#### IV. **Analysis:**

This ordinance distributes General Fund and other operating funds in accordance with the City Manager's Proposed Budget presented on March 26, 2024, and subsequent City Council amendments from the budget work sessions, which include the following:

##### ***Provide Funds to Regrade Fire-Rescue Positions: \$1,000,000***

These funds will support the cost of regrading several Fire-Rescue positions. The regrades will increase salaries for filled positions and vacant starting salaries and support enhanced recruitment and retention of these critical public safety positions.

##### ***Provide Funds to Regrade Public Safety Recruits: \$150,000***

These funds will support the cost of regrading recruit positions in Fire-Rescue, Police, and Sheriff's Office. All recruit positions will be increased by one grade; funds will support the associated salary increases.

##### ***Provide Additional Funding for the Vision Zero Initiative: \$50,000***

Vision Zero is a strategy to eliminate all traffic fatalities and severe injuries, while increasing safety, mobility, and equity for all road users. This additional funding will expand the program by improving data collection and evaluation, increasing public outreach, and creating new education and communication campaigns to foster safer streets within the City of Norfolk.

##### ***Provide Funds for Neighborhood Signs and Historical Markers: \$100,000***

Provide funds to replace and/or repair neighborhood identification signs throughout residential neighborhoods (green, flag-type neighborhood signs with a mermaid at top). Funds will be used to enhance the aesthetic appeal of neighborhoods and increase neighborhood pride. Additionally, funds will be used to manufacture and install historical street name signs in multiple city neighborhoods. These signs are an effort to educate and inform residents that they live in a local historic district.

##### ***Provide Funds for Commercial Corridor Grant Funding: \$500,000***

The city's Commercial Corridor Grant Program provides funding, through a competitive grant application process, for exterior and interior renovations and other operational upgrades to small for-profit businesses and commercial property owners located in designated impact corridors in the city. This funding will be used to continue the program in FY 2025 and expand it to additional corridors. Funds support improvements to façades and rehabilitation, technical assistance for grantees, and the administrative costs of the program.

##### ***Provide Funds for a Box Office Supervisor for CFAE: \$48,000***

Provide funds for a Box Office Supervisor position for Cultural Facilities, Arts & Entertainment (CFAE). This position will enable the department to put on more shows and improve the customer experience for event attendees. The cost of the position will be supported by the additional revenue anticipated by adding a Box Office Supervisor.

##### ***Provide Additional Funds for Hampton Roads Pride through Outside Agencies: \$15,000***

Provide an additional \$15,000 for a total of \$60,000 in Outside Agencies funding for Hampton Roads Pride, a 501c3 organization. This local support is used for general operations to conduct the annual Pride Fest and its associated events, enhance the quality of education programs, and broaden community awareness of the Lesbian, Gay, Bisexual, Transgender (LGBT) and allied communities.
