A Avenue Watermain & Service Replacement

6/28/2024

Due to unforeseen conditions, the start of construction to replace the water line along a section of A Ave from Church Street to Okeefe Street has been delayed. The updated project information is shown below and the project area is shown on the map on the back.

Planned Start of Construction: June 2024

Anticipated End of Construction: September 2024

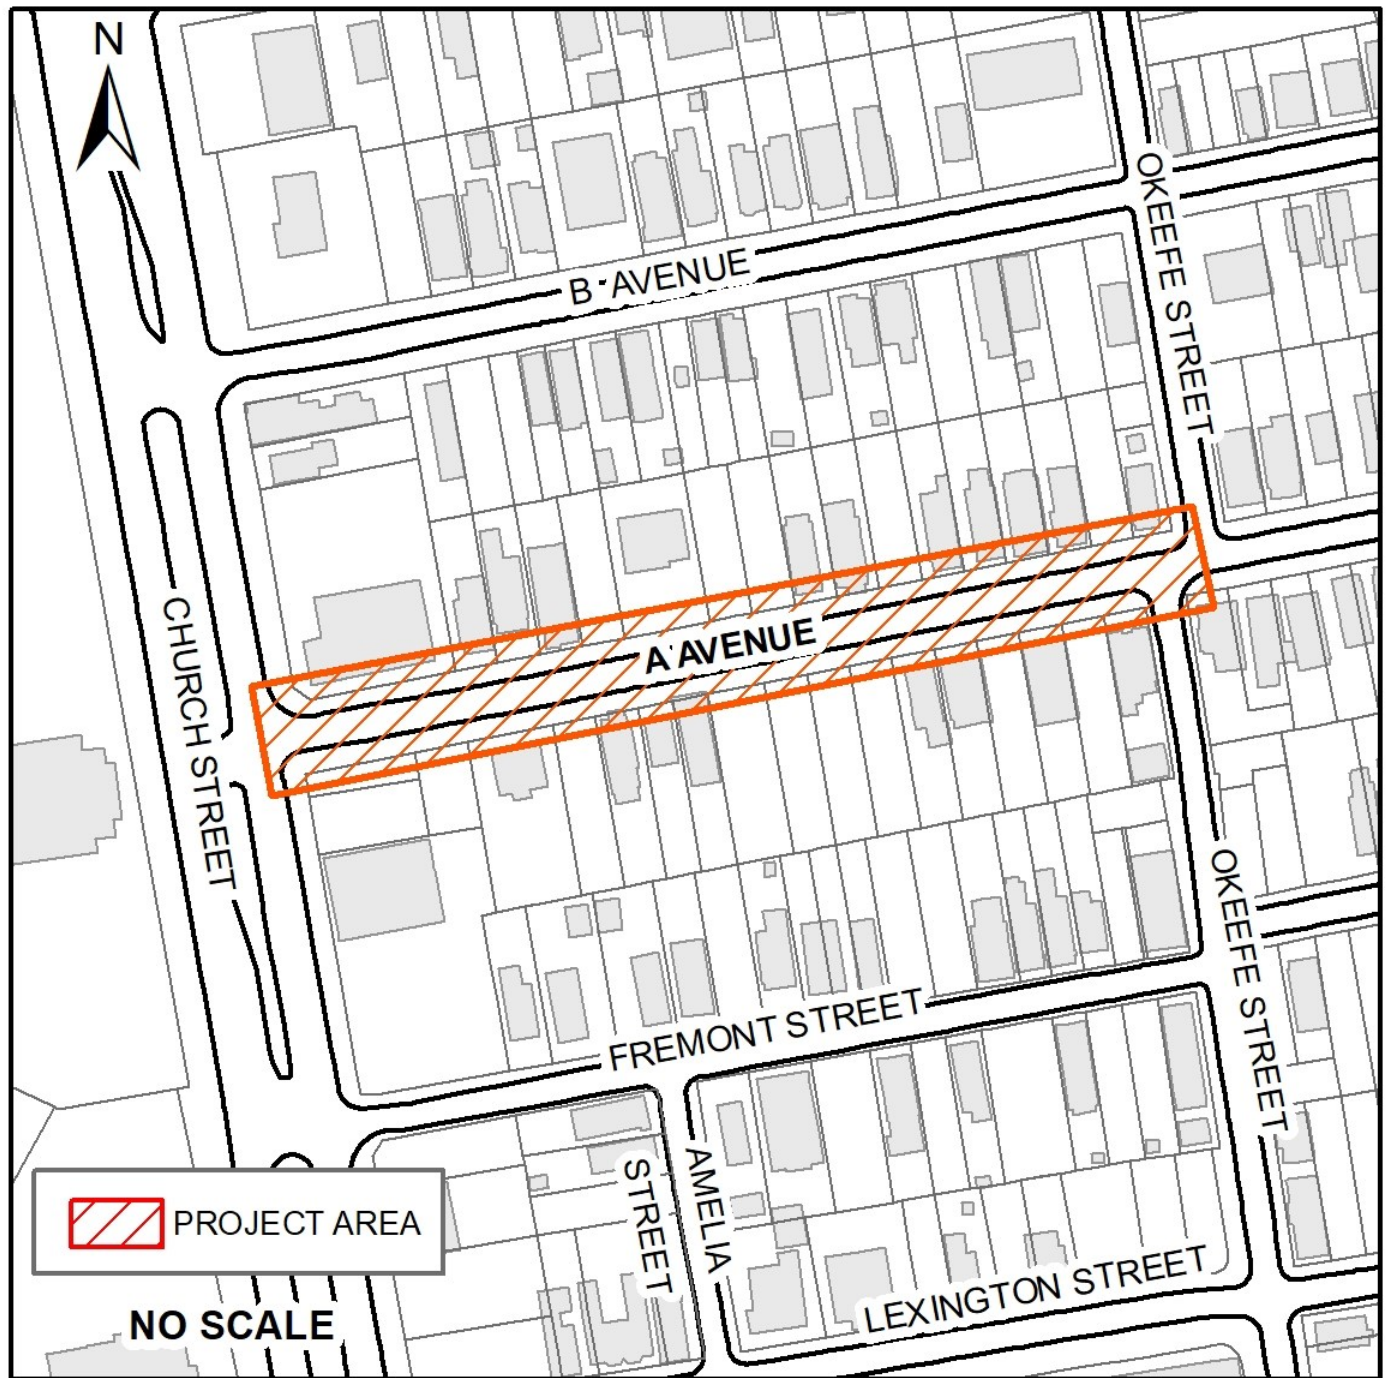

Access: Access to businesses and residences will be maintained throughout construction.

The City and our contractor will do our best to minimize the unavoidable disruptions associated with the construction.

If you have any questions regarding this project, please do not hesitate to contact the city's on-site construction inspector, Damon Hines. He can be reached by cell phone at (757) 416 8826 to respond quickly. You may also contact the project manager, Tiba Salim, at (757) 266 9491.
