

Survey Monument Mapper – Help Document

The [survey](#) control monuments information is now integrated into the new Interactive Norfolk mapping application. To use the Interactive Norfolk mapping application, follow the link below:

[Interactive Norfolk](#)

To view the Survey Control Monuments in Interactive Norfolk, click on the Elevation category in the Layer List, then check the checkbox next to Survey Control Monuments. The Survey Control Monuments should appear on the map. Click on the feature on the map to see a pop up containing the information.
