Berkley Neighborhood Sewer Pump Station 60 Replacement Design

June 13, 2022

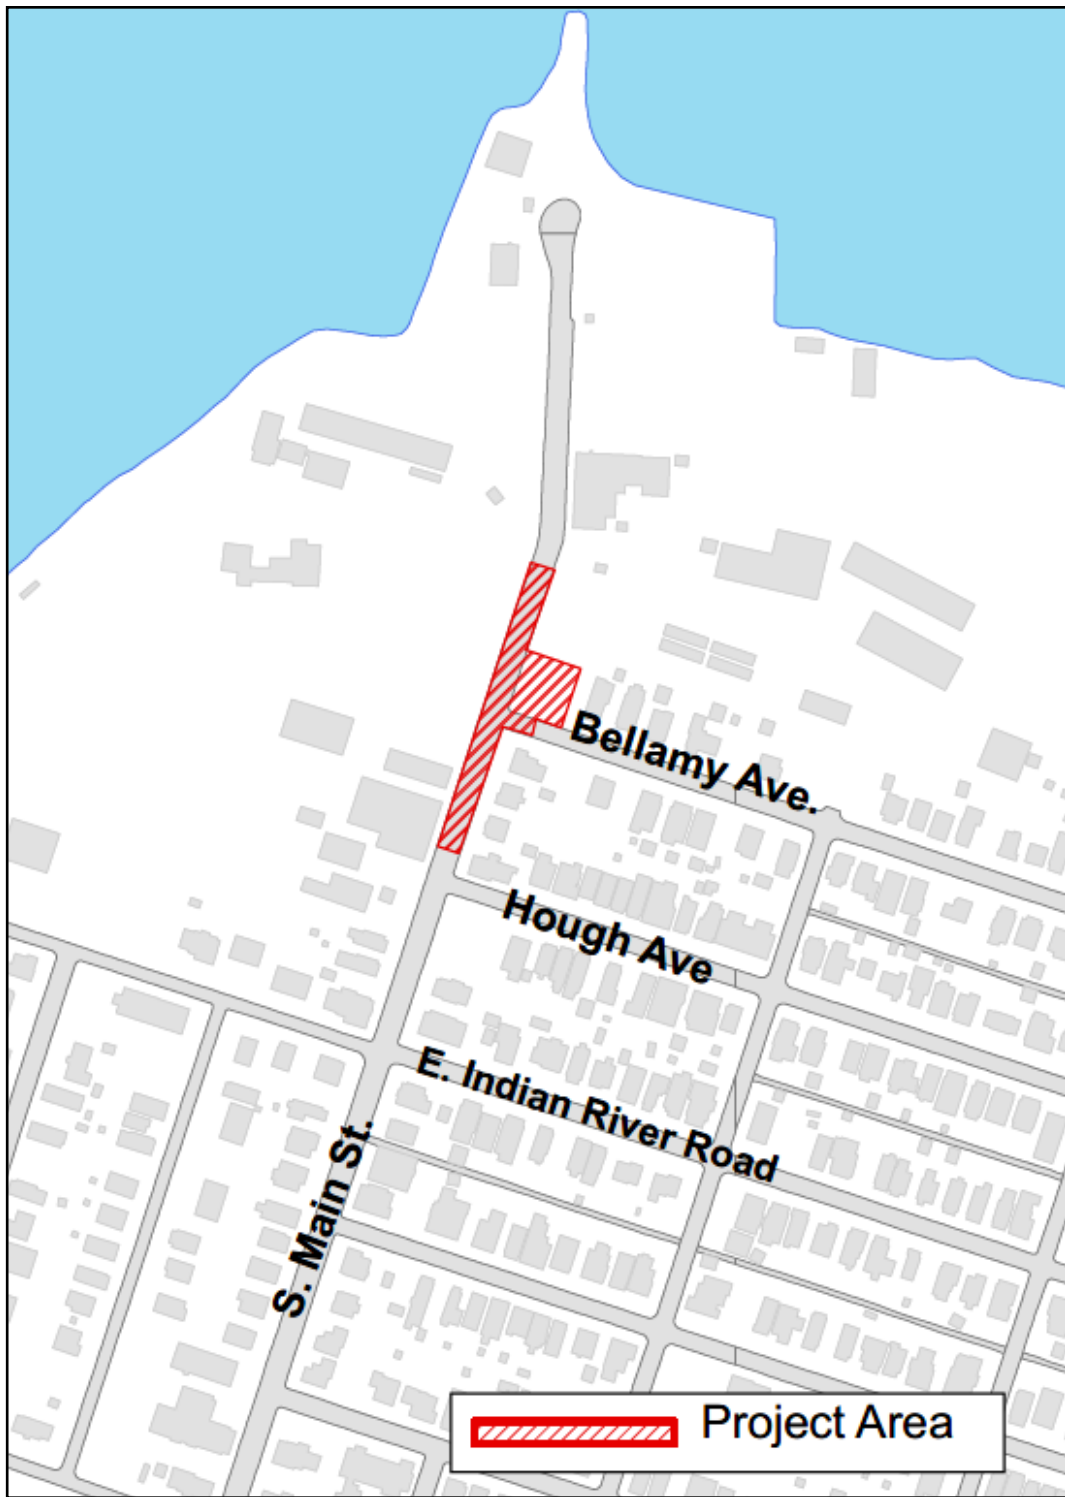

The City of Norfolk's Department of Utilities is in the early phases of planning a project to replace aging water and sanitary sewer infrastructure in your neighborhood. The project (area shown on the map on the back) will include building a new sanitary pump station at the corner of Bellamy Avenue and South Main Street.

Project Details:

- Engineering Consultant: RKK
- In design phase; construction has not yet been scheduled
- Survey crews will work in the project area over the next few months.
- Crews may need to access the exterior of your property to identify property boundaries, easements and surface features.
- **At no time will surveyors request to enter your home.**
- We will provide an update when construction has been scheduled.

If at any time you have questions or concerns, please do not hesitate to contact the project manager, Lisa Bass at 757-274-8027.
