

## Donation Form

For individuals and businesses lacking space to plant a tree, donating to the Living Legacy Groves fund is a great way to give back to your community and help the environment, and a natural, lasting way to mark occasions such as a birth, graduation or anniversary and to honor or remember a special person or favorite pet.

A personalized recognition certificate from the City of Norfolk—suitable for framing or scrapbooking—is provided to all donors.

Contributed money will be spent once per year, during planting season (October 15 to March 31), to purchase trees for planting in a new or existing Living Legacy Grove.
