Driving Safety
Providing tips to keep you safe on Norfolk streets
Driving Basics

- Always wear a seat belt.
- Follow the posted speed limits.
- Always watch for pedestrians, bicyclists, scooter riders, motorcyclists and other drivers.
- Move over for bicyclists and emergency vehicles.
- Pay attention to the road - put away cell phones and other distractions.
- Use headlights when your wipers are on.
- Leave safe distance between your vehicle and others.
- Don’t drink & drive.

VISION ZERO

ZERO IS THE GOAL

Vision Zero is a strategy to eliminate traffic fatalities and severe injuries.
