River Forest Shores Pump Station 93 Improvements

June 23, 2022

The City of Norfolk's Department of Utilities is pleased to have scheduled a \$1.5 million improvement project in your neighborhood. The project area (shown on the map on the back) will receive a replacement of the City of Norfolk Pump Station 93 building and associated equipment located at 5822 Sellger Drive within the same parcel.

Planned Start of Construction: July 12, 2022

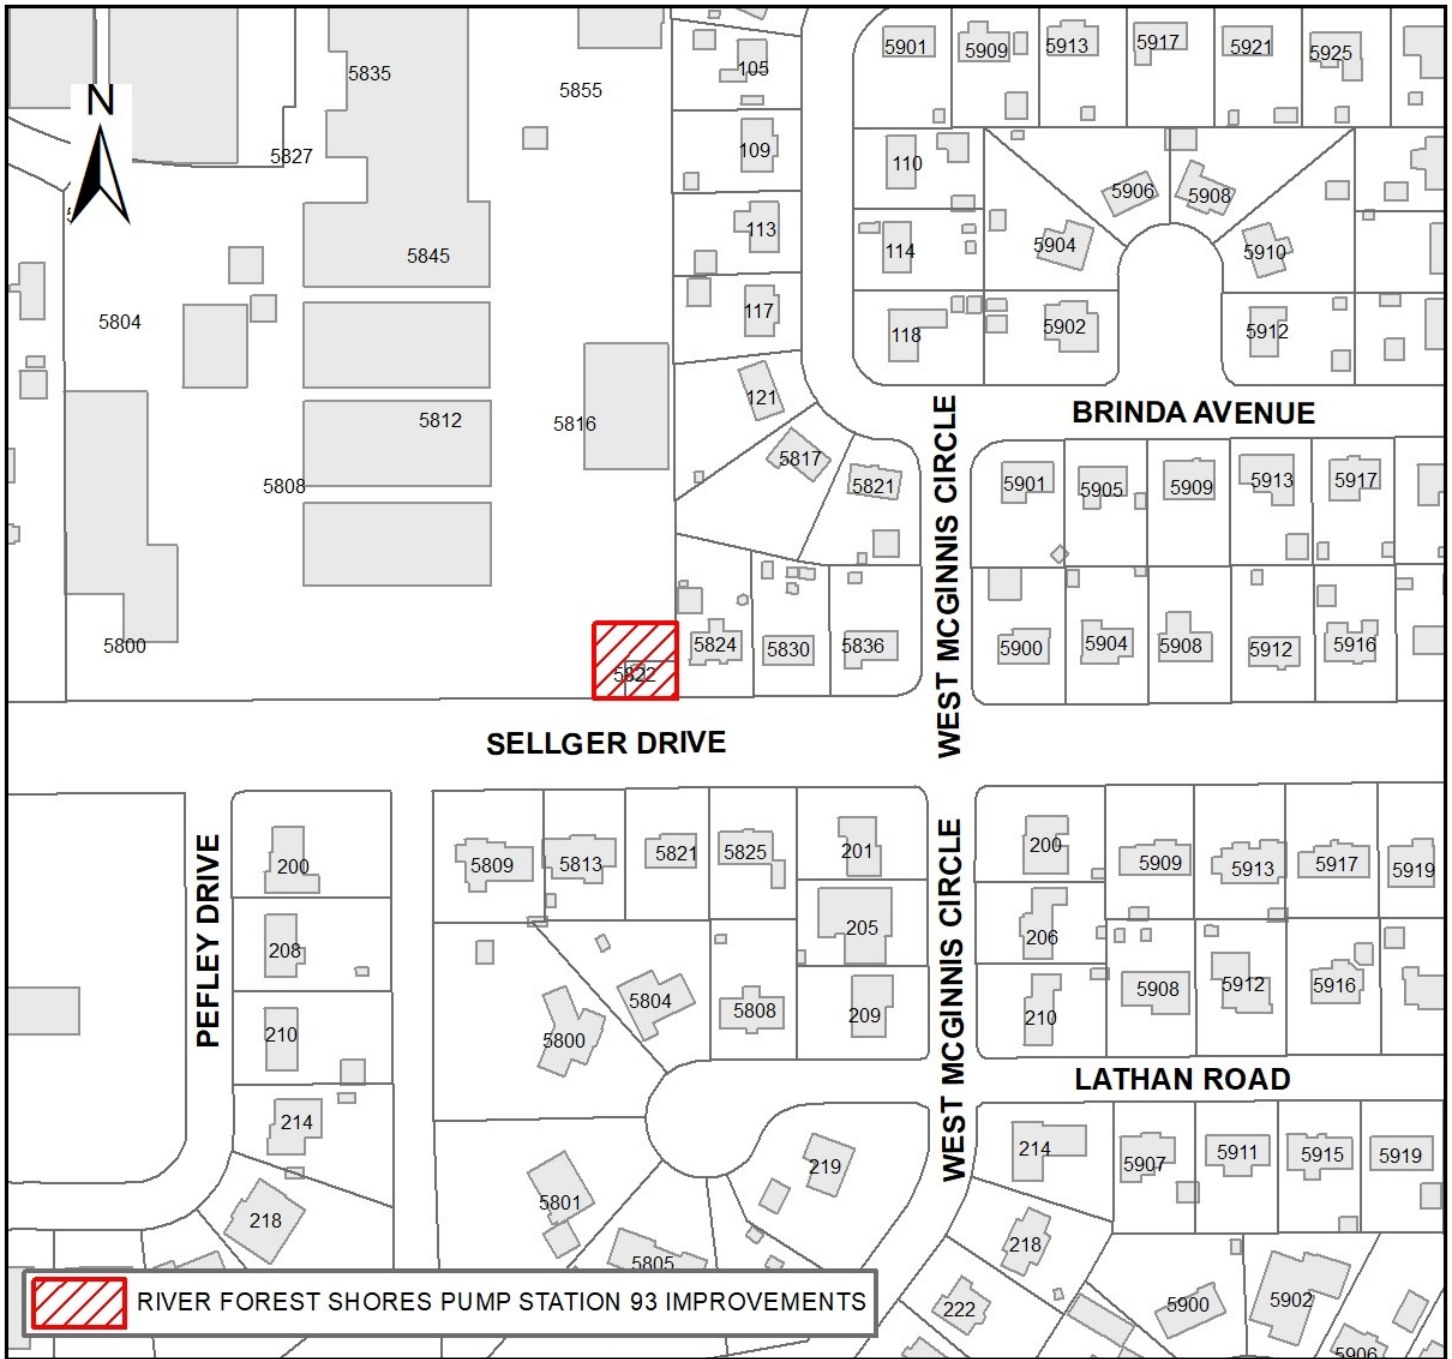

Anticipated End of Construction: July 3, 2023

Contractor: SHAW Construction Corporation

Access: Access to businesses and residences will be maintained throughout construction.

The City and our contractor will do our best to minimize the unavoidable disruptions associated with the construction. If you have any questions regarding this project, please do not hesitate to contact the city's on-site construction inspector, Charles Davis. He can be reached by cell phone at (757) 823-1001 to respond quickly. You may also contact the project manager, Amanda Kuhr, at (757) 274-7830.

The Department of Utilities looks forward to completing this project which will enhance your sanitary sewer for years to come.
