*By signing in, I hereby state that I fully understand the risks involved in volunteering for this project and have been informed of all KNB safety guidelines. I also understand safety is my responsibility, and that if injured, I am to notify my group's project leader immediately. I further understand that volunteers are not covered under the City of Norfolk's Workers Compensation Plan, and that it is recommended for volunteers to have their own medical insurance coverage. I understand that by affixing my signature on this form that I attest to having read, fully understand, and agree to the conditions as set forth above and in the KNB Safety Guidelines and that, as of the date listed above, I pose no health risk to others.*
