## Pelham Street and Dakota Avenue Sewer Improvements Design

**10/21/2021**

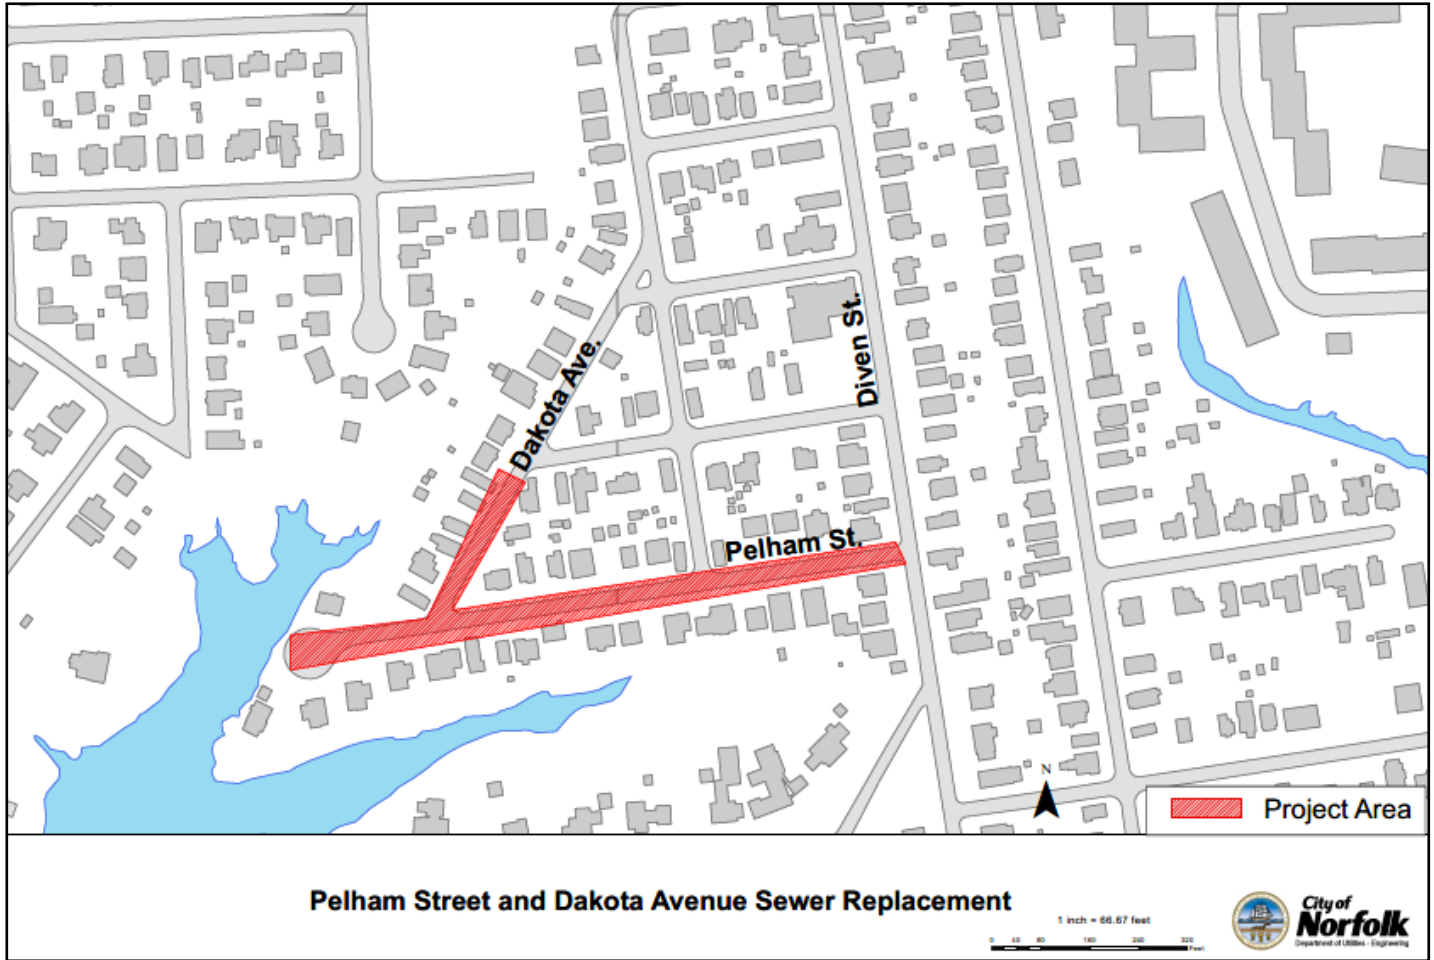

The City of Norfolk's Department of Utilities is planning to replace the aging sanitary sewer on your street. The project (area shown on the map on the back) will include replacement of approximately 2,000 LF of sewer pipe and resurfaced streets.

### **Project Details:**

- Engineering Consultant: Gannett Fleming, Inc
- In design phase; construction has not yet been scheduled
- Survey crews will work in the project area over the next few weeks.
- Crews may need to access the exterior of your property to identify property boundaries, easements and surface features.
- **At no time will surveyors request to enter your home.**
- We will provide an update when construction has been scheduled.

If at any time you have questions or concerns, please do not hesitate to contact the project manager, Lisa Bass, at 757-274-8027 or email her at [lisa.bass@norfolk.gov](mailto:lisa.bass@norfolk.gov).
