

Sewells Point Road Water and Sewer Replacements

October 12, 2021

The City of Norfolk's Department of Utilities is in the early phases of planning a project to replace aging water and sanitary sewer infrastructure along Sewells Point Road. The project (area shown on the map on the back) will include the replacement of sanitary sewer mains, water mains, and street repaving.

Project Details:

- Engineering Consultant: Arcadis
- In design phase; construction has not yet been scheduled
- Survey crews will work in the project area over the next few weeks.
- Crews may need to access the exterior of your property to identify property boundaries, easements and surface features.
- **At no time will surveyors request to enter your home.**
- We will provide an update when construction has been scheduled.

If at any time you have questions or concerns, please do not hesitate to contact the project manager, Tiba Salim, at 757-266-9491.
