## Trouville Avenue Sanitary Sewer Improvements

**2/28/2022**

The City of Norfolk's Department of Utilities has hired East West Construction to perform the installation of a new sewer force main to replace the existing temporary sewer bypass connection near 1406 Trouville Avenue. The discharge hose currently in the roadway will be removed. The project area is shown on the map on the back of this sheet.

**Planned Start of Construction: 03/07/2022**

**Anticipated End of Construction: 04/08/2022**

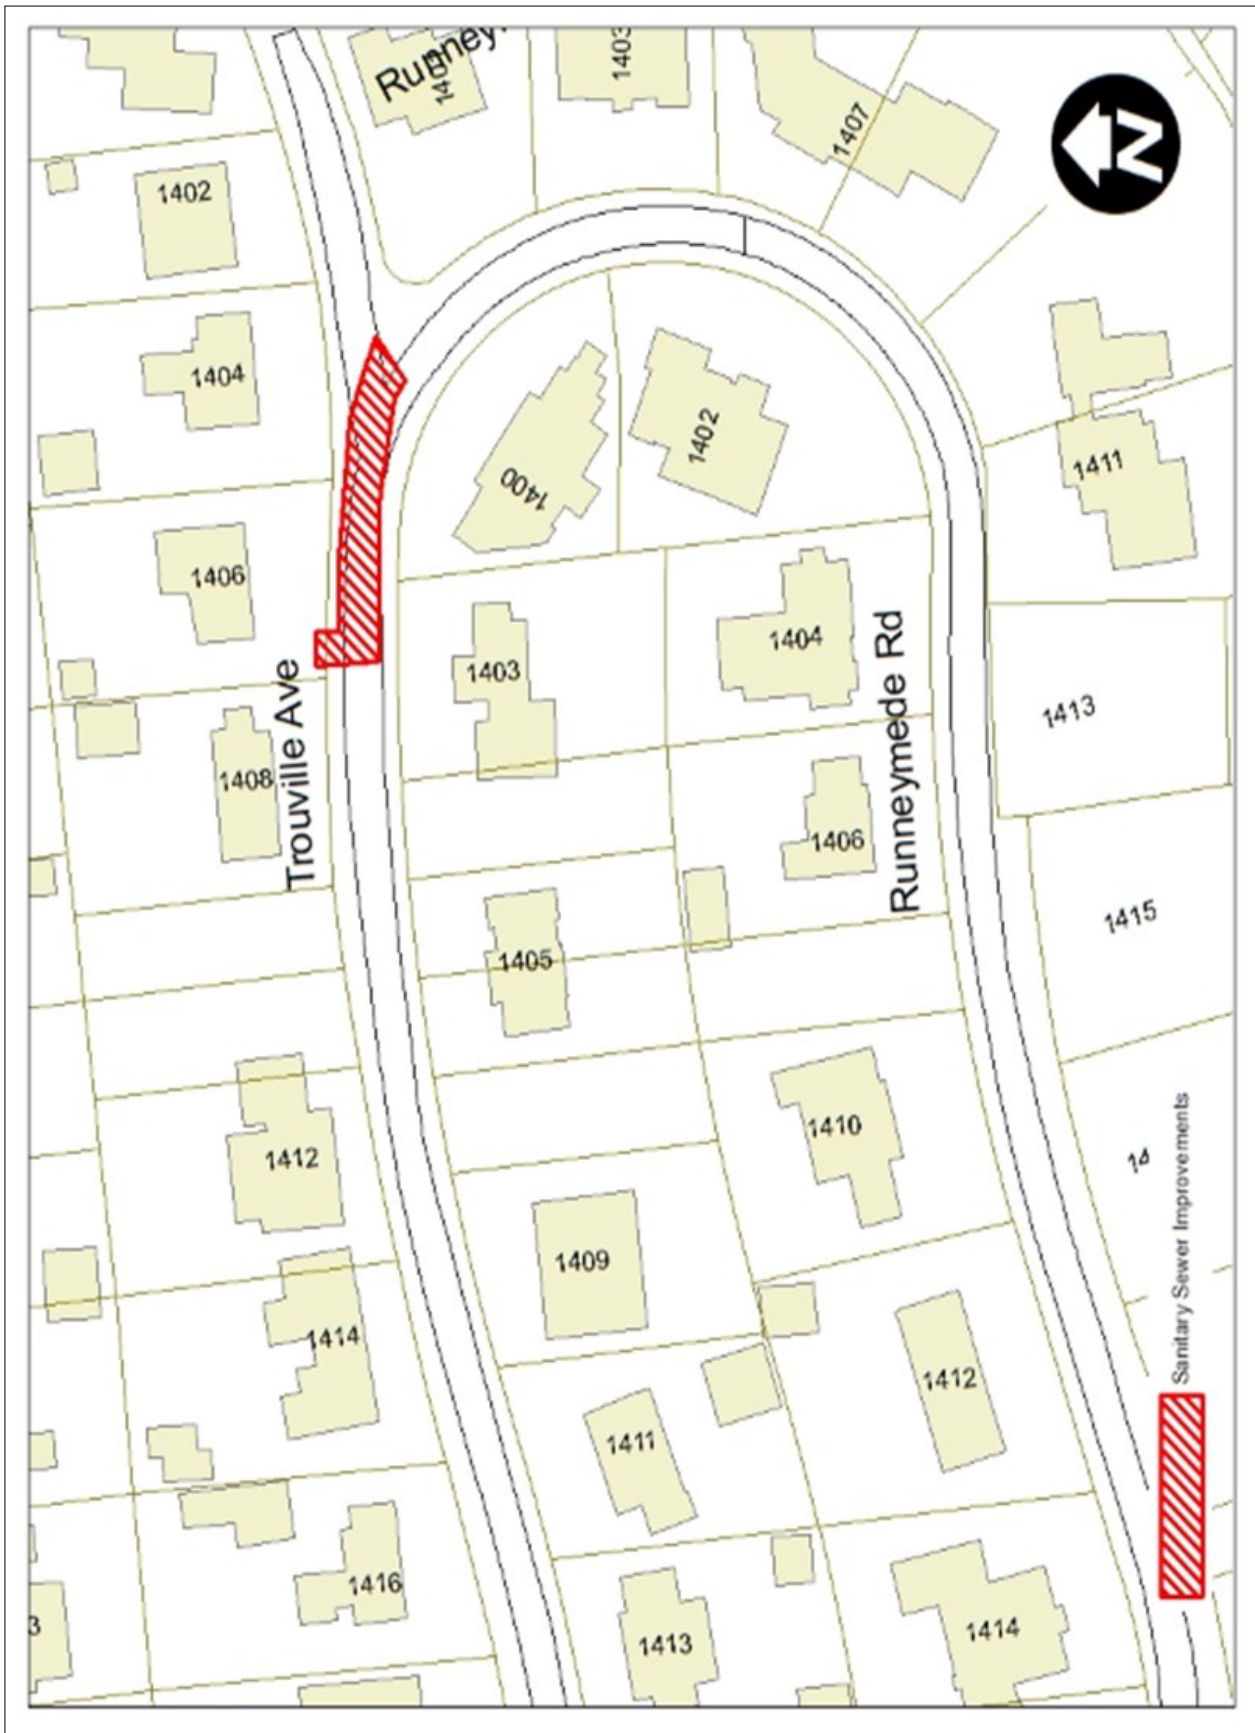

**Traffic Impacts: Temporary closure of roadway with detour signs posted.**

**Access to residences will be maintained at all times.**

The City and our contractor will do our best to minimize the unavoidable disruptions associated with construction.

If you have any questions or concerns, please do not hesitate to contact the city's on-site construction inspector, Khamisha Collins. She can be reached by cell phone at (757) 335-8791 to respond quickly. You may also contact the project manager, Megan White, at (757) 364-5075.
