### *Are you Flood Ready?*

Join members of Team Norfolk at one of two upcoming 'Flood Ready' workshops.

City staff will be on hand to provide information and resources to residents to help **understand flood risks, discuss emergency plans, flood insurance and preventive measures.**

The City of Norfolk maintains a 'Flood Ready' commitment as part of its efforts to raise awareness, enhance resilience, and ensure that neighborhoods and communities are well-equipped to respond effectively to flood threats when they arise.
