Project Update — Wards Corner Area Master Meters

2/16/22

The \$1.6 million Master Metering Facility improvement project is currently underway in the Wards Corner area has been delayed for additional work in the Granby Street median.

Current work in progress: Trident Civil, inc. has scheduled the additional work in March

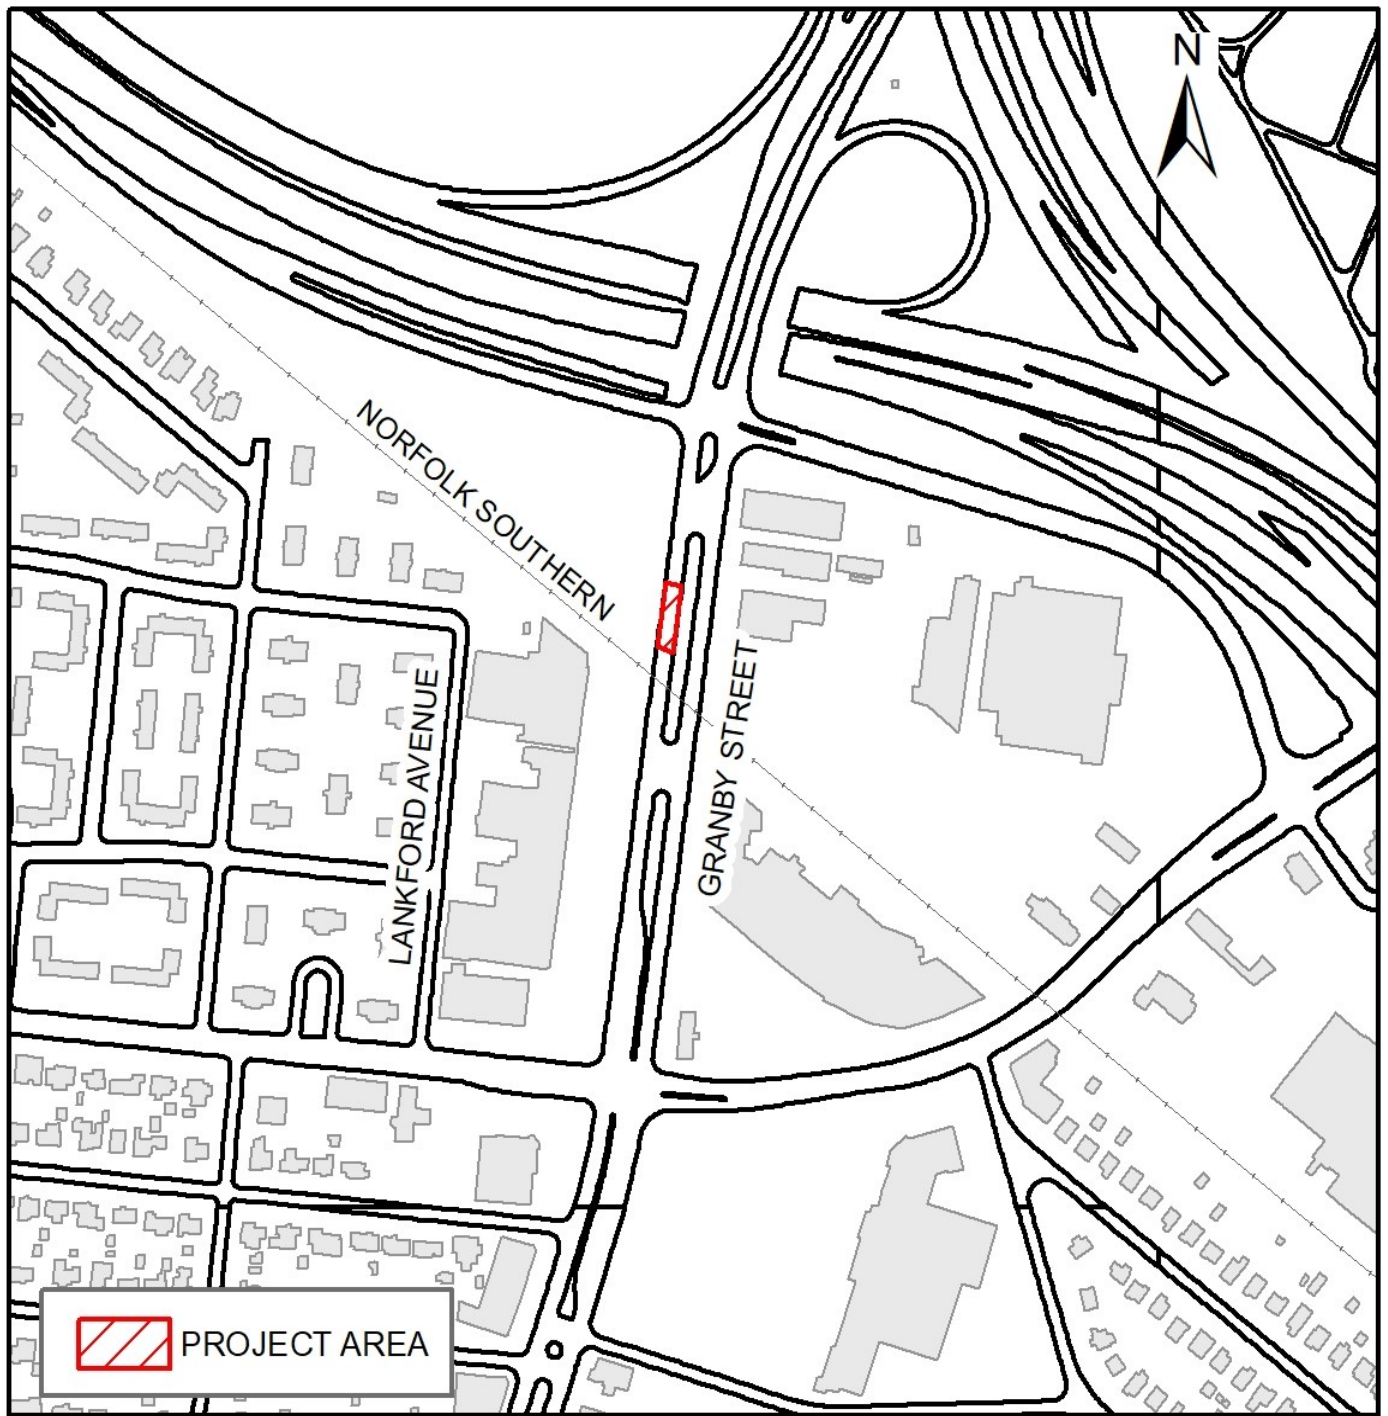

Future work planned: The left lane (nearest median) of southbound Granby Street will be closed to complete the additional work in the median.

Anticipated completion: by March 31, 2022

We continue to work closely with the contractor to complete the work quickly while minimizing adverse impacts to the community.

The City and our Contractor will do our best to minimize the unavoidable disruptions associated with the construction. If you have any questions regarding this project, please do not hesitate to contact the City's on-site construction inspector, Linwood Miller. He can be reached by cell phone at 681-5598 to respond quickly. You may also contact the project manager, Forrest Robertson, at 681-4028, or at forrest.robertson@norfolk.gov.

Visit www.norfolk.gov/utilitiesimprovements for more information.
