

Colonial Avenue Pedestrian Improvements

Location

Colonial Avenue between W 27th Street and Princess Anne Road. Phase 1 location improvements are listed in Scope of Work.

Project Benefits

This project will advance Norfolk's Complete Streets Initiative and Vision Zero resolution by promoting safe access for all pedestrians, bicyclists, motorists, and transit users of all ages and abilities in the community and by providing traffic calming benefits.

Scope of Work

- Shirley Ave: Intersection bump-outs, stormwater improvements, ADA realignment, crosswalk revitalization.
- Washington Park: Intersection bump-outs, stormwater improvements, push-button activated pedestrian access, ADA realignment, refreshed crosswalks.
- W 20th St: Intersection bump-outs, ADA realignment, stormwater improvements.
- W 24th St & W 25th St: Reset of existing sign assembly, pedestrian access realignment and refresh.
