waterfront and festival site. The project opened in May 2017 and is a \$40 million public-private partnership between Norfolk and Cordish Companies. The anchor is a 30,000 square foot section known as "The Marketplace" that has nine businesses and restaurants, including a live performance stage and roof top deck. For the summer of 2018, a new SkyStar Observation Wheel was added to the district as a summer attraction.

The Pamunkey Indian Tribe and the City are currently in negotiations over the development of a casino and resort. It would be located on roughly 20-acres of waterfront property adjacent to Harbor Park, home of Norfolk's Triple-A baseball stadium. The project was initially estimated to create 3,000 to 5,000 construction jobs, 4,000 full-time positions and have an annual indirect economic impact value of \$1 billion.

Sports and Recreation

Norfolk is home to the Norfolk Tides, a Triple-A minor league baseball team (the "Tides"), which is an affiliate of the Baltimore Orioles. The Tides renewed their 15-year lease at Harbor Park in December 2013. Norfolk is also home to the Norfolk Admirals, a member of the East Coast Hockey League. Old Dominion University competes in the Conference USA. Norfolk State University has a long-established football program, which currently competes in the Mid-Eastern Athletic Conference.

Additionally, located at Harbor Park is the Norfolk Boxing Center, a 13,000 square foot state-of-the-art facility that boasts two U.S.A. Boxing regulation-sized competition rings, stadium-style seating and the capacity to host larger shows and championship bouts.

Norfolk's Educational Institutions

Available within the City are a wide variety of educational facilities including public elementary, middle and high schools, private and parochial schools, two universities, one community college and a medical school.

Public Schools

Norfolk Public Schools ("NPS") is on a mission to ensure that all students maximize their academic potential, develop skills for lifelong learning and become successful contributors to a global society. The City offers innovative public school programs, which include Early Childhood Education, a unique, comprehensive program full-day preschool classrooms ensuring 3-year-olds and 4-year-olds enter school with critical early literacy and numeracy skills. NPS has an astounding array of academically challenging programs from which to choose, including five middle school specialty programs, five high school specialty programs, three K-8 choice schools, one 3-8 school, two Pre-K-2 schools, two 3-5 schools and one Pre-K-8 school.

The City is home to the Governor's Magnet School for the Arts, Virginia's only magnet school for the arts, which offers classes in performing or visual arts to approximately 350 students from six cities and two counties in its Downtown location in Norfolk on Granby Street.

Education remains a priority for the City, which made a commitment to build or replace six schools starting in 2010. In fiscal year 2014, City Council approved a \$0.04 real estate tax rate increase. Two cents of the increase is dedicated to the City's School Construction, Technology, and Infrastructure ("CTI") Program. This dedicated source allows the City to partially fund the design and construction of several new schools. NPS is the largest urban school division and the seventh largest division overall in the Commonwealth of Virginia. The division enrolls a racially and economically diverse population of approximately 32,000 students, supported by more than 4,600 employees in 55 facilities. Following the replacement of five schools from 2012 to 2017, the City is working with the federal government on the replacement of the Camp Allen Elementary School. Camp Allen is located on Naval Station Norfolk and is part of a federal initiative to upgrade schools on military bases and serving military dependents. U.S. Department of Defense dollars will pay 80 percent of the nearly \$28.7 million construction cost.

Student population for the past five Fiscal Years is shown in Table V-10.

Table V-10
City of Norfolk, Virginia
Public Schools Student Population
Fiscal Years 2014 – 2018

Fiscal Year	September 30 Membership	Percent Change
2014	30,359	(1.12)%
2015	30,116	(0.80)
2016	29,977	(0.46)
2017	29,383	(1.98)
2018	28,858	(1.79)

Higher Education

Higher education plays a critical role in developing a highly skilled and competitive workforce. The City is home to several institutions of higher learning: Old Dominion University ("ODU"), Norfolk State University ("NSU"), Tidewater Community College ("TCC") and Eastern Virginia Medical School ("EVMS"). ODU is one of only 100 public research universities nationwide. NSU is Virginia's largest public, historically black university and one of the largest predominately black institutions in the nation. Located in Downtown, TCC has five buildings, including the Jeanne and George Roper Performing Arts Center. EVMS, dedicated solely to biomedical and health education, has an economic impact on the regional economy of \$1.2 billion annually. In 2018, EVMS announced a new \$80 million, 11-story Education and Academic Support Building to address growth in enrollment over the past several years. Completion is expected in 2020. Sentara Healthcare will triple its financial support for EVMS with a commitment of \$130 million over the next five years. For the period 2018 through 2023, annual funding given by Sentara to EVMS will increase from a previous amount of \$9 million per year to \$26 million per year.

Norfolk's Medical Institutions

Within the City, there are five general, acute care and specialized hospitals including Sentara Norfolk General Hospital ("Sentara Norfolk General"), Sentara Leigh Hospital, Bon Secours DePaul Medical Center, Children's Hospital of The King's Daughters ("CHKD") and Lake Taylor Transitional Care Hospital ("Lake Taylor Transitional"). As the region's first magnet hospital, Sentara Norfolk General Hospital, a 525-bed tertiary care facility, is home to the area's only Level I Trauma Center, burn trauma unit and nationally ranked heart program at Sentara Heart Hospital. Sentara was named a Top 15 Health System for 2018 by IBM Watson Health. The \$199 million expansion and modernization project is anticipated to be completed in 2020. The project will add floors to two existing wings, expand the emergency department, expand and modernize 18 operating rooms, replace a 48-bed ward-style Special Care Nursery with a state-of-the-art unit with private and semi-private rooms, and consolidate the hospital's 54 intensive care unit beds on two floors.

CHKD, the site of Virginia's only free-standing, full-service pediatric hospital is home to one of the nation's top pediatric residency programs. With 206 beds, the hospital serves the medical and surgical needs of children throughout the greater Hampton Roads metro area, the eastern shore of Virginia and northeastern North Carolina. In March of 2018, CHKD filed a Certificate of Public Need application with the State Health Commissioner seeking approval to build a 60-bed facility for children and adolescents.

Sentara Leigh Hospital's \$126 million expansion was completed in 2016. The expansion project included two five-story patient towers, an orthopedic and rehabilitation center, and a two-story atrium lobby, as well as a new multi-story parking garage. The Sentara Leigh campus continues to expand and broke ground in spring, 2018 on a \$93.5 million Cancer Center project. The 170,000 square foot facility is to be completed in 2020. Another addition to the campus is a \$24 million, 60,000 square foot regional orthopedic medical office building currently under construction and anticipated to open in 2019.

Bon Secours DePaul Medical Center has undergone a substantial phased expansion over the past five years including a new comprehensive cancer care facility and medical office building on the campus. Mercy Health and Bon Secours officials finalized a definitive merger agreement in September 2018. The combined entity comprises 43 hospitals across seven states and more than 2,100 employed physicians. The merged entity will accrue \$8 billion in net operating revenue and \$239 million in operating income, making it the fifth largest Catholic health system in the nation.

The Virginia Port Authority

In 1981, the General Assembly passed landmark legislation designed to unify the ports in southeastern Virginia Hampton Roads harbor under a single agency, the Virginia Port Authority, with a single operating company, the Virginia International Terminals, Inc. The Port of Virginia (the "Port"), one of the world's largest natural deep-water harbors, is an integral part of Norfolk's economy. The Port is one of the top three ports on the east coast in terms of total value of port trade. In 2017, the Port handled a total of 21,971,718 tons of general cargo, including 21,784,594 tons of containerized cargo, with 187,124 tons of breakbulk making up the remainder.

Table V-11
Virginia Port Authority Terminals
General Cargo Tonnage
Calendar Years 2014 – 2018

Calendar Year	Total General Cargo Tonnage (in thousands)	Percent Change Over Previous Year
2014	19,061	1.17%
2015	19,978	4.81
2016	20,869	4.50
2017	21,972	5.30
2018 ⁽¹⁾	20,176	N/A

Source: Virginia Port Authority.

Note: (1) As of November 2018.

Increase in the port-related business use of the Virginia International Terminals drives new capital investment into the region. The Heartland Corridor gives the Port rail access to markets in Ohio, Illinois, Michigan and points west. Additionally, a 300-acre expansion of Norfolk International Terminal ("NIT") has been announced and is expected to be the largest inter-modal center in the United States.

The Virginia Port Authority opened its 26-lane, \$42 million technology-driven North Gate complex at Norfolk International Terminals in June 2017. The gate was coupled in December 2017 with the \$176 million I-564 Intermodal Connector to give truckers direct interstate access. The Virginia Port Authority is creating a new intermodal gate complex at NIT. This project is expected to cost approximately \$29 million and connect with the I-564 intermodal connector project with the goals of easing commuting around NIT, reducing truck traffic on local roads and increasing cargo velocity and efficiency at NIT.

Business, Industry and Commerce

Several major companies are headquartered in Norfolk, including:

- Landmark Communications, one of the country's largest privately-owned media companies with ownership of several daily newspapers, local TV stations and specialty publications;
- Dominion Enterprises, a wholly-owned subsidiary of Landmark Communications, Inc., is a print and internet media group that includes numerous specialty publications and online classifieds;
- FHC Health Systems, one of the top 250 largest private companies in the country, specializing in health care management, health services and online medical reports;
- CMA-CGM Inc., the America's Headquarters, one of the world's largest container transportation and shipping company;
- Sentara Healthcare, a not-for-profit organization that operates a network of hospitals and other health facilities primarily in the coastal Hampton Roads area of southeastern Virginia;
- MDV is recognized as one of the premier worldwide grocery distributors; providing service to both Continental United States and Outside the Continental United States commissaries and exchanges; and
- Bauer Compressor, North America's headquarters of the Munich, Germany company, has been in Norfolk for more than 30 years and is a leading manufacturer of air compressor equipment.

There are a large variety of industrial, commercial and service employers located within the City. Table V-12 that follows presents data regarding the major non-government employers in the City.

New development, expansion and retention of Norfolk's business community has led to continued economic growth over the past five years. Recent growth in areas such as manufacturing, research and technology, healthcare, residential apartments, craft brewing and boutique retail has increased the diversification of Norfolk's local economy. Since 2014, the City has realized over \$3 billion in new development, business expansion and announcements of pending projects. In December 2018, Norfolk Southern announced its plans to relocate its headquarters to Atlanta, Georgia. The relocation is anticipated to gradually occur through 2021.

Military

The presence of the military in Norfolk has a significant impact on the local economy. The City is the home of the world's largest naval complex, celebrating its centennial in 2017, with headquarters for Commander in Chief of U.S. Atlantic Command, NATO's Supreme Allied Command Atlantic, Commander in Chief U.S. Atlantic Fleet and other major naval commands. Hampton Roads is the largest center of Coast Guard units in the world with the Atlantic Area Command and Maritime Defense Zone Atlantic in Portsmouth and its Maintenance & Logistic Command Atlantic headquarters in downtown Norfolk.

The military assigns to and reassigns from its various locations within the region ships, squadrons and personnel on a regular basis. Due to the ongoing military presence, the arrivals and departures from the region do not typically have a material impact on the economic condition of the City.

The Hampton Roads region is home to six aircraft carriers, including the Gerald R. Ford. While not a permanent homeporting, the Gerald R. Ford will be in the region for a few years due to schedule and maintenance requirements for the Navy bringing in more than 2,500 personnel to the region. The additional carrier joined the USS Dwight D. Eisenhower, USS John C. Stennis (currently undergoing overhaul at Newport News Shipbuilding), USS Harry S. Truman, USS George Washington and the USS George H.W. Bush at Naval Station Norfolk. In addition, the region is home port to approximately 65 ships and home to 39 aircraft squadrons with about 75 homeported operating units in the City.

According to the most recent data available to the City, the U.S. Navy's direct economic impact on the region was \$13.4 billion in fiscal year 2017, comprised of a total annual payroll of \$11.4 billion and the balance consumed on goods and services and procurement contracts. The impact was an increase of nearly \$600 million over the previous fiscal year. The region and particularly the City expects to continue as a center of activity for the U.S. Navy with current total personnel (military and civilian) of more than 71,000, with an additional 5,600 military contractor personnel.

APPENDIX A

**CITY OF NORFOLK, VIRGINIA
GENERAL PURPOSE FINANCIAL
STATEMENTS FOR THE FISCAL YEAR
ENDED JUNE 30, 2018**

[This Page Is Intentionally Left Blank.]

INDEPENDENT AUDITORS' REPORT

The Honorable Members of City Council
City of Norfolk, Virginia

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Norfolk, Virginia (the City), as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Norfolk, Virginia as of June 30, 2018, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Change in Accounting Principle

During fiscal year ended June 30, 2018, the City adopted GASB Statement No 75. *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. As a result of the implementation of these standards, the City reported a restatement for the change in accounting principle (See Note XXVI). Our auditor's opinion is not modified with respect to the restatement.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information, as listed in the table of contents, to be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is also presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Honorable Members of City Council
City of Norfolk, Virginia

The combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2018, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION
AND ANALYSIS
(Unaudited)**

This page left intentionally blank

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

The management of the City of Norfolk (the "City") provides this narrative overview and analysis of the financial activities of the City for the fiscal year ended June 30, 2018. As readers, you are encouraged to read this discussion and analysis in conjunction with the transmittal letter and City's financial statement information included in this report. The intent of this discussion and analysis is to provide a summarized view of the City's financial performance as a whole; readers should also review the basic financial statements and supporting notes to enhance their understanding of the City's financial performance.

Financial Highlights

- The assets and deferred outflows of resources of the City, on a government-wide basis excluding component units, exceeded its liabilities and deferred inflows of resources at the close of fiscal year 2018 by \$715,533,246 (net position). Of this amount, there is a negative unrestricted net position of \$9,835,060. Total net position increased by \$24,647,841 and unrestricted net position increased by \$54,941,591 from the prior fiscal year end.
- As of the close of the current fiscal year, the City's governmental funds reported a combined ending fund balance of \$30,114,118, an increase of \$73,356,969 in comparison with the prior year. This increase was primarily attributable the issuance of bonds offset by the continuous usage of the City's line of credit for funding of capital projects. The City issued \$123,084,974 in general obligation bonds in fiscal year 2018. There is a negative unassigned total governmental fund balance of \$58,659,242 on June 30, 2018.
- The General fund, on a current financial resources basis, reported an increase in fund balance of \$8,452,455 from the prior year.
- At the end of the current fiscal year, the total unassigned fund balance for the General fund was \$70,962,327, or 8.3 percent of the original General fund budget.
- The City's total outstanding bonded indebtedness increased by \$15,974,090 during the current fiscal year primarily due to the issuance of bonds to pay for several large capital projects including a courthouse, five new schools and conference center.

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

Overview of the Financial Statements

This discussion and analysis are intended to serve as an introduction to the City's basic financial statements. The financial section of this report includes management's discussion and analysis, the basic financial statements and required supplementary information. The basic financial statements are comprised of three components: 1) government-wide financials statements, 2) fund financial statements and 3) notes to the basic financial statements. This report also contains other supplementary information in addition to the basic financial statements and related notes themselves.

Government-wide financial statements – The *government-wide financial statements* are designed to provide readers with a broad overview of the City's finances in a manner similar to a private-sector business. These statements include all of the government's assets and deferred outflows and liabilities and deferred inflows using the accrual basis of accounting. The *government-wide financial statements* are comprised of the Statement of Net Position and the Statement of Activities.

The Statement of Net Position presents information on all of the City's assets plus deferred outflows and liabilities plus deferred inflows, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Statement of Activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are mainly supported by taxes and intergovernmental revenues (governmental activities) from other functions intended to recover all or a significant portion of their cost through user fees and charges (business-type activities). The governmental activities of the City include general government, public safety, public works, judicial administration, community development, health and public assistance, education, and culture and recreation. The business-type activities of the City include Water Utility, Wastewater Utility and Parking Facilities enterprise activities.

The government-wide financial statements include not only the City itself (known as the primary government), but also the following legally separate component units for which

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

the City is financially accountable: Norfolk Public Schools ("School Board") and Norfolk Economic Development Authority ("EDA"). Financial information for these component units is reported separately from the financial information presented for the primary government and can be found on pages 70 - 71 of this report.

Fund financial statements – A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. In the basic financial statements, the emphasis is on major funds. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of a fiscal year. Such information may be useful in evaluating the City's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers can better understand the long-term impact of the government's near-term financing decisions. A reconciliation between the government-wide financial statements and the fund financial statements is included as part of the basic financial statements.

The City maintains several individual governmental funds. Information is presented separately in the governmental fund balance sheet and governmental fund statement of revenues, expenditures and changes in fund balance for the general, capital projects and debt service funds, all of which are considered major funds. All other governmental funds are combined in a single, aggregated presentation. Individual fund data for each of the non-major funds are presented separately in the form of combined statements elsewhere in this report.

The City adopts an annual budget for certain funds. To demonstrate compliance with this budget, budgetary comparison statements have been provided in this report. (Reference Exhibits E-1 and E-2.)

The basic governmental fund financial statements can be found in pages 61 - 64 of this report.

Proprietary funds – The City maintains two types of proprietary funds: enterprise and internal service.

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

The enterprise funds are used to account for Water and Wastewater Utilities and Parking Facilities operations. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements.

Internal service funds are an accounting mechanism to accumulate and allocate costs internally among the City's functions. The City had two internal service funds, Fleet Management and Healthcare during fiscal year 2018. The internal service funds are allocated to governmental activities at the entity wide level.

Proprietary funds provide the same type of information as the government-wide financial statements only in more detail. The proprietary fund financial statements provide separate information for the Water and Wastewater Utilities and the Parking Facilities operations, all of which are considered major funds. Conversely, the internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for the internal service funds is provided in the form of combining statements in this report.

The basic proprietary fund financial statements can be found on pages 65 – 67 of this report.

Fiduciary funds are used to account for resources held for the benefit of parties outside the City. The fiduciary funds of the City include the pension trust fund, the Commonwealth of Virginia agency fund and other agency funds. Fiduciary funds are not included in the government-wide financial statements because the resources of those funds are dedicated for specific non-city programs. The accounting for fiduciary funds is much like that used in proprietary funds.

The fiduciary fund financial statements can be found in pages 68 - 69 of this report.

Notes to the financial statements – The notes provide additional information that is essential for a full understanding of the data provided in the government-wide and fund financial statements. The notes can be found beginning on page 75.

Other Information – In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning budgetary comparisons for the General fund, the City's Net Pension Liability and other post-employment benefits to its employees. Required supplementary information can be found on pages 157 – 171 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds and internal service funds are presented on pages 177 - 178 and 181 -183, respectively, of this report.

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

Government-Wide Financial Analysis

Over time, net position may serve as a useful indicator of the City's financial position. In the case of the City, assets and deferred outflows exceeded liabilities and deferred inflows by \$715,533,246 at the close of fiscal year 2018.

By far, the largest portion of the City's net position, \$682,866,373 or 95.4 percent is its investment in capital assets (e.g., land, buildings, equipment, intangibles and infrastructure) less accumulated depreciation and amortization and less any related outstanding debt and deferred inflows and outflows of resources used to acquire those assets. These capital assets are used to provide services to citizens and are not available for future spending. Although the City's net investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other resources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the City's net position, approximately 5.9 percent represent resources that are subject to external restrictions on how they may be used. The negative balance of \$9,835,060 of unrestricted net position is due to the adoption of GASB 68 and GASB 75 and the recognition of the net pension liability to the City's employee retirement system and the Virginia retirement system and total OPEB liability.

Summary of the City of Norfolk's Net Position

	Governmental Activities		Business-Type Activities		Totals	
	2018	2017	2018	2017	2018	2017
Current and Other Assets

Total Liabilities and Deferred Inflows of Resources	1,343,013,727	1,280,462,393	760,668,562	742,428,554	2,103,682,289	2,022,890,947
	19,250,936	13,554,031	1,152,308	1,279,138	20,403,244	14,833,169
	\$ 1,362,264,663	\$ 1,294,016,424	\$ 761,820,870	\$ 743,707,692	\$ 2,124,085,533	\$ 2,037,724,116
Net Position:						
Net Investment in Capital Assets	351,887,472	365,913,403	330,978,901	342,470,182	682,866,373	708,383,585
Restricted	6,485,061	12,041,423	36,016,872	35,237,048	42,501,933	47,278,471
Unrestricted	(108,367,973)	(124,542,961)	98,532,913	59,766,310	(9,835,060)	(64,776,651)
Total Net Position	\$ 250,004,560	\$ 253,411,865	\$ 465,528,686	\$ 437,473,540	\$ 715,533,246	\$ 690,885,405

For governmental activities, total net position decreased by \$3,407,305 or 1.3 percent overall during the current fiscal year. Factors that contributed to the change in total governmental net position include the adoption of GASB Statement No. 75 which

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

increased long-term liabilities offset by a reduction in other liabilities primarily due paying down the line of credit liability.

For business-type activities, net position increased by \$28,055,146 or 6.4 percent during the fiscal year. Of this amount, an increase of \$20,163,351, \$8,347,537, and a decrease of \$455,742 are changes attributed to the Water Utility, Wastewater Utility and Parking Facilities funds, respectively. Overall revenues increased by \$5,087,385 compared to prior year due to increases in rates and consumption for Water and Wastewater Utilities funds and an increase in activity for Parking Facilities fund.

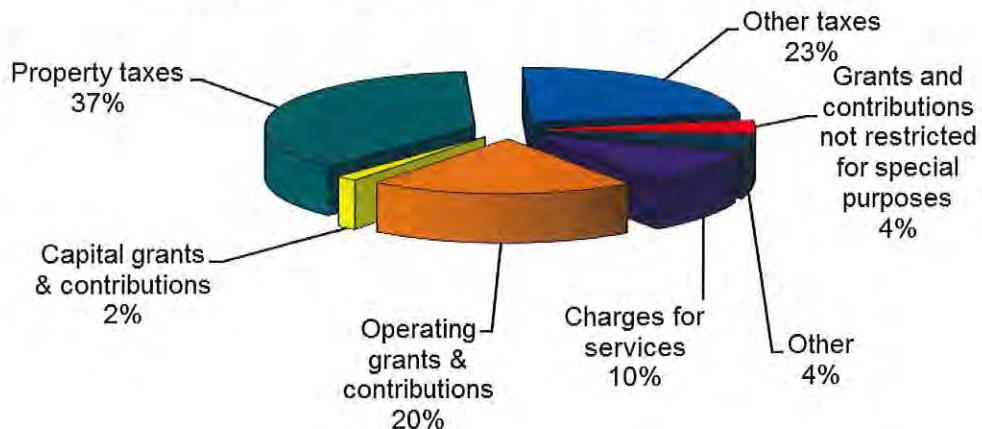

The following presents key programmatic and functional elements of changes in government-wide net position:

Governmental Activities: Revenues by Source

Governmental Activities – The City's total revenues from governmental activities were \$747,537,371 for the fiscal year that ended June 30, 2018. The largest sources of revenue for the City are property taxes and other taxes which comprise 60 percent of total governmental revenues. Revenues from property taxes, which are comprised of personal and real estate taxes, increased by \$5,670,773 compared to prior year. The real estate (general tax) tax rate for fiscal year 2018 was \$1.15 per \$100 of assessed value which had previously changed to set aside \$0.02 for school construction technology and infrastructure spending. Revenues from other taxes increased by \$4,599,892 or 2.7 percent in comparison to the prior year. Other taxes include sales & use, consumers' utility, restaurant food, business license and hotel/motel taxes.

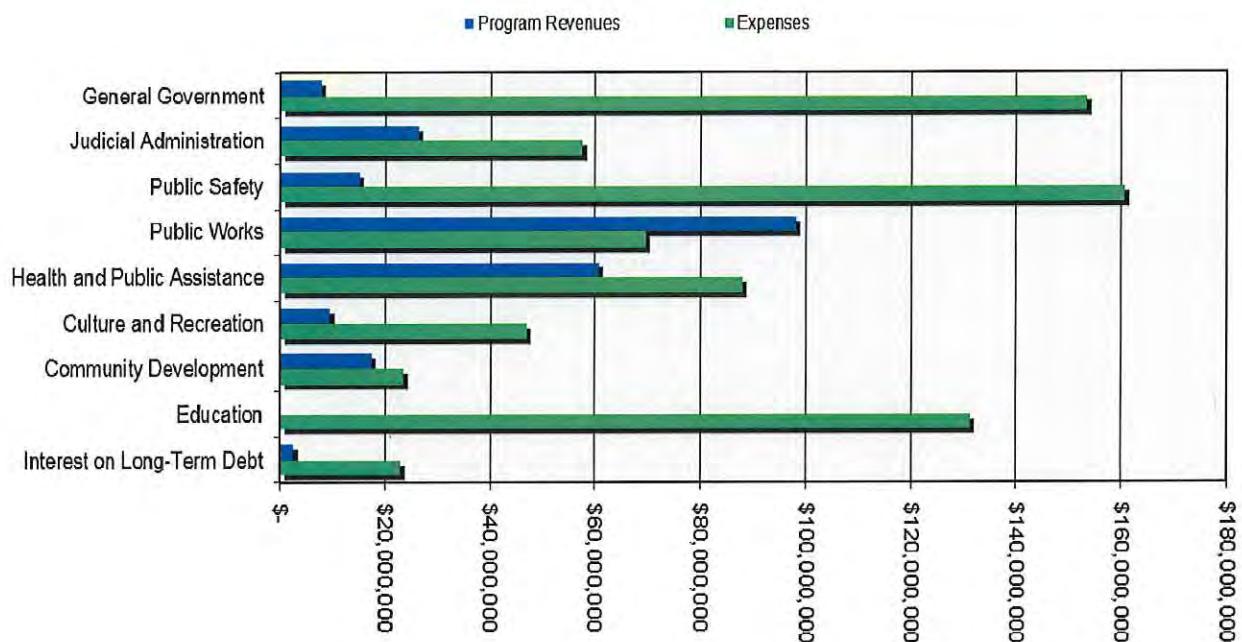

Operating grants and contributions for governmental activities ended the fiscal year at \$151,518,592 which represents an increase of approximately 12.1 percent from the prior year. For the 2018 fiscal year, there was \$28,158,027 in grants and contributions not restricted for specific programs which represents a decrease of approximately 22.7 percent from the prior year. Other revenue remained flat in comparison to prior year.

The City's expenses for governmental activities cover a wide array of services, with \$160,378,339 or 21.3 percent related to public safety, \$152,832,372 or 20.3 percent related to general government and \$131,136,839 or 17.4 percent for education, (including payments to the School Board, a component unit). Overall, expenses for governmental activities increased by 3.7 percent primarily due to cost of living increases as well as an increase in pension expense.

Depreciation expense for governmental activities of \$47,958,300 was recorded.

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

Business-type Activities – Business-type activities increased the City's net position by \$26,883,967. Key elements of this change are as follows:

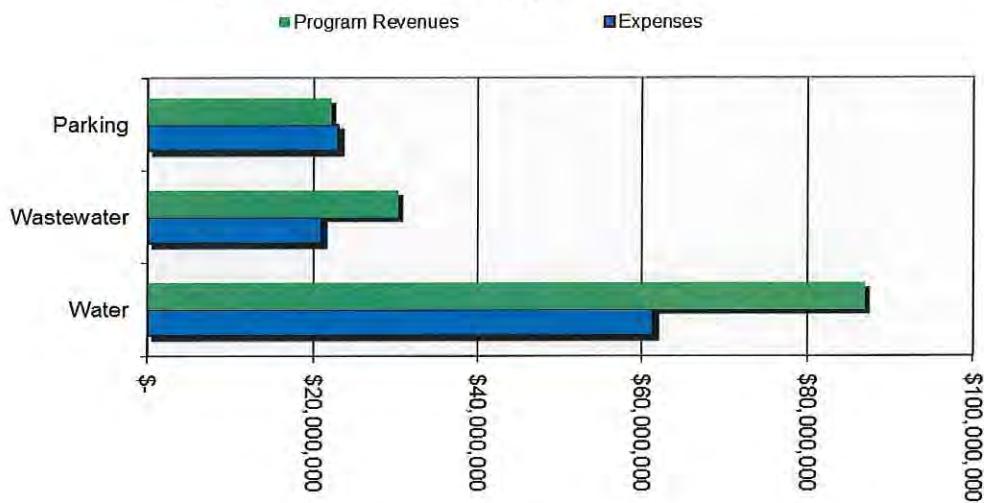

- Revenue from charges for services for business-type activities increased by 3.8 percent. Water Utility charges for services increased \$2,412,773 and Wastewater Utility charges for services increased \$1,136,152.
- Parking Facilities revenues increased 1,572,077 or 7.6 percent from the prior year.

Total operating expenses for business-type activities decreased overall by \$1,210,083 or 1.4 percent. The Water Utility fund's expenses decreased by \$1,413,515. The Wastewater Utility fund's expenses decreased by \$2,098,515. The Parking Facilities fund's expenses increased by \$2,301,947.

Financial Analysis of the Government's Funds

As previously noted, the City uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

Governmental Funds – The focus of the City's governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. This information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The City's classifications of fund balance comprise a hierarchy based on the extent to which the City is bound to observe constraints imposed upon the use of the financial resources of the funds. Fund balance is reported in the following categories: nonspendable, restricted, committed, assigned and unassigned.

At the end of the current fiscal year, the City's governmental funds reported combined ending fund balance of \$30,114,418, an increase of \$73,356,969 over the prior year due to timing of the issuance of bonds. Of the total ending fund balance, \$6,485,061 is restricted. The restricted fund balance is that portion of fund balance that can only be spent for the specific purposes as stipulated by a third party or legislation. Funds that typically fall in this category are federal and state awards/grants, as well as certain tax dollars levied for specific purposes. Committed fund balance is \$16,669,715 of total ending fund balance and represents amounts within fund balance that have been

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

designated for a specific purpose by City Council. Included in this classification are amounts designated by City Council for the City's self-insured workers' compensation and general liability programs. Assigned fund balance is \$65,618,884 of total ending fund balance and represents funds intended to be used by the City for specific purposes. Encumbrances that are not considered committed are included in this classification. The unassigned deficit balance of \$58,659,242 is due to the delay in issuance of debt and is covered by available cash and outstanding line of credit draws.

The City's primary governmental fund is its General fund. As a matter of fiscal policy, the City's unassigned fund balance is targeted to be no less than five percent of the general fund budget, which was \$42,863,808 for fiscal year 2018.

For the general fund, on the budgetary basis of accounting, the City ended the fiscal year with revenues over projections by \$5,898,707. Total expenditures were less than appropriations by \$18,104,184.

The general fund experienced an overall increase in revenue of \$11,104,991 or 1.8 percent over the prior year. Overall expenditures increased by \$23,645,191 or 4.4 percent from fiscal year 2017. General fund financial and budget highlights of the 2018 fiscal year include:

- General property tax revenues increased by \$7,860,583 or 3.0 percent;
- Other local tax revenues increased by \$4,008,132 or 2.5 percent;
- General government expenditures increased by \$8,806,730 or 7.4 percent; and
- Education expenditures increased by \$6,000,000 or 5.2 percent.

The City spent \$62,500,544 from the Capital Projects fund to support major capital projects, including construction of the second phase of the new courthouse, three new schools, repairs to City and School buildings, infrastructure and neighborhood improvements. The fund had a total fund balance (deficit) of \$128,798,692, primarily due to the use of a line of credit rather than issuing bond proceeds to finance all capital expenditures. In fiscal year 2018, the City issued bonds, but also used cash on hand and a line of credit to fund these expenditures.

The Debt Service fund did not have any assets, liabilities or net position at fiscal year-end. During the year bonds were issued to refund existing debt and new debt was also issued. Additionally, a net \$33,300,000 was repaid to the line of credit established for flexible, interim financing for the management of capital projects for governmental and business-type funds.

Proprietary Funds – The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. Generally, the City can only use the net position of these funds to finance continuing operations of the

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

enterprise operations. Factors concerning the finances of these funds have already been addressed in the discussion of the City's business-type activities.

Capital Asset and Debt Administration

Capital Assets – The City's net investment in capital assets for its governmental and business-type activities as of June 30, 2018, totaled \$682,866,373. The investment in capital assets includes land, buildings, improvements, infrastructure (streets, roads, bridges, highways, water/sewer systems, etc.), machinery, equipment, intangibles and construction in progress, net of the debt outstanding that was used to finance the assets. Infrastructure assets represent 16.7 percent of total general governmental assets.

Major capital projects spending during the fiscal year included the following:

- Construction of the second phase of the new courthouse complex of \$4.7 million;
- \$4.8 million for construction of the new Broad Creek library;
- \$3.5 million in new fire facilities;
- \$3.5 million in improvements to neighborhood streets throughout the City; and
- \$19.6 million for new school construction.

Construction in progress totaled \$89.6 million for governmental activities at the end of the fiscal year. Construction in progress totaled \$43.2 million for business-type activities, which includes Water Utility, Wastewater Utility and Parking Facilities projects.

Additional information on the City's capital assets can be found in Note VI on pages 98 - 100 of this report.

Long-term Debt – At June 30, 2018, the City (including the enterprise funds) had total bonded debt outstanding of \$1,454,417,871. Of this amount, \$1,065,675,115

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

comprises debt backed by the full faith and credit of the City. The remainder of the City's debt represents bonds secured solely by specified revenue sources (i.e., revenue bonds).

A summary of the City's outstanding bonded debt is as follows:

City of Norfolk's Bonded Debt

	Governmental Activities		Business-Type Activities		Totals	
	2018	2017	2018	2017	2018	2017
General obligation bonds	\$ 656,212,948	\$ 611,875,024	\$ 242,888,532	\$ 244,032,413	\$ 899,101,480	\$ 855,907,437
Line of Credit	156,573,635	189,802,546	10,000,000	10,088,750	166,573,635	199,891,296
Revenue bonds	-	-	388,742,756	382,645,048	388,742,756	382,645,048
Total	<u>\$ 812,786,583</u>	<u>\$ 801,677,570</u>	<u>\$ 641,631,288</u>	<u>\$ 636,766,211</u>	<u>\$ 1,454,417,871</u>	<u>\$ 1,438,443,781</u>

The City's total debt outstanding increased by \$15,974,090 or 1.1 percent during the fiscal year. The City used line of credit draws to meet cash flow capital needs.

The development of the Capital Improvement Plan for General Capital (bonds not supported by self-supporting user fees) is guided by two adopted measures of affordability. The measures or debt limits are based on the approved Capital Improvement Plan are as follows:

- Debt service as a percent of the General Fund Budget will not exceed 10 percent; and
- Net debt as a percent of taxable property will not exceed 3.5 percent.

Business-type activities debt practices are governed by revenue bond indentures in addition to various rate affordability measures.

The latest credit ratings for the City's general obligation and water revenue bond programs as of the date of this report are as follows:

Bonding Program	Fitch Ratings	S&P Global Ratings	Moody's Investors Service
General Obligation	AA+	AA+	Aa2
Water Revenue	AA+	AA+	Aa2

The City's Wastewater Revenue Bonds do not maintain an underlying or stand-alone unenhanced credit rating.

The Commonwealth of Virginia imposes a constitutional statutes limit for the amount of general obligation debt the City may issue up to 10 percent of its total assessed

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

valuation. The City's general obligation debt outstanding is significantly below the City's current debt limitation of \$1,987,088,097.

Additional information on the City's long-term debt can be found in Note IX on pages 102 - 110 of this report.

Economic Factors and Next Year's Budgets and Rates

- The City has shown signs of rebounding from the recession. Real estate assessments which drive the City's largest locally generated revenue is projected to rise for the sixth straight year. Residential assessments which make up the majority of overall real estate assessments are projected to rise for the fifth straight year as the housing market continues to recover. Significant economic development as a result of the City's public-private partnerships are also beginning to come to fruition and are expected to generate new jobs and tax revenue. Considering the effects of the national, state and local economic conditions, the City has taken a diversified approach that analyzes ways to raise revenues, reduce expenditures, become more efficient, grow the economy, share services, and leverage resources to develop the fiscal year 2019 budget as in prior years.
- Taxable real estate assessments are projected to rise slightly in the 2018 fiscal year by 2.5 percent.
- The following reflects major other tax change projections in comparison to the fiscal year 2018 budget:
 - Hotel taxes – 8.2 percent increase;
 - Restaurant food taxes – 3.2 percent increase; and
 - Personal property taxes – 1.9 percent increase.
- Rate increases for the Storm Water, Water Utility and Wastewater Utility funds continue to provide necessary funding to finance capital improvements.

All of these factors were considered in preparing the City's budget for fiscal year 2019. The fiscal year 2019 operating budget includes transfers in from non-general funds of approximately \$17.3 million and carrying forward prior year unspent appropriations and closeout of accounts totaling approximately \$4.0 million.

CITY OF NORFOLK, VIRGINIA
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
For the Fiscal Year Ended June 30, 2018

The adopted fiscal year 2019 budget includes a 10-cent increase in the real estate tax rate from \$1.15 to \$1.25 per \$100 of assessed value projected to generate approximately \$18.5 million. The following table represents changes in the Storm Water, Waste Management, Wastewater and Water Utility fees implemented with the City's fiscal year 2019 budget.

Description	FY 2019 Approved	FY 2018 Approved
Wastewater Fees	\$4.30/100 cubic feet	\$4.13/100 cubic feet
Water Fees	\$5.11/100 cubic feet	\$4.93/100 cubic feet
Stormwater Fees – Residential	\$11.70/month	\$11.40/month
Stormwater Fees – Commercial	\$8.38/month per 2,000 sq. ft.	\$8.16/month per 2,000 sq. ft.

Reconciliation of the Balance Sheet of Governmental Funds
to the Statement of Net Position
June 30, 2018

Exhibit A-2

Fund balances - total governmental funds	\$ 30,114,418
Amounts reported for governmental activities in the Statement of Net Position are different because:	
Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds:	
Gross capital assets at historical cost	\$ 2,808,470,722
Accumulated depreciation	<u>(1,602,977,734)</u>
	1,205,492,988
Recognition of deferred inflows as revenue in government wide statements	
	29,085,107
Other long-term assets are not available to pay for current-period expenditures and therefore are deferred in the funds:	
Deferred inflows related to pensions	(12,968,821)
Deferred outflows related to pensions	77,611,956
Deferred inflows related to OPEB	(5,938,107)
Deferred outflows related to OPEB	3,536,441
Loss on defeasance	23,638,737
Gain on defeasance	(199,358)
Long-term liabilities, including bonds payable, are not due and payable in the current period and therefore are not reported in the funds:	
Bonds payable	(656,212,948)
Unamortized bond premium	(63,967,119)
Net pension liability	(258,900,595)
Other post-employment benefits	(66,187,356)
Compensated absences	(19,451,506)
Workers' compensation and claims liability	(31,616,500)
Prepaid debt service	1,829,131
Other	(2,734,458)
Accrued interest payable	<u>(10,121,071)</u>
	(1,107,362,422)
Internal service funds	6,237,150
Receivable for Build America Bonds - interest rate subsidy	756,471
Net position of governmental activities	<u><u>\$ 250,004,560</u></u>

The accompanying notes are an integral part of the basic financial statements.

The accompanying notes are an integral part of the basic financial statements.

CITY OF NORFOLK, VIRGINIA

Exhibit A-4

Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances to the Statement of Activities

For the Year Ending June 30, 2018

Net change in fund balances--total governmental funds	\$ 73,356,969
Amounts reported for governmental activities in the Statement of Activities are different because:	
Governmental funds report capital outlays as expenditures while governmental activities report depreciation expense to allocate those expenditures over the life of the asset.	
Add capital acquisitions	\$ 56,861,502
Subtract disposals	(90,065)
Subtract depreciation expense	<u>(47,715,336)</u>
	9,056,101
Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the fund.	(3,597,993)
Bonds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the Statement of Net Position. Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position.	
Less debt issued	(123,084,974)
Add debt repayment	78,747,050
Premium on bond sale	(19,901,110)
Loss on defeasance of debt	2,656,126
Gain on defeasance of debt	27,613
Amortization of premiums, gains and losses	<u>8,999,988</u>
	(52,555,307)
Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds.	
Change in non-capital long-term liabilities (Note VIII)	
Compensated absences	(1,188,087)
Retires life insurance	20,000
Net OPEB Liability, Net of changes in deferred inflows and outflows	<u>(21,546,094)</u>
Unpaid claims	301,733
Prepaid debt service	868,810
Landfill closure	(45,786)
Net Pension Liability, Net of changes in deferred inflows and outflows	<u>(5,129,316)</u>
Accrued interest payable	<u>(1,424,867)</u>
	(28,143,607)
Internal service funds are used by management to charge the costs of certain services to individual funds. The net revenue (expense) of the Internal Service funds is reported with governmental activity.	
	5,885,058
Adjustment for federal interest rate subsidy	(34,534)
Change in net position of governmental activities	
	<u>\$ 3,966,687</u>

The accompanying notes are an integral part of the basic financial statements.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

I. Summary of Significant Accounting Policies

A. Financial Reporting Entity Information

The City of Norfolk (the "City") was incorporated February 13, 1845, and operates under a charter adopted February 7, 1918, which mandates a Council-Manager form of government. The City and its component units provide the following municipal services to approximately 247,000 residents, as authorized by its charter or code: public safety, highway and street maintenance, water production and quality, solid waste management, wastewater treatment, cultural and parking facilities, environmental storm water management, public health, social programs, parks and recreation, public education, public improvements, planning and zoning code enforcement, public libraries and general administration.

Blended Component Unit: *The Employees' Retirement System of the City of Norfolk (ERS)* has a ten-member Board of Trustees. Eight members are appointed by City Council. The City Manager and the Director of Finance are ex-officio members. The ERS is the administrator of a single-employer contributory defined benefit plan that covers substantially all employees of the City of Norfolk, excluding School Board employees and certain employees of the Constitutional Officers covered by the Virginia Retirement System, as authorized by Section 143(a) of the City Charter. The ERS was established and placed under the management of the Board of Trustees for the purpose of providing retirement and death benefits as authorized by the provisions of Chapter 37 of the Norfolk City Code. The City makes its contributions, in conjunction with investment earnings of the ERS and certain employee contributions, to provide the funding for pension benefits and administrative costs.

Discretely Presented Component Units: Although these legally separate entities are in substance part of the City's operations, each discretely presented component unit is reported in a separate column in the government-wide financial statements to emphasize that it is legally separate from the primary government. The component units discussed below are included in the City's financial reporting entity due to their financial relationships with the City.

The School Board for the City of Norfolk (School Board), Norfolk Public Schools held elections for two of the seven seats on its School Board for the first time in May of 2016 with the remaining five seats being filled as a result of elections held in May of 2018. (In November 2014, voters elected to have School Board members elected and replace the City Council-appointed seven-member School Board.) In January 2015, City Council approved that the School Board members would be elected based on the same ward system used to elect City Council members. Beginning July 1, 2018, the School Board will be an elected body. The School Board is a corporate body and in its corporate capacity is vested with all of the duties, obligations and responsibilities imposed upon school boards by law. The City Council is required to appropriate annually to the School Board the amount needed for the support of the public schools in maintaining educational programs which meet the standards of quality prescribed by law. Categorical aid from the Commonwealth of Virginia (the Commonwealth) and the federal government designated for educational purposes is included in the City's General Fund budgetary revenue. This categorical aid, plus moneys derived from local sources, provides the funds for the major share of the School Board's

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

operations. On an ongoing basis, the City also issues debt to finance needed capital projects of the school system. The School Board presently operates 33 elementary schools, eight middle schools, five high schools and several auxiliary schools, including alternative, magnet and specialty programs.

The Economic Development Authority (EDA), a political subdivision of the Commonwealth, was created by ordinance of the City of Norfolk in 1972, pursuant to the provisions of the Industrial Development and Revenue Bond Act. The EDA is authorized to acquire, own, lease and dispose of properties to the end that such activities may promote industry and develop trade by inducing manufacturing, industrial and commercial enterprises to locate or remain in the City and further the use of the Commonwealth's agricultural and natural resources. The EDA is empowered by the Commonwealth to authorize and issue industrial development bonds. The EDA acts as an intermediary between financial institutions and borrowers; it has no responsibility for borrowers' debt. Although Commissioners are appointed by City Council, the EDA designates its own management, maintains its own books of account and receives revenue from administrative fees charged to borrowers. Additionally, there is the potential of financial benefit to the City.

Complete financial statements of the individual component units can be obtained from their respective administrative offices:

B. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the non-fiduciary activities of the Primary Government and its component units. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support. Likewise, the Primary Government is reported separately from certain legally separate *component units* for which the *Primary Government* is financially accountable.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segments are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items that do not meet the criteria for classification as program revenues are reported as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though fiduciary funds are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported in separate columns in the fund financial statements.

The City reports the following major governmental funds:

- The *General fund* is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.
- The *Debt Service fund* accounts for financial resources that are restricted, committed or assigned to expenditures for principal and interest payments on long-term debt obligations of governmental funds.
- The *Capital Projects fund* accounts for financial resources that are restricted, committed or assigned to expenditures for capital outlays, which includes the acquisition and construction of major capital facilities of the City, some of which are also used by the School Board and other agencies.

The City reports the following major proprietary funds:

- The *Water Utility fund* accounts for the activities of the City's water system, treatment plant and distribution systems.
- The *Wastewater Utility fund* accounts for the activities of the City's sewage pumping stations and collection systems.
- The *Parking Facilities fund* accounts for the activities of City-owned or operated parking facilities.

Additionally, the City reports the following other fund types:

- *Special Revenue funds* account for proceeds of specific resources that are restricted, committed or assigned to expenditures for specific purposes other than debt service or capital projects. Examples include community development, emergency call center services, tax increment financing districts, environmental storm water, towing and recovery operations, waste management, and individual grant programs.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

- *Internal Service funds* account for the City's self-insured healthcare program and fleet management services whose services are provided to other departments or agencies of the City on a cost reimbursement basis. The Healthcare Fund was established in fiscal year 2014 and is described in Note XX.
- The *Pension Trust fund* accounts for the activities of the Employees' Retirement System (ERS), which accumulates resources for pension benefit payments to qualified employees.
- The *Endowed Care fund* is used to report resources that are restricted by the City Code to be used for perpetual and endowed care at certain City-owned cemeteries. Both the investment earnings and the principal may be used to support maintenance of City-owned cemeteries.
- The *Agency funds* are used to account for the assets held by the City as an agent for individuals, private organizations, other governmental units and/or other funds. Agency funds do not involve the measurement of results of operations as they are custodial in nature (assets = liabilities).

C. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. Fiduciary Agency funds' financial statements do not have a measurement focus. The City's discretely presented component units are also included in the government-wide financial statements utilizing the same basis of accounting.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenue and related assets are recorded when they become susceptible to accrual, that is, when they become both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City generally considers revenues, except for grant revenues, to be available if they are collected within 45 days of the end of the fiscal year. Real and personal property taxes are recorded as receivables when levied and billed, which corresponds with the fiscal year for which the taxes have been levied, net of allowances for uncollectible accounts. Sales and utility taxes, which are collected by the state or utilities and subsequently remitted to the City, are recognized as revenues and receivables when the underlying exchange occurs and are remitted to the City by the state within two months of the transaction. In accordance with generally accepted accounting principles (GAAP) property taxes due and collected within 45 days after June 30 are recognized as

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

revenue; those not collected within 45 days after year-end are reported as deferred inflows. Items such as license fees, permit fees and fines are recorded as revenue when received. Intergovernmental revenue, consisting primarily of federal, state and other grants for the purpose of funding specific expenditures, is recognized at the time the specific expenditures expected to be funded by this revenue are made. Revenue from general purpose grants is recognized during the entitlement period.

Major sources of governmental fund revenue susceptible to accrual include the following:

- Real property taxes
- Personal property taxes
- Sales and use taxes
- Consumer utility taxes
- Environmental storm water billings
- Revenue from the Commonwealth
 - Shared expenses
 - Categorical aid
- Revenue from the federal government

Amounts reported as *program revenues* include: 1) charges for services, 2) operating grants and contributions and 3) capital grants and contributions. Internally dedicated resources are reported as *general revenues*, rather than as program revenues. Therefore, all taxes are general revenue.

Expenditures, other than interest on general long-term obligations, are recorded as related fund liabilities when incurred. Interest on general long-term obligations is recognized when due.

Since the governmental funds' financial statements are presented on a different measurement focus and basis of accounting than the government-wide financial statements, a summary reconciliation of the difference between total fund balances as reflected on the governmental funds' Balance Sheet and total Governmental activities net position as shown on the Government-wide Statement of Net Position is presented in Exhibit A-2. In addition, a summary reconciliation of the difference between the total net change in fund balances as reflected on the governmental funds' Statement of Revenues, Expenditures and Changes in Fund Balances and the change in net position of governmental activities as shown on the Government-wide Statement of Activities is presented in Exhibit A-4.

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues and expenses of the City's Water Utility, Wastewater Utility and Parking Facilities enterprise funds, and of the City's internal service funds are charges to customers for sales and services and administrative expenses, as well as depreciation on capital assets. Revenues and expenses not meeting this definition, including interest income or expense are reported as non-operating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, less restrictive resources next – committed, assigned, and finally unassigned resources.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are payments-in-lieu of taxes and other charges between the City's proprietary funds and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

D. Budgets and Budgetary Accounting

An operating budget is adopted each fiscal year for the General Fund, Water Utility enterprise fund, Wastewater Utility enterprise fund, Parking Facilities enterprise fund, Storm Water special revenue fund, Public Amenities special revenue fund, Cemeteries special revenue fund, Emergency Operations Center/911 special revenue fund, Golf special revenue fund, Towing & Recovery Operations special revenue fund, Tax Increment Financing special revenue fund, Waste Management special revenue fund, and internal service funds. The General Fund budget includes the budgets for Norfolk Public Schools, Maritime Center and the Community Services Board. Project length budgets are appropriated for the Capital Projects fund, Community Development special revenue fund and Grants special revenue fund. All funds are under formal budgetary control.

No less than 60 days before the end of the fiscal year, the City Manager must submit to the City Council a proposed operating budget for the fiscal year commencing the following July 1. The operating budget includes proposed expenditures and the means of funding them. Prior to the adoption of the budget, a public hearing is conducted, then on or before July 1, the budget is legally enacted through adoption of an ordinance. The property taxes included in the budget become a lien on real properties on July 1.

The ordinance for the annual operating budget appropriates funds by department. Additional budgetary controls are exercised administratively, both on an appropriation unit basis over parts, all, or any combination of object categories (budgetary account groups) such as: (1) personal services; (2) materials, supplies and repairs; (3) general operations and fixed charges; (4) equipment; (5) public assistance; and (6) all-purpose appropriations, as well as on a line item basis over individual objects (budgetary accounts). The City Manager is authorized to transfer funds between departments and funds without further approval by City Council.

The School Board manages and controls all funds made available for public school purposes by the City Council. In accordance with the Code of Virginia, the School Board has exclusive authority to expend funds within the total amounts appropriated by City Council.

Consistent with the enabling ordinance, the Schedules of Revenue and Expenditures – Budget and Actual of the General Fund presented in Exhibits E-1 and E-2 include the revenues and expenditures - budget and actual of the School Board.

A reconciliation of revenues and expenditures reported in accordance with U.S. generally accepted accounting principles (GAAP) and those presented in accordance with non-GAAP budgetary basis, for the General fund, can be found following Exhibit

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

E-2. The budgets for the enterprise funds and internal service funds are prepared on a basis generally consistent with U.S. GAAP.

With the exception of capital projects and grants fund appropriations, unencumbered annual appropriations lapse at the end of the fiscal year. City Council may authorize supplemental appropriations to the operating budgets during the fiscal year. Budgeted amounts as reported in the financial statements represent the original appropriations, and all supplemental adjustments or appropriations.

City Council adopts a capital improvement budget on a project basis. As in the case of the General Fund budget, these budgets are submitted by the City Manager, public hearings are held and the budgets are legally enacted through adoption of an ordinance. Appropriations for these budgets continue until the purpose of the appropriation has been fulfilled. Amendments to these budgets are affected by City Council.

E. Deposits and Investments

The City's cash and short-term investments include cash on hand, demand deposits, and short-term investments with maturities of one year or less from the date of acquisition.

Investment statutes authorize the City and the School Board to invest in obligations of the United States or agencies thereof, obligations of the Commonwealth of Virginia or political subdivisions thereof, obligations of the International Bank for Reconstruction and Development (World Bank) and Asian Development Bank, commercial paper rated A-1 by S & P Global Ratings or P-1 by Moody's Commercial Paper Record, bankers' acceptances, repurchase agreements, Virginia State Non-Arbitrage Program (SNAP) and the State Treasurer's Local Government Investment Pool (LGIP). SNAP and LGIP investments are valued at amortized costs and qualify as external investment pools per GASB 79, *Certain External Investment Pools and Pool Participants*. The LGIP and SNAP are not registered with the Securities and Exchange Commission (SEC) as an investment company, but maintains a policy to operate in a manner consistent with the SEC's Rule 2a7 of the Investment Company Act of 1940. Pursuant to the Code of Virginia, the Treasury Board of the Commonwealth sponsors the LGIP and has delegated certain functions to the State Treasurer. The LGIP reports to the Treasury Board at their monthly meetings.

The City has no formal policy regarding credit risk, interest rate risk, concentration of credit risk, custodial credit risk, or foreign investment risk. The City's fixed income investments as of June 30, 2018 were rated by Standard and Poor's and the ratings are presented below using the Standard and Poor's rating scale. The Pension Trust fund is authorized to invest in common stocks and other investments as directed by statutes of the Commonwealth.

Investments, with the exception of external investment pools and real estate which are reported at amortized cost or net asset value, are reported at fair value as established by generally accepted accounting principles. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

market participants at the measurement date. See additional disclosure within footnote II.

The City uses the pooled cash investment method, and as a result individual fund overdrafts are reclassified as due to/due from other funds or internal balances for financial statement purposes. Income from the investment of pooled cash is allocated to the various funds based on the percentage of cash and temporary investments of each fund to the total pooled cash and temporary investments.

For purposes of the statements of cash flows, all highly liquid debt instruments, with a maturity of 90 days or less, and certificates of deposit are grouped into cash and short-term investments. The cash and investment pool discussed above is considered cash, since it has the same characteristics as a demand deposit account.

F. Restricted Assets

Restricted assets are those whose use is subject to externally imposed constraints such as debt covenants, grantors or laws or regulations of other governments.

G. Interfund Transactions

During the normal course of operations, the City has numerous transactions between funds, including expenditures and transfers of resources to provide services, construct assets and service debt. The accompanying fund financial statements generally reflect such transactions as transfers.

Internal Service funds record charges for services to all City departments and funds as operating revenue. All City funds record these payments to the Internal Service funds as operating expenditures or expenses. The Fleet Management fund, and the Healthcare fund primarily support governmental activities and are therefore included with governmental funds in the government-wide financial statements. A discrete presentation of the City's Internal Service funds can be found in the "Other Supplementary Information" section of this document.

The General fund provides administrative services to enterprise funds and internal service funds. Charges for these services are treated as operating expenses by the enterprise and internal service funds and as expense reimbursements by the General Fund in the fund financial statements.

H. Inventories

Inventories are stated at cost, using either the first-in, first-out or the moving average method. Proprietary funds expense inventories when consumed.

I. Capital Assets

Capital assets, which include property, plant, equipment, intangibles and infrastructure assets (e.g., roads, bridges, sidewalks and similar items), are reported at historical cost less accumulated depreciation and amortization in the applicable governmental or business-type activities column in the government-wide financial statements and in

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

proprietary funds. Capital assets are defined by the City's capitalization policy as assets owned by the City with an initial, individual cost of more than \$5,000 and an estimated useful life greater than one year. Capital outlays of governmental funds are recorded as expenditures at the time of purchase and are not capitalized in the governmental funds. However, they are capitalized in the Government-wide Statement of Net Position if they meet the criteria for capitalization in the City's financial statements. Where historical cost records are not available, assets are recorded at estimated historical cost. Gifts or donated capital assets are recorded at their acquisition value on the date received. In the enterprise and internal service funds, interest costs incurred on funds borrowed for construction projects are capitalized, net of interest earned on the temporary investment of the unexpended portion of those funds. When an asset is retired or otherwise disposed of, the related cost and accumulated depreciation are eliminated, and any resulting gain or loss is reflected as non-operating revenue or expense.

The City evaluates prominent events or changes in circumstances affecting capital assets to determine whether impairment of a capital asset has occurred. A capital asset is generally considered impaired if both (a) the decline in service utility of the capital asset is large in magnitude and (b) the event or change in circumstance is outside the normal life cycle of the capital asset. Impaired capital assets that will no longer be used by the City are reported at the lower of the carrying value or fair value. Impairment losses on capital assets that will continue to be used by the City are measured using the method that best reflects the diminished service utility of the capital asset. Any insurance recoveries received as a result of impairment events or changes in circumstances that result in the impairment of a capital asset are netted against the impairment loss. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives is not capitalized.

Capital assets of the City, as well as the component units, are depreciated using the straight-line method over the following estimated useful lives (in years):

	Governmental Funds	Enterprise Funds	Internal Service Funds
Building and improvements	40	10-75	40-50
Improvements other than buildings	15-25	10-99	15
Warehouse equipment and fixtures	-	-	7-10
Transmission and distribution mains	-	50-99	-
Service meters and meter installation	-	35-50	-
Pumping and other water/wastewater equipment	-	10-30	-
Vehicles and garage equipment	4-20	4-10	4-25
Data processing equipment	5-10	5-10	5-10
Furniture, fixtures and equipment	3-25	3-25	3-20
Infrastructure	5-100	-	-
Intangibles	5-10	5-10	5-10

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

J. Land and Land Improvement Held for Resale

Land and land improvements held for resale are recorded at the lower of cost or estimated acquisition value. Cost is determined by acquisition price, if purchased, or at estimated acquisition value at the date of contribution, if contributed. Subsequent land improvements are added to land and land improvements held for sale.

K. Compensated Absences

It is the City and the School Board's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. Vacation leave is fully vested when earned by City employees. Accumulated vacation leave cannot exceed certain limits as codified in Section 2-49 in the City Code of Ordinances. Sick leave does not vest for City employees; however, upon retirement, City employees receive credit for each day of accumulated sick leave toward their pension benefit. There is no liability for unpaid accrued sick leave service since the City does not pay it when the employee separates from service. The additional retirement benefit is reflected in the actuarial liability of the ERS. The entire unpaid liability for vacation leave is recorded in the government-wide financial statements.

Upon retirement, School Board employees are paid \$20 for each day of accumulated sick leave. Accumulated vacation leave cannot exceed 50 days for School Board employees. School Board employees are paid for unused vacation leave, at their normal rate of pay, upon termination of employment. Most School Board employees have ten-month employment contracts and are not entitled to vacation.

L. Net Position/Fund Balances

Net position in government-wide and proprietary fund financial statements may be classified as net investment in capital assets; restricted; and unrestricted. Restricted net position has constraints on resources that are either externally imposed by creditors, grantors, contributors, laws and regulations of other governments or imposed by law through state statutes.

Fund balances in governmental fund financial statements are classified as nonspendable, restricted, committed, assigned and unassigned. Nonspendable fund balance includes amounts that are not in spendable form. Restricted fund balance includes amounts that can be spent only for specific purposes as stipulated by a third party or through enabling legislation. Committed fund balance includes amounts that can be used only for specific purposes as determined by City Council through formal action (ordinance). Committed amounts cannot be used for any other purpose unless approved by City Council by taking the same type of formal action. In the General fund, assigned fund balance includes amounts that are intended to be used by the City for specific purposes, but do not meet the criteria to be classified as restricted or committed. In the governmental funds, except for the General fund, assigned fund balance represents the remaining amount that is not restricted or committed. Assignment authority has been given to the City Manager by the City Council. The unassigned fund balance classification is for all amounts not included in other classifications.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Under GASB Statement No. 54, positive unassigned fund balances are only reported in the General fund. However, in governmental funds other than the General fund, expenditures incurred for a specific purpose might exceed the amount restricted, committed, or assigned to that purpose, and a negative residual amount may result which is classified as a negative unassigned fund balance in the applicable governmental fund. Negative unassigned fund balances within the Capital Projects fund and Grants fund are a result of timing and will correct themselves when permanent financing is put in place for all capital project expenditures incurred to date and when revenue generation occurs once encumbrances become expenditures, respectively.

M. Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses/expenditures during the reporting period. Actual results could differ from those estimates.

N. Bond Premiums, Discounts, Issuance Costs and Loss on Defeasance

In the government-wide and proprietary fund financial statements, bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported with the applicable bond premium or discount. Bond issuance costs are expensed in the period incurred. Refer to Note IX for details on the amounts reported in Long-term Obligations.

Gains and losses on defeasance from refunding bonds are reported in the government-wide and proprietary fund financial statements as deferred inflows and outflows of resources and are amortized using the straight-line method over the term of the debt.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums on debt issuances are reported as other financing sources, while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

O. Deferred Inflows and Outflows of Resources

The City reports deferred inflows and outflows on its fund level balance sheets and government-wide statement of net position. Deferred inflows arise when potential revenue does not meet the "measurable" and "available" criteria for recognition in the current period. Certain intergovernmental receivables such as uncollected property tax not meeting the availability criteria have been deferred and will be realized in a

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

subsequent period in governmental funds. Deferred outflows represent a consumption of net position in a future period.

The City reports the gains and losses on defeasance from debt refundings and certain components of the net pension liability as deferred inflows and outflows.

P. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position and the additions and deductions there to, of each of the plans that the City and its component units participate in, which include the Virginia Retirement System (VRS) City of Norfolk Constitutional Offices, VRS Teacher Retirement Plan, the VRS Political Subdivision Retirement Plan and the City of Norfolk Employees' Retirement Plan (ERS) have been determined on the same basis as they were reported by each respective plan. With the exception of deferred outflows related to employer contributions made after the measurement date, deferred inflows and outflows are amortized over a closed five-year period or the average remaining service life of the effected employees. Deferred outflows of resources related to employer contributions made after the measurement date will be recognized as a reduction of the net pension liability in the next fiscal year. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. The allocation of proportionate shares of the ERS net pension liability and other pension amounts to participating funds is based on employer contributions.

Q. Other Post-employment Benefits (OPEB)

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense of each of the plans that the City and its component units participate in have been determined on the same basis as they were reported by each respective plan. Deferred outflows of resources related to employer contributions made after the measurement date will be recognized as a reduction of the net OPEB liability in the next fiscal year. For this purpose, benefit payments are recognized when due and payable in accordance with the benefit terms. The allocation of proportionate shares of the net OPEB liability and other OPEB amounts to participating funds is based on employer contributions.

II. Deposits and Investments

Custodial Credit Risk - Deposits

The City maintains a cash and investments pool for all funds except the Pension Trust and Endowed Care funds. Each fund's portion of the pool is disclosed in the Statement of Net Position and respective fund balance sheets as cash and short-term investments. The cash and investments of the Pension Trust and Endowed Care funds, as well as certain restricted assets of the enterprise funds, are held separately from the pooled City funds.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

All deposits of the City and its component units are collateralized in accordance with the Virginia Security for Public Deposits Act ("the Act"), Section 2.2-4400 et. seq. of the Code of Virginia or covered by federal depository insurance. Under the Act, any public depository that receives or holds public deposits ("Qualified Public Depositories") shall elect to secure deposits by either the Pooled Method or the Dedicated Method (which became available by amendments made to the Act effective July 1, 2010). The Pooled Method requires any public depository that receives or holds public deposits to pledge collateral, ranging from 50 to 100 percent of the public deposits, to the State Treasury Board to cover public deposits in excess of Federal deposit insurance. The Pooled Method also provides that if any member financial institution fails, the entire collateral pool becomes available to satisfy the claims of participating governmental entities. If the value of the pool's collateral were inadequate to cover a loss, additional amounts would be assessed on a pro rata basis to members of the pool. Under the Dedicated Method, Qualified Public Depositories are responsible for securing their own public deposits, by the pledge and deposit of eligible collateral with a qualified escrow agent, equal to or in excess of required collateral amounts, priced at a minimum of 105 percent to 130 percent of all public deposits held by the bank, based on rating determined under the Act; and therefore will not be assessed for losses of another bank that is in default or has become insolvent. The State Treasury Board is responsible for monitoring compliance with the collateralization and reporting requirements of the Act and for notifying local governments of compliance by banks. Both methods of securing public deposits are similar to depository insurance. Funds deposited in accordance with the Act are considered to be fully insured. The City's primary banking institution has elected to be governed by the Dedicated Method.

Custodial Credit Risk - Investments

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party.

The City's equity and fixed income investments (except for bank deposits) are not insured and are registered in the name of the City and held by State Street Bank as custodian. The remaining City investments are held by the City or in the City's name by the City's custodial banks. The policy for the Pension Trust fund (System) is that all securities purchased by or for the System be properly and clearly labeled as an asset of the System and held in safekeeping by a third party custodial bank or institution in compliance with Section 2.2-4515 of the Code of Virginia. The City and its other component units have no formal policy regarding custodial credit risk for investments.

Interest Rate Risk

The City's Pension Trust fund uses a "Duration" policy to manage its interest rate risk. The duration policy is a measure of a debt investment's exposure to fair value changes arising from changing interest rates. It uses the present value of cash flows, weighted for those cash flows as a percentage of the investment's full price.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Other than for the assets of the City's Pension Trust fund, neither the City nor discretely presented component units have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The City uses the segmented time distribution method to evaluate interest rate risks as disclosed below as of June 30, 2018.

Primary Government and Fiduciary Funds

Investment Type	Total Investments	Investment Maturities				
		Less than 1 year	1-3 years	3-6 years	6-10 years	10 years +
Corporate Bonds	\$ 41,691,599	\$ -	\$ 8,174,599	\$ 15,810,000	\$ 14,009,000	\$ 3,698,000

Less cash	272,189,982
-----------	-------------

Deposits and investments reported above	\$ 1,222,359,315
---	------------------

Credit Risk Related to Issuer

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The City's Pension Trust fund's formal policy governing credit risk is that securities rated below investment grade by two of the three primary rating agencies, Moody's Investors Service, Inc. ("Moody's"), Fitch Ratings ("Fitch"), and Standard and

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Poor's Global Ratings ("S&P"), are not permitted without the written permission of the board. PIMCO, one of the ERS fund managers, has been given the authority by the Board to invest 20% of the portfolio in below investment grade securities. The City's Pension Trust fund invests in certain derivatives including futures, swaps and options. Those securities are included in reported investments in the ERS's financial statements. Investments in derivatives with a fair value of \$3,562,000 were held at June 30, 2018. For accounting purposes, all derivative instruments are considered to be investments and not hedges. ERS primarily enters into derivative transactions in order to manage risks from exposure to foreign currency rate fluctuation and to shorten the duration of the fixed income investment portfolio. The City's rated debt investments as of June 30, 2018, were rated by S&P and/or an equivalent national rating organization and the ratings are presented below using the S&P credit quality rating scale.

Ratings (S&P)	The Primary Government's Rated Debt Investment													External Investment Pools

Concentration of Credit Risk

Concentration risk is the risk of loss attributed to the magnitude of an entity's investment in a single issuer. Mutual funds are excluded from this disclosure requirement. For the City's Pension Trust fund investment, no more than 20 percent of each account's fixed income portfolio, including cash equivalents, shall be invested in bonds rated Baa (1, 2 and 3) or BBB (+ or -). Upon written request from an investment manager, the Retirement Board of Trustees will consider allowing more than 20 percent in these ratings and the purchase of bonds rated below Baa3 or BBB-.

The following table represents the fair value of investments that represent 5% or more of the System's net position at June 30, 2018:

SSGA MSCI ACWI IMI Index Fund	\$ 597,182,000
SSGA Bond Market Index Fund	\$ 148,705,000

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Foreign Currency Risk

Foreign currency risk is the risk that changes in exchange rates will adversely affect the fair value of an investment or a deposit. The City's Pension Trust does not have a formal policy; however, it manages its' exposure to fair value loss by requiring international securities investment managers to maintain diversified portfolios by issuer to limit foreign currency and security risks. The exposure to foreign currency risk in both cash and investments is presented below:

Currency	Fixed-Income
New Zealand Dollar	\$ 20,000
Canadian Dollar	22,000
Euro Currency	67,000
Japanese Yen	31,000
Pound Sterling	<u>477,000</u>
	<u>\$ 617,000</u>

Neither the City, nor its component units, have a formal policy to limit foreign currency risk. Risk of loss arises from changes in currency exchange rates.

Fair Value Measurement

In accordance with the authoritative guidance on fair value measurements and disclosures under U.S. GAAP, the funds disclose the fair values of their investments in a hierarchy that prioritized the inputs to valuation techniques used to measure fair value. GAAP requires that investments be measured and reported at fair market value and the disclosure of inputs used in the valuation process. The hierarchy gives the highest priority to valuations based upon unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to valuations based upon unobservable inputs that are significant to the valuation (level 3 measurements). The guidance established three levels of the fair value hierarchy as follows:

Level 1 – Quoted prices in active markets for identical assets. Equity securities are priced using an exchange traded price or a broker quote in an active market.

Level 2 – Inputs other than quoted prices that are observable for the asset, including quoted prices for similar investments based on interest rates, credit risk and alike factors. The United States treasury and fixed income securities are priced using pricing models based on a compilation of primarily observable market information or a broker quote in a non-active market for an identical or similar security. The certificate of deposit is valued based on discounted cash flows using current interest rates at the stated maturity. The short-term investment trades daily without restriction at \$100 per unit.

Level 3 – Unobservable inputs for the assets, including the fund's own assumptions for determining fair value.

Portfolio investments are assigned a level based upon the observability of the inputs which are significant to the overall valuation. The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

The table below provides the inputs used to determine the fair value at June 30, 2018.

	June 30, 2018	Quoted Prices in Active Markets for Identical Assets (Level 1)		Significant Observable Inputs (Level 2)	
Investments measures at fair value

Investments Measured at the net asset value(NAV)					
Commingled Funds					
Equity Funds	\$ 597,182,000				
Fixed Income Funds	148,705,000				
Real Estate Funds	80,566,000				
Total investments measured at NAV	<u>826,453,000</u>				
Investments Measured at amortized costs					
External Investment Pools		67,423,807			
Less Cash Equivalents		<u>(26,954,000)</u>			
Total investments	<u>\$ 1,222,359,315</u>				

External investment pools include the PFM, LGIP and SNAP. These investments are reported at amortized cost in accordance with Rule 2a-7, and qualify as external investment pools per GASB79, *Certain External Investment Pools and Pool Participants*. The City held \$38,703,037 in LGIP funds and \$28,720,770 in PFM funds (\$15,521,806 invested in the SNAP program) at June 30, 2018.

The remaining commingled funds are reported at net asset value (NAV) as a practical expedient, based on the fair market values of the underlying securities in the respective fund.

1. Equity Funds. This type includes an investment in an equity fund with an investment object to track the performance of the MSCI ACWI IMI index over the long-term. These investments can be redeemed semi-monthly with semi-monthly notice.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

2. Fixed Income Funds. This type includes 2 investments in fixed income funds. An investment in a liquid short-term fund which invests approximately 65% of its total assets in a diversified portfolio of fixed income instruments. This investment can be redeemed within 3-7 business days with 1 day notice. An investment in a fund with an investment objective to track the performance of the Barclay's U.S. Aggregate Bond Index over the long-term. This investment can be redeemed within 1-15 days, depending on trade size, with 1 day notice.
3. Real estate funds. This type includes 2 investments in real estate funds that invest in U.S. real estate. These funds compare themselves to the NCREIF Fund index – Open-End diversified Core Equity (NFI-ODCE) benchmark. These investments can be redeemed quarterly with a 45-60 day notice.

School Board

At June 30, 2018, the School Board had cash of \$53,686,524, including \$12,262,444 held in agency funds.

Economic Development Authority (EDA)

Cash includes cash on hand and cash deposited with financial institutions. At June 30, 2018, there was \$15,276,211 in cash and cash equivalents (\$3,876,750 which is considered restricted), including \$568,565 held in the Local Government Investment Pool (LGIP), which is carried at amortized cost because it qualifies as an external investment pool under GASB 79, *Certain External Investment Pools and Pool Participants*.

The Authority considers all funds with an original maturity of greater than three months, but less than one year, to be short-term investments. At June 30, 2018, the Authority held a certificate of deposit yielding 1% in the amount of \$2,108,808, which is carried at fair value.

The definition of fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When considering fair value measurements, the following fair value hierarchy distinguishes between observable and unobservable inputs, which are categorized in one of the following levels:

- Level 1 Inputs: Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the reporting entity at measurement date.
- Level 2 Inputs: Other than quoted prices included in Level 1 inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Inputs: Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at measurement date.

Fair value of the certificate of deposit is determined based on a discounted cash flow analysis using prevailing rates over the stated term, which are level 2 inputs. Fair value approximates cost due to the short-term nature of the instrument.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

III. Property Taxes

Local real property assessments are made under the direction of a City Assessor appointed by the City Council. The City has the power to levy taxes on property located within its boundaries for payment of its obligations without limitation as to rate or amount. Rates are established by the City Council. The rates in effect for the year ended June 30, 2018, on each \$100 of assessed value, were \$1.15 for real property, an additional \$0.16 for the Downtown Improvement District, \$4.33 for motor vehicles, \$4.33 for business furniture, fixtures and equipment, \$1.50 for recreational vehicles, \$4.25 for machinery and tools, \$1.15 for mobile homes, \$2.40 for airplanes, \$0.50 for recreational boats and \$1.50 for business boats. The City has a Real Estate Tax Relief/ Tax Deferral Program for Norfolk homeowners who are 65 and older or completely disabled and meet certain eligibility requirements.

The property tax calendar is as follows:

	Real Property	Other than Real Property
Lien date	July 1	January 1
Levy date for existing property	July 1	January 1
Levy date for real property improvement, new construction or newly acquired property	October 1, January 1 and April 1	Date of acquisition
Due dates	September 30, December 5, March 31 and June 5	June 5 or 30 days after acquisition
Collection dates	On or before due date	

In the event any installments of taxes on any of the above properties is not paid on or before the due date, penalties and interest are assessed in accordance with the City Code of Ordinances.

IV. Accounts Receivable

A. Unbilled Accounts Receivable

Following is a summary by fund of unbilled accounts receivable recognized at June 30, 2018:

Storm Water special revenue fund	\$ 870,646
Water Utility fund	5,110,413
Wastewater Utility fund	1,394,654
Parking Facilities fund	367,152
	<hr/> <hr/> <hr/> <hr/> <hr/>
	<hr/> <hr/> <hr/> <hr/> <hr/>

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

The associated revenue is included in charges for services. All amounts were billed in July 2018.

B. Allowances for Uncollectible Accounts Receivable

Allowances for uncollectible accounts receivable are generally established using historical collection data, consideration of economic conditions, specific account analysis and subsequent cash receipts. The allowances at June 30, 2018, are as follows:

Primary Government:

General Fund:

Taxes	\$ 12,169,287
Accounts	17,949,200
Community Services Board	635,119
Total General Fund	<u>30,753,606</u>

Storm Water special revenue fund	538,100
Waste Management special revenue fund	1,181,400
Parking Facilities fund	11,903,607
Water Utilities fund	1,827,599
Wastewater Utilities fund	1,000,000
Total Primary Government	<u>\$ 47,204,312</u>

V. Due From Other Governments

Amounts due from other governments, at June 30, 2018, are as follows:

	General Fund	Capital Projects Fund	Special Revenue Funds	Total Governmental Funds	Component Unit School Board
Commonwealth of Virginia:					
Non-categorical aid	\$ 23,942,391	\$ -	\$ -	\$ 23,942,391	\$ 6,401,697

School Board	\$ 2,026,016
Norfolk Economic Development Authority	794,983
Total depreciation expense	<u>\$ 2,820,999</u>

The following is a summary by fund of interest expense/revenue capitalized during the fiscal year ended June 30, 2018:

	Expense	Revenue	Capitalized
Water Utility fund	\$ 1,232,430	\$ (300,270)	\$ 932,160
Wastewater Utility fund	164,925	(250,748)	(85,823)
	<u>\$ 1,397,355</u>	<u>\$ (551,018)</u>	<u>\$ 846,337</u>

VII. Property Held for Resale

On October 18, 2013, the Norfolk Redevelopment and Housing Authority (NRHA) donated property, approximately 114 acres which was formerly part of the Lake Wright Golf Course to the Authority, with an estimated fair value of \$19,400,000, as determined by an independent appraiser. The Authority entered into an agreement on November 12, 2013, amended on July 1, 2014, to sell a portion of that property, approximately 51 acres, to Simon Acquisition II, LLC (Simon). The fulfillment of the sales agreement was accomplished in two separate transactions. On May 6, 2016, Simon closed on the purchase of the property of 44.39 acres of the property with a purchase price of \$4,217,050. On October 5, 2016, Simon closed on the purchase of an additional 6.279 acres of property with a purchase price of \$596,505. At closing, Simon took responsibility for the completion of the Force Main Relocation and the

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

construction of certain infrastructure, which would be funded by the City (up to \$12,000,000) and the City's Wastewater Utility fund (approximately \$2,500,000), who would have title to the infrastructure assets. The total purchase price of both parcels was \$4,813,555 funded by Simon through payment of the construction of infrastructure improvements on behalf of the City. The purchase price of these acres was below market which resulted in a loss. The decision to incur a loss was in support of the development plans of the City and also based on the purchaser paying for infrastructure costs. The infrastructure costs, consisting of items such as roads and a retention basin, became an asset of the Authority and ultimately were transferred to the City who has the responsibility to maintain the assets. As of June 30, 2017, infrastructure costs totaled \$11,752,510, excluding the \$2,500,000 in sewer improvements funded by the City's Wastewater Utility fund, and were completed in fiscal year 2017. These assets were transferred to the City in fiscal year 2017.

The Authority also entered into a real estate purchase agreement on August 28, 2014, to sell approximately 30 acres of the remaining Lake Wright Golf Course property to Northampton Development, LLC. The agreement was amended on July 17, 2015, to restate the "feasibility period" to commence on April 15, 2016, ending the earlier of two years from that date or eight months after the property is rezoned. On June 27, 2018, the Authority sold 32.93 acres for \$9,816,460 to Northampton Development, LLC. As part of the agreement, \$1,515,251 is due to the City and \$8,200,000 is due to Simon. 4.41 acres of Lake Wright Golf Course property was retained by the Authority and is held for resale recorded at \$602,952.

In addition, land and land improvements held for resale also includes three acres which are recorded at approximately \$115,000 per acre. On June 11, 2018, the Authority entered into a purchase and sale agreement with JSR Properties, LLC to purchase approximately 1.022 acres of this land for \$165,000. At June 30, 2018, they had not yet closed on the property.

VIII. Short-term Obligations

A. Variable Rate Bonds

General Obligation Variable Rate Demand Bonds, Series 2007

The City issued \$32,365,000 in General Obligation Variable Rate Demand Bonds, Series 2007 (AMT) on March 29, 2007, to finance the Half Moone Cruise & Celebration Center. As of June 30, 2018, \$24,605,000 remains outstanding and included in the City's long-term debt. The Series 2007 Bonds are general obligations of the City and the City's full faith and credit are irrevocably pledged to the repayment of principal and interest.

The Series 2007 Bonds shall bear interest from time to time in any one of seven Interest Rate Periods: (i) a Daily Rate Period, (ii) a Weekly Rate Period, (iii) a Monthly Rate Period, (iv) a Commercial Paper Period, (v) an Indexed Put Rate Period, (vi) a Medium Term Rate Period and (vii) a Fixed Rate Period. All Series 2007 Bonds must be in the same Interest Rate Period at any one time. Since delivery, the interest rate period on the Series 2007 Bonds has been at the Weekly Rate.

A portion of the Series 2007 Bonds maturing on August 1, 2037, in the amount of \$1,910,000 are subject to mandatory redemption. The remainder of the Series 2007

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Bonds are subject to redemption at the direction of the City, in whole at any time or in part on any Interest Payment Date, at a redemption price equal to the principal amount thereof, plus accrued interest, if any, to the redemption date. The final maturity on the Series 2007 Bonds is August 1, 2037.

The City maintains a liquidity facility with respect to the Series 2007 Bonds to assist with the payment of Bonds tendered for purchase by the owners and not remarketed. In 2014, the existing liquidity facility was due to expire, and the City entered into a Standby Bond Purchase Agreement dated as of March 1, 2014 (the "Liquidity Facility") among the City, the Trustee and Royal Bank of Canada (the "Bank"). The annual Liquidity Facility fee is 39 basis points (0.39%) for a five-year term. Additionally, RBC provided a rate of 8 basis points (0.08%) to serve as Remarketing Agent. During the fiscal year ended June 30, 2018, the average weekly interest rate on the Series 2007 Bonds was 113 basis points (1.13%).

Under the Liquidity Facility, un-remarketed Bonds held by the Bank (the "Bank Bonds"), if any, shall bear interest at the Bank Rate and have interest payable to the Bank in accordance with the Liquidity Facility.

Through June 30, 2018, all the Series 2007 Bonds have been successfully remarketed by the remarketing agent.

B. General Obligation Variable Rate Bond

On November 7, 2013, the City entered into a private placement variable rate loan in the original principal amount of \$13,600,000 (the "2013D Variable Rate Loan") with Bank of America, N.A. As of June 30, 2018, \$12,005,000 remains outstanding and included in the City's long-term debt.

Interest on the 2013 Variable Rate Loan is payable semi-annually on each February 1 and August 1, beginning on February 1, 2014, at an interest rate of LIBOR, plus 0.95%. During the fiscal year ended June 30, 2018, the average weekly interest rate on the 2013D Variable Rate Loan was 253.21 basis points (2.5321%).

C. Line of Credit

On December 17, 2014, the City established a revolving line of credit agreement with Bank of America, N.A. ("BANA") for up to \$125,000,000 which was later amended in May 2016, to increase the maximum available credit to \$200,000,000. This line of credit has been used to provide flexible interim financing for capital improvements projects, including school construction. Further, the City maintains discretion over future increases and decreases to the line of credit maximum to the line of credit maximum available amount dependent upon future cash flow needs of capital improvement projects. Borrowings under the line of credit bear interest payable semi-annually in February and August. Tax-exempt borrowings are at a rate of 70 percent of LIBOR, plus 40 basis points. Taxable borrowings are 100 percent of LIBOR, plus 50 basis points. LIBOR can be the 1, 3, 6 or 12-month LIBOR rate, chosen by the City on the date of each advance, and will be applicable through the end of the chosen LIBOR period. The full faith and credit pledge of the City secures the line of credit which will be repaid through the issuance of general obligation bonds or other City

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

sources. There is no minimum advance amount and each advance shall be made on three days' notice given by the City to BANA. The commitment fee on the unutilized portion of the line will be paid annually in arrears and will be waived in full for any year that has average utilization of at least 40 percent for that 12-month period.

On September 13, 2017, The City amended its existing credit agreement with BANA to extend the termination date of the Line of Credit from December 17, 2017, to December 17, 2018.

Activity for the year ended June 30, 2018 is as follows:

	Balance at June 30, 2017	Additions	Deductions	Balance at June 30, 2018
Capital Projects fund	\$ 189,802,546	\$ 141,752,018	\$ (174,980,929)	\$ 156,573,635
Parking Facilities fund	10,088,750	66,690	(155,440)	10,000,000
	\$ 199,891,296	\$ 141,818,708	\$ (175,136,369)	\$ 166,573,635

IX. Long-term Obligations

A. General Obligation and Revenue Bonds

The City has traditionally issued general obligation or revenue bonds to provide funds for the construction and acquisition of major capital facilities. General obligation bonds have been issued for both governmental and business-type activities. In 1993 and 2008, the City established Water revenue and Wastewater revenue bond programs, respectively.

General obligation bonds are direct obligations and pledge the full faith and credit of the City. Revenue bonds are limited liability obligations where revenues derived from the respective acquired or constructed assets are pledged to pay debt service.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

C. Revenue Bonds

The Water Revenue Bond covenants require that each year's Water Utility fund net revenue not be less than the greater of (i) the sum of 1.1 times senior debt service and 1.0 times subordinated debt service or (ii) 1.0 times the funding requirements for transfers from the revenue fund to the operating fund, the bond fund, the parity debt service fund, the debt service reserve fund, the subordinate debt service fund, the repair and replacement reserve fund and the rate stabilization fund. Pursuant to the terms of the revenue bond indenture, certain resources have been set aside for the repayment of the revenue bonds. These resources are classified as restricted cash and investments on the Statement of Net Position because their use is limited by applicable bond covenants.

The Wastewater Revenue Bond covenants require that each year's Wastewater Utility fund net revenue will equal at least 1.15 times the amount required during the fiscal year to pay the principal of the Wastewater Revenue Bond, the additional payments and all other indebtedness of the borrower payable from revenues, including without limitation, indebtedness under leases that are treated as capital leases under GAAP, but excluding any general obligation bonds issued to finance wastewater system property. These resources are classified as restricted investments on the Statement of Net Position because their use is limited by applicable bond covenants.

As of June 30, 2018, draws for project expenses of \$1,773,118, \$4,280,164 and \$51,345 from bond issuances in fiscal year 2016, 2017 and 2018 respectively, resulted in total Virginia Resources Authority ("VRA") drawdowns of \$6,104,628 for fiscal year 2018. In conjunction with the state water control board, the VRA administers and manages the Virginia Water Facilities Revolving Fund and the Bonds were sold at 0% interest.

The detailed requirements to amortize Water and Wastewater revenue bonds are as follows:

Year Ending June 30,	Water Revenue		Wastewater Revenue	
	Principal	Interest	Principal	Interest
2019	\$ 14,200,000	\$ 15,858,467	\$ 4,096,467	\$ -

Total	\$ 323,480,000	\$ 193,563,555	\$ 65,262,756	\$ -

*Wastewater Revenue Bonds were issued to Virginia Resources Authority at 0% interest

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

D. Current and Advanced Refundings

Previously, the City of Norfolk defeased certain general obligation and revenue bonds by placing the proceeds of new bonds in an irrevocable trust to provide for all future debt service payments on the old bonds. Accordingly, the trust account assets and the liability for the defeased bonds are not included in the fund's financial statements.

At June 30, 2018, the following defeased bonds from advance refunding are still outstanding:

General Obligation			
Defeased In	Original Issue	Amount	Redemption
2015	2009A	17,775,000	11/1/2019
2015	2012C	39,150,000	4/1/2021
2017	2009A	4,440,000	11/1/2019
2017	2012C	33,925,000	4/1/2021
2017	2013A	31,540,000	8/1/2023
2018	2010G	5,310,000	10/1/2020
2018	2013A	<u>53,815,000</u>	<u>8/1/2023</u>
		<u>\$ 185,955,000</u>	

Water Revenue Bonds			
Defeased In	Original Issue	Amount	Redemption
2015	2008	47,140,000	11/1/2018
2018	2010	17,815,000	11/1/2020
2018	2012	82,650,000	5/1/2022
2018	2013	<u>43,070,000</u>	<u>5/1/2021</u>
		<u>\$ 190,675,000</u>	

E. Economic Development Authority

In April 2016, the City and the Economic Development Authority of the City of Norfolk (the "EDA") entered into a financing agreement, with Bank of America, N.A. ("BANA") to provide funds for an economic development project in the City in the maximum principal amount of \$14,500,000. The City and the EDA also entered into a cooperation agreement related to the financing, whereby the City provides a general obligation guarantee of the payments required under the financing agreement. Principal advances under the agreement will bear interest at 1-month LIBOR rate plus 85 basis points which is set at the date of the first advance, and resets on the first day of the calendar month thereafter. Principal payments of \$100,000 are due February 1 in each of the first four years of the agreement, with the balance of the outstanding principal due at maturity in 2021. In addition to funds made available under the cooperation agreement, the EDA expects to pay for debt service on the financing agreement from other sources such as a portion of the City's cigarette tax revenues and lease revenue from the leasing of the facility. At June 30, 2018, \$14,420,000 in funds have been drawn of which \$13,920,000 was outstanding at the end of the year. No further draws will be made.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

F. Lease Obligations

Operating Leases:

The City leases various facilities for operational and office space from various lessors under operating leases. Total rental expenditures under these leases were \$4,507,567 for the fiscal year ended June 30, 2018.

Future year lease obligations are listed below:

Year Ending June 30,	Operating Lease Obligations
2019	4,415,295
2020	3,435,873
2021	3,106,643
2022	2,659,592
2023	1,479,214
2024-2028	3,042,020
2029-2033	658,044
<hr/>	
Total minimum lease payments	<u>\$ 18,796,681</u>

G. Landfill Liability

The Campostella Landfill was issued a permit by the Virginia Department of Health on February 18, 1983, to operate a construction demolition debris (CDD) waste landfill. The landfill accepted primarily CDD and inert waste in addition to sanitary and debris waste. The landfill stopped receiving waste on June 30, 1992. The Virginia Department of Environmental Quality (DEQ) approved the closure certification and officially designated the facility closed on August 2, 2002. State and federal laws require the City to perform certain maintenance and monitoring activities at the site for 10 years after regulatory closure. During the fiscal year ended June 30, 2010, the DEQ notified the City that it must demonstrate corrective action and years of post-close care costs beyond December 31, 2010. The \$2,589,457 reported as an obligation for landfill closure and post-closure costs at June 30, 2018, reflects the estimated total cost to perform these activities. Actual costs may be higher due to inflation, changes in technology and/or changes in laws.

The Campostella Landfill statistically exceeded groundwater protection standards in May 2002. Until a remedy for corrective action is chosen and approved, \$1,954,408 is included in the liability above for groundwater corrective action as required by state law. It is not anticipated that a corrective action will be approved within one year, as such the entire amount is reported as a long-term liability.

H. Compensated Absences

A liability for vested vacation and sick leave benefits is recorded as general long-term obligations. These benefits represent future obligations of the following funds and component units:

CITY OF NORFOLK, VIRGINIA

I. Debt Limit

The Commonwealth of Virginia imposes a legal limit of 10 percent of the assessed valuation of taxed real property as a ceiling in the amount of general obligation borrowings, which may be issued by the City without referendum. At June 30, 2018, the City's debt limit is \$1,987,088,097 of which \$907,492,982 is available for the issuance of additional debt. There are no overlapping tax jurisdictions.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

X. Pension Plans

The City and its component units participate in four defined benefit pension retirement plans. These include the Employees' Retirement System (ERS) of the City of Norfolk (Note X.A); a Virginia Retirement System (VRS) agent multiple-employer plan for the benefit of state employees in constitutional offices (Note X.B); a Virginia Retirement System (VRS) cost sharing plan administered by the Commonwealth of Virginia for the benefit of Norfolk School Board employees (Note X.B); and a VRS agent multiple-employer plan for the benefit of Norfolk School Board Political Subdivision Employee (Note X.B). In addition, the School Board has a defined contribution plan.

A. Employees' Retirement System of the City of Norfolk (ERS):

Plan Description

The ERS is the administrator of a single-employer contributory, defined benefit plan (the Plan) that covers substantially all employees of the City, excluding School Board employees and Constitutional Officers' employees who are covered by the VRS. The ERS provides retirement benefits, as well as death and disability benefits. Cost-of-living adjustments ("COLAs") are not required, are not regularly instituted and are available solely at the discretion of the City Council. The ERS and its benefits are established by Chapter 37 of the Code of the City of Norfolk, Virginia, as amended. ERS pension expenses and liabilities are allocated based on the employer's contribution to the Plan.

Plan Membership

As of June 30, 2017, the actuarial valuation and net pension liability measurement date, the following employees were covered by the benefit terms:

Retirees and Beneficiaries receiving benefits:	
General	2,691
Public Safety	1,222
Vested Former Members:	
General	957
Public Safety	286
Active Plan Members:	
General	2,851
Public Safety	1,240
	<u>9,247</u>

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Plan Benefits

The ERS provides retirement benefits, as well as death and disability benefits. All benefits vest after five years of creditable service. Employee eligibility requirements are as follows:

Retirement (for employees who became members prior to July 1, 1980): Normal retirement is the earlier of age 60 or after completion of 30 years of credited service for general employees, and the earlier of age 55 or after the completion of 25 years of credited service for public safety employees. The normal service retirement benefit per annum is equal to 2.0% of average final compensation (average of the three highest years of compensation) times years of creditable service, with service limited to 35 years. Public safety employees accrue benefits at 2.5% of average final compensation times years of creditable service, not to exceed 65% of average final compensation. Mandatory retirement is age 65 for public safety employees.

Retirement (for employees who became members on or after July 1, 1980): Normal retirement is the earlier of age 60 or after completion of 30 years of credited service for general employees, and age 55 or after the completion of 25 years of credited service for public safety employees. The normal service retirement benefit per annum for general employees is equal to 1.75% of average final compensation times years of creditable service, with service limited to 35 years. Public safety employees accrue benefits at 2.5% of average final compensation times years of creditable service, not to exceed 65% of average final compensation. Mandatory retirement is age 65 for public safety employees. There is no mandatory retirement age for general employees.

Effective December 13, 2011, all employees hired on or after December 2011 are required to meet the vesting requirement of five years in order to be eligible to receive benefits under the Plan with the exception of Norfolk Community Services Board employees. The aforementioned had their prior service with the Norfolk Community Services Board counted towards the five-year vesting requirement without this service being deemed creditable service in the Plan.

Effective January 1, 2015, the City Council adopted Ordinance Number 45,566 that established a Deferred Retirement Option Program (DROP) for policemen and firemen eligible for normal service retirement. Eligible members may elect to participate for a maximum of four years, deferring receipt of a reduced retirement benefit of seventy percent (70%) while continuing employment with the City without loss of any other employee benefits.

Upon the member's election to participate in the DROP; the amount of creditable service and the average final compensation becomes frozen for purposes of determining pension benefits. The participant is considered retired for all purposes related to the Plan and does not accrue additional retirement benefits, except for ad hoc costs-of-living adjustments ("COLAs"), if applicable. The DROP participant's monthly pension is held in lieu of being paid to the participant. Upon termination of employment, the participant will receive the DROP balance and will begin receiving

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

the monthly pension directly. The participant's DROP balance is not credited with investment gains and losses.

Contributions

Section 37 of the Code of the City of Norfolk, Virginia, established the authority under which the City's obligation to contribute to the Plan is determined. Contribution requirements are actuarially determined at the end of each fiscal year and paid by the City in the ensuing year. Effective January 8, 2015, all Plan members pay contribution on a salary reduction basis in the amount of 5 percent of earnable compensation, with the exception of the City Council members hired before October 5, 2010. Employees of the Norfolk Community Services Board at June 30, 2012, who became City employees on July 1, 2012, were also required to pay member contributions effective January 8, 2015. Total employer contributions to the ERS plan were \$35,493,794 and \$33,457,377 for the years ended June 30, 2018 and 2017, respectively. These contributions combined with employee contributions of \$9,668,000 and \$9,450,000 for the year ended June 30, 2018 and June 30, 2017, respectively were expected to cover the actuarially determined contributions.

Actuarial Assumptions

The actuarial assumptions above are based on the presumption that the ERS will continue indefinitely. Were the ERS to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial accrued liability.

For the June 30, 2017 actuarial valuation, the actuarial assumptions included the following:

Actuarial Costs Method	Entry Age Normal
Amortization Method	Level Percent Closed, 20-year Layers
Amortization Growth Rate	3.0%
Asset Valuation Method	3-year Smoothed Value
Inflation Rate	3.0%
Salary Increases – General	Average of 5.64% over a 30-year career; based on rates that vary by year of service and are compounded annually
Salary Increases – Public Safety	Average of 6.68% over a 30-year career; based on rates that vary by year of service and are compounded annually
Investment Rate of Return	7.0%
Mortality	RP-2000 Combined Healthy Mortality projected to 2010 by Scale AA for health lives RP-2000 Disabled Mortality projected to 2010 by Scale AA for disabled lives

The long-term expected rate of return on the ERS investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2017, are summarized in the following table:

Asset Class	30-year 2017	
	Long-term Expected Real Rate of Return	Target Allocations
Private Core Real Estate	4.75%	7.5%
Master Limited Partnerships	6.50%	7.5%
Core Fixed Income	1.00%	30.0%
Core Plus Income	1.50%	0.0%
Equity (ACWI IMI)	5.15%	55.0%
		100.0%

Discount Rate

The discount rate used to measure the total pension liability was 7.07%. The projection of cash flows used to determine the discount rate assumed that Plan member contributions will be made at the current contribution rate and that City contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. The GASB 67 depletion schedule, as prepared by the actuary based on those assumptions was presented for 99 years. Based on the assumptions, the pension plan's fiduciary net position was projected to be available to make projected future payments and pay administrative expenses. Projected benefit payments are discounted at the long-term expected return of 7.07% (net of investment expenses) to the extent the fiduciary net position is available to make the payments and at the municipal bond rate to the extent they are not available. The single equivalent rate to determine the total pension liability as of the measurement date of June 30, 2017 was 7.07%.

Net Pension Liability

The net pension liability was measured as of June 30, 2017 with an actuarial valuation date of June 30, 2017. Pension expense and liability are allocated to governmental and enterprise funds based on the actual employer contributions. Governmental funds typically used to liquidate the pension liability include the General fund, Storm Water, Towing, Waste Management, Grants, Community Development, Cemeteries, EOC/911 and Resiliency special revenue funds. The employer contributions made in fiscal year 2018 of \$32,422,926 for governmental activities and \$3,070,868 for business-type activities are included as deferred outflows. As of June 30, 2018, the City reported a net pension liability of \$257,322,829 in governmental activities and \$25,078,171 in business-type activities. The net pension liability is allocated based on employer's contributions during the measurement period. The percentage for governmental activities and business-type activities for 2017 was 91.1% and 8.9%, respectively. Changes to the ERS net pension liability are as follows:

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (a) - (b)
Balances at June 30, 2016	\$ 1,245,862,000	\$ 974,522,000	\$ 271,340,000
Service cost	26,310,000	-	26,310,000
Interest	86,974,000	-	86,974,000
Changes in Benefits Terms	590,000	-	590,000
Contributions - employer	-	33,457,000	(33,457,000)
Contributions - employee	-	9,450,000	(9,450,000)

Benefits payments, including refunds of member contributions	(83,977,000)	(83,977,000)	-
Difference between expected and actual Experience	(2,543,000)	-	(2,543,000)
Change in assumptions	53,197,000	-	53,197,000
Administrative expense	-	(668,000)	668,000
Balances at June 30, 2017	\$ 1,326,413,000	\$ 1,044,012,000	\$ 282,401,000

Sensitivity of the net pension liability to changes in the discount rate

The following presents the net pension liability, calculated using the discount rate of 7.07%, as well as what the City's ERS net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.07%) or 1-percentage-point higher (8.07%) than the current rate:

	1% Decrease (6.07%)	Current Discount Rate (7.07%)	1% Increase (8.07%)
ERS Net Pension Liability	\$ 428,092,000	\$ 282,401,000	\$ 159,146,000

Pension Expense and Deferred Inflows and Outflows of Resources Related to the ERS Pension

Total pension expense included for the City is \$38,876,116 for Governmental activities and \$3,845,955 for business-type activities or \$42,722,071 combined for the City.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

At June 30, 2018, deferred (inflows) outflows reported in the City's financial statements are as follows:

	Deferred (Inflows) Outflows of Resources		
	Governmental Activities	Business-Type Activities	Total
Net difference between expected and actual experience	\$ (6,040,215)	\$ (585,772)	\$ (6,625,987)
Net difference between projected and actual earnings on plan investments	7,401,877	725,710	8,127,587
Change in assumptions	(3,561,580)	(343,662)	(3,905,242)
Change in assumptions	36,354,694	3,543,059	39,897,753
Net change in proportionate share (Internal Service Funds)	1,890	-	1,890
Net change in proportionate share (Parking Facilities)	-	(97,682)	(97,682)
Net change in proportionate share (Water and Wastewater Utility)	-	180,174	180,174
Net change in proportionate share (Governmental Funds)	(84,385)	-	(84,385)
	<hr/> \$ 34,072,281	<hr/> \$ 3,421,827	<hr/> \$ 37,494,108

Deferred outflows related to pension contributions made after the measurement date of \$32,422,925 for governmental activities and \$3,070,865 for business-type activities, but before the end of the City's contributing reporting period will be recognized as a reduction of the net pension liability in the subsequent fiscal period. Other amounts related to deferred (inflows) outflows of resources will be recognized in pension expense as follows:

Amortization of Deferred (Inflows) Outflows				
Year Ended:	Governmental Activities	Business-type Activities	Total	
2019	\$ 4,553,396	\$ 500,868	\$ 5,054,264

B. Virginia Retirement System (VRS)

Plan Description – Virginia Retirement System

The School Board and the City of Norfolk both participate in pensions offered by the Virginia Retirement System (VRS), which include two agent multiple-employer plans (for school employee political subdivisions and City of Norfolk state constitutional offices) and a cost-sharing multiple-employer (for teachers) defined benefit pension plan as well as a hybrid plan which contains both defined benefit and defined contribution aspects. All full-time, salaried permanent employees of the School Board, Constitutional Offices of the City of Norfolk, (Commissioner of the Revenue, City Treasurer, Circuit Courts, Commonwealth's Attorney, Sheriff employees) and

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

other members of the School Board must participate in the VRS and are automatically covered by the respective VRS Plans upon employment. Members earn one month of service credit for each month they are employed and for which the City or the School Board and member pay contributions to VRS. Benefits vest after five years of service. Members hired before July 1, 2010, and who were vested as of January 1, 2013, are covered under Plan 1. Members hired or rehired on or after July 1, 2010, and Plan 1 members who were not vested on January 1, 2013, are covered under Plan 2. Members hired on or after January 1, 2014, are covered under the Hybrid Retirement Plan (Hybrid Plan), as well as Plan 1 and 2 members who are eligible and opted in during the election window which was January 1, 2014 to April 30, 2014. The Hybrid Plan combines the features of a defined benefit plan and a defined contribution plan. The defined benefit is based on a member's age, creditable service and average final compensation. The benefit from the defined contribution component is dependent upon member and employee contributions as well as investment performance. Under Plan 1, average final compensation is the average of the member's 36 consecutive months of highest compensation. Under Plan 2 and the Hybrid Plan, average final compensation is the average of the member's 60 consecutive months of highest compensation. The retirement multiplier for nonhazardous duty members is 1.70%. The multiplier for Plan 2 members was reduced to 1.65% effective January 1, 2013, unless they are hazardous duty employees and their employer has elected the enhanced retirement multiplier. The multiplier for the Hybrid Plan is 1.0%. The 2014 valuation included hybrid retirement plan members for the first time.

Retirees are eligible for an annual cost-of-living-adjustment (COLA) effective July 1 of the second calendar year after retirement. Under Plan 1, the COLA cannot exceed 5.0%; under Plan 2 and the Hybrid Plan, the COLA cannot exceed 3.0%. The VRS also provides death and disability benefits. Title 51.1 of the *Code of Virginia* (1950), as amended, assigns the authority to establish and amend benefit provisions to the General Assembly of Virginia.

The VRS issues a publicly available Comprehensive Annual Financial Report that includes financial statements and required supplementary information for the VRS. The report may be downloaded from the VRS website at <http://www.varetire.org/pdf/publications> or obtained by writing the VRS System at P.O. Box 2500, Richmond, Virginia 23218-2500.

Detailed information about the VRS Teacher Retirement Plan's fiduciary net position is available in the separately issued VRS 2017 Comprehensive Annual Financial Report (CAFR). A copy of the 2017 VRS CAFR may be downloaded from the VRS website at <http://www.varetire.org/Pdf/Publications/2017-annual-report.pdf> or by writing to the System's Chief Financial Officer at P.O. Box 2500, Richmond, VA 23218-2500.

The GASB 68 agent multiple-employer plan's annual actuarial report prepared by VRS for School Board contains combined information related to the School Board and Southeastern Cooperative Educational Programs (SECEP), a joint venture for which the School Board acts as a fiscal agent. As such, amounts reflected herein present only the School Board's proportionate share as of the measurement date which amounted to 99.26% and 99.18% as of June 30, 2017 and 2016, respectively. The

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

City's participation in the VRS agent multiple-employer plan resides solely within the governmental activities. The GASB 68 cost sharing plan's actuarial report contains combined information related to the School Board, SECEP, the Governor's School and Access College. As such, amounts herein present only the School Board's proportionate share as of the measurement date of the VRS Teacher Retirement Plan which amounted to 2.701% as of June 30, 2017 and 2.403% as of June 30, 2016.

Contributions

The contribution requirement for active employees governed by Section 51.1-145 of the Code of Virginia (1950), as amended, by the Virginia General Assembly changed the funding requirements for VRS employees. Employees are required to contribute 5.00% of their annual reported compensation to the VRS. The Employers actuarially determined contribution rates as of June 30, 2017, not including the employee 5.00% contributions were 8.95% of covered payroll for the City of Norfolk employees, 14.66% of the annual covered payroll for School Board professional employees and 8.49% of annual covered payroll for the other school employees based on the June 30, 2015 actuarial valuation. The actuarially determined rate, when combined with employee contributions, was expected to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

The School Board's contributions to the VRS for the fiscal years ended June 30, 2018, 2017 and 2016 for professional employees were \$29,028,062, \$26,582,248 and \$25,755,298, respectively: such amounts comprised 100% of the required statutory contributions for each of the three years. The School Board's contributions to the VRS for political subdivisions for the years ended June 30, 2018, 2017, and 2016 were \$1,434,613, \$1,408,370 and \$1,794,211, respectively.

The City of Norfolk contributions to the VRS for constitutional offices for the fiscal years ended June 30, 2018, 2017 and 2016 were \$2,337,890, \$2,406,428 and \$2,804,570, respectively, which is 100% of the actuarial determined contribution.

Actuarial Assumptions

The total pension liability was based on an actuarial valuation as of June 30, 2016, using the entry age normal actuarial cost method and the following assumptions, applied to all periods included in the measurement and rolled forward to the measurement date of June 30, 2017.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Actuarial cost method	Entry Age Normal
Amortization method	Level Percent Closed
Remaining amortization period	28, 20, and 19 years
Asset valuation method	5-year Smoothed Market
Actuarial assumptions	
Investment rate of return	7%, net of investment expense
Projected salary increases	3.50-5.35%
Includes inflation at	2.50%
Cost-of-living adjustments	2.25-2.5%

Mortality rates were based on the following (Agent Multiple Plans)

Pre-Retirement	RP-2014 Employee Rates to age 80, Healthy Annuitant Rates at ages 81 and older projected with Scale BB to 2020; males 95% of rates; females 105% of rates
Post-Retirement	RP-2014 Employee Rates to age 49, Healthy Annuitant Rates at ages 50 and older projected with Scale BB to 2020; males set forward 3 years; females 1% increase compounded from ages 70 to 90
Post-Disablement	RP-2014 Disabled Mortality Rates projected with scale BB to 2020; males set forward 2 years, 110% of rates; females 125% of rates

Mortality rates were based on the following (Cost Sharing Plan+A30)

Pre-Retirement	RP-2014 White Collar Employee rates to age 80, White Collar Healthy Annuitant rates at ages 81 and older projected with scale BB to 2020
Post-Retirement	RP-2014 White Collar Employee rates to age 49, White Collar Healthy Annuitant rates at ages 50 and older projected with scale BB; males 1% increase compounded from ages 70 to 90; females set back 3 years with 1.5% increase compounded from ages 65 to 70 and 2% increase compounded from ages 75 to 90
Post-Disablement	RP-2041 Disabled Mortality Rates projected with scale BB to 2020; 115% for males and females

The actuarial assumptions used in the June 30, 2016 valuation were based on the results of an actuarial experience study for the four-year period from July 1, 2012 through June 30, 2016. Changes to the actuarial assumptions as a result of the experience study are as follow:

- Updated mortality table to 2020
- Lowered rates at older ages and changed final retirement from 70 to 75
- Adjust withdrawal rates to better fit experience
- Lowered disability rates
- Salary scale remained unchanged

The long-term expected rate of return on pension plan investments was determined using a lag-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

inflation. The target allocation and best estimate of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class (Strategy)	Target Allocation	Arithmetic	Weighted Average
		Long-term	Long-term
Public Equity	40.00%	4.54%	1.82%
Fixed Income	15.00%	0.69%	0.10%
Credit Strategies	15.00%	3.96%	0.59%
Real Assets	15.00%	5.76%	0.86%
Private Equity	15.00%	9.53%	1.43%
Total	<u>100.00%</u>		<u>4.80%</u>
		Inflation	2.50%
*Expected arithmetic nominal return			<u>7.30%</u>

*The above allocation provides a one-year return of 7.30%. However, one-year returns do not take into account the volatility present in each of the asset classes. In setting the long-term expected return for the system, stochastic projections are employed to model future returns under various economic conditions. The results provide a range of returns over various time periods that ultimately provide a median return of 6.83%, including expected inflation of 2.50%.

Discount Rate

The discount rate used to measure the total pension liability was 7.00%. The projection of cash flows used to determine the discount rate assumed that member contributions will be made per the VRS Statutes and the employer contributions will be made in accordance with the VRS funding policy at rates equal to the difference between actuarially determined contribution rates adopted by the VRS Board of Trustees and the member rate. Through the fiscal year ending June 30, 2019, the rate contributed will be subject to the portion of the VRS Board-certified rates that are funded by the Virginia General Assembly. From July 1, 2019 on, the assumption is that the employer will contribute 100% of the actuarially determined contribution rates. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return was applied to all periods of projected benefit payments to determine the total pension liability.

Pension Expense and Deferred Inflows and Outflows of Resources

Deferred inflows and outflows are recorded for the net differences between actual and projected investment earnings, contributions made subsequent to the measurement date of June 30, 2017, and changes in proportionate share between June 30, 2017 and June 30, 2018. Pension expense reported for the fiscal year ended June 30, 2018 for the City of Norfolk, the School Board Political Subdivisions and the School

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Board Teachers was \$1,032,682, \$444,864 and \$16,191,191, respectively. At June 30, 2018, the reported deferred inflows of resources related to pensions from the following sources:

Deferred Inflows of Resources					
	Agent City of Norfolk Constitutional Offices	Multiple-Employer Plans School Board Non-Professional	Cost Sharing Plan School Board Teachers		
Change in proportion and difference between contribution and proportionate rate	\$ -	\$ 12,826	\$ 16,244,230

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Payables to the Pension Plan

As of June 30, 2018, the School Board reported a payable of \$196,949 for the outstanding amount of contributions to the political subdivision pension plan required for the year ended June 30, 2018.

As of June 30, 2018, the School Board reported a payable of \$3,590,980 for the outstanding amount of contributions to the teacher's pension plan required for the year ended June 30, 2018.

XI. Deferred Compensation Plan

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The Plan, available to all City employees, permits them to defer a portion of their salary until future years. In the calendar year 2018, the deferral may be up to 25 percent of gross income up to a maximum of \$18,500 per year with increases to the annual contribution limit for catch-up contributions for participants over age 50 or for participants for three years prior to normal retirement age. The benefits from the deferred compensation plan are not available to employees until termination, retirement, death or unforeseeable emergency.

The laws governing the City's deferred compensation plan have been complied with pursuant to the provisions of IRC Section 457. Accordingly, all assets of the plan are held in trust for the exclusive benefit of the participants and their beneficiaries.

XII. Other Post-employment Benefits (OPEB)

A. City of Norfolk Sponsored Other Post-employment Benefits

Plan Description

The City of Norfolk and the Norfolk School Board provide post-retirement healthcare benefits, in accordance with adopted statutes, which require extending access to healthcare benefits to certain retirees. General City employees are eligible to participate at the earlier of age 55 and 15 years of creditable service or 25 years of creditable service. City firefighters and police officers, who have a mandatory retirement age of 65, are eligible to participate at the earlier of age 50 and 15 years of creditable service or 20 years of creditable service. Employees who retire on accidental disability are also eligible. Grandfathered school employees (hired prior to July 1, 2008) who are older than age 50 with at least 5 years of service are eligible as well as non-grandfathered school employees who are older than age 50 with 15 years of creditable service. Retirees that elect to participate may purchase healthcare coverage using the same health care plans and premium structures available to active employees. Retiree participation, plan/benefit elections and contributions, are administered by the City's Retirement Bureau and the City's and the School Boards' benefits offices based on the participation guidelines established by the Norfolk City Council and the Norfolk School Board. Benefits are currently managed on a pay-as-you-go basis and a separate financial report of the OPEB Plan is not issued. No assets

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

are accumulated in a trust that meets the criteria established in paragraph 4 of Governmental Accounting Standards Board Statement No. 75. Therefore, rather than a net OPEB liability, the City and School Board report a total OPEB liability. The Plan is considered a single-employer plan. As of July 1, 2012, the City became responsible for payment of the Line of Duty Act benefits (LODA). These benefits, which cover certain hazardous duty personnel who are paid or who volunteer, are included as part of the total OPEB liability in the City's financial statements.

Employees Covered by Benefit Terms

As of the June 30, 2017 actuarial valuation, the following employees were covered by the benefit terms of the Plan:

	City	Line of Duty	School Board
Inactive member or their beneficiaries			
currently receiving benefits	197	70	204
Active members	<u>3,944</u>	<u>1,148</u>	<u>4,541</u>
Total	<u><u>4,141</u></u>	<u><u>1,218</u></u>	<u><u>4,745</u></u>

Contributions

No employee contributions are required prior to retirement to participate in or fund the OPEB Plan. The City and the School Board committed to a set contribution amount as an explicit subsidy of \$25 or \$35 per month for the City and \$75 per month for the School Boards per participating retiree. Effective January 1, 2014, the City and the School Boards eliminated healthcare coverage for post 65 retirees (e.g. retirees eligible for Medicare) along with the \$25 or \$35 and \$75 monthly subsidy, respectively. The pre-65 retirees will continue to receive the subsidy and will participate in the consortium with the active employees. Retirees may not convert the benefit into an in-lieu payment to secure coverage under independent plans. The Plan sponsors also pay an implicit subsidy by allowing retirees to participate in the same benefit plans under the same premium structure as available to active employees, however, the Plan sponsors are not required to fund the plan other than the pay-as-you-go amount necessary to provide current benefits to employees.

Total OPEB Liability

The City's and the School Boards' total OPEB liability was measured as of June 30, 2017. The total OPEB liability was determined by an actuarial valuation performed as of June 30, 2017 using updated actuarial assumptions applied to all periods included in the measurement.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Actuarial Assumptions

For the June 30, 2017 actuarial valuation, the actuarial assumptions included the following:

Actuarial Costs Method	Entry Age Normal
Amortization Method	Level Percent Open
Asset Valuation Method	Not Applicable
Investment Rate of Return	3.58%
Rate of Salary Increases	3.50%
Rate of Medical Inflation	7.55% (Pre-Medicare) grading to 3.00% over 18 years
Mortality (City)	108% of RP-2014 adjusted back to 2006 using MP-2014 and brought forward to 2016 using MP-2016 and generational improvements of 0.75% per year (ages<86) thereafter 100% of RP-2014 Disabled Mortality adjusted back to 2006 using MP-2014 and brought forward to 2016 using MP-2016 and generational improvements of 0.75% per year (ages<86) thereafter
Mortality (School Board)	RP-2014 White Collar Employee Rates to age 80, White Collar Healthy Annuitant Rates at ages 81 and older projected with Scale BB to 2020 RP-2014 White Collar Employee Rates to age 49, White Collar Healthy Annuitant at ages 50 and older projected with Scale BB to 2020; males 1% increase compounded from ages 70 to 90; females setback 3 years with 1.5% increase compounded from ages 65 to 74 and 2% increase compounded from ages 75 to 90 RP-2014 Disabled Mortality Rates projected with Scale BB to 2020; 115% of rates for males and females

Projections of benefits for financial reporting purposes are based on the plan and include the types of benefits provided at the time of each valuation. The actuarial methods and assumptions used include techniques designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events in the future. Actuarial valuations are subjected to continual revisions as actual results are compared to past expectations and new estimates are made about the future.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Discount Rate

The discount rate used to measure the total OPEB liability as of June 30, 2017 was 3.58%. Since the Plan utilizes a pay-as-you-go contribution policy, the discount rate used at the June 30, 2017 measurement date was based on the Bond Buyer GO 20-Bond Municipal Bond Index.

Changes in Total OPEB Liability

The total pension liability was measured at of June 30, 2017 with an actuarial valuation date of June 30, 2017. OPEB expense and liability are allocated to governmental and enterprise funds. As of June 30, 2018, the City reported a total OPEB liability of \$66,256,614 in governmental activities and \$2,868,813 in business-type activities. Changes to the total OPEB liability are as follows:

	City	Line of Duty	School Board	Total OPEB Liability
Balance at June 30, 2016	\$ 29,647,567	\$ 22,284,435	\$ 60,290,035	\$ 112,222,037

	<u>\$ 344,849</u>	<u>\$ (4,843,715)</u>	<u>\$ (11,786,278)</u>

Other OPEB Plans

The City provides supplemental life insurance benefits through General fund appropriation to the state employees of its constitutional offices. The respective costs and related net OPEB liability of these benefits are not significant.

B. Virginia Retirement System Post-employment Benefits Trust Funds

The Virginia Retirement System (VRS) is an independent agency of the Commonwealth of Virginia. VRS administers several post-employment benefit trust funds. The School Board participates in two of those funds, the Group Life Insurance Plan (GLI) and the Retiree Health Insurance Credit Plan (HIC). The VRS Board of Trustees is responsible for the general administration and operation of the pension plans and other employee benefit plans. VRS issues a Comprehensive Annual Financial Report (CAFR) containing the financial statements and required supplementary information for all of the system's pension and other employee benefit trust funds. The VRS CAFR is publicly available on the VRS website at www.varetire.org. The pension and other trust funds administered by VRS are classified as fiduciary funds and are included in the basic financial statements of the Commonwealth of Virginia.

Group Life Insurance (GLI)

The Virginia Retirement System Group Life Insurance Program is a multiple employer, cost-sharing plan. It provides coverage to state employees, teachers, and employees of participating political subdivisions. The GLI program was established pursuant to §51.1-500 et seq. of the Code of Virginia, as amended, and which provides the authority under which benefit terms are established or may be amended. The GLI program is a defined benefit plan that provides a basic group life insurance benefit for employees of participating employers.

Plan Description

The VRS Group Life Insurance Program upon employment automatically covers all full-time salaried permanent employees of the state agencies, teachers and employees of participating political subdivisions. In addition to the basic GLI benefits,

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

members are also eligible to elect additional coverage for themselves as well as spouse or dependent children through the Optimal Group Life Insurance Program.

Contributions

The contribution requirements for the Group Life Insurance Program are governed by §51.1-506 and §51.1-508 of the Code of Virginia, as amended, but may be impacted as a result of funding provided to state agencies and school divisions by the Virginia General Assembly. The total rate of the GLI Program was 1.31% of covered employee compensation. This was allocated into an employee and an employer component using a 60/40 split. The employee component was 0.79% of the 1.31% and the employer component was 0.52% of the covered employee compensation. This rate was based on an actuarially determined rate from an actuarial valuation as of June 30, 2015. The actuarially determined rate, when combined with employee contributions, was expected to finance the costs of benefits payable during the year, with an additional amount to finance any unfunded accrued liability.

Actuarial Assumptions

The total GLI OPEB liability was based on an actuarial valuation as of June 30, 2016, using the Entry Age Normal actuarial cost method and the following assumptions, applied to all periods included in the measurement and rolled forward to the measurement date of June 30, 2017.

Inflation	2.5%
Salary Increases, including inflation	
Teachers	3.5% - 5.35%
Locality – General employees	3.5% - 5.35%
Investment Rate of Return	7.0% net of plan investment expenses, including inflation
Mortality Rates – Teachers:	
Pre-Retirement	RP-2014 White Collar Employee Rates to age 80, White Healthy Annuitant Rates at ages 81 and older projected with Scale BB to 2020
Post-Retirement	RP-2014 White Collar Employee Rates to age 49, White Collar Healthy Annuitant rates at ages 50 and older projected with Scale BB to 2020; males 1% increase compounded from ages 70 to 90; females set back 3 years with 1.5% increase compounded from ages 65 to 70 and 2% increase compounded from ages 75 to 90
Post-Disablement	RP-2014 Disability Mortality Rates with Scale BB to 2020; 115% of rates for males and females

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

The actuarial assumptions used in the June 30, 2016 valuation were based on the results of an actuarial experience study for the four-year period from July 1, 2012 through June 30, 2016. Changes to the actuarial assumption as a result of the experience study are as follows:

Mortality Rates	Updated to a more current mortality table – RP-2014 projected to 2020
Retirement Rates	Lowered rates at older ages and changed final retirement from 70 to 75
Withdrawal Rates	Adjusted rates to better fit experience at each year age and service through 9 years of service
Disability Rates	Adjusted rates to better match experience
Salary Scale	No change

The estimated Group Life Insurance OPEB liability (NOL) applicable to the School Board determined by VRS in accordance with GASB Statement No. 74 less the School Board's proportion of the Plan Fiduciary Net Position is as follows:

Total GLI OPEB Liability	\$ 34,249,839
Plan Fiduciary Net Position	<u>18,089,171</u>
GLI Net OPEB Liability	<u><u>\$ 16,160,668</u></u>

Discount Rate

The discount rate used to measure the total GLI OPEB liability was 7.00%. The projections of cash flows used to determine the discount rate assumed that employer contributions would be made in accordance with the VRS funding policy and at rates equal to the actuarially determined contribution rates adopted by the VRS Board of Trustees. Through the fiscal year ending June 30, 2019, the rate contributed by the school divisions for the VRS GLI OPEB plan will be subject to the portion of the VRS Board certified rates that are funded by the Virginia Assembly. From July 1, 2019 on, school divisions are assumed to contribute 100% of the actuarially determined contribution rates.

Long-Term Expected Rate of Return

The long-term expected rate of return on VRS System investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of VRS System investment expense and inflation) are developed for each major asset class. The target asset allocation and best estimate of arithmetic real rates of return for each major asset class are summarized in the following table:

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Asset Class (Strategy)	Target Allocation	Arithmetic	Weighted Average
		Long-term Expected Real Rate of Return	Long-term Expected Real Rate of Return
Public Equity	40.00%	4.54%	1.82%
Fixed Income	15.00%	0.69%	0.10%
Credit Strategies	15.00%	3.96%	0.59%
Real Assets	15.00%	5.76%	0.86%
Private Equity	15.00%	9.53%	1.43%
Total	<u>100.00%</u>		<u>4.80%</u>
		Inflation	2.50%
*Expected arithmetic nominal return			<u>7.30%</u>

Sensitivity of the Net OPEB Liability to Changes in the Discount Rate

The following presents the net OPEB liability using the discount rate of 7.0%, as well as what the net OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (6.0%) or one percentage point higher (8.0%) than the current rate:

	1% Decrease (6.0%)	Current Discount Rate (7.0%)	1% Increase (8.0%)
GLI Net OPEB Liability - Teachers	\$ 19,296,417	\$ 14,976,053	\$ 11,370,748
GLI Net OPEB Liability - Political Subdivisions	\$ 1,530,466	\$ 1,184,614	\$ 902,736

VRS GLI OPEB Expense and Deferred Inflows and Outflows of Resources for Teachers

For the year ended June 30, 2018, the School Board recognized OPEB Group Life Insurance expense of \$89,395. At June 30, 2018, the School Board reported deferred outflows of resources and deferred inflows of resources related to VRS GLI OPEB as follows:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Change in proportion and difference between contribution and proportionate rate	\$ -	\$ 511,111
Change in assumptions	-	771,794
Differences between expected and actual experience	5,058	331,624
Net difference between projected and actual earnings on Plan investments	-	563,247
Contributions after measurement date	2,358,991	\$ 2,177,776
	<u>\$ 2,364,049</u>	<u>\$ 2,177,776</u>

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to GLI OPEB will be recognized in GLI OPEB expense as follows:

Amortization of Deferred Inflows and Outflows

Year Ended:		
2019	\$	(473,166)
2020		(473,166)
2021		(473,166)
2022		(473,194)
2023		<u>(280,026)</u>
	<u>\$</u>	<u>(2,172,718)</u>

VRS GLI OPEB Expense and Deferred Inflows and Outflows of Resources for Political Subdivisions

For the year ended June 30, 2018, the School Board recognized OPEB Group Life Insurance expense of \$14,626 and a Net OPEB liability of \$1,184,614. At June 30, 2018, the School Board reported deferred outflows of resources of \$200,057, of which \$197,106 was due to contributions subsequent to the measurement date. The School Board also reported deferred inflows of resources \$131,624 related to VRS GLI OPEB.

Employer Contribution

Employers' proportionate shares were calculated based on historical employer contributions. Although GASB Statement No. 75 encourages the use of the employer's projected long-term contribution efforts to the other post-employment benefit plan, allocating on the basis of historical employer contributions is considered acceptable. Employer contributions recognized by the VRS GLI OPEB Plan that are not representative of the future contribution efforts are excluded in the determination of employers' proportionate shares. The School Board's total employer contribution into the GLI program for the year ended June 30, 2017 was \$1,205,119.

Health Insurance Credit Plan (HIC)

Plan Description

The Virginia Teacher Employee Health Insurance Credit Program automatically covers all full-time, salaried, permanent (professional) employees of public school divisions. This plan is administered by the Virginia Retirement System along with other pension and OPEB plans. Members earn one month of service credit toward the benefit for each month they are employed and for which their employer pays contributions to VRS. The health insurance credit is a tax-free reimbursement in an amount set by the General Assembly for each year of service credit against qualified health insurance premiums retirees pay for single coverage, excluding any portion covering the spouse or dependents. The credit cannot exceed the amount of the premiums and end upon the retiree's death. The program was established in 1993 for retired teacher employees covered under VRS who retired with at least 15 years of service credit. At retirement, for teacher and other professional school employees, the monthly benefit is \$4.00 per year of service per month with no cap on the benefit amount. For teachers

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

or other professional employees who retire on disability or go on long-term disability under the Virginia Local Disability Program (VLDP), the monthly benefit is either:

- \$4.00 per month multiplied by twice the amount of service credit, or
- \$4.00 per month multiplied by the amount of service earned had the employee been active until age 60, whichever is lower.

Contributions

The contribution requirement for active employees is governed by §51.1-1401(E) of the Code of Virginia, as amended, but may be impacted as a result of funding provided to the school divisions by the Virginia General Assembly. Each school division's contractually required employer contribution rate for the year ended June 30, 2018 was 1.23% of covered employee compensation for employees in the VRS Teacher Employee Health Insurance Credit Program. This rate was based on an actuarial valuation as of June 30, 2015. The actuarially determined rate was expected to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

Actuarial Assumptions

The total Teacher Health Insurance Credit OPEB liability was based on an actuarial valuation as of June 30, 2016, using the Entry Age Normal actuarial cost method and the following assumptions, applied to all periods included in the measurement and rolled forward to the measurement date of June 30, 2017.

Inflation	2.5%
Salary Increases, including inflation	3.5% - 5.95%
Investment Rate of Return	7.0% net of plan investment expenses, including inflation
Mortality Rates – Teachers: Pre-Retirement	RP-2014 White Collar Employee Rates to age 80, White Healthy Annuitant Rates at ages 81 and older projected with Scale BB to 2020
Post-Retirement	RP-2014 White Collar Employee Rates to age 49, White Collar Healthy Annuitant rates at ages 50 and older projected with Scale BB to 2020; males 1% increase compounded from ages 70 to 90; females set back 3 years with 1.5% increase compounded from ages 65 to 70 and 2% increase compounded from ages 75 to 90
Post-Disablement	RP-2014 Disability Mortality Rates with Scale BB to 2020; 115% of rates for males and females

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

The actuarial assumptions used in the June 30, 2016 valuation were based on the results of an actuarial experience study for the four-year period from July 1, 2012 through June 30, 2016. Changes to the actuarial assumption as a result of the experience study are as follows:

Mortality Rates	Updated to a more current mortality table – RP-2014 projected to 2020
Retirement Rates	Lowered rates at older ages and changed final retirement from 70 to 75
Withdrawal Rates	Adjusted rates to better fit experience at each year age and service through 9 years of service
Disability Rates	Adjusted rates to better match experience
Salary Scale	No change

The net Health Insurance Credit OPEB liability (NOL) was determined in accordance with GASB Statement No. 74. As of June 30, 2017, the NOL portion of the VRS Teacher Health Insurance Credit Program applicable to the School Board is as follows:

Total Teacher HIC OPEB Liability	\$ 36,846,954
Plan Fiduciary Net Position	<u>7,551,257</u>
HIC Net OPEB Liability	<u>\$ 29,295,697</u>

Plan fiduciary net position as a percentage of the total Teacher HIC liability was 7.04%. The total Teacher HIC OPEB liability is calculated by the VRS actuary, and each plan's fiduciary net position is reported in the VRS financial statements.

Discount Rate

The discount rate used to measure the total HIC OPEB liability was 7.00%. The projections of cash flows used to determine the discount rate assumed that employer contributions would be made in accordance with the VRS funding policy and at rates equal to the actuarially determined contribution rates adopted by the VRS Board of Trustees. Through the fiscal year ending June 30, 2019, the rate contributed by the school divisions for the VRS HIC OPEB plan will be subject to the portion of the VRS Board certified rates that are funded by the Virginia Assembly. From July 1, 2019 on, school divisions are assumed to contribute 100% of the actuarially determined contribution rates.

Long-Term Expected Rate of Return

The long-term expected rate of return on VRS System investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of VRS System investment expense and inflation) are developed for each major asset class. The target asset allocation

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

and best estimate of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class (Strategy)	Target Allocation	Arithmetic	Weighted Average
		Long-term	Long-term
Public Equity	40.00%	4.54%	1.82%
Fixed Income	15.00%	0.69%	0.10%
Credit Strategies	15.00%	3.96%	0.59%
Real Assets	15.00%	5.76%	0.86%
Private Equity	15.00%	9.53%	1.43%
Total	<u>100.00%</u>		<u>4.80%</u>
		Inflation	2.50%
*Expected arithmetic nominal return			<u>7.30%</u>

Sensitivity of the Net OPEB Liability to Changes in the Discount Rate

The following presents the net OPEB liability using the discount rate of 7.0%, as well as what the net OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (6.0%) or one percentage point higher (8.0%) than the current rate:

	1% Decrease (6.0%)	Current Discount Rate (7.0%)	1% Increase (8.0%)
HIC Net OPEB Liability	\$ 32,673,489	\$ 29,295,697	\$ 26,385,653

VRS HIC OPEB Expense and Deferred Inflows and Outflows of Resources

For the year ended June 30, 2018, the School Board recognized OPEB Health Insurance Credit expense of \$2,227,779. At June 30, 2018, the School Board reported deferred outflows of resources and deferred inflows of resources related to VRS HIC OPEB as follows:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Change in assumptions	\$ -	\$ 1,041,879
Differences between expected and actual experience	8,561	52,992
Net difference between projected and actual earnings on Plan investments	-	300,854
Contributions after measurement date	2,201,938	
	<u>\$ 2,210,499</u>	<u>\$ 1,395,725</u>

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to GLI OPEB will be recognized in GLI OPEB expense as follows:

Amortization of Deferred Inflows and Outflows

Year Ended:	\$	
2019	\$	(291,100)
2020		(291,100)
2021		(291,100)
2022		(290,864)
2023		(223,000)
	<hr/>	<hr/>
	\$	(1,387,164)

Employer Contribution

Employers' proportionate shares were calculated based on historical employer contributions. Although GASB Statement No. 75 encourages the use of the employer's projected long-term contribution efforts to the other post-employment benefit plan, allocating on the basis of historical employer contributions is considered acceptable. Employer contributions recognized by the VRS HIC OPEB Plan that are not representative of the future contribution efforts are excluded in the determination of employers' proportionate shares. The School Board's total employer contribution into the HIC program for the year ended June 30, 2017 was \$2,022,912.

Other OPEB Plans

The City provides supplemental life insurance benefits through General fund appropriation to the state employees of its constitutional offices. The respective costs and related net OPEB liability of these benefits are not significant.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

XIII. Interfund Receivable and Payable Balances

The composition of interfund activity as June 30, 2018, is as follows:

Receivable Fund	Payable Fund	Amount
General fund	Capital Projects fund	\$ 5,256,709
	Non-major Governmental funds	2,874,453
	Water Utility fund	141,096
	Total General fund	\$ 8,272,258
Capital Projects fund	Parking Facilities fund	\$ 15,207,089
	Water Utility fund	13,125,200
	Wastewater Utility fund	196,001
	Non-major Governmental funds	147,096
	Total Capital Projects fund	\$ 28,675,386

XIV. Interfund Transfers

The outstanding balances between funds result mainly from the time lag between the dates (1) interfund goods and services are provided or reimbursement occurs, (2) transactions are recorded in the accounting system and (3) payment between funds are made.

The following interfund transfers occurred during fiscal year 2018:

Fund	In	Out
General	\$ 16,888,089	\$ 76,973,896
Capital Projects	3,902,456	2,790,717
Debt Service	79,899,758	-
Non-major Governmental	7,859,918	18,785,608
Water Utility	-	8,500,000
Wastewater Utility	-	1,500,000
	<hr/> <u>\$ 108,550,221</u>	<hr/> <u>\$ 108,550,221</u>

The purpose of the transfer balances are as follows:

General fund transfers in of \$16,888,089 include \$8,500,000 from the Water Utility fund, \$185,824 from the Waste Management fund, \$1,500,000 from the Wastewater Utility fund, \$3,702,265 from the Tax Increment Financing special revenue fund, and \$3,000,000 from the Public Amenities special revenue fund.

The General fund transfers out of \$76,973,896 represent a transfer of \$70,617,439 to the Debt Service fund to fund general obligation debt, \$1,587,256 to the Capital Projects fund as a contribution for the annual capital improvement plan budget, \$3,974,057 to the Grants special revenue fund in support of grant projects, \$112,148 to the Cemeteries special revenue fund, \$85,472 to the Towing & Recovery Operations special revenue fund and \$570,834 to the Emergency Operations Center/911 special revenue fund.

The Capital Projects fund transferred \$2,790,717 to the Grants special revenue fund for matching. Capital projects transfers in included \$1,587,256 from the General fund, \$1,000,000 from the Public Amenities special revenue fund and \$1,315,200 from the Storm Water special revenue fund.

Debt service transfers in of \$79,899,758 include \$3,422,084 from the Storm Water special revenue fund, \$3,381,960 from the Public Amenities special revenue fund, \$203,402 from the Towing & Recovery Operations special revenue fund, \$711,139 from the Waste Management special revenue fund, \$1,563,734 from the Tax Increment Financing special revenue fund and \$70,617,439 from the General fund to fund the current fiscal year's debt service payments.

The Storm Water special revenue fund transferred \$3,422,084 to the Debt Service fund to cover its general obligation debt service cost, and \$1,315,200 to the Capital Projects fund to support the fund's capital related projects.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

The Public Amenities special revenue fund transferred \$3,000,000 to the General fund, \$1,000,000 to the Capital Projects fund and \$3,381,960 to cover its general obligation debt service cost.

The Towing & Recovery Operations special revenue fund transferred \$203,402 to the Debt Service fund to cover its general obligation debt service cost.

The Endowed Care special revenue fund transferred \$300,000 to the Cemeteries fund in support of the City's cemeteries.

The Tax Increment Financing special revenue fund transferred \$3,702,265 to the General fund and \$1,563,734 to the Debt Service fund to cover its general obligation debt service costs.

The Water and Wastewater Utility funds transferred \$8,500,000 and \$1,500,000 to the General fund, respectively.

NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

XV. Fund Balance by Functional Category (GASB 54)

In the fund financial statements, fund balances for governmental funds are reported in classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Fund balances are reported in five components as follows:

	General fund	Capital Projects fund	Non-major Governmental funds	Total Governmental funds
FUND BALANCES				
Restricted				
General government	\$ 145,000	\$ -	\$ -	\$ 145,000
Judicial administration	-	-	162,602	162,602
Public safety	-	-	311,369	311,369
Public works	-	-	1,867	1,867
Health and public assistance	-	-	19,554	19,554
Culture and recreation	-	-	5,831,596	5,831,596
Community development	-	-	13,073	13,073
Total Restricted	145,000	-	6,340,061	6,485,061
Committed				
General government	9,347,282	-	-	9,347,282
Judicial administration	-	-	72,221	72,221
Public safety	-	-	27,251	27,251
Public works	-	-	6,092,791	6,092,791
Health and public assistance	-	-	1,018,333	1,018,333
Culture and recreation	-	-	111,837	111,837
Total Committed	9,347,282	-	7,322,433	16,669,715
Assigned				
General government	25,400,423	-	1,714,825	27,115,248
Judicial administration	-	-	-	-
Public safety	-	-	527,558	527,558
Public works	-	-	5,162,074	5,162,074
Health and public assistance	747,729	-	104,696	852,425
Culture and recreation	86,405	-	13,874,019	13,960,424
Community development	-	-	117,957	117,957
Education	15,000,000	-	-	15,000,000
(FY-2019 Budget appropriation)	2,883,198	-	-	2,883,198
Total Assigned	44,117,755	-	21,501,129	65,618,884
Unassigned				
Other	70,962,327	(128,798,692)	(822,877)	(58,659,242)
Total Unassigned	70,962,327	(128,798,692)	(822,877)	(58,659,242)
Total fund balances	\$ 124,572,364	\$ (128,798,692)	\$ 34,340,746	\$ 30,114,418

There is a fund deficit in the Capital Projects fund of \$128,798,692 resulting from a management decision to finance capital projects with existing cash and draws from a Line of Credit established with the Bank of America to reduce interest expense. The line of credit draws, over time, will be replaced with long-term debt.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

XVI. Deferred Inflows and Outflows of Resources

Deferred inflows and deferred outflows of resources, as represented in the entity wide and fund financial statements at June 30, 2018, are comprised of the following:

A. Unavailable Revenues

Deferred inflows in the General fund and nonmajor governmental funds, representing uncollected tax billings and other accounts receivable not available for funding of current expenditures, were \$28,884,786 and \$3,595,500, respectively as of June 30, 2018.

B. Deferred Inflows and Outflows from Refunding Transactions

Refunding transactions for the City of Norfolk have resulted in a Loss on Defeasance on the entity-wide financial statements of \$23,638,737 for governmental activities and \$22,925,388 for business-type activities which consists of a loss of \$12,973,660 for the Water Utility fund, \$3,182,861 for the Wastewater Utility fund and \$6,768,867 for Parking Facilities fund. Gains on the defeasance of debt are reported on the financial statements as deferred inflows of resources and were \$199,358 for governmental activities and \$16,946 for business-type activities, specifically \$15,514 for the Wastewater Utility fund and \$1,432 for Parking Facilities fund.

C. Deferred Inflows and Outflows Related to Pensions

Deferred inflows from pension-related items represent the difference between actual and estimated experience and is amortized over a five-year period or estimated remaining service life. As June 30, 2018, the amount reported as governmental activities was \$13,083,193 (which includes the Fleet Management fund of \$114,372), and the amounts reported in business-type activities were \$622,487 for the Water Utility fund, \$183,360 for the Wastewater Utility fund, and \$221,269 for the Parking Facilities fund.

Deferred outflows from pension-related items represent the difference between projected and actual investment earnings as well as contributions made in fiscal year 2018 that will not be reflected in the pension liabilities because they were made after the measurement date. The amounts included as deferred outflows of resources in the June 30, 2018 financial statements are \$78,519,276 for governmental activities (which includes \$907,320 in the Fleet Management fund), \$5,049,890 for the Water Utility fund, \$1,518,840 for the Wastewater Utility fund and \$951,078 for the Parking Facilities fund.

D. Deferred Inflows and Outflows Related to OPEB

Deferred inflows from OPEB-related items represent the difference between actual and estimated experience and changes in assumptions and are amortized over a seven-year period. As June 30, 2018, the amount reported as governmental activities was \$5,968,385 (which includes the Fleet Management fund of \$30,278), and the

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

amounts reported in business-type activities were \$72,075 for the Water Utility fund, \$21,503 for the Wastewater Utility fund and \$14,668 for the Parking Facilities fund.

Deferred outflows from OPEB-related items represent the difference between actual and estimated experience and changes in assumptions as well as contributions made in fiscal year 2018 that will not be reflected in the OPEB liabilities because they were made after the measurement date. The amounts included as deferred outflows of resources in the June 30, 2018 financial statements are \$3,566,242 for governmental activities (which includes \$29,801 in the Fleet Management fund), \$174,958 for the Water Utility fund, \$59,828 for the Wastewater Utility fund and \$30,671 for the Parking Facilities fund.

XVII. Commitments and Contingencies

A. Capital Projects

Commitments for completion of capital projects in the business-type activities, authorized at June 30, 2018, are as follows:

Water Utility fund projects	\$24,995,454
Wastewater Utility fund projects	12,523,924
Parking Facilities fund projects	2,484,280
Total	<u><u>\$40,003,658</u></u>

See Exhibit J-3 Schedule of Expenditures – Budget and Actual for listing of capital projects in the governmental activities, authorized at June 30, 2018.

B. Contingent Liabilities

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures that may be disallowed by the grantor cannot be determined at this time, although the City expects such amounts, if any, to be immaterial.

C. Litigation

In fiscal year 2017, the City received notice of threatened litigation for unlawful conviction and incarceration for four separate plaintiffs. This litigation resulted in a settlement that has been accrued in fiscal year 2018. From time to time the City and its component units are defendants in a number of lawsuits. Although it is not possible to determine the final outcome on these matters, management and the City Attorney are of the opinion that the liability will not be material and will not have a significant effect on the City's financial condition.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

D. Pollution Remediation Obligation

GASB Statement 49, *Accounting and Financial Reporting for Pollution Remediation Obligations*, identifies the circumstances under which a governmental entity would be required to report a liability related to pollution remediation. According to the standard, a government would have to estimate its expected outlays for pollution remediation if it knows a site is polluted and any of the following recognition triggers occur:

- Pollution poses an imminent danger to the public or environment and the government has little or no discretion to avoid fixing the problem;
- A government has violated a pollution prevention related permit or license;
- A regulator has identified (or evidence indicates it will identify) a government as responsible (or potentially responsible) for cleaning up pollution, or for paying all or some of the cost of the clean-up;
- A government is named (or evidence indicates that it will be named) in a lawsuit to compel it to address the pollution; and
- A government begins or legally obligates itself to begin cleanup or post-cleanup activities (limited to amounts the government is legally required to complete).

At June 30, 2018, the Wastewater Utility fund recorded a liability for pollution remediation in the amount of \$294,102.

E. Encumbrances

Encumbrances as of June 30, 2018, in the General fund and Capital Projects fund totaled \$15,099,361 and \$58,216,933 respectively. Encumbrances as of June 30, 2018, for nonmajor governmental funds in the aggregate totaled \$30,456,119.

XIX. Tax Abatements

As of June 30, 2018, the City provides tax abatements through five programs – the Tax Abatement Program, Technology Zone, New Business License Incentive Program, Local Utility Tax Relief and the Economic Development Program. The details of these programs for the fiscal year ended June 30, 2018, are as follows:

		Tax Abatement Program	Technology Zone	New Business License Incentive Program	Local Utility Tax Relief	Economic Development Program
1	Purpose of the program	Encourages significant improvement of residential, commercial and industrial properties throughout the City, that is of the highest construction quality and architectural design complementing the surrounding area.	Intended to reduce business, professional and occupational license tax for technology-related businesses up to 5 years if they are established in the "Technology Zone."	A temporary exemption in business license tax is available to new businesses that locate in Norfolk after January 1, 2016.	Intended to reduce business utility taxes for a five-year period if they are located in the "Enterprise Zone (EZ)."	To incentivize businesses to locate to the City of Norfolk.
2	Type of tax abatement	Property Tax	Business, professional and occupational license tax	Business License Tax	Utility Tax	Personal Property, Real Estate and Business Tangible Property
3	Authority for program	Norfolk Municipal Code Section 24-203 & Section 27-76	Norfolk Code of Ordinance Chapter 45.6	"Norfolk Municipal Code Section 24-25.9 and 24-25.2	City Ordinance § 45.5-5	City Council, designated to the City Manager
4	Administering department	Office of the Real Estate Assessor	Department of Development	Commissioner of the Revenue	Department of Development	Department of Development
5	Criteria to be eligible to receive abatement	A. Residential structure must be at least 15 years old and improvements will increase assessed value by at least 20%. B. Multi-family, commercial or industrial structure must be at least 50 years old and improvements will increase assessed value by at least 40%.	Applicants must meet criteria of establishing their technology related business according to certain criteria mention in the above-mentioned ordinance.	The business must apply and meet several criteria. Below is a list of the top 3 requirements: 1) Must be locating to Norfolk for the first time (name change, merger or acquisition are disqualifiers). 2) Must not file a consolidated financial statement with a parent or other affiliated entity with combined taxable gross	Existing EZ businesses must make a \$100,000 taxable investment within the Enterprise Zone. New EZ businesses must make a \$500,000 taxable investment within the Enterprise Zone.	The City evaluates all economic development opportunities on an individual basis. The economic development agreements are specific to each developer and generally constitute a significant economic development opportunity for the City and have a positive factor in achieving the objectives of the

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

		Tax Abatement Program	Technology Zone	New Business License Incentive Program	Local Utility Tax Relief	Economic Development Program
				receipts of more than \$1 million. 3) Can't be considered an affiliated group or have a franchisee relationship.		City and are worthy of inducement.
6	"How recipients' taxes are reduced	Through a reduction of the property's assessed value recipients will not pay full taxes on those improvements for 14 years. The increase in assessed value due to the improvements will not be recognized for tax purposes for the first 10 years following the commencement of the tax abatement.	Through a reduction in business, professional and occupational license.	Reduction in business license tax.	Reduction in utility tax.	Taxes are reduced through performance grant payments that are provided to the recipient in the subsequent year.
7	How the amount of abatement is determined	The increase in assessed value due to the improvements will be recognized for tax purposes on a sliding scale in the 11th year through 15th year following the start of the tax abatement as soon: • 11 th year – 20% • 12 th year – 40% • 13 th year – 60% • 14 th year – 80% • 15 th year – 100%	Below is the schedule for the reduction of tax: • Year 1 - 2 = 100% • Year 3 - 4 = 50%	Receives a \$50 per tax class reduction for the first two years. The abatement eligibility is determined by a qualification process. The taxpayer must answer 25 questions to qualify.	Below is the schedule for the reduction of tax: • 1 st year - 50% • 2 nd year - 40% • 3 rd year - 30% • 4 th year - 20% • 5 th year - 10%	Specific percentages are identified in each agreement that apply to various items (i.e. assessed value, value of business personal property, etc.). Percentages are not uniform and are independently determined during negotiation of agreement.
8	Terms for recapture if conditions unmet	Because taxes are not abated until after the improvements have been made, there is no provisions for recapturing abated taxes	Because taxes are not abated until after the requirements have been made, there is no provisions for recapturing abated taxes	If the business estimates its gross receipts will exceed \$1 million, but the actual gross receipts are less than \$1 million, the benefits of the program are not available unless the business completes the qualification	Because taxes are not abated until after the requirements have been made, there is no provisions for recapturing abated taxes	Because taxes are not abated until after the requirements have been made, there is no provisions for recapturing abated taxes

For the Year Ended June 30, 2018

XX. Self and Purchased Insurance Programs

The City is exposed to various risks of losses related to torts, theft and destruction of assets, errors and omissions, injuries to employees, and natural disasters. On July 11, 1978, the City established a protected self-insurance program, pursuant to an ordinance adopted by City Council, to cover these risks. The program provides for the payment of claims liabilities, property losses, and related expenses covered by a combination of purchased insurance policies and self-insurance plans. The total of insurance premiums, self-insurance claims, and related expense payments made during fiscal year 2018 was \$9,425,772.

The City currently reports all these activities as part of the risk management function in the general government section of the General fund. Claims expenditures and liabilities are reported when it is probable that a loss has occurred, and the amount of that loss can be reasonably estimated. For actuarial purposes, estimated outstanding losses are the accrual cost of unpaid claims valued as of each accounting date. The estimated outstanding losses include case reserves, the development on known claims and incurred but not reported (IBNR) claims. Allocated loss adjustment expenses (ALAE) are the direct expenses for settling specific claims. ALAE is included in the workers' compensation estimates, but excluded in the liability estimates. At June 30, 2018 these liabilities were estimated at \$31,616,500 with \$4,524,774 projected as the current portion anticipated to be paid within a year. Estimated liabilities at the end of fiscal 2018 were determined by an independent actuary.

Effective January 1, 2014, the Norfolk Healthcare Consortium (Consortium) began participating in a City-administered health insurance fund, which is reflected as an internal service fund. The Consortium is comprised of the City, the Norfolk Public Schools and Norfolk Redevelopment and Housing Authority. Each participating employee and employer deposits their respective premium into the fund. Medical claims, administrative costs, wellness programs costs, fees related to the Affordable Healthcare Act and benefit consultant costs are expended from the fund. Employee premiums from City departments are netted against related expenses as a recovered cost. The City has recorded \$6,295,000 for medical and pharmacy claims incurred, but not reported as of June 30, 2018. Payments from the Norfolk Public Schools are made in 10 payments per year instead of 12, so there is a portion recognized in the financial statements as unearned income. The unearned income as of June 30, 2018 was \$6,932,638. The City is responsible for deficit conditions that may exist when liabilities exceed assets and may make additional assessments to Consortium members as needed.

Changes in the City's claims liability amount in the fiscal years 2018 and 2017 are as follows:

	Workers' Compensation and Risk Management		Health Insurance		Total	
	<u>2018</u>	<u>2017</u>	<u>2018</u>	<u>2017</u>	<u>2018</u>	<u>2017</u>
Estimated Outstanding Claims at the Beginning of year	\$ 31,918,233	\$ 29,296,575	\$ 6,582,000	\$ 6,187,000	\$ 38,500,233	\$ 35,483,575
Additional Incurred Claims or Changes in Estimates	7,063,273	8,420,622	74,443,438	80,841,472	81,506,711	89,262,094
Claims Paid	(7,365,006)	(5,798,964)	(74,730,438)	(80,446,472)	(82,095,444)	(86,245,436)
Estimated Outstanding Claims at the End of year	<u>\$ 31,616,500</u>	<u>\$ 31,918,233</u>	<u>\$ 6,295,000</u>	<u>\$ 6,582,000</u>	<u>\$ 37,911,500</u>	<u>\$ 38,500,233</u>

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

The City in its General fund has committed \$5,000,000 of fund balance to provide for risks of loss and claims payments that may not be fully covered by purchased insurance or annual budget appropriations. There have not been any significant reductions in insurance coverage, and settled claims have not exceeded coverage in any of the past three fiscal years.

The Norfolk Public Schools (NPS) also self-insures its workers' compensation and general liability and its future expected self-insured losses as of June 30, 2018, projected at \$4,117,507 of which \$883,048 is the current portion and a longer-term projection of \$3,223,459. The NPS provides payments for that entity's risks of loss through a combination of purchased insurance policies and self-insurance plans. These losses are funded through the NPS operating budgets and/or the City's fund balance designation.

Changes in the School Board's liability amount in the fiscal years 2017 and 2018 are as follows:

	Estimated Outstanding Losses at the Beginning of Year	Additional Incurred Claims or Changes in Estimates	Claims Paid	Estimated Outstanding Losses at the End of Year
2017	\$ 3,734,035	\$ 237,046	\$ (339,877)	\$ 3,631,204
2018	\$ 3,631,204	\$ 1,009,634	\$ (523,331)	\$ 4,117,507

XXI. Jointly Governed Organizations

A. Hampton Roads Regional Jail Authority (HRRJA)

HRRJA is a regional organization which includes the cities of Chesapeake, Hampton, Newport News, Norfolk and Portsmouth, created for the purpose of providing, operating and maintaining a regional jail facility for the correctional overflow from each community. HRRJA is a primary government, with no component units, that is a body politic and corporate created pursuant to Article 3.1, Chapter 3, Title 53.1 of the Code of Virginia, as amended, and is governed by a twelve-member Board of Directors, consisting of three representatives appointed by each of the member cities. The budgeting and financing of HRRJA are subject to the approval of the Board of Directors, with each individual having a single vote. HRRJA is responsible for its own financial matters, maintains its own books of account and is audited annually by independent accountants that it engages.

The participating governments do not have an equity interest in the HRRJA, and accordingly, no equity interest has been reflected in the City's financial statements at June 30, 2018. Complete financial statements of HRRJA can be obtained from HRRJA.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

B. Hampton Roads Planning District Commission (the Commission)

A regional planning agency authorized by the Virginia Area Development Act of 1968, was created by the merger of the Southeastern Virginia Planning District Commission and the Peninsula Planning District Commission on July 1, 1990. The Commission performs various planning services for the cities of Chesapeake, Franklin, Hampton, Newport News, Norfolk, Portsmouth, Poquoson, Suffolk, Williamsburg and Virginia Beach, and the counties of Gloucester, Isle of Wight, James City, Southampton and York. Revenue of the Commission is received primarily from member contributions and various state and federal grant programs.

The participating governments do not have an equity interest in the Commission, and accordingly, no equity interest has been reflected in the City's financial statements at June 30, 2018. Complete financial statements of the Commission can be obtained from the Commission.

C. Transportation District Commission of Hampton Roads (TDC)

TDC known as Hampton Roads Transit (HRBT) a political subdivision of the common wealth, was formed on May 9, 1923, as a joint exercise of governmental power in accordance with Chapter 32 of Title 15.2 of the Code of Virginia. HRBT provides public transportation facilities and services within the cities of Norfolk, Chesapeake, Hampton, Newport News and Virginia Beach, Virginia. Oversight responsibility is exercised by all of the participating localities through their designated representatives. Responsibility for the day-to-day operation HRBT rests with professional management. HRBT was constructed the City's light rail system.

The participating governments do not have an equity interest in TDC, and accordingly, no equity interest has been reflected in the City's financial statements at June 30, 2018. Complete financial statements of TDC can be obtained from TDC.

XXII. Joint Ventures

A. Southeastern Public Service Authority (SPSA)

SPSA is a joint venture of the cities of Chesapeake, Franklin, Norfolk, Portsmouth, Suffolk and Virginia Beach and the counties of Isle of Wight and Southampton, created for the purpose of providing, operating and maintaining a regional system for the collection, transfer, processing and disposal of solid waste refuse. SPSA is a primary government, with no component units, that is a public body politic and corporate created pursuant to the Virginia Water and Sewer Authorities Act, and is governed by a Board of Directors consisting of eight member representatives appointed by each of the member cities and counties. Budgeting and financing of SPSA is subject to the approval of the Board of Directors, with each individual having a single vote. The Authority is responsible for its own financial matters, maintains its own books of account and is audited annually by independent accountants that it engages.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

In June 2010, SPSA entered into a debt repayment plan with the Virginia Resources Authority (VRA) which required that the eight member communities guarantee repayment of the remaining VRA bonds outstanding through a general obligation pledge. The final payment on these bonds was made in fiscal year 2018, thus ending the requirement to guarantee repayment.

The participating governments do not have an equity interest in SPSA, and accordingly, no equity interest has been reflected in the City's financial statements June 30, 2018. Complete financial statements of the SPSA can be obtained from SPSA.

B. The Slover Library Foundation (The Foundation)

The Slover Library Foundation, a not-for-profit organization, was formed on October 31, 2008, to participate in the funding of a central library for the City. The new central library was named the Slover Library. Two historic downtown structures, the Seaboard Building and the Selden Arcade, were joined by an architecturally significant structure to create a new technologically advanced library. Funding provided by the Foundation in the future will be used for purchase and maintenance of technology used in the library. The Foundation designates its own management, maintains its own books of account, engages its own independent accountant and receives its revenue from third parties.

C. Norfolk Botanical Garden Society (The Society)

The City of Norfolk has an agreement with the Norfolk Botanical Garden Society to operate the Norfolk Botanical Garden which are owned by the City. This agreement expires on June 30, 2022. The Society receives annual funding from the City of Norfolk for improvements and operating costs.

XXIII. Related Organizations

A. Norfolk Redevelopment and Housing Authority (NRHA)

The Norfolk Redevelopment and Housing Authority (NRHA), a political subdivision of the Commonwealth, was created by the City on July 30, 1940, under the provisions of the United States Housing Act of 1937. NRHA provides subsidized public housing and administers redevelopment and conservation efforts within the City in accordance with State and federal legislation. The seven members of the Board of Commissioners are appointed by City Council. NRHA is responsible, through a contract with the City, for the administration of such activities as community development and urban renewal. The City does not exercise a significant degree of oversight responsibility for the NRHA develops its own operating budget without approval from City Council and executes contracts on its own behalf. NRHA is responsible for its own financial matters as it maintains its own book of accounts, is audited annually by independent accountants it engages, and has authority over earnings, deficits and moneys other than City contract funds. The City contracts with NRHA to complete specific projects, generally capital improvement projects.

The City currently has two significant projects with the NRHA; (1) Waterside Redevelopment and (2) Conference center hotel and garage. The City conveyed ownership of Waterside to the NRHA and agreed to provide \$32 million in development

**CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018**

support. NRHA will operate Waterside upon completion. The City and Professional Hospitality Resources, Inc. have constructed a conference center, hotel and parking garage that opened in fiscal year 2017. The City contributed up to \$64 million to the development costs. The conference center and garage will initially be owned by NRHA; however, ownership will revert back to the City once all agreements have been finalized. The ownership of the garage reverted back to the City in 2017.

B. Norfolk Airport Authority (The Authority)

Norfolk Airport Authority, a political subdivision of the Commonwealth, was created to operate an airport and to promote industrial growth and consists of both an Airport fund and an Investment fund. The Airport fund was established by the Authority to account for the operations of the Norfolk International Airport (the Airport). Revenue generated by airport operations is used to meet all operating expenses and to provide for payment of all principal and interest on debt of the Authority related to the Airport. The Investment fund was established by the Authority to provide for certain airport capital improvements. The Authority finances individual capital projects by issuing bonds or obtaining loans and intergovernmental grants in its own name and concurrently entering into leases which provide for payment of all principal and interest on the related obligations as they become due. Revenue includes rental income on non-airport property owned by the Authority and interest on investments. The Authority's Commissioners are appointed by City Council, but the Authority designates its own management and has oversight responsibility for its own fiscal matters. The City does not provide funds for the operations of the Authority and, pursuant to Section 144(q) of the City Charter, the Authority is required to submit its annual budget to the City Council for the purposes of information only. The City has the option to reacquire, without consideration, title to all property and equipment after payment by the Authority of all obligations relating to the improvements at the Airport.

C. The Chrysler Museum, Inc. (The Museum)

The Chrysler Museum, a Virginia non-stock, not-for-profit organization, was formed on January 1, 1980, by incorporating the Chrysler Museum in Norfolk. The main purpose of the Museum is the advancement, encouragement and promotion of the study and appreciation of art. The Museum designates its own management, which is self-sustaining, maintains its own books of account, engages its own independent accountant, and receives its revenue from facility rental fees, patron membership, planned giving and from other independent grants. The City owns the museum building and provides support for its maintenance.

D. The Hospital Authority of Norfolk (HAN)

The Hospital Authority of Norfolk, which has a nine-member Board of Commissioners appointed by City Council, is a tax-exempt, not-for-profit political subdivision of the Commonwealth created pursuant to an Agreement of Transfer dated July 1, 1998. HAN operates Lake Taylor Hospital as a long-term care facility licensed by the Virginia State Health Department to provide a continuum of patient care ranging from sub-acute hospital services to skilled nursing care.

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

XXIV. Subsequent Events

On October 23, 2018 the City transferred \$10,000,000 of General Obligation Capital Improvement Bonds, Series 2017A, previously issued to the Wastewater Fund, to the General Fund. The movement of bond proceeds was necessary to align the timing on bond issuance with funding of capital project expenditures.

On December 4, 2018, The City amended its existing credit agreement with Bank of America Merrill Lynch ("BAML") to extend the termination date of the Line of Credit from December 17, 2018, to December 17, 2019.

XXV. Adoption of New Accounting Pronouncements

- GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. This statement applies to government employers who provide OPEB plans to their employees and basically parallels GASB Statement 68 and replaces GASB Statement 45. GASB Statement No. 75 requires governments to report a liability on the financial statements for the OPEB that they provide. The Statement is effective for fiscal years beginning after June 15, 2017. As a result, opening net position as of July 1, 2017 has been restated and a total OPEB liability has been recorded.
- GASB Statement No. 85, *Omnibus 2017*. This Statement addresses practice issues that have been identified during the implementation and application of certain GASB statements including topics related to blending component units, goodwill, fair value measurement and postemployment benefits. The requirements of this Statement are effective for reporting periods beginning after June 15, 2017.
- GASB Statement No. 86, *Certain Debt Extinguishment Issues*. The primary objective of this Statement is to improve consistency in accounting and financial reporting for in-substance defeasance of debt by providing guidance for transactions in which monetary assets acquired with only existing resources are placed in an irrevocable trust for the sole purpose of extinguishing debt. This Statement also improves accounting and financial reporting for prepaid insurance on debt that is extinguished. The requirements of this Statement are effective for reporting periods beginning after June 15, 2017. There was no impact on net position or results of operations.

XXVI. Restatement for a Change in Accounting Principle

During the fiscal year ended June 30, 2018, the City adopted the provisions of GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. This pronouncement requires the restatement of the June 30, 2017 net position as follows:

	Governmental Activities	Water Utility Fund	Wastewater Utility Fund	Parking Facilities Fund	Total Business-Type Activities	Total Primary Government	Total Component Unit
Balance, June 30, 2017, as originally reported	\$ 253,411,885	\$ 273,887,960	\$ 120,404,329	\$ 43,181,251	\$ 437,473,540	\$ 690,885,405	\$ (318,112,020)
Restatement for OPEB	(7,373,992)	517,668	291,345	362,166	1,171,179	(6,202,813)	(92,406,122)
Restated Balance at June 30, 2017	<u>\$ 246,037,873</u>	<u>\$ 274,405,628</u>	<u>\$ 120,695,674</u>	<u>\$ 43,543,417</u>	<u>\$ 438,644,719</u>	<u>\$ 684,682,592</u>	<u>\$ (410,518,142)</u>

CITY OF NORFOLK, VIRGINIA
NOTES TO THE BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2018

XXVII. Accounting Pronouncements Issued, But Not Yet Implemented

The GASB has issued several pronouncements that will impact future financial presentations. Management has not determined what, if any, impact implementation of the following statements will have on the City.

- GASB Statement No. 83, *Certain Asset Retirement Obligations*. This statement establishes criteria for determining the timing and pattern of recognition of a liability and a corresponding deferred outflow of resources for asset retirement obligations. This Statement is effective for reporting periods beginning after June 15, 2018.
- GASB Statement No. 84, *Fiduciary Activities*. The objective of this Statement is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported by establishing criteria for identifying fiduciary activities of all state and local governments. The requirements of this Statement are effective for reporting periods beginning after December 15, 2018.
- GASB Statement No. 87, *Leases*. The objective of this Statement is to improve accounting and financial reporting for leases by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. The requirements of this Statement are effective for reporting periods beginning after December 15, 2019.
- GASB Statement No. 88, *Certain Disclosures Related to Debt, including Direct Borrowings and Direct Replacements*. The objective of this Statement is to improve the information that is disclosed related to debt, including direct borrowings and direct placements. The requirements of this Statement are effective for reporting periods beginning after June 15, 2018.
- GASB Statement No. 89, *Accounting for Interest Cost Incurred before the End of a Construction Period*. This Statement establishes accounting requirements for interest cost incurred before the end of a construction period to enhance relevance and comparability of information while simplifying the accounting. The requirements of this Statement are effective for reporting periods beginning after December 15, 2019.
- GASB Statement No. 90, *Majority Equity Interests – an amendment of GASB Statements No. 14 and No. 61*. The objective of this Statement is to improve the consistency and comparability of reporting a government's majority equity interest in a legally separate organization. The requirements of this Statement are effective for reporting periods beginning after December 15, 2018.

2009	25,668	25,668	-	179,591	14.29%

* The actuarially determined contribution and the employer contributions were adjusted for years prior to 2014 to retrospectively apply to the timing of recognition under GASB 67.

** The actuarial determination of the ADC is based on the projection of covered payroll for the period for which the ADC will apply. The covered payroll was provided by the actuary. For the years 2014 through 2018, the balances exclude payroll for active employees participating in DROP for which contributions are not made.

CITY OF NORFOLK, VIRGINIA
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
For the Year Ended JUNE 30, 2018

A. VRS Teacher Retirement Plan

Changes of benefit terms and assumptions

There have been no actuarially material changes to the VRS benefit provisions since the prior actuarial valuation. The 2014 valuation includes hybrid retirement plan members for the first time. The hybrid plan applies to most new employees hired on or after January 1, 2014 and not covered by enhanced hazardous duty benefits. Because this is still a fairly new benefit and the number of participants was relatively small, the impact on the liabilities as of the measurement date of June 30, 2017 is not material.

The following changes in actuarial assumptions were made effective June 30, 2016 based on the most recent experience study of the System for the four-year period ending June 30, 2016:

- Updated mortality table to a more current table
- Lowered rates at older ages and changed final retirement from 70 to 75
- Adjusted withdrawal rates to better fit experience
- Lowered disability rates
- Salary scale remained unchanged

B. VRS Retirement Plan for Political Subdivisions

Changes of benefit terms and assumptions

There have been no actuarially material changes to the VRS benefit provisions since the prior actuarial valuation. The 2014 valuation includes hybrid retirement plan members for the first time. The hybrid plan applies to most new employees hired on or after January 1, 2014 and not covered by enhanced hazardous duty benefits. Because this is still a fairly new benefit and the number of participants was relatively small, the impact on the liabilities as of the measurement date of June 30, 2017 is not material.

The following changes in actuarial assumptions were made effective June 30, 2016 based on the most recent experience study of the System for the four-year period ending June 30, 2016:

- Updated mortality table to a more current table
- Lowered rates at older ages and changed final retirement from 70 to 75
- Adjusted withdrawal rates to better fit experience
- Lowered disability rates
- Salary scale remained unchanged

CITY OF NORFOLK, VIRGINIA
Notes to Required Supplementary Information
Reconciliation of (non-GAAP) Budgetary Basis to GAAP (Unaudited)
For the Year Ending June 30, 2018

	General Fund
Sources/inflows of resources:	
Actual amounts (budgetary basis) "available for appropriation" from Exhibit E-1	\$ 868,274,761
Differences--budget to GAAP:	
The effects of accounting for school revenue as a component unit	(195,198,369)
The effects of accounting for transfer from fund balance	(16,965,374)
General fund transfers from other funds are inflows of budgetary resources, but are not revenues for financial reporting purposes	(16,888,089)
The effects of reclassification of recovered costs	(16,012,314)
Gross proceeds from other financing sources	(9,278,322)
Total revenues as reported on the Statement of Revenues, Expenditure and Changes in Fund Balances - Governmental Funds	<u>\$ 613,932,293</u>
Uses/outflows of resources:	
Actual amounts (budgetary basis) "Total charges to appropriations" from Exhibit E-2	\$ 844,271,870
Differences--budget to GAAP:	
The effects of accounting for school expenditures as a component unit	(183,926,850)
The effects of accounting for Special Revenue fund as a non major fund	-
The effects of reclassification of recovered costs	(9,744,136)
Encumbrances for supplies and equipment ordered but not received is reported in the year the order is placed for budgetary purposes, but in the year the supplies are received for financial reporting purposes	(9,540,996)
General fund transfers to other funds are outflows of budgetary resources, but are not expenditures for financial reporting purposes	(76,973,896)
Total expenditures as reported on the Statement of Revenues, Expenditures and Changes in Fund Balances - Governmental Funds	<u>\$ 564,085,992</u>

There were no material violations of the annual appropriated budget for the General fund for fiscal year 2018.

Non-major Governmental Funds

Special Revenue Funds

The Special Revenue funds are used to account for proceeds of specific resources that are restricted or committed to expenditures for specific purposes other than debt service or capital projects. The individual special revenue funds are:

Storm Water Fund: To account for the operation of the environmental storm water management system, including maintenance of storm water drainage facilities. The costs of providing services on a continuing basis are partially financed or recovered through user charges to Norfolk residents and commercial and industrial customers.

Towing & Recovery Operations Fund: To improve neighborhood livability by providing reliable dispatching of towing services, storage of vehicles and recovery or disposal of vehicles.

Waste Management Fund: To account for the costs and revenues associated with the City's solid waste and environmental management programs.

Grants Fund: To account for the receipt and disbursement of revenue from such sources as federal and state agencies, adjacent municipalities, and City matching funds and to finance special programs that may have reporting periods that do not correspond with the City's fiscal year.

Community Development Fund: To account for all entitlement funds received under Title I of the Housing and Community Development Act of 1974, commonly known as the Community Development Block Grant Program.

Cemeteries Fund: To account for the operation of the City's cemeteries.

Golf Fund: To account for the operation of the City's golf courses.

Public Amenities Fund: To promote cultural and entertainment activity in the downtown area.

Emergency Operations Center/911 Fund: To account for the operation of the City's emergency operations center/911.

Tax Increment Financing Fund: To account for debt service requirements for the general obligation bonds and property tax collections within the Broad Creek Renaissance Tax Increment Financing District.

Resiliency Fund: To account for the receipt and disbursement of revenue from the National Disaster Resilience Grant.

Nonmajor Governmental Funds (Cont'd.)

Endowed Care Fund: The Endowed Care fund is used to report resources that are restricted by City Code. The City's Endowed Care fund is used to account for the perpetual care and endowed care at certain City-owned cemeteries. Both the earnings and principal are used for purposes that support the maintenance of City owned cemeteries.

Internal Service Funds

Internal service funds are used to account for the financing of goods and services provided by one department or agency to other departments or agencies of the government and to other government units, on a cost reimbursement basis. The individual internal service funds are:

Fleet Management Fund – to provide the operating departments with maintenance, repair and service for the City fleet of vehicles, heavy equipment and miscellaneous machinery.

HealthCare Fund – to provide for the self-insured health care costs for the City of Norfolk, Norfolk Public Schools, NHRA and Pre-65 Retirees.

CITY OF NORFOLK, VIRGINIA
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the Year Ended June 30, 2018

1. General

The accompanying schedule of expenditures of federal awards presents the activity of all federal awards of the City. The City of Norfolk single audit reporting entity includes the primary government and the School Board and Community Services Board component units.

Federal awards not received through direct programs are passed through the departments and agencies of the Commonwealth of Virginia.

2. Basis of Accounting

The accompanying schedule of expenditures of federal awards is presented using the modified accrual basis of accounting. Expenditures are recorded when the liability is incurred or measurable. The related revenue is reported net of unexpended amounts returned to grantors.

3. Relationship to the Basic Financial Statements

Federal award revenue is reported in the City's basic financial statements as follows:

Major governmental funds	\$ 38,865,772
Non-major governmental funds	27,196,211
Total revenues from federal government	<u>66,061,983</u>

Component Unit - School Board

Total Federal Grants Awarded	\$ 49,430,042
Other Federal Amounts not reported on SEFA	
Direct Payments:	
Total - Norfolk Public Schools	49,430,042
CSA Pool - Medicaid Adjustment	
Total federal financial assistance reported in basic financial statements	<u>\$ 115,492,025</u>

Federal awards not reported as federal revenue in basic financial statements:

Enterprise - VRA Loan - Wastewater Fund & Storm Water Fund	6,499,897
VDOT	993,168
CSA	490,688

Federal awards not reported on the SEFA:

Norfolk Public Schools Direct Payments	(2,942,153)
Build America Bond Interest Rate Subsidy	(2,584,704)
Recognition of DOD Revenue	(1,535,713)
Other reconciling items	273,350

Grant funds recorded as revenue in financial statements, not on schedule of federal awards (CSB)

Total federal awards	<u>\$ 116,686,558</u>
-----------------------------	------------------------------

Reconciliation to Exhibit A-3

Revenues from federal government	\$ 66,061,983
Revenues from Commonwealth of Virginia	127,227,619
Total intergovernmental revenue	<u>\$ 193,289,602</u>

CITY OF NORFOLK, VIRGINIA
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the Year Ended June 30, 2018

5. Virginia Resources Authority Loans

The City reports on the Schedule of Federal Awards, loan proceeds drawn from the Virginia Resources Authority. The loans are a pass-through award from the U. S. Environmental Protection Agency and administered by the Virginia Resources Authority Department of Environmental Quality. The balances at the end of the fiscal year 2018 are as follows:

Loan number	June 30, 2017 VRA Loan Balances	Disbursements Made During FY 2018	Total Loan Amount Disbursed	Total Amount Available to be Drawn	June 30, 2018 Outstanding Loan Balances
C-515550E-01	\$ 3,733,261	\$ 1,773,118	\$ 5,506,379	\$ 493,621	\$ 5,506,379
C-515574E-01	314,293	4,280,164	4,594,457	1,905,543	4,594,457
C-515593E-01	-	51,346	51,346	7,448,655	51,346
C-515565GE-02	93,781	395,269	489,050	2,405,791	489,050
TOTALS	\$ 4,141,335	\$ 6,499,897	\$ 10,641,232	\$ 12,253,610	\$ 10,641,232

6. Indirect Cost Rate

For the Fiscal Year 2018, the City did not use the 10 percent de minimis cost rate for indirect cost billings to federal grants where an indirect cost is permitted. The City develops an indirect cost rate with the cost allocation plan that is used by the Human Services department for indirect cost billings.

APPENDIX B
FORM OF BOND COUNSEL OPINION

[This Page Is Intentionally Left Blank.]

February 7, 2019

City Council of the City of Norfolk, Virginia
Norfolk, Virginia

**City of Norfolk, Virginia
\$133,695,000
General Obligation
Capital Improvement Bonds,
Series 2019**

Ladies and Gentlemen:

We have served as bond counsel to the City of Norfolk, Virginia (the "City") in connection with the issuance and sale of the City's \$133,695,000 General Obligation Capital Improvement Bonds, Series 2019 (the "Bonds"), dated the date of their delivery.

In connection with this opinion, we have examined (i) the Constitution of Virginia (the "Constitution"), (ii) the applicable laws of (A) the Commonwealth of Virginia (the "Commonwealth"), including without limitation the Public Finance Act of 1991, Chapter 26, Title 15.2, Code of Virginia of 1950, as amended and (B) the United States of America, including without limitation the Internal Revenue Code of 1986, as amended (the "Tax Code") and (iii) copies of proceedings and other documents relating to the issuance and sale of the Bonds by the City as we have deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon and are assuming the accuracy of (i) certifications and representations of the City and others contained in certificates and other documents delivered at closing, including, without limitation, certifications as to the use of proceeds of the Bonds and (ii) certifications of public officials furnished to us, without undertaking to verify them by independent investigation.

We have assumed that all signatures on documents, certificates and instruments examined by us are genuine, all documents, certificates and instruments submitted to us as originals are authentic, and all documents, certificates and instruments submitted to us as copies conform to the originals. In addition, we have assumed that all documents, certificates and instruments relating to this transaction have been duly authorized, executed, and delivered by all parties to them other than the City, and we have further assumed the due organization, existence, and powers of all parties other than the City.

Based on the foregoing, in our opinion, under current law:

1. The Bonds have been authorized and issued in accordance with the Constitution and laws of the Commonwealth and constitute valid and binding general obligations of the City.

2. The City Council of the City has the power and is authorized and required by law to levy and collect annually, at the same time and in the same manner as other taxes of the City are assessed, levied and collected, a tax upon all taxable property within the City, over and above all other taxes authorized or limited by law, and without limitation as to rate or amount, sufficient to pay when due the principal of and premium, if any, and interest on the Bonds to the extent other funds of the City are not lawfully available and appropriated for such purpose.

3. Interest on the Bonds, including any accrued "original issue discount" properly allocable to the owners of the Bonds (i) is excludable from gross income for purposes of federal income taxation under Section 103 of the Tax Code and (ii) is not a specific item of tax preference for purposes of the federal alternative minimum income tax imposed on individuals (a "Specific Tax Preference Item"). The "original issue discount" on any Bond is the excess of its stated redemption price at maturity over the initial offering price to the public at which price a substantial amount of the Bonds of the same series and maturity was sold. We express no opinion regarding other tax consequences related to the ownership or disposition of, or amount, accrual or receipt of interest on, the Bonds.

In delivering this opinion, we are assuming continuing compliance with the Covenants, as hereinafter defined, by the City and certain other persons and entities, so that interest on the Bonds will remain excludable from gross income for federal income tax purposes under Section 103 of the Tax Code. The Tax Code and the regulations promulgated thereunder contain a number of requirements that must be satisfied after the issuance of the Bonds in order for interest on the Bonds to be and remain excludable from gross income for purposes of federal income taxation under Section 103 of the Tax Code and not become a Specific Tax Preference Item. These requirements include, by way of example and not limitation, restrictions on the use, expenditure and investment of the proceeds of the Bonds and the use of the property financed or refinanced by the Bonds, limitations on the source of the payment of and the security for the Bonds, and the obligation to rebate certain excess earnings on the gross proceeds of the Bonds to the United States Treasury. The tax certificates and related documents for the Bonds (the "Tax Certificates") delivered at closing by the City and certain other persons and entities contain covenants (the "Covenants") with which each has agreed to comply. A failure to comply with the Covenants could cause interest on the Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issue. In the event of noncompliance with the Covenants, the available enforcement remedies may be limited by applicable provisions of law and, therefore, may not be adequate to prevent interest on the Bonds from becoming includable in gross income for federal income tax purposes.

We have no responsibility to monitor compliance with the Covenants after the date of issue of the Bonds.

Certain requirements and procedures contained, incorporated or referred to in the Tax Certificates, including the Covenants, may be changed and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. We express no opinion concerning any effect on the excludability of interest on the Bonds from gross income for federal income tax purposes under Section 103 of the Tax Code of any such subsequent change or action that may be made, taken or omitted upon the advice or approval of counsel other than this firm.

4. Interest on the Bonds is excludable from gross income of the owners thereof for purposes of income taxation by the Commonwealth. We express no opinion regarding (i) other tax consequences arising with respect to the Bonds under the laws of the Commonwealth or (ii) any consequences arising with respect to the Bonds under the tax laws of any state or local jurisdiction other than the Commonwealth.

The rights of the owners of the Bonds and the enforceability of the Bonds are limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally, and by equitable principles, whether considered at law or equity.

Our services as bond counsel to the City have been limited to rendering the foregoing opinion based on our review of such legal proceedings as we deem necessary to opine on the validity of the Bonds and the income tax status of the interest on them. We express no opinion as to the accuracy, completeness or sufficiency of any offering material or information that may have been relied upon by any owner of the Bonds in making a decision to purchase the Bonds, including without limitation the Preliminary Official Statement of the City dated January 14, 2019, and the Official Statement of the City dated January 23, 2019. This opinion is given as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur.

Very truly yours,

APPENDIX C
FORM OF CONTINUING DISCLOSURE AGREEMENT

[This Page Is Intentionally Left Blank.]

CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (the "Disclosure Agreement") is executed and delivered as of February 7, 2019 (the "Closing Date"), by the City of Norfolk, Virginia (the "City"), in connection with the issuance by the City of its \$133,695,000 General Obligation Capital Improvement Bonds, Series 2019 (the "Bonds"), pursuant to Ordinance No. 47,401, adopted by the City Council of the City on October 9, 2018 (the "Ordinance"). The proceeds of the Bonds are being used by the City, together with other available funds, to (i) finance capital projects and provide long-term financing of certain costs that have been financed on an interim basis and (ii) pay the costs of issuance of the Bonds. Pursuant to the Ordinance, the City approved the offering and sale of the Bonds to the public pursuant to an Official Statement relating to the Bonds, dated January 23, 2019 (the "Official Statement"). The City has determined that it constitutes an "obligated person" within the meaning of the Rule, as hereinafter defined, with respect to the Bonds and, accordingly, hereby represents, covenants and agrees as follows:

Section 1. Definitions. In addition to the definitions set forth elsewhere in this Disclosure Agreement, the following capitalized terms shall have the following meanings:

"Annual Financial Information" with respect to any Fiscal Year of the City means the following:

(i) the financial statements (consisting of at least a statement of net assets, a statement of cash flows and a statement of revenues, expenses and changes in fund net assets for all governmental/enterprise funds) of the City, which (A) are prepared annually in accordance with generally accepted accounting principles in effect from time to time consistently applied (provided that nothing in this Disclosure Agreement will prohibit the City after the date of the Official Statement from changing such principles so as to comply with generally accepted accounting principles as then in effect or to comply with a change in applicable Virginia law); and (B) are audited by an independent certified public accountant or firm of such accountants in accordance with generally accepted auditing standards as in effect from time to time; and

(ii) updates of the operating data contained in the sections in the Final Official Statement titled "Table II-3, Key Debt Trends," "Table II-6, Ratio of Net General Bonded Debt to Assessed Value and Net Bonded Debt Per Capita," "Table III-2, Assessed Valuations and Estimated Actual Values of Taxable Property," "Table III-4, Assessed Valuation and Change in Property Tax Levy," "Table III-5, Real and Personal Property Tax Levies and Collections," "Table III-6, Ten Principal Real Property Taxpayers" and "Table III-13, Comparative Statement of Revenue and Expenditures, General Fund."

"Dissemination Agent" shall mean the City, acting in its capacity as Dissemination Agent hereunder, or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation.

"Fiscal Year" shall mean the twelve-month period, at the end of which the financial position of the City and the results of its operations for such period are determined. Currently, the City's Fiscal Year begins July 1 and continues through June 30 of the next year.

"Holder" shall mean, for purposes of this Disclosure Agreement, any person who is a record owner or beneficial owner of a Bond.

"Make Public" or **"Made Public"** has the meaning set forth in Section 4 of this Disclosure Agreement.

"MSRB" shall mean the Municipal Securities Rulemaking Board.

"Participating Underwriter" shall mean any of the original underwriters of the Bonds required to comply with the Rule in connection with the offering of such Bonds.

"Rule" shall mean Rule 15c2-12 under the Securities Exchange Act of 1934 and any similar rules of the SEC relating to disclosure requirements in the offering and sale of municipal securities, all as in effect from time to time.

"SEC" shall mean the U.S. Securities and Exchange Commission.

Section 2. Purpose of the Disclosure Agreement; Representation. This Disclosure Agreement is being executed and delivered by the City for the benefit of the Holders and in order to assist the Participating Underwriters in complying with the Rule. The City acknowledges that it is undertaking primary responsibility for any reports, notices or disclosures that may be required under this Disclosure Agreement.

Section 3. Obligations of the City. (a) The City shall complete the preparation of the Annual Financial Information with respect to any Fiscal Year of the City not later than March 31 after the end of such Fiscal Year.

(b) The City shall, in accordance with the Rule, Make Public or cause to be Made Public by the Dissemination Agent (if other than the City), the Annual Financial Information within 30 days after it is prepared in final form.

(c) The City shall Make Public or cause to be Made Public by the Dissemination Agent (if other than the City), in a timely manner not in excess of 10 business days after the occurrence of the event, notice of the occurrence of any of the following events with respect to the Bonds:

- (i) principal and interest payment delinquencies;
- (ii) non-payment related defaults, if material;
- (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) unscheduled draws on any credit enhancement maintained with respect to the Bonds reflecting financial difficulties;
- (v) substitution of credit or liquidity providers, or their failure to perform;

- (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701 - TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (vii) modifications to rights of Holders, if material;
- (viii) bond calls, if material, and tender offers;
- (ix) defeasances;
- (x) release, substitution, or sale of property securing repayment of the Bonds, if material;
- (xi) rating changes;
- (xii) bankruptcy, insolvency, receivership or similar event of the City;
- (xiii) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material.

Provided that nothing in this subsection (c) shall require the City to maintain any debt service reserve, credit enhancement or credit or liquidity providers with respect to the Bonds or to pledge any property as security for repayment of the Bonds.

(d) The City shall Make Public or cause to be Made Public by the Dissemination Agent (if other than the City), in a timely manner, notice of a failure of the City to provide the Annual Financial Information, on or before the date specified in this Disclosure Agreement.

(e) The City shall notify the MSRB of any change in its Fiscal Year not later than the date on which it first provides any information to the MSRB in the current Fiscal Year.

Section 4. Information Made Public. Information shall be deemed to have been "Made Public" for purposes of this Disclosure Agreement if transmitted to the MSRB, in an electronic format as prescribed by the MSRB. Should the SEC approve any additional or subsequent filing system for satisfying the continuing disclosure filing requirements of the Rule, any filings required under this Disclosure Agreement may be made by transmitting such filing to such system, as described in the applicable SEC regulation or release approving such filing system.

Section 5. Incorporation by Reference. Any or all of the Annual Financial Information may be incorporated by specific reference from other documents, including official statements containing information with respect to the City, which are available to the public on the

internet website of the MSRB or filed with the SEC. The City shall clearly identify each such other document so incorporated by reference.

Section 6. CUSIP Numbers. The City shall reference, or cause the Dissemination Agent (if not the City) to reference, the CUSIP prefix number for the Bonds in any notice provided to the MSRB pursuant to Sections 3 and 4.

Section 7. Termination of Reporting Obligation. The obligations of the City under this Disclosure Agreement shall terminate upon the earlier to occur of the legal defeasance or final retirement of the Bonds.

Section 8. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement and may discharge any such Agent, with or without appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the City shall be the Dissemination Agent.

Section 9. Identifying Information. All documents provided to the MSRB hereunder shall be accompanied by identifying information as prescribed by the MSRB.

Section 10. Amendment. Notwithstanding any other provision of this Disclosure Agreement, the City may amend this Disclosure Agreement, if such amendment is supported by an opinion of independent counsel with expertise in federal securities laws addressed to the City and to the Participating Underwriters for the Bonds to the effect that such amendment is permitted or required by the Rule.

Section 11. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Financial Information or notice of occurrence of an event listed in Section 3(c), in addition to that which is required by this Disclosure Agreement. If the City chooses to report any information in any Annual Financial Information or include any information in a notice of occurrence of an event listed in Section 3(c), in addition to that which is specifically required by this Disclosure Agreement, the City shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Financial Information or notice of occurrence of such an event.

Section 12. Default. Any Holder, whether acting jointly or severally, may take such action as may be permitted by law against the appropriate public official to secure compliance with the obligations of the City under this Disclosure Agreement. In addition, any Holder, whether acting jointly or severally, may take such action as may be permitted by law to challenge the adequacy of any information provided pursuant to this Disclosure Agreement, or to enforce any other obligation of the City hereunder. A default under this Disclosure Agreement shall not be deemed an event of default under the Ordinance or any other debt authorization of the City, or any Bond and the sole remedy under this Disclosure Agreement in the event of any failure of the City to comply herewith shall be an action to compel performance. Nothing in this provision shall be deemed to restrict the

rights or remedies of any Holder pursuant to the Securities Exchange Act of 1934, the rules and regulations promulgated thereunder, or other applicable laws.

Section 13. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the City, the Participating Underwriters and the Holders and shall create no rights in any other person or entity.

Section 14. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

APPENDIX D
BOOK-ENTRY ONLY SYSTEM

[This Page Is Intentionally Left Blank.]

BOOK-ENTRY ONLY SYSTEM

The description which follows of the procedures and recordkeeping with respect to beneficial ownership interests in the Bonds, payments of principal of and interest on the Bonds to DTC, its nominee, Direct Participants, as hereinafter defined, or Beneficial Owners, as hereinafter defined, confirmation and transfer of beneficial ownership interests in the Bonds and other bond-related transactions by and between DTC, the Direct Participants and Beneficial Owners is based solely on information furnished by DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Bonds in the aggregate principal amount of such issue and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC.

DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of the Bonds (the "Beneficial Owner") is in turn to be recorded on the Direct Participants' and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, the Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC

has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts the Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to the security documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners, in the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to a Bond unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an omnibus proxy (an "Omnibus Proxy") to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts such Bond is credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and distributions on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the bond registrar or paying agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct Participants or Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Direct Participants or Indirect Participant and not of DTC, the City or the bond registrar and paying agent, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and distributions to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the bond registrar and paying agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the City or the bond registrar and paying agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered to DTC.

Neither the City nor the bond registrar and paying agent has any responsibility or obligation to the Direct Participants or Indirect Participants or the Beneficial Owners with respect to (i) the accuracy of any records maintained by DTC or any Direct Participant or Indirect Participant; (ii) the payment by any Direct Participant or Indirect Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Bonds; (iii) the delivery or timeliness of delivery by any Direct or Indirect Participant of any notice to any Beneficial Owner that is required or permitted to be given to such owners; or (iv) any other action taken by DTC, or its nominee, Cede & Co., as Holder, including the effectiveness of any action taken pursuant to an Omnibus Proxy.

So long as Cede & Co. is the registered owner of the Bonds, as nominee of DTC, references in this Official Statement to the holders of the Bonds or Bondholders mean Cede & Co. and not the Beneficial Owners, and Cede & Co. will be treated as the only Holder of the Bonds.

The City may enter into amendments to the agreement with DTC or successor agreements with a successor securities depository, relating to the book-entry system to be maintained with respect to the Bonds without the consent of Beneficial Owners or Bondholders.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.
