Engagement Timeline

Resident Resources: Multiple Engagement Platforms

Prioritize Online Engagement Tool

- An online interactive engagement tool. Residents would review, select, and rank projects as well as write-in their plans for the ARPA investment plan.

Online Survey of Resident Priorities

- An online survey that helps residents prioritize categories that provide a unique opportunity to invest in projects and programs that benefit residents and help the community rebound from the pandemic.

Public Meetings

- The city held two public meetings in November and a virtual townhall in January

Email

- ARPAcommunication@norfolk.gov

Drop Boxes

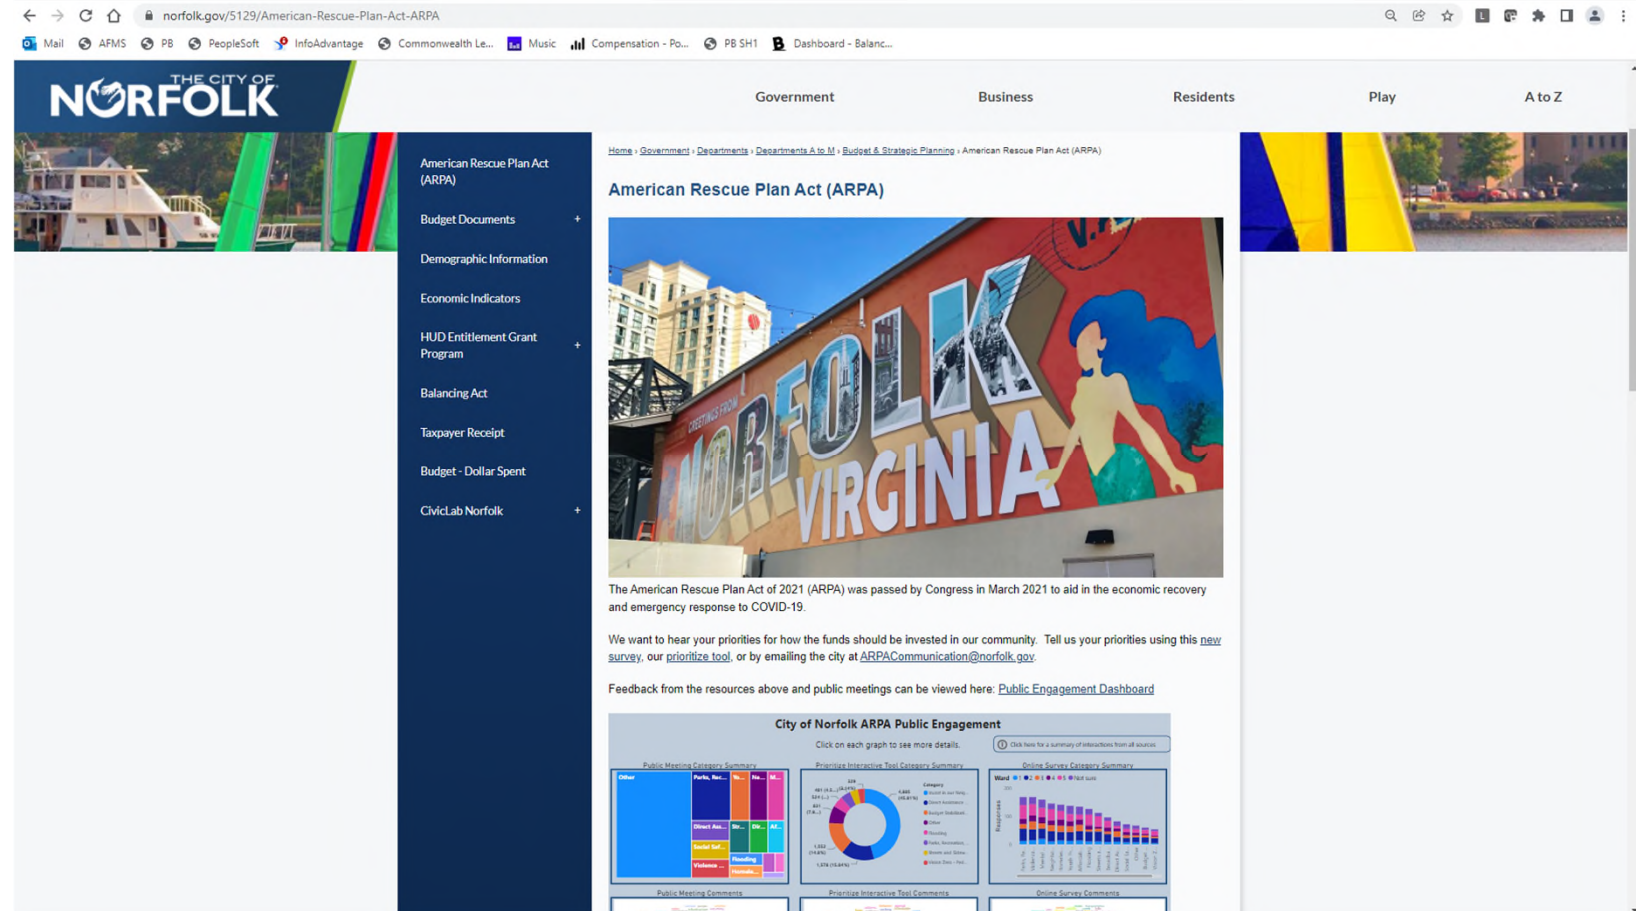

- Ten drop boxes were placed at recreation centers and libraries throughout the city

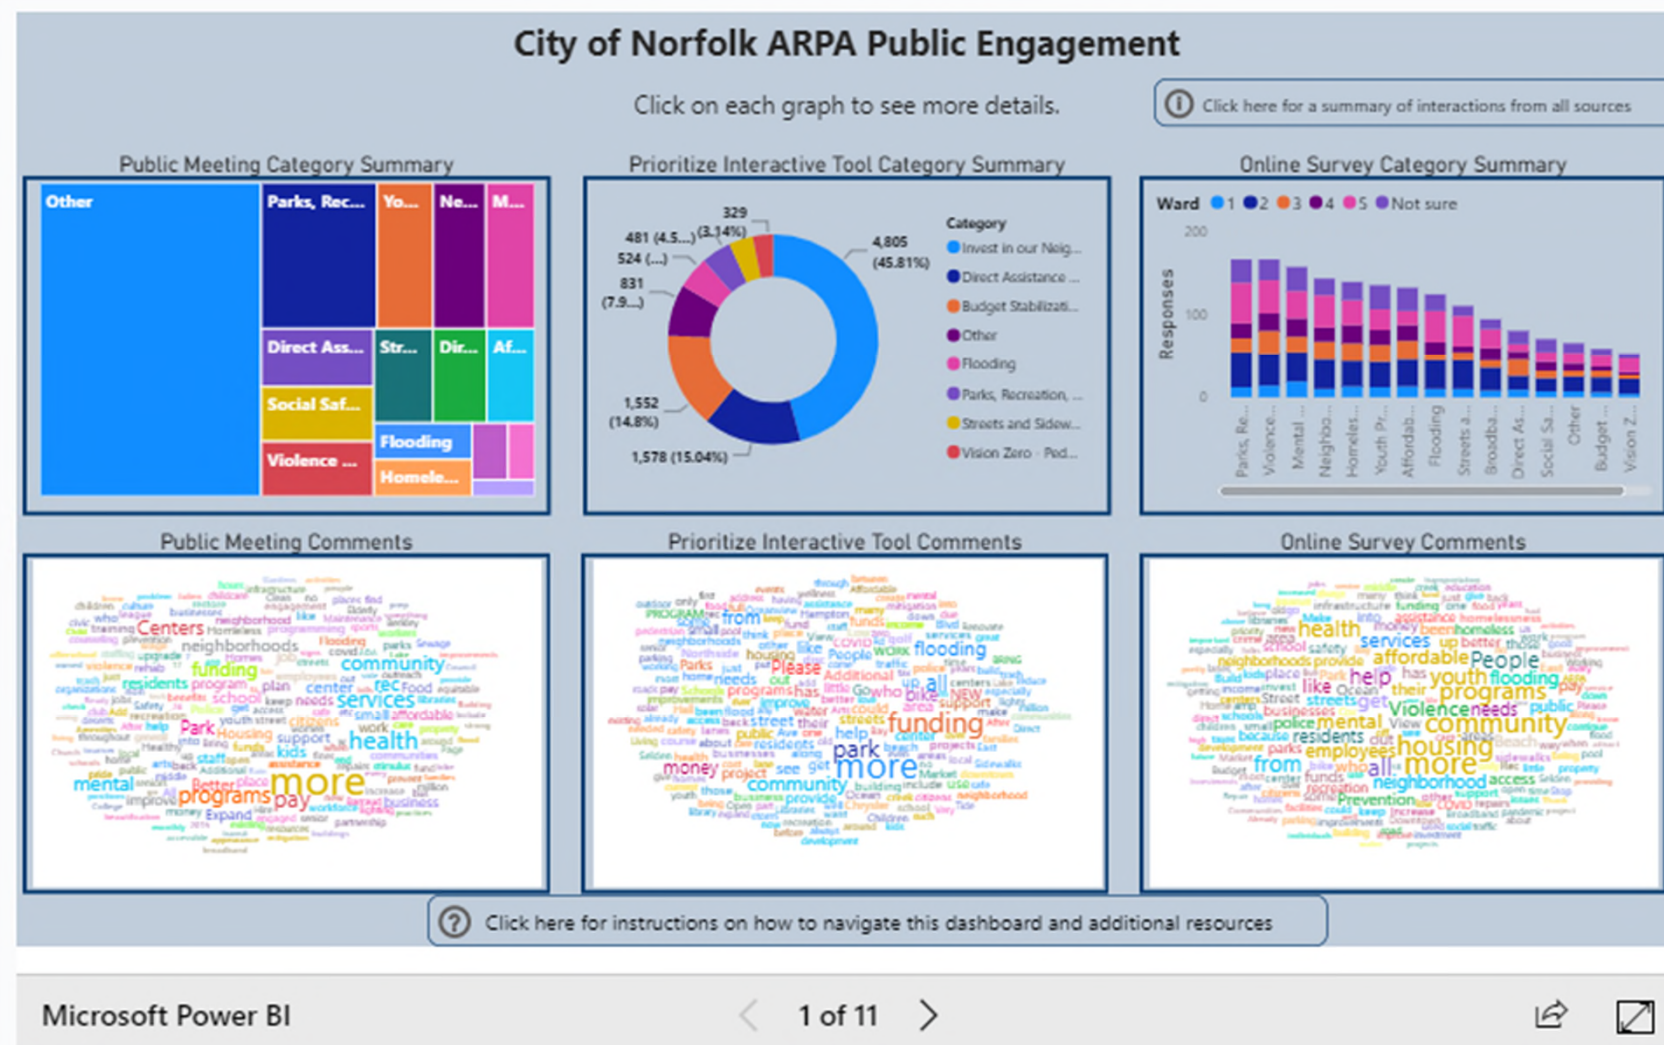

Resident Resources: ARPA Webpage

www.norfolk.gov/ARPA

- Launched on October 15th
- A one stop shop for the latest ARPA news

Combined Results from All Engagement Platforms

- Resident participation surpassed even the most optimistic expectations
- Comments primarily fell into two buckets:
 - Process
 - Priorities
- Comments on the process had common themes (sample comments on the next slide)
 - Residents want more opportunities to be heard in a meaningful way on topics beyond ARPA funding
 - Residents convenient access to engagement events and good communication of when, where, and how events will take place
 - Residents want to know how the city will use the information collected in the engagement process
 - After a rocky start, residents appreciated the opportunity to participate in this process
- Comments on Priorities
 - Top priorities across all platforms detailed in next section

Examples of Comments on Engagement Process

- “Thank you for the meeting last night and for helping to be our voice in the city.”
- “I am glad the city is changing their course of action to gain input from all its citizens...Can we make sure when setting the dates for community input that multiple dates/times are available for communities of color and that a significant amount of time is given to get the word out about the meetings?”
- “Can we make sure that grassroot leaders, civic and civil leaders are included in gathering people who live in hard-to-reach communities?”
- “Thank you so much for reaching out for feedback!”
- “Have conversations with civic organizations”
- “Hold ARPA suggestion meeting on South side of Norfolk”
- “More community engagement events”
- “Engage the community -> everyone has an opinion”
- “Thank you for the opportunity for the public to give input into use of American Rescue Plan Act funding”
- “Thank you for at least asking; I hope my and others' comments are heard and acted on”
- “City leadership needs to prioritize getting out in the community, hearing from community representatives, and taking action on those recommendations”
- “Thank you for allowing community members to be heard. Please do more to improve opportunities to speak to city leaders besides social media and council meetings”
- “The meeting should've been at a central location”
- “Community has no input here, this has to be taken around to the city. The ones without digital, ones that dont go to the meetings, the ones that dont have transportation”
- “City Council come into break out sessions - Q & A”
- “Church Engagement”
- “Include Citizens at the table”
- “Don’t dismiss the community -> involve them”
- “Elected officials and City administration move interaction/conversation/listening so citizens know what is being discussed and action steps”
